### Chapter 2580

#### Chapter 2580

Dashi Village!

Zhang Biao died, and everyone buried the villagers Zhang Biao killed!

The whole Dashi Village regained its calm, but at this time, the people in the whole Dashi Village began to take David as their backbone!

After all, their strength in Dashi Village is too low. If they meet someone like Zhang Biao, they will have to wait for death!

But if there is David in Dashi Village, it will be different. David can protect their safety, and even protect them from being bullied by the people of Daqing Village!

"Grandma, you didn't see it, Brother David is amazing, just throw the crap out of that mark."

"If I had Brother David's skills, I would be able to protect the folks in Dashi Village!"

Yun'er was following the old woman Telling about David's fight with Zhang Biao!

But after finishing speaking, Yun'er instantly felt that she had said the wrong thing, so she apologized, "Grandma, I'm sorry, I didn't mean it, I will try to fix your eyes, although the mark is dead, But brother David said he can cure it!"

Yun'er knew that the old woman was blind, but she still said that, she was afraid that the old woman would get angry!

After listening to Yun'er's words, the old lady smiled slightly, touched Yun'er's head and said, "Silly girl, grandma is used to it, no one can cure my eyes!"

"Who says no one can cure them? I You can..."

At this time, David walked in following the pillar! "Sister Yun'er

, I followed Brother David to the mountains to collect herbs. Brother David taught me a lot." Here's

something."

Zhu Zi said with a dirty body and a pannier on his back!

"Really?" Yun'er stepped forward with a face full of excitement, and took the Mingmu grass in her hand!

"It's useless, my eyes are because of..."

The old lady knew that her eyes were blinded by poison, so she couldn't see well at all!

But before he finished speaking, David said, "Grandma, don't worry, no matter what your blindness is, I can cure it..."

"Brother David, is what you said true? If you can Heal grandma's eyes, let me do anything, I can even... can..."

Yun'er looked at David, her face turned red!

David patted Yun'er's head dotingly and said, "Silly girl, you are still so young, don't think about it, I will definitely heal your grandma's eyes."

Yun'er lowered her head, blushing all over her face, while Zhuzi looked at Yun'er with a puzzled face and said, "Sister Yun'er, why are you blushing? Just now you said you could do something with Brother David?"

"Dead Zhuzi, shut up..."

Yun'er stared. He glanced at the pillar and ran out, and the monk who made the pillar a little over two feet couldn't figure it out!

David smiled, then took out the Shennong cauldron, and asked the pillar to throw Mingmucao and other herbs into it.

David pinched his fingers, and a spiritual fire ignited. David began to refine the elixir, and explained it to the pillar while refining it!

As the saying goes, it is better to teach a man to fish than to give him a fish. Although David can treat the people in Dashi Village and refine medicines here, David will not be here forever!

Now that Zhuzi is interested in becoming a pharmacist, David will teach Zhuzi. If Zhuzi becomes a pharmacist, the status of the entire Dashi Village will be improved a lot!

Soon, bursts of medicinal fragrance emanated from the Shennong cauldron, and within an hour, several crystal clear pills appeared in the Shennong cauldron!

Zhu Zi looked at the refined elixir in surprise, and his heart became more outward about becoming a pharmacist!

"Grandma, you can see things after taking a pill."

David handed a pill to the old lady!

The old lady took the elixir and took it without hesitation. She now trusts David very much!

## Chapter 2581

After taking the elixir, the old woman only felt a stream of coolness continuously wandering through her body, and finally gathered in her eyes!

The originally expressionless, blank eyes began to slowly take on a tinge of color!

The old lady looked around and her expression became extremely excited!

"I... I really saw it, I really saw it..." The

old woman was trembling all over, and she actually yelled loudly!

Hearing the old woman's shout, Yun'er hurriedly ran back from the outside, and then looked into her grandmother's eyes, there was a trace of spirit, and she was very excited!

"Grandma, can you really see it?"

Yun'er rushed over, holding the old woman tightly and asking.

"Yuner, grandma can see it, my Yun'er is really a big beauty..." The

old woman held Yun'er's face in both hands, and she burst into tears of excitement!

The old and the young hugged each other excitedly, and both of them burst into tears!

This kind of atmosphere made Zhuzi cry constantly!

After a while, the mood of the old woman and Yun'er calmed down!

"Brother David, thank you so much, I don't even know how to thank you..."

Yun'er said, kneeling down to David!

"Silly girl, you saved my life, what did I do!"

David held Yun'er and didn't make her kneel down, and then gave the rest of the elixir to Yun'er. You put away the elixir, give your grandma one every day, and after taking it, your granny will recover completely!"

Yun'er nodded and put away the elixir.

"Yun'er, Zhuzi, you two go out for a while, I have something to say to you, Brother David!"

At this time the old woman said!

After hearing this, Yun'er pulled the pillar and walked out!

After Yun'er and Zhuzi left, the old woman began to rummage through the boxes, and finally found a wooden box in a corner!

The wooden box was covered with dust, and I don't know how many years it had been placed, and then the old woman opened the wooden box.

With the opening of the wooden box, there was a shiny black bead inside. There was a faint black mist around the bead, and the temperature in the whole room began to drop!

The old lady took out the bead and said to David respectfully, "Mr. Chen, I can't repay my eyes for healing. This is a magic bead that I have treasured for many years. The injury on Mr. Chen's body has a very good effect!"

"After you swallow this magic bead, your strength will be restored to the peak state."

David looked at the magic bead in the old woman's hand, and for a while didn't know what to do. What to do, I can only decline, "This...is too precious..." The

old lady shook her head, "I'm afraid I will live in Dashi Village for the rest of my life, and I won't step into the demon clan again, so this demon The beads are useless to me, so Mr. Chen should take them!"

Seeing what the old lady said, David had no choice but to take the magic beads, then slowly put them into his mouth and swallowed them!

When the magic bead entered David's body, David's whole body was instantly enveloped in a black mist.

Slowly, the entire Dashi Village was shrouded in black mist, which surprised the old woman very much!

She didn't expect David to have such a big reaction after swallowing the magic bead!

I saw David frowning tightly, and finally the whole body became extremely ferocious, as if it was in great pain!

And in David's body, the three breaths are constantly chasing and merging!

"Human race, beast race, demon race? Why does he have three auras?" The old lady looked at David in shock, her eyes full of surprise!

"ah....."

David suddenly yelled, and then he fell heavily on the ground and passed out!

"Brother David..."

Hearing David's cry, Zhu Zi and Yun'er all rushed in.

Seeing David lying on the ground, both of them became nervous!

## Chapter 2582

"Hurry up and carry David to the bed..." The

old lady asked Yun'er and Zhu Zi to carry David to the bed!

The three of them looked at David with his eyes closed, all helpless, the old woman was nervous, she didn't know why David was like this!

At this time, in a Taoist temple hundreds of miles away from Dashi Village, an old man in a Taoist robe, followed by two Taoist boys, a man and a woman, looked at the place shrouded in black mist in the distance!

"How can there be such a strong demonic energy there? Who the hell dares to reveal his identity as a demon at this time?" The

old man frowned slightly, and then he waved the dust and said, "Disciple, follow me as a teacher to see, what is it?" The devil who is not afraid of death has appeared..."

With the waving of the whisk, the figures of the three people disappeared slowly!

And these three people were the three people who were attracted by David pulling the bow of the god king when he returned from the world of heaven and man to the secular world. Now the devilish energy erupting from David's body has attracted these three people again!

.....

"Brother, look quickly, what's the situation?"

Wu Feiyu, who was rushing towards Dashi Village at this time, looked at the black mist rising in the direction of Dashi Village, and asked in shock!

Beside Wu Feiyu is Hu Yixiao's eldest disciple Nie Heng.

After Nie Heng glanced in the direction of Dashi Village, he frowned and said, "Demon energy, so strong magic energy, could it be that there are demons appearing in Dashi Village?"

"Demons?" Wu Feiyu was taken aback. How many years have you seen the demons in the world of heaven and man, maybe there are no demons for a long time?"

"The demons are just hidden in the dark, there are still many demons in the world of heaven and humans, some of them are cover-ups. The aura is hidden in mountain villages, and some are hidden in deep mountains and old forests."

"It seems that this Dashi Village is not simple, there are demons appearing, and looking at the demonic energy, the strength of this demons is not weak!"

Nie Heng carefully analysis!

"We have stayed in Dashi Village for many days, but we haven't seen any demons appear. Could it be..."

Wu Feiyu seemed to remember something, and suddenly opened his eyes and said, "Could it be that David is a demon?"

"It's very possible, didn't you say that he has been hiding his strength? He still lives in Dashi Village, but the people in Dashi Village don't know his identity."

"From this point of view, this guy is very likely to be a hidden demon. Clan, it seems that we are going to develop now, and we can exchange a lot of resources by grabbing a demon cultivator."

Nie Heng smiled coldly, and then quickened his pace!

When Nie Heng and Wu Feiyu rushed to Dashi Village, David was still in a coma!

Seeing Wu Feiyu's return, everyone in Dashi Village panicked, but now that David is in a coma, no one can deal with Wu Feiyu!

"Grandma, people from the Jade Cauldron Sect are here, and they must seek revenge from Brother David. What should we do now, Brother David

is still unconscious..." Yun'er said anxiously!

"Yun'er, you take David to hide, no matter what happens, don't come out!"

"Zhuzi, you protect Yun'er, do you understand?" the

old woman said to Zhuzi!

"Grandma, don't worry, I will protect Sister Yun'er."

Zhu Zi nodded!

"Grandma, what are you going to do?" Yun'er looked at the old woman nervously and asked!

"People from the Jade Cauldron Sect are here, this time they will definitely not let it go, I'll go out and have a look, everything will be fine."

After finishing speaking, the old lady walked out straight away!

At this time, Wu Feiyu and Nie Heng had already entered Dashi Village, and no one could stop them!

"What about David? Tell David to get out of here..."

Wu Feiyu yelled, and then used his hands for a while, instantly knocking out several villagers of Dashi Village!

With this simple palm, several villagers of Dashi Village lost their lives in an instant!
