

Little Girl 192

Chapter 192: Coming to the Door

Before night fell, outside the Taoyao Pavilion, the day had only just begun.

But today, on the second floor of Taoyao Pavilion, it was already bustling with excitement.

Several high-ranking members of the Water Wraith Gang, led by the Vice Leader Ma Jingtian, each held a girl in their arms, drinking and eating their fill of meat, truly enjoying themselves.

Ever since their Gang Leader was assassinated by the government in a stealthy operation, they had not enjoyed such carefree days for a long time.

Ma Jingtian's face was lit up with delight.

"Little Expert, you are truly magnificent. Twenty thousand silver easily obtained."

Normally, the gang members of the Water Wraith Gang risked their lives and at most made ten thousand silver a month, but today, by merely showing up in front of the Imperial Doctor Mansion, they got twenty thousand.

The money was secondary; the real pleasure was seeing the look on the faces of those from the Imperial Doctor Mansion, as sour as if they had eaten shit—truly satisfying.

Those officials usually looked down on people as if they were loftier than all.

Gui Hu sat at his usual spot, minding his own business drinking.

With Ma Jingtian's intellect on his own, he would never come up with the idea of extorting the Imperial Doctor Mansion.

It was Gui Hu who had suggested it.

Ma Jingtian bore grudges against officials, and after Gui Hu had given him advice on kung fu, he casually mentioned whether Ma Jingtian would like to give the people from the Imperial Doctor Mansion a good lesson, to which Ma Jingtian was more than willing.

Hence, the scene unfolded just a while ago.

"But, Little Expert, I understand why you told me to confront the Imperial Doctor Mansion, but why send me to the inn to chase away a few kids?"

After drinking several cups of wine, and with a beauty in his embrace, Ma Jingtian's tongue could hardly be restrained.

"You have objections?"

Gui Hu shot Ma Jingtian a sidelong glance.

The smile on Ma Jingtian's mouth faded.

"Vice Gang Leader, outside there is a woman with two children who wishes to see Vice Leader Ma."

The pimp of Taoyao Pavilion hurried upstairs and murmured a few words into Ma Jingtian's ear.

"Surely it's not that wretched wife of mine causing trouble again, and bringing the kids along too, don't let them in."

Hearing this, Ma Jingtian's expression soured.

Children!

Upon hearing this, Gui Hu's cold gaze swept across him.

"Vice Leader Ma, one of the kids seems to have come to Taoyao Pavilion a few days ago, he is... he is the Little Expert's brother."

The pimp cautiously glanced at Gui Hu.

What?

The Little Expert's brother, so that must be Little Expert?

When Vice Leader Ma heard this, he took another look at Gui Hu, only to see him still pretending to drink... but his cup had long been empty, hadn't it?

He remembered the Little Expert asking him earlier to use the Water Wraith Gang's name to threaten all inns in the city not to accommodate a woman with two children.

Could it be!?

Ma Jingtian got a jolt, pushed the woman in his arms away, and hurried downstairs to personally receive Little Expert.

Outside Taoyao Pavilion, he saw women who lived by selling smiles hanging by the railings, as well as the lecherous looks on the faces of the passing customers.

Shi Guiren turned pale, hugging Xin Lin and Little Xinzhuo with both hands.

"Little Lin, we really have to go in, but it's not a nice place."

Shi Guiren, during her days confined to her boudoir, had heard of Taoyao Pavilion, the largest brothel in Purple Cloud City.

"Sister, isn't this where I found big brother? Have you finally agreed to come find big brother?"

Unlike his mother, who was nearly fainting from fear, Little Xinzhuo's face lit up with happiness when he saw Taoyao Pavilion.

Hearing this, Xin Lin's eyebrows twitched, Rascal Corpse was here too?

Xin Lin came here after hearing that the Water Wraith Gang members often frequented this place; she just wanted to try her luck and see if she could find Ma Jingtian, but unexpectedly...

Xin Lin's mind started racing, as she thought of something.

"Little Expert... I am here."

Ma Jingtian immediately spotted Xin Lin and Little Xinzhuo, and was about to greet them when his gaze inadvertently fell on Shi Guiren who stood beside them.
