

Love So Sweet 623

Chapter 623 This Old Girl

Fang Su Jin walked out of the hall with the Zhang couple. Seeing that there were many people around the area stunned them for a few seconds.

Now that the ceremony had ended, the graduates walked out of the hall all at once and scattered to look for their family and friends.

At the side, a group of graduates gathered to take a photograph with their classmates, blocking others' paths. The atmosphere was quite chaotic.

Fang Su Jin looked at the sea of people before turning to Zhang Yi Hai's parents.

Zhang Yu Han was quite tall and easy to spot. However, Li Qin Yao was short and Fang Su Jin could not see her figure amidst the sea of people. Zhang Yi Hai had to wrap his arms around his wife's body to protect her from the crowd. Seeing the number of people around made him worry that his wife would suffocate.

At this time, Fang Su Jin was glad that Zhang Li Xue did not attend this graduation ceremony. With her body condition, it would be quite troublesome for her to walk.

After pondering the situation for a while, Fang Su Jin led the Zhang couple to the side where it was less crowded. She turned to Li Qin Yao and saw the elder woman heave in relief upon escaping the crowd.

Fang Su Jin took out her phone and called Zhang Yi Hai's number to talk to him. However, it was too noisy at his side and Fang Su Jin could not hear anything.

The call ended after a few seconds and Zhang Yi Hai texted her back to tell her that his friends were forcing him to stay around and took a few photos of the classmates together.

.....

He told her that he would go and find her after taking some photos. However, as she was about to describe where they were stopping, Fang Su Jin realized that she did not know how to explain this place. She sent him a photo of the location but was still worried whether Zhang Yi Hai could find them.

Fang Su Jin turned to the Zhang couple and spoke, "Auntie, Uncle, it seemed that Yi Hai is occupied at this moment. Why don't the two of you wait here while I go and look for Yi Hai? If he came over and find you first, then, Auntie you can call me."

The Zhang couple looked at each other for a while before agreeing with Fang Su Jin's idea.

Li Qin Yao had a gentle smile on her face. She patted Fang Su Jin's hand and spoke, "Su Jin, you have to be careful. Don't go too far. If you can't find Yi Hai, just come back here and wait."

Fang Su Jin nodded. "Auntie, I know."

After saying a few more words, Fang Su Jin left with a bouquet in her hand. She walked around the area to look for the place that Zhang Yi Hai had mentioned earlier.

He told her that he and his classmates were at the small field in front of the hall. But as Fang Su Jin found the place, she realized that there were too many people around.

Fang Su Jin craned her neck to look for her boyfriend.

Previously, she had met a few of his classmates and Fang Su Jin hoped that she could run into them.

She indeed found a familiar face. However, this person was not someone that she wanted to meet.

Not too far away from her, Ji Xin Xin was staring back at her angrily.

Fang Su Jin saw the way Ji Xin Xin was looking at her and thought that it was too funny. Once upon a time, she had felt that Ji Xin Xin was a cute and polite girl. But obviously, this person was very good at pretending.

"You, stand there." Ji Xin Xin marched over angrily. Her eyes fell on the bouquet in Fang Su Jin's hand.

"Why are you here?"

Fang Su Jin wanted to escape this lunatic. However, Ji Xin Xin had already blocked her path. Each time that she tried to walk around this person, Ji Xin Xin would continue to block her path.

"Miss Ji, you are really strange. Why can't I be here?" Fang Su Jin asked. Her lips curled into a smile. "I'm here to attend my boyfriend's graduation. What is wrong with that?"

In the past, Fang Su Jin would not say this word out loud. However, she had stayed with Zhang Yi Hai for a few months and their parents were also aware of their relationship. With their families' acceptance, Fang Su Jin was not as shy about dating someone younger.

Moreover, each time that she recalled what Ji Xin Xin had tried to do, Fang Su Jin would be angry.

This person claimed that she liked Zhang Yi Hai. However, she was trying to harm him.

"You..." Ji Xin Xin pointed her finger at Fang Su Jin. "You are too shameless. Are you not afraid that his parents would find out about your relationship?"

Fang Su Jin wondered just how would this person react if she knew that the Zhang couple had a good relationship with her. Even Zhang Yi Hai's mother had begun to call her her daughter-in-law. Would Ji Xin Xin faint from anger?

"Miss Ji, what does my relationship with Zhang Yi Hai have to do with you?"

Ji Xin Xin gritted her teeth. "Miss Fang, I advise you to leave Zhang Yi Hai soon. You and he are not suitable."

"Why is that?"

"You are too old for him."

Fang Su Jin laughed. "We don't need an outsider to judge our relationship. Besides..." Fang Su Jin paused and flashed a smug smile. "Zhang Yi Hai happens to like this old girl. What can you do about it?"

Ji Xin Xin's eyes widened.

Seeing that the person in front of her wanted to scold her again, Fang Su Jin shifted her gaze to a side and called, "Zhang Yi Hai!"

Hearing the name scared Ji Xin Xin too much. She stood in place anxiously. However, when she turned around, Ji Xin Xin realized that Fang Su Jin had left and that there was no Zhang Yi Hai.
