

LOVE OF A BILLIONAIRE

Chapter 2 She's Married

There is actually a woman who dared to say that to Allen Jones! The assistant on the side stared with his eyes wide... Is this woman crazy?

Standing in front of Allen Jones, although Arya was smiling, her heart was beating at a fast rate. However, once she made up her mind to do something, she didn't waver.

So Arya straightened her back and forced herself to accept the man's regal gaze.

"Arya Morrison?"

Allen Jones's thin lips slowly opened and closed as he spoke with a magnetic voice.

Arya clenched her fists bravely and answered "Yes."

Allen Jones sized up the woman in front of him. His cold expression remained emotionless. He looked at the assistant and said "Give me her information!" unexpectedly.

Arya pursed her lips tightly, holding back the surprise in her heart as she waited for this man's decision.

The assistant didn't dare to disobey Allen Jones orders, so he immediately handed over all of Arya Morrison's information to him immediately.

A few minutes later, he was still standing in front of the Civil Affairs Bureau. After looking at Arya's information, he said to her "Yes."

At that moment, Arya heaved a sigh of relief!

He agreed!

Marrying Allen Jones was a decision that helped both the parties. At least, neither of them would make things difficult for each other, and they didn't need the so-called 'love.'

As for Daniel Parker, she would let him know the meaning of 'regret!'

The registration process was completed quickly. When Arya walked out of the Civil Affairs Bureau with Allen Jones, she now had a marriage certificate in her hand.

So it was that easy to get married?

The sunlight was glaring, but it didn't compare to the light from the man beside her.

"Mr. Jones, Can I have a few minutes of your time?"

Arya called out to him, her voice filled with nervousness. Even though they had already taken the marriage certificate, she still felt at arm's length with him, but that seemed to be a good thing.

Because of Arya's question, the Mr. Jones frowned slightly. The coldness in his eyes disappeared in a flash, then he said one word, "Alright."

Arya took a few quick steps and followed him into the car.

"What do you want to say?" He looked at her, while he leaned back in his seat. The way he leaned back seemed noble.

"Although we are now legally husband and wife, but for the time being, I do not wish to make our marriage public." Arya lowered her head and rubbed her fingertips as she spoke carefully.

He didn't refuse directly but asked in a low voice
"Reason?"

"There are some personal matters I want to settle first. It won't take me too long!"

When Allen heard this, he gave a meaningful smile and said in an extremely dangerous tone, "Sure! However, I will give you three months at most."

"Tomorrow, I will have someone to pick you up."

"Pick me up?" Arya didn't have time to react and looked at him in surprise.

"You're already Mrs. Jones. Husband and wife should be living together under the same roof." His eyes flitted over the marriage certificate in Arya's hand. There was some meaning in his words.

Arya thought about it for a moment and there was no reason to refuse, so she nodded obediently, “I agree.”

Arya got off at the intersection and watched the black Bentley drive away into the distance. She felt she was on cloud nine.

She got married and married a well-known person!

The waves and throbbing in her heart just wouldn't calm down. Arya pulled herself together, calmed her good mood, then took a taxi and left.

She still had a lot of things to do!

Allen's car drove two blocks away.

He casually flipped through the newspaper with his slender fingers and instructed the assistant, “You can

now tell the old man that I'm already married. Also, check if anything happened to Arya recently."

He remembered that she was the Queen of the Tyranny from two years ago, she was regarded as the Goddess of the entertainment circle. However, she had retired to work behind the scenes when she was at her most popular, and had an affair with the Young Master of Brilliant Entertainment of the entertainment industry, Daniel Parker.

What was the truth behind such a woman taking the initiative wanting to marry him?

His lips curled up into a smile while he thought about the woman's appearance just now.
