

Love Slave 149

149 Our Passionate Celebration

I blushed as I tried to look away. Ace wrapped his arms around my back and pulled me close into a tight embrace. His warmth and his familiar scent surrounded me and made me feel secure and safe. My arms moved to hug him in return without a second thought like an automatic reaction. I closed my eyes and enjoyed his loving embrace while I tried to wrap my mind around the fact that I am Ace's girlfriend now.

With all that talks of marriage, does that mean that soon I'll be his fiancée?

I clenched my eyes tightly shut before shaking my head softly from side to side. Now's not the time to be thinking about that. Step by step...

"Rina..." Ace murmured my name tenderly before his lips started teasing mine.

My eyes widened when his hands began caressing my back before dropping to caress the sides of my waist. His lips kissed mine softly from various angles playfully. I got lost in his eyes when our gaze met and locked. His lips curved into a slightly teasing smile before I felt their warmth on mine again.

"Mhmmm..." I moaned softly into our gentle kisses.

"Rina...your moans are so cute..." Ace whispered against my lips before I felt the wetness of his tongue probing in between my lips.

"Ahhh..." I moaned softly in my throat as my body began responding to his gentle seduction.

Ace flicked his tongue against my lower lip before slowly thrusting the tip of his tongue between my lips. I closed my eyes and sighed in surrender as I parted my lips to grant his tongue access to the depth of my mouth. His wet warmth filled my mouth as his tongue began exploring and tasting me. Our tongues engaged in a passionate dance that made my breath come in short bursts and my chest feel hot and tight.

.....

His hands dropped to caress my hips and then he reached up between us and groped my breasts firmly over my clothes. I whimpered into our heated kiss. Our tongues grinded against each other fervently as our kiss got wetter and deeper. Ace broke our kiss just enough to focus his efforts on tearing my clothes off my body. He was clearly impatient, and I didn't blame him. I helped him undress me before my hands went to caress the front of his shirt, feeling his ripped and firm muscles underneath.

"I want to touch you, Ace..." I murmured in a small voice.

Ace chuckled at my bold confession before he tore his clothes off his body in swift motions. I sat up on the sofa to run my hands along the muscles of his chest before moving downwards to caress his well-formed abdominal muscles. Ace took in a sharp breath before sighing in pleasure. Feeling quite bold and wanting so much to please him, I ran my fingertip over his nipples as I watched them harden from the stimulation. I glanced up to see Ace watching me pleasure him. I kept my eyes locked with his as I engulfed his nipple with my lips and started licking it.

"Someone's playing around quite a bit today..." Ace said teasingly.

I smiled before I continued flicking the tip of my tongue faster against his erect nipple before sucking hard on it. Ace stroked my hair encouragingly and I could tell that he liked what I was doing. I lowered my hand to feel the hard erect pole standing up in between his legs. I got on my knees to better position myself in front of him on the sofa as Ace stood next to the sofa.

"It's so hard and so hot..." I murmured after letting go of his nipple.

"Are you trying to turn me on even more?" Ace asked teasingly.

He closed his eyes and groaned softly when I wrapped my hand and fingers around the thick girth of his hard cock. I watched his erotic expression as I began moving my hand up and down the length of his massive cock. His thick love stick twitched in my hand and although he was already massive, his cock grew even thicker and longer in my hand. I tightened my hold on his thick rod before I began pumping it faster and faster.

"Rina..." Ace groaned my name as his hips began moving, pumping his cock in and out of my hold.

"Your cock is getting even bigger. It's...so amazing..." I said admiringly.

"I can't wait to fuck my girlfriend," Ace said teasingly.

"Don't say that..." I whispered shyly.

"Why not? It's the perfect way to celebrate our new relationship," Ace said teasingly as his hand reached out to caress my hair.

"Ace..." I whispered his name lovingly.

"Stand up and bend over. I want to take you from behind," Ace ordered in a voice thick with lust.

He stopped the movement of my hand on his cock before removing it. I nodded in understanding before I arranged my body the way that he wanted it. I bent over the sofa before spreading my legs a little and lifting my ass up.

My pussy clenched in anticipation of his entry into my wet hole. Ace positioned himself behind me before I felt his large manly hands on the side of my hips. Then the heat of his thick rod lodged itself in between my gaping pussy lips. I closed my eyes and moaned his name as I thought of the pleasure of taking him inside of me. I wanted him so badly that I could no longer think straight.

"Ace..." I moaned as I pushed my hips backwards.

My pussy rubbed against his thick hardness. I didn't want to wait any longer and it seemed like Ace was also at his limit. Ace thrust his hips forward and his cock pounded into my awaiting hole in one strong thrust that made my mind go blank. The pleasure of his entry was intense as his thick member stretched and then filled me up all the way. He buried his entire length into me in a single thrust while my pussy rejoiced at the bliss of being filled.
