

A Man Like None Other Novel

Chapter 2541

David glanced at Zhuzi, and signaled Zhuzi to stop talking. At this time, it is best not to attract the attention of others!

"That's right here. Agrimony is a fairy grass that absorbs the essence of heaven and earth, so it is difficult for other plants to survive within a radius of hundreds of meters."

Wu Feiyu looked at the scorched earth in front of him, his eyes filled with excitement !

When everyone heard the location, they all became very nervous. After all, they all knew that the Agrimony was surrounded by bloodthirsty beasts.

"Wu Feiyu, now that we have arrived at the place, let's find a way to eradicate that bloodthirsty beast, otherwise we will become the food of that bloodthirsty beast once we step into this land!"

Ning Can turned to Wu Feiyu Said!

If you want to get Agrimony, you must kill the bloodthirsty beast.

Wu Feiyu smiled lightly, and said confidently, "Since I'm here, I must have a way to deal with that bloodthirsty beast!"

"Now that the bloodthirsty beast is hidden, how can we deal with it?"

Ning Can asked.

"It's not easy to handle. I brought so many people here to lure that bloodthirsty beast!"

After Wu Feiyu finished speaking, he turned to look at the villagers he had brought, and pointed casually, "You two go in." Exploring the way..."

Seeing this, the pointed villagers were frightened half to death, with cold sweat on their foreheads, and then knelt down, "I...we dare not, please let us go..."

"If you don't go, For me, it has no value at all, and I will not keep anything that has no value!"

After Wu Feiyu finished speaking, he waved his palm, and the two villagers bled to death instantly!

When everyone saw this scene, they were all dumbfounded. At first, these people thought they had picked up a big deal, but they didn't think they were cannon fodder!

"You two go..."

Wu Feiyu pointed at the two people again and said!

The person pointed at was trembling with fright, and finally could only follow Zhang Biao to beg for mercy!

"Doctor Zhang, please save us, we are old acquaintances, please save us..."

They didn't know Wu Feiyu, but they knew Zhang Biao, so they wanted Zhang Biao to save them!

But Zhang Biao said, "I asked you to explore the way, not to die, as long as the bloodthirsty beast is drawn out, my brother and I will deal with the bloodthirsty beast, don't be afraid!"

"But if you don't Go, my brother has a bad temper, and you have seen what happened to those two people just now."

Zhang Biao threatened the two villagers.

Hearing Zhang Biao's words, and looking at the two villagers who died tragically, these two people could only slowly get up, and then slowly walked into the scorched earth full of fear!

The two walked very slowly, trembling all over, but when the two walked a certain distance, nothing happened at all, which made the two relax!

"Brother, there is no response, is the bloodthirsty beast asleep?"

Seeing that the bloodthirsty beast did not appear at all, Zhang Biao whispered!

But as soon as Zhang Biao finished speaking, he heard two screams, and then saw a bulge on the ground, and then two tentacles came out of the ground, and then entangled the two villagers tightly!

Amidst the screams of the two villagers, everyone saw that the bodies of the two villagers were rapidly deflated, and the blood in their bodies was rapidly draining along the two tentacles.

After a few tens of seconds, the two villagers were completely silent, and the blood in their bodies was completely absorbed!

But the two villagers died, and everyone didn't see the appearance of the bloodthirsty beast, only two tentacles!

"This bloodthirsty beast is hiding underground, how do we deal with it?"

Ning Can frowned when he saw that the bloodthirsty beast did not show up, but hid underground! ! !

Chapter 2542

"Don't worry, even if it hides underground, I have a way to deal with it!"

After Wu Feiyu finished speaking, he took out a dozen pills and handed them to Zhang Biao, "You distribute these pills and let everyone eat them!"

Zhang Biao nodded and then distributed the pills.

Everyone was holding a thumb-sized black pill, but they didn't know what it was, so no one dared to take it!

"Brother David, what is this? It looks so disgusting!"

Zhu Zi asked David while holding the pill.

David took the pill and sniffed it lightly, and then said, "This is a Sangong pill. After taking it, your energy will be weakened..."

"Ah..."

Hearing David's words, Ali and the others were all shocked. Very shocked!
"David, why did you give us Sangong Pills? We have the strength to help them deal with that bloodthirsty beast and pick Agrimony

?"

What about it?"

"What the hell are these guys doing?"

Ali and Yun'er were very puzzled, they didn't understand that Zhang Biao asked them to help gather medicine, but now he wants to dissipate their skills, which is too unreasonable !

And David thought for a while while holding the Sangong Pill, then his eyes narrowed slightly, and the expression on his face was extremely serious!

"I should have guessed the reason..." David said.

"What's the reason?" Ali asked hurriedly!

"This Wu Feiyu gave us the Sangong Pill, not to dispel our power, but to dispel the bloodthirsty beast's power."

"Now that we have taken the Sangong Pill, the effect of the medicine will be on our body." It plays a role in the blood, and the bloodthirsty beast sucks our blood, it is equivalent to taking a lot of Sangong pills, and in this way, the strength of the bloodthirsty beast will be greatly reduced!"

David carefully Analyze!

Hearing David's analysis, Ali's face turned green, feeling that Zhang Biao and the others regarded them as food for bloodthirsty beasts!

"Mr. Chen's analysis is right. It must be the case. Otherwise, why would they ask us who are not strong enough to help in collecting medicine?"

"It seems that we were treated as a Wu Feiyu has decided to use our blood to deal with bloodthirsty beasts without the food to be fed."

Hu Zhuang was also gloomy at the moment, he never thought that Zhang Biao and others would be so vicious!

"Then what should we do? If we don't take this pill, they will definitely not want it. If we do, we will not be opponents!"

Zhuji asked with some fear!

“Throw the pill in your mouth for a while, don’t swallow it, press it under your tongue, and then play it by ear, follow me closely!”

David ordered in a low voice!

Ali and the others nodded and moved closer to David! “ Everyone

, this elixir is Zengli Pill. After taking it, it can increase your strength for a short time, and it is also to be able to better deal with bloodthirsty beasts!”

Everything will definitely be done!”

Zhang Biao bewitched everyone loudly, otherwise, no one would eat it!

Hearing what Zhang Biao said, everyone swallowed the pills without any doubt. Only David and the others threw the pills into their mouths, but they didn’t swallow them!

Seeing that everyone had taken the pills, Wu Feiyu had a smug smile on his face.

A few minutes later, the effect of the medicine began to take effect, and some people felt very weak and had no strength in their whole bodies.

“What’s going on here? Why do I feel like I have no strength at all?”

“What about my skill? How come I don’t even have the strength to swing a fist?”

“Why is my aura gone, and the power in my dantian is gone!”

Many people noticed the abnormality and started to panic!

Chapter 2543

David winked at Ali and the others, and then asked several people to pretend that their strength had disappeared!

Seeing this scene, the corner of Wu Feiyu's mouth raised slightly and said, "I tell you, what you are taking is Sangong Pills, and all your skills are gone now, and now you can only listen to my words, there is still a glimmer of hope for surviving your blood! "

Zhang Biao, drive everyone in, I want to make that bloodthirsty beast eat enough..." Zhang Biao

nodded, and then began to drive everyone away, and Ning Can also winked, telling his subordinates to follow suit. Go help!

This time, many villagers were driven towards the scorched earth like lambs waiting to be slaughtered!

Some people were afraid and struggled desperately, and some even turned around and ran away!

But now that these people have lost their strength, how can they run away, they were directly caught by Zhang Biao, and then thrown into the scorched earth!

David and the others gathered tightly together and walked into the scorched earth step by step!

When David stepped into the scorched earth, he instantly felt a terrifying aura coming from his feet!

Accompanied by the terrifying aura, there is also a stream of immortal divine power mixed in it, this power should be emanating from Agrimony!

"Ah..."

Someone began to be entangled in the tentacles of the bloodthirsty beast, sucking the blood from his body!

The others were running desperately, wanting to escape, but Wu Feiyu and others were staring at them behind them, so these people could only run forward desperately!

They all prayed, hoping that they could escape when the bloodthirsty beast sucked the blood of others!

Seeing everyone running away in a panic, Wu Feiyu had a playful look on his face!

"Wu Feiyu, you boy is more ruthless than I imagined. I didn't expect that your method of dealing with that bloodthirsty beast would be to sacrifice these villagers. It seems that you planned it from the beginning. No wonder you cherish the lives of these villagers so much." !"

Ning Can didn't expect Wu Feiyu's method to be so vicious!

"You and I may not be the opponent of the bloodthirsty beast together. Now there is no other way to deal with the bloodthirsty beast except this one!

" The power of the pill will explode in the body of the bloodthirsty beast, and then the bloodthirsty beast will become a meal on the plate, so there is no need to worry about it!"

Wu Feiyu smiled proudly!

Ning Can didn't say anything, but looked at the tragic scene in front of him. These villagers who had lost their skills had no room to resist under the attack of bloodthirsty beasts!

Yun'er looked at the villagers who died tragically, her eyes were full of pity, she really wanted to save these people, but she knew she didn't have that ability.

Looking at those villagers, David could only shake his head helplessly. He has no way to rescue these people now!

Soon, a thin layer of black mist rose above the scorched earth, and there were screams, and the black mist shrouded it, making the land even more gloomy!

"Let's go, get out of here as soon as possible, maybe we'll be lucky enough to pick Agrimony!"

After David finished speaking, he brought Ali and the others closer to the center!

But just after taking two steps, the pillar suddenly screamed, and a tentacle emerged from the ground, instantly entangled the pillar!

"Help, help, Brother David save me, Brother Ali save me..."

Zhu Zi was so frightened that his face turned pale, and he shouted loudly.

After all, he was still a child, and when faced with danger, he panicked instantly!

Seeing this, David jumped up, took out the big knife of the pillar, and slashed at the tentacle fiercely!

With David's knife, the edge of the blade whizzed up, and the sharp light of the blade flashed out, cutting off the tentacle directly! !
