

Love Slave 143

143 Shameless Addiction

"It's so wet inside you but you're very tight today..." Ace murmured seductively.

"Ahh! Ahhh..." I moaned loudly as his fingers moved fast and hard inside of me.

My pussy clenched hard around his fingers as my body writhed from the pleasure of his fingers sliding along my sensitive pussy walls. It felt much better than normal to feel him inside of me. His fingers stretched me and slowly my pussy began to adjust to his fingers. My pussy made wet squelching sounds as I got even wetter for him.

"Ace...it feels so good..." I admitted weakly.

Ace fingered my pussy hole harder as his fingers plunged repeatedly against the pleasure spot deep inside of my love hole. His thick and long fingers moving inside of me felt amazingly pleasurable and all I could do was cry out as pleasure robbed my brain of the ability to think. My hips moved wildly, thrusting up and down from the bed as I offered myself to him freely.

I wanted to feel him closer to me. With the many stressful things that had been going on, I found myself relying so much on Ace, and even now, I was relying on his passionate comforting. I wanted him to drown me in this addictive pleasure so that I could forget all of my troubles even if it was for a short while. His presence close to me comforted and reassured me. The pleasure that he gave me helped to relieve me of my pain and anxiety.

"Ace...please..." I begged him as my orgasm crept up on me.

His fingers thrusting against my pleasure spot felt so pleasurable. Ace smiled down charmingly at me as his hazel eyes burned with his own passion. I knew that he wanted to be inside of me just like I wanted to be connected and one with him.

"Please...I'm going to cum..." I whimpered as my hips continued to buck wildly.

.....

My pussy clenched hard and spasmed around his fingers uncontrollably. My climax was fast approaching, and Ace seemed to realize that as well because he began pumping his fingers deeper and faster in and out of my sopping wet hole. His other hand reached between us and soon I felt the unbelievable jolts of pleasure of his fingertips expertly stimulating my swollen clit.

"Ahhh! No...Ahhh! I can't...it's so good!" I cried out as I lost myself completely to the pleasure of his seductive touches.

Ace's fingertips continued to push and swirl around my engorged clit while his other hand pumped his fingers fast and hard in and out of me. I closed my eyes and screamed his name as my wetness gushed out from between my legs onto his fingers. My orgasm hit me suddenly as the pleasure of his fingers playing with my clit and hitting me deep inside became too much for me to take.

I didn't need to worry about the neighbors hearing us anymore at this point because I was sure that they heard us loud and clear. It was clearly no wonder to them what we were up to this late at night.

I felt the heat of his manly hands caressing along my thighs tantalizingly before he bent and lifted my legs up. My pussy stretched open, and I felt the wetness of my own release pouring out of my love opening and trickling along my ass crack. I came so much it felt like I had wetted the bed. Thankfully, Ace didn't waste any time in positioning his hips in between my widely spread legs. My pussy trembled in anticipation of taking in his thick and solid cock inside. His fingers felt so good already, but I knew from experience that it was nothing compared to the joy of having his massive love stick deep inside of me.

I wanted him to pound his cock into me until I went crazy. Since when did I become so addicted to having sex with him? What was scarier was my addiction in having him with me.

Will I be able to live without him when we finally have to part?

"I can't wait to fuck you, Rina..." Ace proclaimed bluntly.

Our eyes met and I smiled sweetly at him. I spread my legs even wider for him and lifted my hips up from the bed a little as I offered up myself to him.

"Please...Ace..." I pleaded again in a sweet voice.

The fire of desire burning in the depth of his eyes turned me on so much. It was going to be a wild ride, but I wouldn't want to have it any other way. I wanted him to satisfy me as much as I wanted to satisfy his desires.

"Ahhh...yeah..." I moaned before biting down on my lower lip seductively.

The heat of his thick swollen cock lodged itself between my pussy lips while I moaned and whimpered. He hasn't entered me yet, but my pussy was already spasming wildly inside in anticipation of his entry.

"Yes..." I moaned as he started penetrating me.

Unlike how he would usually enter me in one strong thrust, Ace slowly sunk his cock into my wet hole. My eyes widened at the sensation of his cock stretching and slowly filling me up. Inch by inch he buried his massive thickness into me. He was moving so slowly but so deliberately, and I could feel his presence so clearly inside of me. It felt so different, and it felt so unbelievably pleasurable.

We're becoming one.

"Good girl. Keep taking me inside of you. Take all of me, Rina..." Ace urged seductively.

I nodded as I lifted my hips up to take in even more of his thickness into me. His cock was so thick and long. Countless soft moans escaped my lips as Ace continued thrusting his cock into my wet pussy hole until finally, I felt his entire cock bury itself all the way deeply into my wet pussy.

"So deep...Ahhh..." I moaned with utmost satisfaction as my pussy walls clenched to hug his cock closer and tighter to me.
