

Little Girl 193

Chapter 193: Hero Saving the Beauty?

What a great beauty.

Shi Guiren got increasingly panicked under Ma Jingtian's stare.

But considering the two children beside her, she could only act like a mother hen.

"Hey, handsome, could you please wipe off your drool."

Xin Lin coughed lightly, and Ma Jingtian finally snapped out of it.

Ma Jingtian looked beside the great beauty to see a boy and a girl.

"Are you Vice Leader Ma?"

"Indeed, I am Ma Jingtian. Little kid, I heard you were looking for the Gang Leader."

Ma Jingtian glanced upstairs, noticing no movement from the expert.

He couldn't guess Gui Hu's intentions right away and simply started making friendly chatter with Xin Lin.

Seeing Ma Jingtian's earlier reaction, Xin Lin realized he did not seem like a very intelligent person, understanding that most of today's events must have been orchestrated by someone behind him.

As for who it was, Xin Lin had already guessed.

What a Pride Corpse, if you want to come back, just say so. Why beat around the bush, pressuring for power and showing goodwill, thinking that would make her comply?

Heh heh—

Xin Lin snickered in her heart.

Want to play, huh? Let's see who can outlast the other.

Xin Lin had not approached Rascal Corpse earlier also considering that once she conceded, she would only be more passive.

She must maintain an equal footing with Rascal Corpse for their cooperation to last.

"I'm here to collect a debt; Ma Gang Leader owes me ten thousand silver taels."

As soon as Xin Lin spoke, Ma Jingtian's jaw nearly dropped.

"Little fellow, you can't just say anything; when did this leader ever owe you silver?"

"Today Ma Gang Leader acquired twenty thousand silver using my name from the Imperial Doctor Mansion, guess what would happen if they discover I'm not dead?"

Xin Lin smiled.

Ma Jingtian was stunned.

"So you are the little ghost who robbed Grand Doctor Chu!"

Perceiving a great threat, Ma Jingtian suddenly reached out to grab Xin Lin's throat.

But suddenly, Xin Lin's face turned pale, and her small body thudded to the ground, her expression one of unbearable pain.

"Help! Murder! Ma Gang Leader is even trying to kill a child!"

Little Xinzhuo next to her started shouting.

"Little guy, what nonsense are you talking about, I haven't even touched her!"

Ma Jingtian was terribly perplexed.

Oh, the conscience of heaven and earth.

Although he was a local ruffian, he at least cared about his face; he never really harmed the elderly, children, or women.

He had merely intended to scare Xin Lin into silence.

As soon as Ma Jingtian shouted, a sudden pain hit his shoulder and with a bang, his two-hundred-pound body flew straight out.

On the street, another muffled thud.

Gang members of the Water Wraith Gang shouted and rushed out to find their unfortunate gang leader.

"Big brother! You're finally here, please save Sister."

Little Xinzhuo was overjoyed to see the person approaching, as if seeing a savior.

Gui Hu looked darkly at Xin Lin curled up on the ground.

Fu Xi's Energy within her body was frantically erratic.

Sweat covered her nostrils, and her hands were clenched into fists, yet she remained silent amidst the pain.

Gui Hu remained silently brooding, stooping to pick Xin Lin up.

"I don't need your rescue."

Yet Xin Lin stubbornly turned her head away.

"Shut up."

Gui Hu's face darkened, and with a long arm, he forcefully scooped her up in a princess carry and walked towards the Taoyao Pavilion chamber under everyone's watchful eyes.
