### Lucky Collision ( Evans and Martin Robinson ) Chapter 17

#### Chapter 17 I Like You, Evans

At lunchtime, the guys finally spotted Larry, who hadn't returned to the dorm as often recently, in the cafeteria. He was eating with two pretty classmates.

Scott was about to walk over to their table when Elmer stopped him.

"Seriously, can't you read the mood?"

Scott replied bitterly, "I just broke up with Jade. I can't stand seeing him looking this happy."

Elmer had no idea how to respond to that.

Just then, Elmer saw Kiana walking toward Larry's table in big strides.

"Oh, no! Things are about to get ugly..."

Kiana seemed extremely furious as she stood before Larry and the girls.

"What's the meaning of this? Why have you been ignoring my messages and calls?"

Larry looked at her. "Let's break up."

"What?! Why?" A deep frown creased Kiana's forehead.

"Do you really have to ask? We have been dating for a long time. However, you keep refusing to get to third base with me. Did you honestly think that guys would wait for you that long?"

Kiana's eyes welled with tears at that point. Without saying a word, she covered her face, turned around, and rushed out of the cafeteria.

Evans shook his head slowly.

This is all my fault... It's all because I bought the Sphinx Construction shares for him so that he could pay back the online loans. I wonder if he's sold off their shares? Well, I didn't receive any new updates about Sphinx Construction shares. Larry is on his own this time.

Just then, Evans heard the sound of his phone ringing. It was a call from Zoe.

"Evans, I need your help! Someone showed up at my dorm, and he wouldn't let me leave!" Zoe said in an agitated voice.

"What?!" Evans hung up and started running as soon as he heard Zoe's words.

Elmer looked at Scott. "Something must have happened. We should follow him."

Elmer and Scott quickly went after Evans. Eventually, all three of them arrived at the girls'

1/4

dormitory.

"What's he doing at the girls' dormitory?"

"Is he secretly seeing one of the girls from our school?!"

Zoe's room was located in Block No. 6 of the girls' dormitory. A fancy, expensive BMW was parked right outside the building.

A large crowd had gathered around the entrance of Block No. 6. A young man had a huge bouquet of red roses in his arms as he stood by the door.

"Zoe, I know that you're trying to test me."

"However, I mean it when I say that I'm sincere. You must believe me."

"For you, I'm willing to vow to be faithful to you for the rest of my life!"

"For you,

I'm willing to sacrifice everything I have just to be with you!"

"Zoe, please agree to be my girlfriend! I really really like you!"

Evans knitted his brows when he saw that it was Martin trying to woo Zoe again.

It seems like Martin hasn't given up even though Zoe rejected him last time. I guess he won't get the hint unless Zoe gives him the ultimatum this time.

Zoe had a troubled expression on her face as she stared at the bouquet of roses.

"I'm sorry, but I have a boyfriend now."

"I won't be fooled by that excuse. There's no way you have a boyfriend now. Everyone knows that I'm trying to make you my girlfriend."

All of the onlookers were watching the pair with great interest. One of the girls watching from upstairs in her room even shouted to Martin from the window, "I can be your girlfriend if Zoe rejects you!"

At the same time, Angelina was watching the commotion from her room which was located in a nearby block.

After Zoe rejected Martin last time, the incident boosted her fame and popularity in our school. People were showing more interest in her rather than me during that period.

Didn't Evans say that he'd be able to win Zoe over? I wonder if he's able to defeat Martin, who comes at Zoe this strong

Zoe refused to take the flowers from Martin no matter how long he insisted she accepts

them. Martin said, 'Fine. Tell your boyfriend to come here and meet me. I'll give up if you really have a

2/4

boyfriend now."

Zoe finally spotted Evans in the crowd. She walked over to his side and declared, "Fine. I might as well announce it today. Martin, Evans is my boyfriend."

Upon seeing Evans, Martin gave a sneering laugh. "You must be joking, Zoc."

"Did you honestly think I'd buy this? Do you even know who he is?"

"He's the poorest student in our class. You can ask any of my classmates to verify that. I'm not trying to make that up now."

"Besides, you should've gotten a guy who's richer and more good-looking than me to pretend to be your boyfriend if you were trying to convince me."

Zoe said flatly, "I've chosen Evans because I like him. What does any of that have to do with you?"

Evans cast Martin a stony glare. "So what if you own a BMW? Does it make you that great of a man just because you own one? Besides, I don't find that car of yours that impressive anyway!"

The others burst into fits of laughter upon hearing Evans's words. They did not expect that one of the poorest students in their school would make such an absurd remark.

Zoe moved closer to Evans. "Martin, you still don't believe what I've just said, don't you?"

"Alright. I'll prove it to you right now!"

Zoe placed her hands around Evans's neck and pushed her face closer to his.

Evans responded immediately by holding Zoe close and deepening the kiss.

There were hoots and whistles coming from the crowd almost instantaneously.

While the others were cheering the couple on, Martin was positively fuming with rage.

He hurled the bouquet of roses onto the floor.

"Godd\*mmmit, Evans! I'm going to make you sorry for this!"

Then, Martin got into the BMW and drove off.

Zoe pulled away from Evans briefly, and she looked at him with those bright, lovely eyes.

I like you, Evans Harlow

Then, she placed her lips against his once more,

Some of the other students were taking photos or videos of the couple who were completely

3/4

engrossed in their own little bubble.

My, oh, my... We're going to be on everybody's social pages today...

Evans couldn't help but worry a little.

On the other hand, Elmer and Scott were staring at the couple with their jaws dropped. Never in their wildest imaginations did they think that Evans would be dating one of the hottest girls in their university.

In the other block facing Zoe's dormitory, Angelina had a small frown on her face. She felt a strange feeling that she couldn't quite fathom in her heart.

"They're absolutely shameless!"

Amelia commented with a displeased expression on her face as she stood beside Angelina.

Angelina responded calmly, "Why are you being so snappy about it? What's wrong with them doing what any couple would do?"

Amelia fell silent for a split second. Then, she stared at Angelina in astonishment.

"That's not what you'd normally say?!"

At the same time, Juliette saw the photos and videos of Evans and Zoe uploaded by the other students on their social media pages.

She felt a bit down as she stared at the screen of her phone.

That afternoon, Evans and Zoe went on a date in a cafe.

"Zoe, why don't we get some rest in that nearby hotel?"

Zoe narrowed her eyes. "Can't you just have a little patience? I don't want to rush things between

us.

Evans pouted and said, "You know, one of the guys from my dorm broke up with his girlfriend just now!"

"Why, though?" Zoe asked curiously,

'It's because she refused to get to third base with him,' Evans replied.

Zoe stared at him silently for a while. Then, she threw a punch at him. "We got to third base during our first date! How dare you bring this up right now?!"

Evans let out a hearty laugh as he tried to avoid Zoe's punches after that.
