Chapter 2285

When David rode back to the Ge family on the flaming tiger, the whole Ge family was a sensation, and they all came to see the flaming tiger!

No one thought that David would be able to subdue the flaming tiger and use it as his mount!

You must know that there is no precedent for this in the Eight Great Secret Realms, and no one can subdue the monster as a mount!

Even low-level monsters have no way of subduing!

"Mr. Chen, how on earth did you subdue this flaming tiger? You must know the strength of this flaming tiger, but it is no longer under you!"

Jiang Wuya asked David very curiously!

"I don't know very well, anyway, this flaming tiger runs away when it sees me, as if it is afraid of me."

David can't tell the truth, so he can only fool the past.

However, Ge Cangsheng seemed to know something, so he said to Jiang Wuya, "Old Jiang, maybe this flaming tiger has a fate with Mr. Chen, so he is so obedient, and other people don't think about it."

“Mr. Chen goes to the monster . The secret realm, he must be exhausted, I think he should rest more!”

Ge Cang gave birth to an expulsion order and dispersed everyone, so that David could rest!

Otherwise, with so many people guarding, David would not be able to rest well!

David guarded the flame tiger and stayed in the Ge family for a few days, and in these few days, the flame tiger and David had a great understanding!

“Mr. Chen, my father said that today is the time for the start of the Secret Realm Conference. I wonder how your physical training is going?”

Ge Yuhan asked David.

“I’m fine!”

David said with a slight smile.

“Then let’s go, father and the others are waiting for you!”

After Ge Yuhan finished speaking, he took David out of the Ge family land.

At this time, a lot of people have gathered outside, and the people from Zhanyue Pavilion have also arrived, including that Jin Yuan!

There are a total of ten places in the competition, the Ge family occupies three, Tianluolou occupies three, and Zhanyue Pavilion has four places. After all, in this secret realm of Fire Gate, Zhanyue Pavilion is the strongest!

When Jin Yuan saw that David came out riding a flaming tiger, he was stunned, his eyes almost didn’t bulge out, how ridiculous it was to look like that!

Even Jin Lifu, a well-informed man, looked at David in shock.

“Ge Cangsheng, this... what’s the situation?”

Jin Lifu pointed at David and asked Ge Cangsheng.

“What’s the matter? This Flaming Tiger is the mount that Mr. Chen surrendered to the Secret Realm of Monster Beasts a few days ago!”

“Do you still look down on Mr. Chen? If Mr. Chen rode the Flaming Tiger to the ring, you think he still wins. Can’t there be three games?”

Ge Cangsheng looked at Jin Lifu with disdain and said!

Jin Lifu didn’t say a word, just looked at David with a bit of coldness in his eyes.

David felt the coldness on Jin Lifu. He didn’t understand that he didn’t seem to have any trouble following Jin Lifu. This guy seemed to have an opinion on himself from the very first glance!

But David didn’t care, but followed Ge Cangsheng and everyone towards the teleportation array!

“Mr. Chen, is there any way you can hide this flaming tiger, so that it can be used as a killer? If you ride like this, others will be wary of you.”

“And you can subdue the monster, many people are sure You will be jealous, and maybe someone will hit you up and cause you unnecessary trouble!”

Ge Cangsheng said to David on the way to the teleportation array!

David was right when he thought about it, but this flaming tiger was so huge that he couldn’t fit his storage ring!

"I also know that this is a bit ostentatious, but the flame tiger is so huge that I can't fit my storage ring, and I can't hide it at all!"

David said helplessly.

But just after David's words were finished, the flame tiger understood David's words and let out a low roar, followed by bursts of light from his body, and under the eyes of everyone, his body became smaller and smaller!

Chapter 2286

In the end, the huge flaming tiger turned out to be the size of a puppy, and it looked very cute!

Seeing the flame tiger suddenly getting smaller, David and Ge Cangsheng were stunned!

"Wow, this flaming tiger has become smaller, and it's too cute..."

Seeing this, Ge Yuhan squatted down in a hurry, hugged the flaming tiger, and gently stroked it with his hands!

However, the flame tiger broke free from Ge Yuhan's arms and jumped directly into David's arms!

Seeing this, David put the Flaming Tiger into the storage ring directly, so that no one knew about the existence of the Flaming Tiger!

When I came to the teleportation array, everyone teleported out!

A flash of white light flashed, and David's eyes changed dramatically!

The originally endless desert has now become a green grassland, with fresh air and a very beautiful environment, but such a beautiful environment is indeed very lacking in spiritual energy!

This is also the reason why no one from the major secret realms has come to occupy this place. It is just that the environment is beautiful and if there is no spiritual energy, people in the secret realm will not be able to cultivate or cultivate, no matter how good the environment is, they will not come!

Not far from the teleportation array, a castle made of stones appeared. The castle covers a large area and stands tall!

"Mr. Chen, that's where the Secret Realm Conference was held."

"But I haven't been here for so many years. I don't know if it's in a dilapidated state!"

Ge Cangsheng pointed to the castle and followed David!

"Is this too extravagant?"

David looked at the castle and sighed that these eight secret realms are really generous, just to hold a secret realm conference and compete in the arena. It took only a few days a year to build such a big one. castle!

"Mr. Chen misunderstood, this castle is not built by us, but when we discovered this secret realm, it already exists, but there is no one in the secret realm, and there is aura. It is also very thin, so this is the place where the Secret Realm Conference will be held. "

Ge Cangsheng hurriedly explained!

Otherwise, David really thought that the eight secret realms were extremely extravagant, and such a luxurious castle was built just to hold the secret realm conference!

When David came to the castle, he discovered the majestic potential of the castle. Far beyond what he has seen and heard!

In front of the castle is an incomparably large square, and there are eight arenas on the square. At this time, there are already many people in the square, obviously people from other people's secret realms. It has already arrived!

And in the center of the square, there is a high platform with many stone benches. This place should be a place for the heads of the major secret realms and the pavilion masters to rest, and from this high platform, you can see the eight arenas below are unobstructed!

When I saw Ge Cangsheng coming, many people came over to say hello, and some people followed Ge Cangsheng very enthusiastically!

Seeing that Ge Cangsheng was busy greeting people, David is to let Ge Yuhan and Hou Zhen take them around casually, and first familiarize themselves with the environment!

Just when David and the others were casually walking around, they heard a lot of people talking about the beast tide in the secret realm of monsters a few days ago!

" I heard that the beast swarm is very terrifying. If it weren't for the best Fire Gate Secret Realm and Thunder Gate Secret Realm, I'm afraid that those people who go in will become the belly of the monster! "

I heard that there is another kid who is not strong, but he went to chase the flaming tiger, and he didn't come out in the end. It is estimated that he was eaten!" "

There is also Lu Chang in the waning moon castle in the secret realm of the Thunder Gate. I heard that at the time, I was scared to pee." "

Yes, I also heard that there is also Jin Yuan from the Zhanyue Pavilion in the Fire Gate Secret Realm. These young masters want to go to the Monster Beast Secret Realm to experience, but they don't want to encounter the beast tide!"

"A

group of people gathered around to discuss.

“You don’t know anything, what are you screaming about?” At

this time, Jin Yuan also heard the discussion of the crowd, and walked over with anger on his face and shouted!
