

# LOVE YOU FOR THE REST OF MY LIFE

## Chapter 1: You Wish

[Super Sweet Spoil Novel]

Elegant decorations, luxurious European style, on the white large bed, a woman seems to be sleeping restlessly, frowning slightly.

Gu Qibao's thoughts were somewhat confused, she felt as if her whole body was in pain like being run over by a car, she frowned involuntarily, what happened?

She suddenly opened her eyes wide, so everything just happened was not a dream?

When her mind finally woke up, she couldn't help but scream out in shock.

"What are you howling about?" The man beside her was lazily frowning.

Gu Qibao turned back in panic, the flawlessly handsome face of the man was right next to her pillow.

The world must have gone mad, that was Gu Qibao's first reaction, her second reaction was to run!

She promptly jumped off the bed, flipped off the covers, and started running, she performed a standard escape, unfortunately, she was caught by the man before she could get away.

The man's cold face exuded a regal aura like that of a dark night, with a sharply chiseled jawline, deep eyes and a high nose, which were almost perfect, but his face was so expressionless that it was cold, this face she was all too familiar with.

"Di Mingjue you beast, bastard!" Gu Qibao was furious, angrily glaring at the man in front of her.

His striking features were perfection itself, but the man was too cold to the extreme, a bizarre combination of faultlessness and frigidity, creating a cold allure, like a proud king of the dark night. Were it not for the way he treated her, she would occasionally drool over this face.

Di Mingjue's eyes turned cold as ice instantly, "Gu Xiaoqi, you want to curse one more time?"

Perhaps his look was too intimidating, under his threat, Gu Qibao inexplicably felt a bit submissive, the key was his powerful and chilling aura.

"You get off of me first!" Gu Qibao pushed him away.

Di Mingjue released her, and his deep eyes slightly narrowed, "Did you premeditate to drug the wine?"

"Screw you!" Gu Qibao's reaction was quite straightforward, "You wish!"

She had absolutely no idea what was going on, let alone any premeditation.

His eyes instantly turned cold to the extreme, very well, Di Mingjue's sharp lips tightly pursed, showing no fluctuation, "Since it's not, then it's for the best, we're quits, and this has never happened."

Coldly withdrawing his gaze, he got off the bed, his tall figure was overwhelming, every part was perfect to the extreme, making Gu Qibao feel a slight jealousy, she couldn't help but feel the world was unjust, why give all the good genes to him.

He glanced at her, his coldly stunning face took her breath away.

This was a face that could make any woman scream!

Watching his expression remained unchanged, Gu Qibao's eyes were filled with shock.

She really couldn't believe it was Di Mingjue.

Who was Di Mingjue?

The third son of the Di Family, the leader of the four big families of the Empire, 25 years old, a giant in the financial sector, perennially topping the Forbes list, he was known for his abstention from indulgence with a long-term girlfriend.

So, how did this happen with Di Mingjue? Was there something wrong with that glass of wine?

Beyond that, Gu Qibao couldn't find any other reason, no matter what, of the thirty-six strategies, fleeing was the best plan!

She was too familiar with Di Mingjue, familiar to the point where this incident had occurred, which was awkwardly amusing.

Wanting to run, yet discovering her clothes were shredded, Gu Qibao was gritting her teeth!

When Di Mingjue came out, his highborn and coldly stunning face still looked as if someone owed him billions, which almost made Gu Qibao spit blood, why weren't his clothes even slightly wrinkled?

"Hey! Give me your clothes to wear." Gu Qibao glared at him, what was so noble about you, no matter how stunning, it couldn't change his shameless nature.

"Why should I?" Di Mingjue didn't even bother to give her a glance, remaining cold.

Gu Qibao was so frustrated, she flew into a rage, and started beating him, "You heartless man, my clothes are all torn, when I ask you for your clothes you were unwilling, what kind of person are you!"

Her beating was like tickling, there wasn't any real power in her punches.

Di Mingjue caught her hand, "You look pretty good in this."

He was top-grade, his words were cold as ice, and that cold demeanor seemed to be innate, though it was weird, on him it didn't seem out of place, it even gave people a slight shiver in their hearts.

Shiver my arse, Gu Qibao thought she was quite calm not to slap his high and mighty face, adhering to the principle of not communicating with shameless people, Gu Qibao just glared at him in silence. Eventually, he took off his clothes and wrapped her in them.

As she was about to speak, the doorbell suddenly rang.

PS: The heroine's full name is Gu Qibao, nickname Gu Xiaoqi, both the protagonists are virgins, 1V1. Please don't ask me whether they were clean or not if I didn't deliberately mention it was their first time in the story. Both the hero and the heroine are virgins, I didn't deliberately mention it earlier because I don't want to drag out the storyline, OK.
