Chapter 3526

The middle-aged man glanced at Jin Dong coldly, and then snorted coldly. An inaudible breath came quietly, making Jin Dong fall to his knees with a pop!

“Ignorant child, you dare to talk to me like this. If it had been before, you would have turned into a pile of blood by now.”

The middle-aged man snorted coldly!

When Luo Shouhai saw this, his expression instantly turned ugly, his body trembled slightly, and a breath rose up, directly following the middle-aged man to compete with him!

“This is Blood Spirit Valley, not a place for you to run wild. If you find someone, just talk to me. If you want to take action, I can accompany you!

” said!

The middle-aged man saw Luo Shouhai’s murderous look, but he was not afraid at all. Instead, he raised the corners of his mouth slightly, “There are really no tigers in the mountains, and the monkey is the king...”

After saying this, the aura on the middle-aged man’s body instantly The skyrocketed and Luo Shouhai flew backwards!

“Bold...”

Seeing this, the Demon Mountain Ghost Elder slapped the middle-aged man with his palm!

He felt that this guy was really too crazy and he must be taught a lesson!

Seeing the Devil Mountain Ghost Lao slap him with his palm, the middle-aged man casually punched it out!

A flash of white light flashed, and the huge aura was like a cannonball, which violently collided with the palm of the Demon Mountain Ghost Old Man!

Devil Mountain Ghost Elder also flew backwards and took dozens of steps back before he regained his balance!

“That’s right. Just after crossing the seventh level of the Tribulation Realm, I encountered the Demon Tribulation Cloud and managed to carry it over.”

The middle-aged man looked at the Demon Mountain Ghost Elder with admiration and said!

Mo Shan Gui Lao’s face was full of shock, and he opened his mouth and said, “Who are you? Why do you know the Holy Light Fist?”

In the eyes of Mo Shan Gui Lao and the others, this kind of person is full of the aura of the beast race, and he is obviously the beast race. , how come you know the Holy Light Fist of Feng Mo lineage again?

This is simply impossible. You must know that the old devil himselfNone of them knew how to use the Holy Light Fist. The Holy Light Fist was Feng Mo’s unique skill. How could he teach it to others at will?

The only Holy Light Fist that Demon Mountain Ghost Elder had ever seen was used by David. Could it be that this beast tribe was also taught by Feng Mo himself?

“You don’t have to worry about why I know Holy Light Fist, you just need to call out David.”

The middle-aged man said calmly!

“Mr. Chen is indeed not here. If you have something urgent to do with him, you can wait in the Blood Spirit Valley for a while. He should be back soon.”

Old Devil Mountain Ghost stepped forward, his attitude became much more respectful!

Let’s not talk about how this middle-aged man learned the Holy Light Fist. Since he knows the Holy Light Fist, it proves that he is connected to their Feng Mo lineage!

Since there is a connection, Demon Mountain Ghost Elder must be polite and respectful. Demon Mountain Ghost Elder knows very well the status of people who can master the Holy Light Fist in their Wind Demon lineage!

Seeing that the attitude of the old Demon Mountain Ghost became respectful, and that David was indeed not in the Blood Spirit Valley, the middle-aged man nodded and said, "Okay, I will wait for him to come back in the Blood Spirit Valley for the time being..."

After saying that, the middle-aged man walked straight away. Entering the Blood Spirit Valley, when the middle-aged man passed by Jin Dong, Jin Dong looked at him carefully, then his eyes widened and he said, "Oh, I remembered, I know who you are..."

Jin Dong Having said this, Devil Shan Guilao and Luo Shouhai all looked towards Jin Dong!

"He is the big man who set up a stall in Xuanyin Sect. Mr. Chen also bought something from him, which seemed to be a clock carved from jade."

Jin Dong said in a sudden realization!

When Moshan Guilao and Luo Shouhai heard this, they were speechless. What kind of knowledge does this have? They just know that they have set up a street stall, but so what?

They are strong, and if they really want to enter the Blood Spirit Valley, no one can stop them!

"You went to Mr. Chen, did you regret it and want to take the things back?"

Jin Dong asked the middle-aged man!

But the middle-aged man raised his lips and walked directly into the Blood Spirit Valley without saying anything!

Chapter 3527

“This little consonant beast is so cute...”

On the way back to Blood Spirit Valley, Huofeng hugged the little consonant beast and couldn't put it down!

Perhaps because they are both members of the beast clan, the little contortion beast also loves the fire phoenix very much and keeps acting coquettishly in the fire phoenix's arms!

“The Blood Spirit Valley is ahead. If I had known it, I would have been Ji Yun's flying boat. I'm so tired from traveling...”

David was speechless for a while. Traveling back and forth consumes a lot of spiritual energy!

But just as David finished speaking, the little consonant beast, which was originally very docile, suddenly screamed in Huofeng's arms, and then jumped to the ground!

There was a bit of anger and panic in the little consonant's eyes, and it kept wagging its tail in one direction! Seeing

the strange behavior of the little consonant beast, David and the others quickly stopped.

“What's wrong with this rhinoceros beast?”

Bai Qian asked!

“I don't know either. Suddenly it became like this...”

Huo Feng was also confused, not knowing what was going on!

The rhinoceros beast bared its teeth and made an attack motion!

Upon seeing this, David dispersed his consciousness and quickly caught someone coming towards them!

After David dispersed his consciousness, he was immediately captured by the other party!

“Master, someone is using spiritual consciousness to detect...”

The man in black looked at Song Tianhai beside him and said!

“I already know, but the opponent’s realm is not strong, so don’t be afraid!”

Song Tianhai looked indifferent. The opponent’s consciousness was not strong, so he was not afraid at all and walked straight forward!

At this moment, David frowned slightly, “Someone is coming, it should be someone from the Soulless Palace!”

“What should we do?”

Huofeng hurriedly picked up the little spirit beast, fearing that the people from the Soulless Palace would snatch it away. Got it!

“Let’s go quickly. As long as we return to the Blood Spirit Valley, we will be fine!”

David knew that he was not following the Soulless Palace now. When encountering people, if a fight breaks out, it will probably delay time. You must know that the longer the delay, the weaker the remaining aura in the Blood Spirit Valley will be!

If even the spirit beasts can’t detect their aura by then, I’m afraid they will never know who committed the Blood Spirit Valley tragedy!

But just when David and the others wanted to avoid it, Song Tianhai and the others from the Soulless Palace had already arrived!

When they saw David, Song Tianhai’s two disciples were all stunned!

“Master, this...this is David...”

the man in black pointed at David and said!

Song Tianhai didn’t expect that he would meet David here!

Seeing that there was no way to hide, David took out the Dragon-Slaying Sword, and then told Huofeng, “If there is a fight later, you take the Spirit Beast and return to the Blood Spirit Valley quickly. I will follow Bai Qian to block it for the time being.” Stay.”

Huo Feng nodded, knowing that she wouldn't be able to help much by staying. The most important thing is that the Spirit Rhinoceros Beast cannot fall into the hands of the Soulless Palace!

“It seems that you didn't listen at all to what I told you. You are still working hard for the Demon Sealing Alliance to hunt me down...”

David's eyes were filled with murderous intent, and his indestructible golden body instantly covered his whole body. !

Bai Qian also assumed an offensive stance, and the aura of the seventh-level Tribulation Realm on his body exploded without concealment!

David and Bai Qian knew that they had to work hard. Only in this way could Huofeng get a chance to escape with the Rhinoceros Beast!

The brother and sister felt the killing intent in David, and for a moment they didn't know what to say!

After all, David had just let them both go.

The brother and sister looked at Song Tianhai at the same time. Now they could only wait for Song Tianhai to issue orders. In fact, in the hearts of the two brothers, neither brother nor sister wanted to work hard for the Demon Sealing Alliance!

Song Tianhai frowned, and he didn't know what to do for a moment.

If you don't work hard for the Demon-Sealing Alliance, you must know that the living space of the demons is very limited now, and the Demon-Sealing Alliance has branches in the entire heaven and human world, and they may not have a place in the Soulless Palace at all!

Chapter 3528

But working hard for the Demon Sealing Alliance, the Soulless Palace has no hope at all. Although their realm has been growing in practice, their real

strength is very weak. After all, the resources of the Soulless Palace need to be rewarded by the Demon Sealing Alliance!

What's more, David now has Bai Qian, a seventh-level monk in the Tribulation Realm beside David. Song Tianhai is not sure that he can kill David!

"Master, let's stop working for the Demon Sealing Alliance. They don't regard us as human beings at all. In the Tianmo Mountain area, the three races are relatively harmonious. We might as well stay here and develop." The

man in black broke the silence and spoke . road.

"Master, let's break away from the Demon-Sealing Alliance. The Demon-Sealing Alliance uses the slogan of eliminating demons and defending the way to enslave us demons. We can no longer be enslaved, we must resist. , and also let the world know that we demons are not all heinous people, and the demon alliance is not a good thing either."

The woman in black also said!

Song Tianhai still didn't speak, his face was gloomy and uncertain, he still couldn't make up his mind!

David saw that Song Tianhai was silent, so he took a step forward and said, "The war between gods and demons back then caused constant disputes in the world of heaven and humans, and the people were in dire straits. As a result, everyone in the demon clan started to fight." "

Actually, this is a conspiracy. I know you guys Not all demons are treacherous and evil people, don't you want to live an upright life?"

Song Tianhai glanced at David, but still couldn't make up his mind, and said helplessly, "Leaving the Demon Sealing Alliance is easy to say. , but it is not that easy to do. The Demon Sealing Alliance can spread all over the heaven and human world, making many demons hide everywhere like bereaved dogs. It cannot be achieved overnight." "

You know that the entire Demon Sealing Alliance has almost united the heaven and human world. There are many sects and families in the Five Domains, and they are all very powerful. They all have interests among themselves and use the slogan of eradicating the demons to seek personal gain for themselves." "

If I leave the Demon Sealing Alliance now, even if I am in In this Demonic Mountain, I believe there will never be a place for us in the Soulless Palace.”

Seeing Song Tianhai like that, Chen PingHe also fell silent. The power of the Demon-Sealing Alliance was too great for a small soulless palace to contend with!

“You go, just pretend we haven’t touched each other!”

After Song Tianhai hesitated for a moment, he waved his hand to let David and the others leave!

Song Tianhai knew that they wouldn’t be able to gain any advantage in a fight!

“Then what should you do?” David asked!

“I still have three days. In these three days, we can run as far as we can…”

Song Tianhai forgot about the endless Tianmo Mountain Range. “If it doesn’t work, I will take them to the top of the most dangerous mountain range.” , maybe there can be a place there!”

David looked at Song Tianhai, and then asked, “Do you believe me?”

Song Tianhai was stunned and didn’t understand what David meant!

“If you believe me, I can take you to a place. I don’t think the Demon-Sealing Alliance will find you for the time being.” “

And you must also unite with other demons to jointly resist the Demon-Sealing Alliance. Only in this way can the Demon-Sealing Alliance be defeated.” The Demon Sealing Alliance has restrained itself.”

David said to Song Tianhai!

Song Tianhai looked at David, but didn’t know how to answer for a while. After all, he was following David and didn’t know him, so he couldn’t easily trust a stranger!

“Master, I believe in David. I don’t think he will harm us.”

The man in black said!

“Yes, if he wanted to kill us, he wouldn’t have let us go. Wouldn’t it be better to kill us with one sword when we were in the Spirit Beast Valley?” “

We’d better go with him to see, maybe there’s something there What a great place.”

The woman in black also said!

They have always been grateful to David for not killing him!

Song Tianhai saw that his two disciples all said this, and finally nodded in agreement!

David took the people from Soulless Palace and rushed to Blood Spirit Valley!

Chapter 3529

When David arrived at the Blood Spirit Valley, Jin Dong was already waiting for David at the entrance of the valley!

Seeing that David actually brought a lot of people, Jin Dong hurriedly stepped forward and said, “Mr. Chen, these people are...” “

These are all from the Soulless Palace. They were brought here when we met on the way. What are you doing at the mouth of the valley?” What?”

David didn’t understand what Jin Dong was doing at the mouth of the valley, as if he was waiting for someone!

“Mr. Chen, I’m here to wait for you.”

After Jin Dong finished speaking, he leaned close to David’s ear and whispered, “Mr. Chen, the person who sold your watch is here, and he looks very capable. He is very strong and insists on seeing you. He may have returned and wants to take back the clock...”

Jin Dong thought that the middle-aged man was here to take back the clock, so he kept waiting for David at the mouth of the valley and planned to tell David in advance. , let David be mentally prepared!

But when David heard this, he immediately became happy, “Where is that man now?”

“Right inside, Mr. Gui and my master are waiting on him, he’s very arrogant...”

Jin Dong said!

David was not taking care of Jin Dong, but ran directly into the Blood Spirit Valley!

At this time, the middle-aged man was sitting on a recliner, with Devil Shan Guilao and Luo Shouhai standing aside!

Luo Shouhai’s face looked a little unhappy, but Devil Mountain Ghost Elder was respectful!

Seeing David coming back, the two people rushed to greet him!

“Mr. Chen, you are back...”

Luo Shouhai and Devil Mountain Ghost Lao said!

When the middle-aged man heard that David was back, he stood up immediately!

David ignored Luo Shouhai and Mo Shan Gui Lao, but walked straight to the middle-aged man and said respectfully, “Senior Feng Mo, I’m really sorry to keep you waiting for so long...”

David’s words made Luo Shouhai and Mo Shan The old mountain ghosts were all stunned on the spot, their faces full of disbelief!

Even Feng Mo himself was slightly startled, then smiled and said, “How did you recognize me?”

You must know that when he sold the watch to David, David did not recognize him, but now he shouted He killed himself, which made Feng Mo also a little confused!

David is embarrassedHe smiled and said, “I met Senior Yin Mo. He saw the clock and guessed your identity...” “

Hahaha, it turns out to be this old guy. I said you can't understand my time method in such a short time. Where's the weapon?"

Feng Mo laughed, admitting his identity!

At this moment, Luo Shouhai and Demon Mountain Ghost Elder were both confused. They couldn't believe that the middle-aged man in front of them, who was full of beastly aura, was actually Feng Mo?

"Senior Feng Mo, what's going on with you? Why do you have the aura of the beast race in your body?"

David was also surprised, so he asked!

"Hey, it's a long story. When you released me from the Demon Suppression Tower, my remnant soul escaped back to the world of heaven and humans. However, I couldn't find a place to rest and couldn't reshape my body. In the end, I just I can possess an orc monk."

"If the remaining soul is exposed for a long time, it is very likely that the soul will fly away, and then I will really disappear forever!"

Feng Mo explained!

After listening to Feng Mo's explanation, David realized that this body belonged to an orc monk. No wonder he had the aura of the orc in him!

"Ancestor, this disciple deserves to die. He actually attacked the ancestor and asked him to punish him..."

The Demon Mountain Ghost Old Man knelt down in front of Feng Mo with a thud!

Now he has no doubt about Feng Mo's identity. After all, Feng Mo just used Holy Light Fist!

"Get up, he who doesn't know is not guilty!"

Feng Mo waved his hand and said!

Devil Mountain Ghost stood up with excitement on his face, his body trembling slightly with excitement!

“Senior Feng Mo, I wonder why you are looking for me?”

David was curious as to why Feng Mo came here to look for him!

“Of course I’m looking for you to ask for your help. I’ve been using other people’s bodies, and there’s no way to improve my strength. This body can’t bear it.” “

So I need to reshape my body, but To reshape my body, I need the Heavenly Demon Stone. I want you to find the Heavenly Demon Stone for me so that I can rebuild my physical body.”

Feng Mo said!

Chapter 3530

“Senior Feng Mo, it is very difficult to reshape the body, and your strength will be greatly reduced in the early stage. Senior Yin Mo is also reshaping the body. He has the support of the Valley of the Dead, and his current strength is not very strong.”

“At least you are now. When possessed by others, the strength is quite good...”

David said to Feng Mo!

“You don’t understand. Possessing someone else’s body will limit your strength. If I can reshape my physical body, although it will be difficult at the beginning, it will get better and better in the future. When my physical body is successfully rebuilt, I will be able to return to the body. The peak is like living again.”

“Besides, I’ve been fed up with this bastard for a long time. My own body is better looking. This bastard has a hairy face and it’s hard to pick up girls!”

Feng Mo said helplessly!

Phew...

David couldn't help it and burst out laughing. He didn't expect that Feng Mo could say such a thing!

"Senior Feng Mo, where is the Heavenly Demon Stone?"

David still doesn't know where the Heavenly Demon Stone is, and he can't help Feng Mo find it!

"Mr. Chen, I know that the Heavenly Demon Stone is on the top of the Heavenly Demon Mountain Range, and this kind of stone can be encountered but cannot be found."

said the Demon Mountain Ghost Elder!

When David heard this, he was speechless. Where could he find something like this that could only be encountered but not sought?

"You don't have to worry, just pay attention to the magic stone."

"Come here, I will tell you a few words. As for whether you can penetrate the time magic weapon, it depends on your own understanding."

Feng Mo waved to David !

David came closer, and Feng Mo whispered something in David's ear!

After finishing speaking, Feng Mo patted David on the shoulder and said, "I believe you can understand..."

"Senior Feng Mo, can this time magic weapon reverse time, bring people back to life, or even turn back time?"

r> David asked curiously!

"What are you thinking about?"

Feng Mo was stunned. "Even Daluo Jinxian doesn't have the ability to turn back time. Do you know that time controls thousands of worlds? Do you want to turn back time?" "

This time method Once the device is used, you can suspend a specific time in a specific area, or you can go back in time, but it is not going back in time, but taking your consciousness back to what happened before." "

That is, you can see , I heard it, but I couldn't do anything. After all, it was just your consciousness that was brought there. If I want to bring your physical body back to the past, this magic weapon can't do it." "

But the magic weapons in the hands of those true immortals can't be done. I don't know if it can be done..."

After listening to Feng Mo's explanation, David had a preliminary understanding of clocks, and he also knew the formula. Now he has to figure it out on his own!

"Thank you, Senior Feng Mo, for your guidance."

David said very gratefully!

"Haha, I should thank you. If you hadn't released me from the Demon Suppression Tower, I would still be suppressed now." "Originally, I

thought it would take a long time to see you in the Demon Mountain in the Heavenly Realm. Time, but I didn't expect that your boy's strength has improved so quickly. Now he is only at the first level of the Tribulation Realm. I'm afraid you won't even pay attention to the fifth level monks of the Tribulation Realm?"

Feng Mo laughed and said!

"This is all thanks to Senior Feng Mo's Holy Light Fist..."

David flattered Feng Mo!

"Okay, please stop flattering me. None of you are allowed to reveal my current identity."

"I can only walk as an orc now. When you find Tianmo Mountain, remember to contact me. I have a sound transmission jade slip here. I will give you one to facilitate our contact."

"You must cherish it. This sound transmission jade slip cost me a lot of spiritual coins..."

Feng Mo gave David a sound transmission jade slip. Yin Yujian said!
