

Love So Sweet 210

210 Zhang Yi Hai is Quite Popular

Tang Yin and Liu Jin both had mentioned to their classmates that Zhang Yi Hai's elder sister would be joining them for the gathering. When Fang Su Jin showed up in the room, she received a warm welcome.

Looking around, Fang Su Jin seemed to recognize a few faces.

Earlier that day, some of his classmates had shown up at her exhibition. Because of that, it wasn't that hard for her to get along with everyone.

In the beginning, Zhang Yi Hai was worried that the girl would be unable to get along with everyone else. However, he was finally at ease upon watching Fang Su Jin sit with a group of girls and chatted with them.

His friends were chatting happily, making a lot of noises in the room. Someone was holding the microphone and sang a breakup song emotionally. However, Zhang Yi Hai's continued to observe Fang Su Jin from the corner of his eyes.

A girl offered Fang Su Jin a drink and she gladly accepted it. After what she had gone through earlier, Fang Su Jin figured that she would need a few drinks to calm down.

The girls continued to chat happily while gossiping about the latest rumor on their campus. Although Fang Su Jin did not know anyone from their campus, she found that listening to their gossip seemed interesting.

For example, it was rumored that a girl recently found out that she was backstabbed by her best friend when she found out that the friend was dating her boyfriend behind her back.

It seemed that there were so many dramas and the story became more ridiculous.

.....

Fang Su Jin heard what the girl did to get back to her friend and her now ex-boyfriend and laughed. She did not think that the girl would be so crazy with her revenge.

Just as she looked up, her eyes met with Zhang Yi Hai who was sitting across the room.

He was listening quietly as his friends talked to him about something. However, the man did not look away from her.

Fang Su Jin was the first to look away. Although she knew that Zhang Yi Hai was only keeping his eyes on her because he was worried, the way he was looking at her made her shy.

"Sister Fan," one of Zhang Yi Hai's classmates who she had introduced herself as Ji Xin Xin sat beside her and passed her a glass of drink. "Here, have some drinks."

Fang Su Jin flashed her a smile. "Thank you."

The younger girl smiled happily. "Sister Fang, I heard that you grew up with Zhang Yi Hai, could you tell us more about him?"

Fang Su Jin pondered about the young Zhang Yi Hai.

Back then, he would often follow his sister around with a serious look on his face. Back then, he was kind of cute. How did he grow up to be so scary?

“What’s there to tell? Zhang Yi Hai has always been a quiet person from a young age,” Fang Su Jin said. “Other than studying hard, he did not seem to have much interest.”

Of course, Fang Su Jin would not mention Zhang Yi Hai’s obsession with his sister and ruined his chance to get a girlfriend.

The girls giggled. “It seemed that he hasn’t changed much. He didn’t talk much, but at least he is good to look at.”

Fang Su Jin noticed the way the girls have been peeking at Zhang Yi Hai and understood that some of them had a crush on him. It seemed that Zhang Yi Hai is quite popular among girls.

Earlier, Zhang Yi Hai had introduced her as his elder sister and now, they were trying to get to him through her.

Her lips turned up into a smile as the thought came to her mind.

Zhang Yi Hai is indeed good-looking. He had his mother’s good look and his father’s temperament. He seemed cold and hard to approach, but his good look make it up for everything,

“Then, do you know if he has a girlfriend?” Fang Su Jin tried to dig some rumors about this little brother.

“Girlfriend?” Ji Xin Xin glanced at Zhang Yi Hai and lowered her head shyly. “Sister Fang, Zhang Yi Hai has been focusing on his study a lot. In the past, there were a few students who would come to him with their confessions. However, Zhang Yi Hai rejected every girl. We never heard any news about him dating. We heard that he wanted to concentrate on his studies.”

“That’s right. Back then, even the prettiest girl on campus came to confess her love,” Another classmate spoke. “Even she was rejected.”

“Sister Fang, you have to know that this girl was from the foreign language department,” Another girl spoke. “She is mixed blood and had a good look. After she was rejected, the others stopped trying to confess to Zhang Yi Hai.”

“That’s right. Ever since then, our department became a bit quieter.”

Suddenly, their conversation had now shifted toward Zhang Yi Hai.

Fang Su Jin did not expect that Zhang Yi Hai would be really popular among the girls.

Her gaze fell on Ji Xin Xin who was seated beside her. Fang Su Jin could see that the girl was peeking at Zhang Yi Hai every chance she got.

It wasn’t hard to see that Ji Xin Xin liked Zhang Yi Hai too.

The gathering ended soon.

Many of the students live on campus and they were all rushing to return to their dorm before the guards are going to lock them out.

Fang Su Jin thought that Zhang Yi Hai would return with them. However, Zhang Yi Hai told his roommates that he was not going to return to their dorm.

“You’re not going back?” Fang Su Jin looked at him in surprise. “Won’t this trouble you?” She understood that Zhang Yi Hai intended to walk her back to the hotel.

Zhang Yi Hai looked at Fang Su Jin quietly. He looked away after a while and spoke, “It’s fine. My roommates will help to explain if something came up.”

“Then, where will you stay if you were locked out?”

Zhang Yi Hai raised a brow. “Have you forgotten that the hotel you’re staying at is our family’s”

“That’s right. I almost forgot about that.”

Zhang Yi Hai seemed to recall that episode where the hotel staff had misunderstood that he was bringing a girl to the hotel and reported it back to his father.

On second thought, perhaps, staying at the hotel seemed to be a bad idea...
