

A Man Like None Other Novel

Chapter 2311 – 2312

Chapter 2311

“You have that ability, you can turn me into anything, but you don’t have that ability at all, it’s useless even if you summon a remnant soul, you bastard, as a cultivator, you even practice evil arts, if you want to take shortcuts, you This kind of person is not even a waste!”

David sneered at Feng Wuhen!

Feng Wuhen trembled with anger, gritted his teeth and said, “I want to make your life worse than death today...”

With Feng Wuhen’s roar, the six remnant souls instantly launched an attack on David!

For a time, there were only a few figures on the arena, and they kept attacking David in turn.

Seeing this scene, everyone took a breath of air. Although these remnant souls lost their bodies and their strength was greatly reduced, but six remnant souls in the distraction realm can deal with a David who only has three distraction realms. Isn’t that more than enough? ?

Feng Wuhen watched calmly, watching the continuous bombardment of David, the corner of Feng Wuhen's mouth evoked a sneer!

"Nine Shadows Divine Sword..."

Suddenly, David shouted, and then the Dragon Slaying Sword in David's hand erupted with a dazzling golden light!

Immediately afterwards, David's figure began to shake, and every time he shook, a figure was left behind!

In the end, there were six figures standing quietly on the ring!

It was as if six identical David suddenly appeared, holding the Dragon Slaying Sword with a grim expression!

Seeing this scene, Feng Wuhen snorted coldly and said, "Boy, who are you trying to scare by using illusion in this place?"

"Even if you can conjure up more figures, what can you do? It won't change anything at all."

Feng Wuhen knew that David was just using an illusion, and those figures had no attack power at all!

The purpose is to confuse the line of sight, so as to create almost nothing for yourself!

Feng Wuhen saw David's trick at a glance, so he wasn't afraid at all.!

"Really? It really doesn't change anything?"

David finished speaking, waved his palm lightly, and several golden lights scattered, followed by the six shadow clones holding the dragon sword high, and then the sword was cut out, and the six terrifying breaths moved forward at the same time. Blaze out!

“Boom...”

Feeling the terrifying aura that shook the sky and earth, Feng Wuhen was stunned. He couldn't figure out how this shadow clone could have attack power?

Feng Wuhen hurriedly controlled the six remnant souls and fought directly with David's shadow clone!

And David looked at Feng Wuhen coldly, “What other means do you have, just use it.”

Feng Wuhen stood on the spot at the moment, his eyes were full of unbelievable expressions!

“Don't be afraid, even if his shadow clone has a certain strength, the spiritual power consumed is also in his own body. The six shadow clones consume a huge amount of spiritual power every minute.

“ He will be exhausted soon, and our remnant souls don't need to consume any of your strength at all!”

Just when Feng Wuhen stayed on the spot, Feng Jingyan said using sound transmission!

Fengjingyan can see at a glance that David's clones cannot have attack power by themselves. The reason why these clones can attack is also supported by the spiritual power in David's body consumed!

When Feng Wuhen heard this, his heart suddenly relaxed a lot, his face became arrogant again and said, “Boy, I see how long you can hold on, six shadow clones, I'm afraid it will consume a lot of your spiritual power, wait for you to consume almost all of it. , I can crush you with one finger!”

Feng Wuhen followed David, and David himself knew that he couldn't drag it any longer, so he launched the attack first!

I saw Long Jing from David's chest began to emit light, his body slowly suspended, and then suddenly blue flames rose from David's body!

As David's body burned, the six shadow clones also started to burn!

Chapter 2312

The remnant soul has no body, and although it can't receive substantial damage, the flames burning on David's body at this time are indeed spirit fire, and the spirit fire is the best to deal with such things as the remnant soul!

"Spiritual fire, that David actually ignited a spiritual fire..."

Someone started shouting!

Soon, the six remnants burned with David's shadow clone!

A roar came, and several firelights jumped up on the ring!

It was only a momentary event. The six remnant souls disappeared in an instant, and David's shadow avatar also disappeared together!

"Now, we can have a fair duel again..."

After David finished speaking, the Dragon Slaying Sword in his hand was slowly raised, and countless auras poured in from all directions!

For a time, the sky and the earth shook, and the sun and the moon were dull. These spiritual energies entered David's body and were instantly transformed into spiritual power by the Concentration Art. Then these spiritual powers focused on the Dragon Slaying Sword, forming a terrifying sword glow!

"I will never lose to you..."

Feng Wuhen roared, the long sword in his hand swung in front of his chest, and a light shield appeared in an instant! Looking at the light shield in front of Feng Wuhen

, someone couldn't help but exclaimed, "This is Fengyuegu's stunt, and Feng Wuhen actually learned this?"

He taught Fengyuegu stunt to him.

But David didn't care at all, looking at Feng Wuhen, who was still struggling to the death, a smile appeared on the corner of his mouth, and then the Dragon Slaying Sword in his hand suddenly swung down!

The sword glow is like lightning, with the power of the sky, causing bursts of explosions, and instantly in front of Feng Wuhen!

boom!

The sword light slammed into the light shield in front of Feng Wuhen, making a deafening sound!

Feng Wuhen only felt a huge pressure hit, and then his feet were firmly on the ground, and the light shield in front of him blocked David's sword!

Feng Wuhen saw this and was overjoyed, hahaHe laughed, "You can't break my light shield at all with your strength..." " Really

?" This time, a sword light enough to cut through the void appeared, and before Feng Wuhen could react, the light shield in front of him instantly turned into a spot of light, and it floated directly into the air! Everyone looked at this scene and couldn't believe it!

Feng Wuhen even showed Fengyuegu's trump card, and the six remnant souls in the distraction realm even used a light shield, but even so, they still failed to block David's attack! David, a monk in the secular world, has shown much

stronger strength than many people in the secret realm family! "This guy, his strength has improved too fast...

" Feng Jingyan looked at David on the high platform, his face dignified! When Ge Cangsheng heard Fengjingyan's words, he couldn't help frowning! Feng Jingyan doesn't know David at all, and has never met David, how could he suddenly say such a thing?

It seems that this Fengjingyan should know David's strength, so he will say that David's strength will improve quickly! "Fengjingyan, what do you mean by that? Didn't you know Mr. Chen before?" Ge Cangsheng asked Fengjingyan. Feng Jingyan was stunned for a moment, then shook his head and said, "I don't know, I haven't seen it at all." After Feng Jingyan finished speaking, she turned to the side, not talking to Ge Cangsheng! Looking at Fengjingyan's appearance, Jiang Wuya whispered, "Old Ge, I think this guy knows Mr. Chen.

Even if he hasn't seen it, he must have heard of it. Otherwise, why would he say such a thing? Very Obviously, he understands Mr. Chen's previous strength." "He is a valley owner in the secret realm, why should he know about Mr. Chen's strength?"

Ge Cangsheng couldn't understand why this Fengjingyan wanted to know David. After all, David didn't even know the eight secret realms before!

Chapter 2313

"I remember you said that the Eight Great Secret Realms are linked with the Demon Heart Sect, but it is unknown who in the Eight Great Secret Realms is connected with the Demon Heart Sect.

" It's very suspicious, they have such a thing as a remnant soul in Fengyue Valley, and he also knows Mr. Chen very well. As a valley owner, if he hadn't colluded with the Demon Heart Sect, why would he know about Mr. Chen's strength?"

Jiang Wu Ya followed Ge Cangsheng to analyze!

When Ge Cangsheng heard it, Jiang Wuya made a lot of sense, so he glanced at Fengjingyan, and then prepared to find an opportunity to tell David about it!

Yu Qian on the side heard the conversation between Jiang Wuya and Ge Cangsheng, so he walked over and said, "Watch the game well, don't make some senseless suspicions, our eight secret realms must be united."

"It seems that David is really not simple. It is estimated that Feng Wuhen will soon be defeated..."

Yu Qian came forward, and Jiang Wuya and Ge Cangsheng did not dare to say anything!

At this moment, Feng Wuhen was on the ring, and his forehead was covered in cold sweat. He didn't expect the remnant soul released to be so vulnerable!

Moreover, his light shield was also broken by David's two swords, and Feng Wuhen was already fearful at this time.

Seeing Feng Wuhen getting scared, David knew that he was going to win!

Feng Wuhen has begun to be afraid from the bottom of his heart, which will affect a person's performance!

"Since you're afraid, then obediently eat the shit and admit defeat. It won't look good if you let me hit the shit..."

David said with a cold smile, holding the Dragon Slaying Sword.

"Boy, don't be mad, I will never admit defeat."

Although Feng Wuhen was afraid, he couldn't admit defeat, and he couldn't let others see his inner fear!

"Since you're not afraid, let's continue..."

David said, the Dragon Slaying Sword once again emitted a terrifying sword glow. This time, there were bursts of buzzing sounds from the Dragon Slaying Sword, like the roar of a dragon!

Feeling the breath emanating from David's Dragon Slaying Sword, Feng Wuhen's hand holding the sword trembled slightly!

"Cut..."

David swung his sword down, and the sword glowed. In an instant, he was in front of Feng Wuhen!

Feng Wuhen let out an angry shout, and swung the long sword in front of him, desperately resisting David's sword glow!

Dangdangdang.....

I saw the long sword in Feng Wuhen's hand making a clanging sound, followed by fire, and Feng Wuhen's body flew out instantly!

Looking at the long sword in Feng Wuhen's hand, it had already broken into several pieces at this moment, and it was scattered all over the place!

Everyone looked at it in shock. They couldn't imagine that David had destroyed all of Feng Wuhen's methods!

The remnant soul was burned, the light shield was destroyed, and now even the long sword in his hand was destroyed!

You must know that the long sword in Feng Wuhen's hand is not an ordinary thing, so it was cut into several pieces by David's sword!

Now everyone can see that Feng Wuhen will lose... Feng Jingyan

on the high platform is also dignified at the moment!

“How is it possible, how is this possible...”

Feng Wuhen got up from the ground and looked at David with anger in his eyes!

He is the arrogant son of Fengyuegu, the top genius, he got the master's true biography at a young age, and now he has been beaten all over the floor by a person from the secular world?

This is simply a great shame. Feng Wuhen knows that if he loses this time, Fengyue Valley will no longer have a place for him, and even the Eight Great Secret Realms will have no place for him.

He had molested and played with so many women before, if there was no Fengyuegu to support him, would those people let him go?

Obviously not, it is estimated that he will be chopped into meat!

So Feng Wuhen knew that he could not lose, absolutely not, otherwise there would only be a dead end!

“If that's the case, then I have no choice...”

After Feng Wuhen wanted to understand at this moment, the fear in his heart disappeared, and then he saw Feng Wuhen raise his hands high, as if he was holding something!

“Scary, you can't do this...”

Feng Jingyan on the high platform saw Feng Wuhen's action, his eyes widened instantly, and then his body jumped up, and he was about to jump on the ring!

Chapter 2314

Seeing this, Ge Cangsheng immediately shot, and Jiang Wuya also shot to block it at the first time!

“Fengjingyan, the rules of the arena competition, when the competition is not over, no one can enter the ring, you are blatantly breaking the rules!”

Ge Cangsheng knew that David was going to win, so he tried his best to stop the wind. Border smoke!

Feng Jingyan was stopped by Ge Cangsheng and Jiang Wuya.

But just after a few people started, Yu Qian waved his hand and said, “The secret realm conference has just restarted, and you are openly shooting at the conference. Is this not taking me seriously?”

Yu Qian’s roar resounded throughout the square. Above, Ge Cangsheng and Fengjingyan stopped!

At this time, Feng Wuhen, who was on top of the ring, raised his hands and shouted in the sky, “I am willing to give my life to get the blessing of the devil.”

With Feng Wuhen’s roar, The sky was suddenly covered with dark clouds, and a black ball of light instantly fell on Feng Wuhen’s raised hands!

Soon, the black ball of light entered Feng Wuhen’s body, Feng Wuhen began to let out a painful howl, his body twisted and deformed, and fell to the ground!

Feng Wuhen’s body became dry in an instant, as if the blood had been drained by something, and the breath on his body disappeared quickly, as if he was dead!

This time, everyone was at a loss, and they didn't understand what Feng Wuhen was doing. Could it be that he wanted to commit suicide?

"This Feng Wuhen is indeed an evil cultivator. He just sacrificed to the demon world to improve his strength. However, this sacrifice will have certain risks. If the sacrifice is unsuccessful, he will die."

Ge Cangsheng Seeing that Feng Wuhen's appearance, he suddenly said loudly!

"Just when the remnant was summoned, I felt that Feng Wuhen was an evil cultivator, but now he has directly used the Demon Realm Cultivation Technique. This is 100% evil cultivator. Should Fengjingyan explain it?"

Jiang Wuya looked towards Fengjingyan asked!

Jiang Wu just nowYa guessed that Fengyuegu must have a connection with the Demon Heart Sect, and now it seems to be certain!

Feng Jingyan's face at this time is not to mention how ugly, now Feng Wuhen has used this trick, it is equivalent to admitting the fact that he is cultivating evil arts!

"This scoundrel actually practiced evil power behind my back, I will never spare him."

Feng Jingyan at this time can only push everything on Feng Wuhen, pretending to be ignorant!

"Fengjingyan, your apprentice is practicing. If you say you don't know, who will believe it? I think you must have a connection with the Demon Heart Sect in Fengyuegu."

Ge Cangsheng said loudly, this is the best time to suppress Fengyuegu. .

"Ge Cangsheng, don't spit your blood..."

Feng Jingyan was absolutely impossible to admit.

“Okay, stop arguing, I’ll talk about this later, let’s see what Feng Wuhen turns into in the end!”

Yu Qian opened his mouth, and once again stopped the quarrel between Ge Cangsheng and Feng Jingyan!

At this time, David in the ring, looking at Feng Wuhen like a mummified corpse, frowned, because he could clearly feel that a terrible aura in Feng Wuhen’s body was changing.

That kind of breath is like emanating from the abyss of hell, making people shudder!

Feng Wuhen’s body began to slowly recover, the original mummified skin also began to have flesh and blood, and that terrifying aura was rising!

Seeing this, David knew that Feng Wuhen couldn’t be completely transformed, so he held the Dragon Slaying Sword and slashed towards Feng Wuhen!

The sword glow rose into the sky, then fell fiercely, and slashed directly on Feng Wuhen’s body!

Feng Wuhen’s body was instantly chopped into two pieces, blood splattered everywhere!

Seeing that Feng Wuhen was cut into two pieces, David breathed a long sigh of relief!

But before David finished his breath, he saw Feng Wuhen’s body healed quickly, and then it continued to expand!
