

Love Slave 59

59 Drowning in Desire

I moaned when he slipped his tongue into my ear and began licking it. Lewd wet sounds echoed loudly in my ear while his hand started roving along my body.

“Ahhhh...” I moaned even louder at the sensation of his large manly hand on my breasts.

Ace groped my breasts and massaged them over my clothes as he continued to lick and suck on my earlobe. I quickly felt my legs going weak at his passionate attack. By that time, I had lost myself in my own desires and had forgot all about struggling against him. It was amazing how he could seduce me so easily like this and I found myself giving in to him without any restraints.

Ace sat up and looked down at me as I struggled to catch my breath. His hands were on the button at the front of my white shirt as he began unbuttoning them without any rush at all. His eyes watched me before he smiled at me. His smile looked so sexy, and I felt myself drawn to his smile. Ace bent down above me before he fitted his lips to mine. His lips crushed down quite roughly on mine before his tongue probed my lips opened. I moaned into his mouth after he thrust his tongue firmly deep into my mouth.

His taste filled my mouth as his tongue grinded hungrily against mine. I closed my eyes in bliss as I began kissing him back with urgency. His hands caressed my breasts before I felt him peeling my shirt away from my chest. Ace broke our kiss so that he could stare down at my breasts as his hands peeled away the cups of my bra.

He took in a sharp breath at the sight of my naked breasts, and I knew that he liked what he was seeing. Ace caressed my breasts playfully with his fingers before his large palms cupped them. I cried out when his manly hands squeezed my breasts a little roughly. It felt so good, I glanced down to watch his hands on my soft womanly flesh. The stimulation of his hands made my nipple stand up and harden.

My breathing came in short bursts as I panted from the heat that was quickly building up inside of me. My lower abdomen throbbed with heat as desire swirled in my tummy.

Ace captured the peaks of my breasts in between his fingertips. I cried out when he began rolling my nipples in between his fingertips. Then he tugged on them roughly, making me scream at the intense pleasure coursing through my body from the tips of my erect nipple.

“Your breasts are so beautiful, Rina. They’re so soft but your nipples are so hard...” Ace whispered lustily with his eyes on my breasts as his hands continued to toy with my hardened nipples.

.....

As if he could tell from my reaction that I was enjoying his attention, his fingers pinched my nipples faster and harder while I cried out in ecstasy and shook my head from side to side.

“Ace! Ahhh...Ahhh...” I cried out his name before all I could do was moan.

My body felt like it was in heat and the burning ache in my lower abdomen quickly melted as hot wetness that seeped out from the wet slit in between my thighs. My pussy throbbed with a need that I knew that only Ace could fulfil. The pleasure that he gave me further intensified when he dipped his

head down towards my chest. I felt a hot and wet sensation engulf my nipple and realized that Ace had begun sucking and teasing on my nipple with his skillful mouth and tongue.

"It tastes good too..." Ace said before my nipple disappeared into his mouth again.

The tip of his tongue lapped at my hardened peak while my body squirmed beneath him. Lust and desire clouded my brain as I whimpered his name repeatedly as if I was begging him for more pleasure. I wanted to feel him touch me more. I felt another rush of hot wetness gush out from between my legs as my pussy clenched and quivered with desperate need.

Ace finally let go of my nipple. His eyes locked with mine as his hands slowly travelled down my body. His hands tugged up my skirt to reveal my thighs as he bit his lower lip in such a sexy way that swayed my heart.

"Lift your hips...that's it. Spread your legs for me, Rina," Ace urged in a voice so warm and gentle that it made me feel like I was under his spell.

After pulling up my skirt to expose my lower body to him, Ace's hands began caressing my thighs. His touch felt amazing on my bare skin. My body trembled in anticipation as his hands caressed their way up my inner thighs.

"Ace..." I whimpered his name.

My voice sounded full of yearning as if I couldn't wait for him to have his way with me. I moaned softly when his hands finally cupped the mold of my pussy through my panties. Heat rushed to my face when I realized that I must have soaked my panties all the way with my love juices. I was so turned on at that point that my pussy was flooded with my love honey, and I was certain that Ace could feel the wet heat of my desire against the palm of his hand as well.

"You get wet very fast..." Ace said with a small laugh after he took in a sharp breath.

His hand pressed up against my wet opening through the thin fabric of my panties and I cried out. My hips began thrusting upwards against his hand, as I offered him my pussy. I wanted him to touch me there so badly that I wanted to cry out for him to quickly touch me. My body clearly remembered the pleasure of his touch when he made me cum so hard in his office.

Ace hooked a finger under the waistband of my panties before slowly pulling the unnecessary garment down my legs. His eyes locked with mine and I found myself staring back at him as I bit my lower lip and moaned seductively. It wasn't long before my panties were completely removed from my legs and Ace's hands were parting my thighs firmly wide open.
