

A Man Like None Other

Novel

Chapter 3216

Ji Cheng, who came out on his own, lowered his head and said with shame, "Dad, I know..."

Looking at his son, Ji Lianjun patted his shoulder and said, "Here we go. If your second uncle really joins forces with outsiders to take action, you should leave with your two sisters and don't go through this muddy water." "

And your third uncle's son, entertain him for a few days and then let him leave. , and don't let him get involved. It's best not to let your second uncle know his identity."

"Well, I understand!" Ji Cheng nodded!

At this time, the two sisters, Ji Meiyan and Ji Meiling, walked into the magic array and prepared to bring Ji Yun and the others out!

"Sister, maybe we really made a mistake this time. The eldest brother even saw the token. Maybe he is really the third uncle's son and our sixth brother." "In that case, what are we doing

? , no wonder father is angry."

Ji Meiling said in a low voice!

Ji Meiyun also had some nervousness on her face at this moment: "Brother didn't say that he saw the token. If we made a mistake, just apologize. Anyway, we can't be hurt in the illusion array." "Let's take people out quickly

. That's it..."

The two of them hurriedly searched for Ji Yun and the others in the phantom formation, but after walking around for a long time, they didn't even see a single figure!

I found that no matter how they turned, they always returned to their original position!

This time, both of them were a little panicked!

"Sister, why are we stuck in the illusion formation and unable to get out?"

Ji Meiling looked around in panic!

"I...I don't know. I obviously followed the instructions. I'm not supposed to get lost in the illusion array. Why can't I get out?"

Ji Meiyun was also a little panicked!

Just when the two of them were panicking, David and the others had already walked out of the illusion formation!

There is no way to trap David with this level of illusion array. Now that David even has the source of illusion, if he wants to use the illusion array to trap David, it is simply a trick!

David and the other two walked towards the hall. At this moment, Ji Cheng and Ji Lianjun were waiting in the hall!

Seeing Ji Yun and the others coming, Ji Cheng hurriedly greeted them: "Sixth brother, I'm really sorry. Your eldest and second sisters were too naughty and brought you into the illusion array. I will teach them a lesson later." ". "

Ji Cheng hurriedly followed Ji Yun to apologize. After all, Ji Yun had just arrived at Ji's house and something like this happened, which would inevitably make Ji Yun feel uncomfortable!

"Brother is serious. Sister, the second sister may also be thinking about the safety of the Ji family."

Ji Yun said with a slight smile!

"Sixth brother, this is my father and your uncle..."

Ji Cheng quickly pulled Ji Yun to Ji Lianjun!

When Ji Yun saw this, he knelt on the ground with a pop, and then kowtowed to Ji Lianjun three times!

"Nephew Ji Yun, meet my uncle..."

Ji Yun said excitedly!

Ji Lianjun looked at Ji Yun, his body trembled slightly, and his eyes instantly became moist!

"Good boy, get up quickly, get up quickly."

Ji Lianjun helped Ji Yun up, then looked at Ji Yun and said: "You look exactly like your dad. Even without a token, I can recognize you at a glance... .."

"Uncle, these are my two friends, David and Huo Feng..."

Ji Yun quickly introduced David and Huo Feng to Ji Lianjun!

Ji Lianjun nodded slightly towards David and the others, and then said: "Please take a seat..."

After sitting down, Ji Lianjun said to Ji Cheng: "Cheng'er, go and call your two sisters. Don't think that if you hide, it will be over if you don't come in. They must be punished for what happened today."

"Yes!" Ji Cheng nodded, and then said to Ji Yun: "Sixth brother, where did your eldest and second sister go after they brought you out?" Ji Yun was stunned for a moment, then shook his head and said: "The

eldest and second sister didn't take us with them. Yeah, we came out on our own."

"What?" Ji Cheng was shocked!

Chapter 3217

Ji Lianjun was also stunned, and then asked: "Xian nephew, you said you walked out of the illusion formation on your own?" "

Yes!" Ji Yun nodded!

"How is it possible? This illusory formation cost a lot of money and was set up by a formation master. How could it come out so easily?"

Ji Lianjun murmured to himself, somewhat unbelievable!

"Uncle, Mr. Chen is a high-level formation master. As for the magic formation, he is very knowledgeable, so this kind of magic formation will not be difficult for us at all."

Ji Yun said truthfully!

Ji Lianjun looked at David in disbelief. David looked so young, but he was actually an array master?

"Master Ji, although your illusion array is good, it is also full of loopholes. If you encounter someone who uses the array, it can be broken in minutes." "So while I was inside, I slightly changed the illusion

array. , making this illusory formation even more difficult to break through."

David said, handing over to Ji Lianjun!

"What, you changed the magic array?" Ji Lianjun was shocked, and then said: "Cheng'er, go and see your two sisters. After the two of them went in, the magic array was changed. I'm afraid it's them. The two of them can't get out."

Ji Cheng felt embarrassed. Now that the magic formation has changed, he can't get out even if he goes in, so Ji Cheng looked at David.

David instantly understood what it meant, so he told Ji Cheng the formula!

"As long as you follow the instructions, you won't get lost..."

David said!

Ji Cheng nodded and ran out!

Soon, Ji Cheng walked in with Ji Meiyuan and Ji Meiling!

When the two girls saw David and the others, they were immediately surprised!

"How did you get out?" Ji Meiyuan asked in confusion!

"Shut up." Ji Lianjun snorted coldly: "You two are too presumptuous. You did this to your sixth brother just after he arrived. Is this the way to treat guests?"

"Hurry up and give it to your sixth brother

. Apologize, and this Mr. Chen is a master of formations, so the illusion formation cannot trap them at all." "

And this Mr. Chen also changed the formation a bit to make it more perfect, otherwise How could you be trapped in there?"

When Ji Meiyang and Ji Meiling heard this, they were immediately surprised. They did not expect that David was actually a formation master at such a young age!

However, the two of them also knew that they had gone too far, so they hurriedly walked up to Ji Yun and said, "Sixth brother, I'm really sorry. We were wrong. We didn't mean to punish you." Ji Yun stood up in a hurry and said, "

Sister Second sister, this is just a little joke, I don't care."

Then the two of them went to David and Huo Feng to apologize, and their attitudes were very sincere, not as naughty as they were at the beginning!

It can be seen that Ji Lianjun's tutoring is very strict this year!

"My dear nephew, how is your father? I never thought that after so many years, he would be able to raise such a sensible son like you." "

Your father was the most naughty when he was young, and your grandfather also loved him the most. After he left, he was so For many years, your grandfather has thought about it for so many years."

Ji Lianjun looked a little sad when he mentioned the past!

Ji Yun felt ashamed when he heard Ji Lianjun's words!

I know best what he was like before. He was just a playboy, who didn't know what a director was!

It was only after following David that Ji Yun's temper gradually changed!

"Uncle, my father is very good. Now he has built a Feitian Sect and runs the airship business."

"If it weren't for the recent situation in Feitian Sect, my father would also like to come with us." "Uncle

, I don't know how my grandpa is doing now. I want to see him..."

Ji Yun said to Ji Lianjun asked!

When Ji Yun heard that Ji Yun wanted to see the old man, Ji Lianjun hesitated!

But at this moment, a servant of the Ji family ran in and said: "Master, it's not good. The old man vomited blood again. Now the three pharmacists are unable to do anything."

Chapter 3218

"How could this happen? Grandpa's condition is under control, hasn't he?"

When Ji Cheng heard this, he immediately said anxiously!

"Didn't those three pharmacists guarantee that the old lady would be worry-free within ten days? Why did he suddenly vomit blood?"

Ji Lianjun also frowned and said with a cold expression!

"I don't know either. Now the three pharmacists are also panicking and saying that there is nothing they can do. That's why I came here to report it." The

servant of the Ji family also said helplessly!

"Uncle, what's wrong with grandpa?"

Ji Yun saw this and asked quickly!

"Oh, your grandpa just has some stubborn illnesses, don't worry."

Ji Lianjun seemed unwilling to let Ji Yun know too much!

"Uncle, Mr. Chen is not only a formation master, but also a very powerful pharmacist. Why don't you let Mr. Chen help grandpa take a look?"

Ji Yun knows David's medical skills, so it shouldn't be a big problem!

Ji Lianjun just glanced at David and then said: "Your grandfather has been suffering from a chronic illness for many years. It's okay." After saying that,

Ji Lianjun looked at Ji Cheng and said: "Cheng'er, you accompany your sixth brother to rest here. I'll Go see your grandpa..."

After Ji Lianjun finished speaking, he hurried away, followed by Ji Meiyun and Ji Meiling!

Ji Cheng looked at Ji Lianjun who was leaving, his face full of worry, but he still pretended to be indifferent and said with a smile: "Sixth brother, don't worry, grandpa has a chronic problem, why don't I accompany you around." Looking at Ji

Cheng When Cheng looked like that, Ji Yun knew that Ji Cheng was talking!

Ji Cheng is a loyal and honest person, so when he lies, it doesn't feel natural!

"Brother, don't lie to me. Is grandpa seriously ill? Can you take me to see grandpa?" "Maybe if

grandpa sees me and is in a good mood, it will be beneficial to his condition."

Ji Yun said to said Ji Cheng!

Ji Cheng looked embarrassed and didn't know what to say!

"Brother, why don't you let me go see grandpa? Are you hiding something from me?"

Ji Yun asked anxiously!

"No... nothing happened?" Ji Cheng didn't dare to look directly at Ji Yun!

"Brother, I know you won't lie. Take me to see grandpa. Maybe we can cure him." "

Mr. Chen is really a pharmacist, and he is very powerful. I won't lie to you."

Ji Yun Step forward and plead with Ji Cheng!

Ji Cheng finally sighed helplessly and said, "Hey, I can take you there, but you have to make sure to do one thing." "

Okay, brother, tell me." Ji Yun nodded!

"When you arrive, you must not say that you are from the Ji family, nor can you say that you are the third uncle's son." "

Just say that you were brought here to treat grandpa, and your identity must not be exposed."

Ji Cheng warned with caution. road!

"Why?" Ji Yun looked puzzled!

"Don't ask why, this is all for your own good. You must remember, otherwise you will be in danger."

Ji Cheng said very cautiously!

Ji Yun wanted to ask something else, but was interrupted by David on the side: "Ji Yun, since your elder brother said so, then you should not reveal your identity first and just listen to your elder brother's arrangements." "Okay!"

Ji Yun nodded!

Seeing Ji Yun's promise, Ji Cheng led Ji Yun and the others out of the hall, and then walked towards the backyard!

At this moment, in a room in the backyard, Ji Lianjun was sitting on the bedside, and on the bed lay a skinny old man.

The old man's eyes were slightly closed and he was only breathing weakly!

Beside the bed, Ji Lianying looked at his father with an indifferent expression. Behind Ji Lianying followed a man and a woman, namely his son Ji Yue and his daughter Ji Meizhen.

Ji Meizhen was dressed in fancy clothes and would look at her face in the mirror from time to time without even looking at her grandpa lying on the bed!

On the other side of the bed, three people dressed in pharmacist costumes stood with awkward expressions!

Chapter 3219

"Didn't you three guarantee that the old lady will have no worries within ten days? It's only been a few days and it's like this?"

Ji Lianjun roared at the three pharmacists!

"Brother, father is like this. Don't blame these three pharmacists. Even if they can guarantee that father will be safe within ten days, what about after ten days?" "So I think we should discuss father's funeral first

. Let's take care of it..."

Ji Lianying was maintaining that he was such a pharmacist!

After all, he chose these three pharmacists. Ji Lianjun suppressed the anger in his heart, glanced at his younger brother Ji Lianying coldly and said, "Second brother, didn't you say you wanted to invite the Medicine Master? It's been so many days, has the Medicine Master been invited?" "Brother, the Medicine Master

has been invited?"

It's not that easy to invite. It's not like you don't know that in our world of gods and humans, pharmacists are very scarce. They are all fragrant buns." "Not to mention the Medicine Master. You think the Medicine

Master can just invite you. "?"

Ji Lianying said nonchalantly!

Seeing Ji Lianying's behavior, Ji Lianjun became even more angry. He knew that Ji Lianying didn't go to invite any Medicine Master at all, but went to the Juman Palace in the North Territory!

But now that Ji Lianjun is angry, he can't do anything to his brother, and their father has not yet died!

If the two brothers turned against each other and started fighting in front of their father, they would be laughed at by the world!

"Dad, how is grandpa?"

At this time, Ji Cheng came in with Ji Yun and the others!

Ji Lianjun's face changed slightly when he saw that Ji Cheng had brought Ji Yun!

When Ji Lianying saw Ji Yun and the others, he was also stunned!

“Dad, at this time I found the pharmacists for grandpa and asked them to show him...”

Ji Cheng said quickly!

Hearing what Ji Cheng said, Ji Lianjun immediately understood and said with a cold face, “Where did you find this pharmacist? Can you take good care of your grandfather’s illness?” “Don’t worry, these pharmacists are all from other continents

. Yes, very powerful.”

Ji Cheng said quickly!

After finishing speaking, Ji Cheng looked at Ji Yun and David and said, “Please give my grandpa some treatment...”

David nodded and walked forward, while Ji Yun Following David, Ji Yun felt very uncomfortable looking at his scrawny grandfather, but he couldn’t show it!

Ji Lianjun stood up and gave up his seat to David, but just when David was about to treat the old man, Ji Lianying snorted disdainfully and said: “Ji Cheng, do you think your grandfather died too slowly? You invite so many guys who haven’t grown all their hair, you dare to say they are pharmacists?” “

I have met these three guys, they all came from the Northern Territory, and they secretly inquired about the situation of our Ji family, I guess they just want to I came here to cheat money.” After

Ji Lianying finished speaking, Ji Yue behind him immediately followed suit and said: “Now do people in the Northern Territory know that my eldest brother is not smart? Several times the people who brought him said it was me, Ji. They all turned out to be liars.”

"This time they actually brought a pharmacist into the house. They said he was a pharmacist. Do you believe it? Do you think any of them look like a pharmacist?"

"Ji Yue, do you have shit in your mouth? Can you say that you are uneducated, brother?" Ji Meiyuan pointed at Ji Yue's nose and cursed!

She knew that Ji Cheng was a loyal and honest person and didn't know how to curse, so every time Ji Yue spoke harshly, Ji Cheng would not fight back!

Ji Cheng won't fight back, but that doesn't mean Ji Meiyuan won't!

Among the three siblings, Ji Meiyuan has a stronger temper and is not easy to mess with!

"Who do you think is eating shit? If you have the ability, you can tell me..." Ji Yue became anxious!

"I just said, what can you do?" Ji Meiyuan said with a cold smile!

"Ji Meiyuan, you are just a bastard. If you have the ability to go out and fight with me, I will beat the shit out of you."

Ji Meizhen saw that her brother was deflated and she also spoke!

Chapter 3220

"It's a competition, who is afraid of whom..." Ji Meiyuan said with eyes wide open!

"Shut up, everyone. You are arguing in the old man's room. Don't you want to live?" "

Whoever dares to say another word will be imprisoned in the ancestral land immediately, facing the wall and thinking about the past..."

Ji Lianjun He yelled coldly and was instantly frightened to the point where no one dared to say anything anymore!

Even Ji Lianying could only look unconvinced, but he didn't dare to speak. After all, Ji Lianying was now the head of the family, and he had to listen!

Seeing that Ji Lianjun had the situation under control, David stepped forward to check on the old man of the Ji family!

After careful diagnosis and treatment, David frowned!

"Mr. Chen, how are you?" Ji Yun asked in a low voice!

David did not speak, but looked at Ji Lianjun and said, "Master Ji, who has been treating the old man recently?" "The

three of them..." Ji Lianjun pointed at the three pharmacists and asked: "What? Is there a problem?"

"Is the medicine you gave the old man still there? Let me take a look..."

David said!

Ji Lianjun nodded, and then took out a porcelain bottle from the bedside position, which contained the medicine that the old man took every day!

David took the porcelain bottle over, opened it and smelled it!

When the three pharmacists saw this, their expressions were obviously a bit unnatural, and they even looked at Ji Lianying secretly!

After smelling it, David seemed to understand something in his heart, and then a burst of spiritual power entered the body of the old man of the Ji family, and then used his finger as a needle to tap the old man of the Ji family a few times!

After doing all this, David stood up slowly and said: "Master Ji, your old man does have a stubborn disease, but it is not enough to kill him so quickly. The reason why he became so weak is entirely because someone drugged him."

"I have temporarily blocked his lifeline, so he will be fine in the next few days. I will write a prescription and you can just take the medicine according to the prescription." "

What? Someone gave him medicine?" Ji Lianjun was startled and asked immediately: " Who gave the medicine?"

David raised the porcelain bottle in his hand: "The medicine God takes every day contains frost honey flower. Although this flower is also a kind of fairy medicine, it cannot be taken for a long time. If it is taken for a long time, the old man's The body will become weaker and weaker."

"Damn it, I asked you why grandpa's disease is getting worse with treatment. It turns out that's the reason." After

hearing this, Ji Cheng suddenly cursed!

Being able to make Ji Cheng use foul language shows that he is really angry!

After hearing this, Ji Lianjun frowned and looked at the three pharmacists coldly.

Feeling Ji Lianjun's cold eyes, the three pharmacists trembled with fear!

"Master Ji, don't listen to this kid's nonsense. How old is he? What does he know? There is absolutely nothing wrong with the medicine we gave the old man."

A pharmacist assured Ji Lianjun!

"If you have any questions, it doesn't count if I say it, and it doesn't matter if you say it. I think there must be a pharmacist association in the yellow and

blue city. As long as you go to the pharmacist association and ask, you will know whether I am talking nonsense." Chen

Ping Said lightly!

When Ji Lianjun heard this, he immediately said to Ji Cheng: "Cheng'er, go and ask right away..."

But just as Ji Cheng was about to leave, the pharmacist immediately said: "We are going to treat the old man and refine the medicine." This elixir is also for the good of the old man, but we don't know that this frost honey flower cannot be taken for a long time."

Listening to the pharmacist's explanation, Ji Lianjun almost died of anger!

"Don't know?" David raised the corner of his mouth: "This is common sense. Even the pharmacists who have just started know it. Seeing that the three of you are quite old, don't you three know it?" David's words

, The three pharmacists were left speechless!
