

A Man Like None Other

Chapter 2862

"Huofeng, run by yourself, I really can't run anymore..."

Yu Jiameng's physical strength has been seriously overdrawn. Her strength was originally low. After such a long period of consumption, the spiritual power in her body has long been exhausted. !

"Sister Jiameng, with persistence..."

Huofeng pulled Yu Jiameng!

"Leave me alone. If this continues, none of us will be able to escape. If you still have a chance to go to the secular world, tell my father not to worry about me!" Yu Jiameng pushed Huofeng and let

Huofeng Feng escapes by himself!

"Sister Jiameng, I will not abandon you..."

Huofeng wanted to recite Yu Jiameng!

But at this time, Gao Qisheng had already led someone to chase them over, and immediately surrounded the two of them!

"Hmph, I think you are still running away. As I said, no one can escape from my grasp here."

Gao Qisheng looked at Huofeng and Yu Jiameng, and raised his mouth!

"I tell you, if you touch us, you will regret it, my master will not let you go."

Huofeng looked at Gao Qisheng viciously and said!

"Hahaha, master?"

"I will be your master from now on, and both of you will become my slaves."

Gao Qisheng laughed loudly. He didn't expect Huofeng to like this mouthful, and he even started role-playing. Owner!

Gao Qisheng didn't even know that the fire phoenix was a divine beast.

Hearing Gao Qisheng's words, Huofeng and Yu Jiameng looked at each other the same way, and then said, "Even if we die, we won't let you get it..." After finishing speaking, Huofeng and Yu Jiameng suddenly burst into breath, and

directly Start to blow yourself up!

"Want to die? It's not that easy."

As soon as Gao Qisheng waved his hand, the Gao family immediately stepped forward and directly controlled Huofeng and Yu Jiameng. Neither of them could blow themselves up!

After all, the gap in strength is too great, Huofeng and the others want to blow themselves up is an extravagant hope!

"Say, where is the other girl?"

Gao Qisheng asked Huofeng and Yu Jiameng!

But the two of them didn't speak at all, they glared at Gao Qisheng fiercely!

"Second Young Master, I guess the other one is still in the cave?"

said a Gao family member!

"Go, search for me..."

Gao Qisheng asked his men to search!

It's just that these people searched the cave for a long time, but they didn't see Sonya!

"Brother, maybe that girl ran away a long time ago. Two women are enough for you to play with. Let's go back quickly, or the elder brother will be angry."
Gao Qijie urged Gao Qisheng

!

"Okay, let's go back, but after we go back, don't talk nonsense with big brother, you know?"

Gao Qisheng urged Gao Qijie!

"Got it!"

Gao Qijie nodded helplessly!

Soon, Gao Qisheng left with the arrested Huofeng and Yu Jiameng!

Not long after Gao Qisheng and the others left, a man in a black robe passed by!

When he passed through the hole, his figure obviously paused!

Immediately afterwards, the body disappeared in a flash, and entered the cave!

After looking around, the man in black looked at Sonya's frozen place, waved his palms, and two flames burned instantly!

The frozen place began to melt, and Sonya was exposed!

"Fire feathers? There are such beast feathers here?" The man in black put away the fire feathers, and then probed Sonya's body.

"Alive, the fire spirit body is really a rare physique!"

"Hahaha, God helped me, God helped me..."

The man in black laughed loudly.

After finishing speaking, the man in black directly picked up Sonya, and then quickly disappeared!

After the black-robed man left, the cave returned to calm, and the deep pit was slowly frozen again in the wind and snow!

It's like no one has ever been here.

The wind and snow were still howling.

Chapter 2863

"Mr. Chen, according to our current speed, we can reach our clan land in three days." "

However, along the way, it is best not to meet anyone, let alone someone from the Gao family, otherwise it will be very troublesome !"

Wa Gu followed David and said!

After a night of rest, David and the others started to continue their journey. Fortunately, they were all monks. The severe cold and snowstorm did not hinder them at all!

"We try our best to choose remote places to travel to avoid unnecessary troubles!"

David also knows that many people will come here to look for treasures. If they encounter enemies, it will be troublesome!

Soon, David and the others passed a cave, and this is where Sonya and the others hid yesterday!

Just as he was passing through the cave, David suddenly stopped in his tracks, staring blankly at the cave!

"David, what's the matter?"

Seeing this, Liu Ruyan hurriedly asked!

David didn't speak, but frowned slightly, and walked slowly towards the cave!

Seeing this, the others hurriedly followed!

When I walked into the cave, I found that there was nothing in the cave, nothing!

"Mr. Chen, what are you looking for?" Wa Gang asked curiously!

"It's so familiar, they stayed here..."

David's face was a little excited!

"Who? Who stayed here?"

Liu Ruyan asked.

David didn't speak, and gently supported the stone wall with both hands, feeling the long-lost familiar breath!

Before he knew it, David's tears flowed down his face!

After arriving in the Celestial Realm, David never gave up looking for Sonya and the others!

But the world of heaven and man is extremely vast, and finding someone is simply harder than finding a needle in a haystack!

But now, for the first time, David felt the aura of Sonya and Huofeng!

He is so familiar with the aura of the two of them!

Seeing David like that, Liu Ruyan realized suddenly, and gently stepped forward to wipe David's tears and said, "David, are you talking about those girls?"

Liu Ruyan knew that David still had girls. Friends are also in the human world, but they are separated and cannot be found!

David had told Liu Ruyan all about it, after all, the two of them had already become husband and wife, so there was nothing to hide!

But Ruyan Liu didn't care at all, no matter how many women David had, she would be happy to be one of them!

"David, since you can feel their aura here, it proves that they will not leave here for a long time." "

Maybe we can find them if we look for it."

Liu Ruyan comforted David !

At this time, the tile pots on the side were stupefied, they didn't understand why David was crying, and even less understood why Liu Ruyan asked David to find those girls!

Wagang could tell that the relationship between David and Liu Ruyan must be extraordinary, the two must be lovers!

How can a lover still want his man to find another girl?

"Three Heroes of Strange Thieves..."

David shouted.

"Mr. Chen, what's your order?"

The Three Masters of the Phantom Thieves hurried forward and asked!

"You three, hurry up and search nearby to see if you can find some girls. If you find any, ask their names and report to me immediately!"

David said quickly!

"Understood!" The three heroes of the strange thief got the order and left quickly!

David stayed in the cave for a while, and then left. He knew that staying in the cave was not an option. He still needed to find the treasure!

"Yuqi, Huofeng, where are you? Don't be in any danger!"

David silently prayed in his heart, praying that Sonya and Huofeng would not be in danger!

But this time, the aura of the two people was sensed in the cave, which proved that they were still alive and their lives were not in danger!

Chapter 2864

David and the others continued on their way, but for a long time, the three heroes of the phantom thieves did not find Sonya and the others!

David could only choose to rest, and wait for the news of the Three Heroes by the way.

After all, traveling in such a harsh environment consumes a lot of spiritual energy!

But when David and the others were about to take a break, suddenly a figure not far away ran towards them in a panic!

When David and the others saw this, they frowned immediately, and immediately put on a defensive posture!

This was the first person they met after they entered the extreme north. Wa Gang chose a very hidden route, but he didn't want to meet anyone again!

Soon, the figure was getting closer and closer. Only then did David and the others see that there was a beast chasing behind this man!

The beast is huge and covered in white hair. With every step it takes, it can make several ice picks on the ground!

"Everyone be careful, this is the ice bear monster..."

Wa Gu said hastily!

But at this time, the figure had come to the front, and after seeing David and the others, he was overjoyed and said, "Brother, help me, help me..."

David took a closer look and found that this person actually bought it from Watt. Treasure map, that Yuan Bao who greeted me!

Yuan Bao's huge body was covered with wind and frost at the moment, and he kept calling for help to David!

Yuan Bao is at the fifth rank of the Body Composite Realm, and the Ice Bear Monster behind him is also at the fifth rank of the Fit Body Realm!

Although they have the same level of cultivation, the real strength of monsters is generally stronger!

In addition, the extreme north is the domain of the Ice Bear Monster, so Yuan Bao has no choice but to escape!

"This guy is so fucking bad, he has attracted the ice bear monster towards us!"

Seeing this, Wa Gu said angrily!

One must know that this Ice Bear Monster of the fifth rank of the Composite Realm, it is estimated that they will be very difficult to deal with together!

After all, these people are not strong, and no one has surpassed the fifth rank of the Compatible Body Realm!

"Brother, save me, save me..."

Yuan Bao said out of breath when he ran in front of David!

"You bastard, you can't beat that ice bear monster at the fifth stage of the Body Fit Realm. Now come and let us who are not as strong as you save you."

"Aren't you hurting us on purpose ?

"

Dissatisfied and shouted at Yuan Bao!

Yuan Bao blushed, then looked at David and the others, and found that they were all at the second and third ranks of the Fusion Realm, and no one surpassed him!

"I'm sorry, I'm going to lure that ice bear monster away now..."

Yuan Bao apologized, then swung his palm suddenly, whipping up the wind and snow, and then ran towards another direction!

"Brother Yuan, stay a step, you are not the opponent of this ice bear monster, you will be eaten sooner or later, let me deal with it!"

David shouted to stop Yuan Bao!

"You?" Yuan Bao looked puzzled, how could David, who was at the second level of the Body Combination Realm, beat the Ice Bear Monster at the fifth stage of the Body Composite Realm!

Moreover, in this extreme northern land, the Ice Bear Monster still has a strength bonus, and David is no match for it!

"Brother, I appreciate your kindness, but with your strength, I'm afraid Ice bear monster will slap you to death." "

Hurry up and run for your lives..."

Yuan Bao ran to the side as he said!

But just after running two steps, with the roar of the ice bear monster, the whole body instantly rushed towards Yuan Bao!

Yuan Bao suddenly turned pale with shock, raised his palms and pushed forward, trying to block the attack of the ice bear monster!

But the huge body of the Ice Bear Monster, coupled with the countless frost covering Yuan Bao on his body, Yuan Bao couldn't stop it at all!

At this critical moment, David suddenly appeared and pushed Yuan Bao aside!

And he took out the Dragon Slaying Sword with one hand, and a bright sword light suddenly gushed out!

"Zhan..."

David let out a low voice, endless brilliance bloomed from the dragon-slaying sword, and the sky was instantly lit up
