

Lucky Bride 240

Chapter 240: There's Something In My Stomach

Madam Wu smiled and nodded. "Okay."

Tang Yu leaned against Madam Wei. "Auntie Wei, I heard that you're a good cook. I want to see it. Can you teach me?"

Madam Wei frowned. This was really too annoying. She wanted to reject her, but they were after all related in some way now.

When Tang Yu saw Liu Dalang and Liu Sanniang coming out. Tang Yu's eyes lit up as she said, "Brother Liu."

Liu Dalang did not look at Tang Yu. He walked straight out while saying to Madam Wei, "Mother, I need to go out. I have something to do."

Madam Wei nodded. "Come back early."

Tang Yu bit her lip. It must be because of Tang An. When she was gone, Liu Dalang would definitely like her.

Liu Sanniang looked at Tang Yu and looked away calmly. She walked towards Madam Wei and held her arm. "Mother, let me help you."

Before Tang Yu could speak, Madam Wei pulled Liu Sanniang into the kitchen.

Liu Erlang chuckled. "Please sit down. I'll go and see why my father isn't back yet."

After saying that, Liu Erlang left.

With displeasure written all across her face, Madam Wu instructed. "Yu, Madam Wei is not easy to deal with. Listen to me. Don't be in a hurry to become the boss of this house. Even if you get married, you have to be obedient. Once you get pregnant, you will automatically be the boss."

Tang Yu nodded. "Mother, don't worry. I know what to do. Go and sit down. I'll go to the kitchen to take a look."

Madam Wu nodded.

Madam Wu also wanted to look around the house, so she went to the main hall.

Tang Yu walked towards the kitchen and watched as Madam Wei and Liu Sanniang cut the meat. Madam Wei cut the meat while Liu Sanniang sprinkled flour on it. Tang Yu smiled and said, "Auntie, Third Sister, the steamed meat you are making looks delicious. I'm already drooling."

Madam Wei's hand paused for a moment. She really wanted to chase Tang Yu out. She spoke as if they were making it especially for her.

Liu Sanniang glanced at Tang Yu who had tidied her hair and was smiling at Liu Sanniang.

Tang Yu was extremely cocky. She was not afraid of looking someone straight in the eyes.

She thought that there would be a trace of shame or envy on Liu Sanniang's face, but there wasn't. Liu Sanniang looked at her for a while before looking away.

Tang Yu felt a little uncomfortable. After looking at her for so long, Liu Sanniang was supposed to praise her for being good-looking. How rude.

Liu Sanniang laid out the steamed meat layer by layer. After examining Tang Yu's face, she knew that Tang Yu was the woman who had brought danger to Tang An.

Madam Wei could not be bothered to look at Tang Yu. For some reason, she did not like her and couldn't even stand the sight of her.

Madam Wei did not know why Liu Sanniang invited Tang An and Tang Yuan over. At the last minute, they decided to add a few more dishes.

1

They made steamed meat, sweet and sour pork, twice-cooked pork, steamed egg, and a braised fish.

Tang Yu drooled, thinking to herself that Madam Wei was really good at cooking.

When she was pregnant in the future, she would be able to command her to make all kinds of dishes.

1

Tang Yu wanted to get close to Liu Sanniang, but Liu Sanniang treated her with indifference.

When the food was ready, Liu Erlang and Mr. Liu returned. Madam Wu smiled. "In-law, you're still so busy."

Mr. Liu looked at Madam Wei and replied casually. "Yes."

Madam Wei did not like Madam Wu, so he naturally would not be too enthusiastic towards her.

Madam Wu could feel the coldness of this family. She thought to herself that she had to endure it for now because there would be plenty of chances where she could retaliate.

Liu Dalang came with Tang An on his back. He looked furious, and Tang Yuan had to run to keep up.

Tang An's face was pale, and her voice was trembling. "Dalang, there's something in my stomach."

Liu Dalang replied in a deep voice, "I know."

Tang Yuan's face was also pale, and he was very afraid. "Brother-in-law, the doctor can cure my sister."

Tang Yuan was really scared that his sister's engagement would be canceled.

If Liu Dalang canceled the engagement, his sister would really be finished.

Tang An was the most afraid. She bit her lip so hard that it bled to try to stop herself from crying. "Dalang, I don't know what's going on. Do you believe me?"

A woman with something in her stomach, and she was still unmarried. This was simply a disaster.

Liu Dalang suppressed his anger. "Don't think too much. This is abnormal. Someone wants to harm you."

Seeing that they were almost home, Liu Dalang panted and said, "Don't think too much."

Tang An's tears fell and she sniffed.

Her stomach was bulging as if something was moving inside. It seemed as if she was pregnant.

She didn't know what it was like to be pregnant. She had only seen the pregnant women in the village whose stomachs grew bigger over time.

When she realized she might be pregnant, she wanted to die. She didn't want to see Liu Dalang and didn't have the courage to face him.

When Liu Dalang came to look for her, she did not even dare to look at him. Liu Dalang did not say anything. He carried her on his back and left. She was afraid that Liu Dalang would abandon her, but he did not. His trust in her made Tang An cry.

Tang An swore in her heart that if she was lucky enough to get through this, she would live and die with this man. No matter what happened, she would never leave him.

Liu Dalang carried Tang An into the courtyard. Liu Sanniang had already come out. When he saw her, Liu Dalang said, "Sanniang, there's something in Tang An's stomach."

Liu Sanniang grabbed Tang An's hand and gave her strength.

Tang An looked at Liu Sanniang without batting an eye.

Liu Sanniang smiled. "You haven't eaten in a long time, right? Let's eat first."

Tang An looked into her eyes and was a little confused. Liu Sanniang seemed to know everything.

Tang Yuan was also very confused. Only when Liu Sanniang touched his head did he feel a little embarrassed. This sister's smile was really warm. It was as if it could soothe the uneasiness and fear in his heart.

Tang An could feel that the strange feeling in her stomach was gone. She looked at Liu Sanniang and seemed to understand something.
