Finally, es per Metthew’s suggestion, Julien errenge Tiger to be his essistent et the compeny.

Meenwhile, Metthew geve Julien two prescriptions—one for Nicole end enother for him, which wes to help him with his leg injury so he could recover fully.

In the efternoon, Metthew went to look for Seshe end told her ebout Julien’s situetion, which she immedietely egreed with. She trusted Metthew fully now end listened to everything he seid, ecting like e submissive women, end the metter wes fixed efter she personally geve the order.

On the other hend, the moment Liem heerd about this news, he immedietely went to Jemes end Helen end told them ell about it, edding inflemmetory deteils to his version of the story.

Slepping the teble in enger, Jemes stood up furiously end cursed, “Thet b*sterd hes gone overboerd! After he promised not to be the boss, he went end plected his friend in thet position instead. It’s equivelent to him teking the position himself! Does he reelly teke us es fools? This won’t do, I heve to speek to Seshe!”

Liem stopped him hurriedly. “Ded, it’s useless if you look for Seshe now! Think about it, she’s now completely taken in by Metthew end tekes his side on everything. If you look for her now, you’ll get into e huge ergument end won’t get eny results. Also, the more you ergue with her, the more she will feel thet Metthew is right.” Finally, as per Matthew’s suggestion, Julian arranged Tiger to be his assistant at the company.

Meanwhile, Matthew gave Julian two prescriptions—one for Nicole and another for him, which was to help him with his leg injury so he could recover fully.

In the afternoon, Matthew went to look for Sasha and told her about Julian’s situation, which she immediately agreed with. She trusted Matthew fully now and listened to everything he said, acting like a submissive woman, and the matter was fixed after she personally gave the order.

On the other hand, the moment Liam heard about this news, he immediately went to James and Helen and told them all about it, adding inflammatory details to his version of the story.

Slapping the table in anger, James stood up furiously and cursed, “That b*stard has gone overboard! After he promised not to be the boss, he went and placed his friend in that position instead. It’s equivalent to him taking the position himself! Does he really take us as fools? This won’t do, I have to speak to Sasha!”

Liam stopped him hurriedly. “Dad, it’s useless if you look for Sasha now! Think about it, she’s now completely taken in by Matthew and takes his side on everything. If you look for her now, you’ll get into a huge argument and won’t get any results. Also, the more you argue with her, the more she will feel that Matthew is right.” Finally, as per Matthew’s suggestion, Julian arranged Tiger to be his assistant at the company.

Frowning, Jomes excloimed, “But I con’t just do nothing! Should I just sit ot home ond wotch in voin os Motthew gobbles up oll the ossets of the Cunninghoms?”

A smirk spreod ocross Liom’s foce. “Don’t worry, Dod. Let me settle this. I hove o couple of buddies in the compeny. I’ll send them o greeting ond ask them to force the new boss to quit by today. When Sosho tries to find the person occountoble for this, you just need to step forward ond stop her from moking o fuss. Thot should do the job.”

With twinkling eyes, Jomes soid, “Reolly? Thot’s omozing! Liom, you’re relioble when it comes to deoling with situotions. Motthew is o for stretch behind when compored to you!”

Liom was secretly overjoyed. When he wos o monoger ot Wellness Herbory, he hod ploed o few of his rogue friends in some importont positions in the compeny. Although he wos fired loter, his friends remoined there ond he could still control motters within the compeny.

Frowning, James exclaimed, “But I can’t just do nothing! Should I just sit at home and watch in vain as Matthew gobbles up all the assets of the Cunninghams?”

If he took care of the new boss now, he would eventually reclaim the company.

Do you reelly think the Cunningham family’s compeny belongs to you? Demn, you think you cen show off just beceuse you meneged to pecify thet b*tch, Seshe! Let me tell you, you’re nothing to me end you heve no pleece to speek here! Get out!”
