

Chapter 39

“Your Wound Is Healed.”

Alina turned around to him. “Healed?”

“Hmm” Aaron looked at her face. Her cheeks were red.

But Aaron did not forget that she told him to let go of her. ‘Did she resist me? Does she want me to reject her as soon as possible just like how Lucas told me?’

Alina stood up and bowed to him. “Thank you my king, you helped to heal. I will remember this. I should go now.”

Alina said. Before Aaron could say anything she ran out of the garden.

Aaron looked at her back and smirked. “Now you can’t run away from me, no matter how much you will try. I won’t let you go.”

Meanwhile,

Alina came to her room and closed her door. She rested her head on the door.

“What was that? He kissed my neck? why?”

Alina blushed thinking about their moments. She touched the back of her neck and felt that there was no wound.

“It is really healed!! He healed my wound by licking it? How is that possible? “

Alina laid down on her bed and thinking about the whole situation.

She put her palms on her face. “Don’t think about all of these Alina. Don’t. He doesn’t like you. He will reject you soon.” She told herself.

—

Next morning, Alina woke up timely. There was a time table that everyone maintain in the pack house. There were meals time, training time and sleeping time.

She sat up and yawned.

She went to the bathroom and took a shower.

Then wore a bottle green color dress. The collar of the dress was big and loose.

When Alina looked at the mirror while wiping her hair with a towel she screamed.

“AAAHH!!”

Her towel fell on the floor.

The door opened suddenly.

“What happened Alina?” Alina heard Crystal’s voice.

She immediately bent down and took the towel. She wrapped the towel around her neck and turned around to Crystal.

“No, Nothing happened, Crystal.” Alina replied.

Crystal looked at her suspiciously. “Then why did you scream just now?”

“Oh. I-I just saw my face and got afraid. I think I need some makeup. My face is looking so dull today.”

“What are you saying? You are looking good to me.”

“It’s because you are my best friend, Crystal. That’s why you can’t see my dull face.”

Alina said and went to Crystal.

“I can’t understand what you are saying, Alina.”

Alina smiled at Crystal. She put her hands on Crystal’s shoulder and said, “Give me ten minutes, I will come after getting ready.”

“I can wait for you here-“

“NO!” Alina screamed again.

“What happened to you Alina? Why are you behaving like this today?”
Crystal asked and doubt her to hide anything from her.

“I am totally okay. I think I have to change my cloth.”

“Why? It looks good on you.”

“No, I think I should wear some comfy clothes today.”

“Okay fine. I don’t know what you are making up in your mind but come to have breakfast timely. I came here to go with you to the dining room together.”

“You go and I will join you soon.”

“Okay.” Then Crystal left Alina’s room.

Alina locked her door and went to the mirror. She unwrapped her neck and saw hickeys.

“What the hell!!!”

She remembered she did not look at the mirror last night.

“This man!!!” She yelled . But this time not so loudly.

She remembered what he did with her last night.

She touched the hickeys and hissed.

She still could feel his breathes, his touches, his kisses.

When he told her that he will make her forget about those boys touches, he was not lying.

Now she could only feel him.

She remembered how his hands were almost touched her bosoms.

Alina closed her eyes. “What will I do now?”

She put out a dress with a high neck collar and a scarf.

She put the dress and put some makeup on her neck.

She looked at her neck and the hickeys were faded. But if anyone noticed her neck closely they would know about it.

So Alina took a scarf and wrapped it on her neck like a style.

“No, it’s better than before.”

Then Alina went to the dinning room to have breakfast with everyone.

As usual she saw King Aaron was not in the table.

Alina sat on her seat and began to eat.

“How are you, Alina?” Daisy asked.

Alina looked up at her and smiled. “I am fine. Thank you Aunt Daisy.”

Daisy smiled at her and nodded.

Today any of official did not come to have breakfast. Only Crystal, Daisy, Atlas and Alina were there having their breakfast.

After breakfast, All of them went to the living room and sat down on the couches.

Atlas was talking with Crystal about her activities.

“Are you preparing to be the Royal witch now?” Atlas asked.

“Yes, Uncle Atlas. I practiced all these five years hard. And I will join Aunt Darcy from today.” Crystal said happily. Darcy was her mother Chloe’s sister. She was also a high ranked witch. So from today she would train her to practice more.

“That’s good to hear. You will be the most powerful Royal witch very soon then.” Atlas said.

Crystal nodded to him.

Alina frowned after hearing that.

‘Who is Darcy? I have never heard this name before. Crystal had never told me about any woman named Darcy. Is she important someone to her?’ Alina thought.

At that time, Delta Darren came out of the King’s side. He came to them.

Everyone looked at Delta Darren.

He looked at Alina.

“You have to come with me, Alina.” He said.

Alina was confused but stood up and others too.

Crystal said, ” Where are you taking her, Delta Darren?”

“She is coming with me to the King’s residence.”

Crystal’s eyes widened. ‘She is going to Aaron’s residence? No one is allowed to go there. Why is he taking her there?’ Crystal thought.

But she asked, “Why?”

Delta Darren looked at her and replied,

“King Aaron Wants To Meet Her.”
