Chapter 3651

David's eyes gradually lost their luster, and his whole body began to be controlled by the old man!

Seeing that David's sea of consciousness was about to be occupied by the old man, there was a sudden explosion!

A bright light burst out from David's sea of consciousness, instantly defeating the old man's light blue aura!

The old man was overwhelmed by the light, his eyes full of fear!

"This...what is this?"

The old man looked at the light in front of him in shock! When

the light slowly faded, the old man discovered that there was a book among David's books. There were four large gilt characters in the book called Da Luo Jin Dian!

"This...how is this possible? How come there is a heavenly book in your sea of consciousness?"

The old man suddenly panicked!

Although he has lost his memory, he is extremely familiar with the light emanating from Daluo Golden Code. It is a power that only exists in the heaven!

David saw that the old man was afraid of the Daluo Golden Code, so he controlled his consciousness to slowly open the Daluo Golden Code!

As the Great Luo Golden Code was opened, rays of light shone towards the old man!

The old man exclaimed, and then the power in his body disappeared instantly, and his whole person curled up into a ball!

“Don’t kill me, don’t kill me, I won’t dare to snatch your body anymore...”

The old man began to beg for mercy!

This remnant of his soul has struggled to survive for thousands of years, just so that one day he can see the light of day again!

But I didn’t expect that today I finally encountered a body that could carry me, but I encountered a problem!

He never imagined that there would be a heavenly book in the sea of consciousness of a young monk in the Tribulation Realm!

When David saw the old man like that, he closed the Daluo Golden Code. The golden light disappeared, and the old man let out a long sigh!

“Who are you? Why is there a heavenly book in your consciousness?”

the old man asked incredulously!

“You don’t even know who I am and you dare to snatch my body. Are you a little reckless?”

David said!

“It’s indeed a bit reckless. If you don’t go through the calamity realm, it’s unreasonable for a monk to have such a powerful body. It’s a pity that I have lost most of my memory, otherwise I would definitely know who you are. “

I’m in trouble today, but thank you for your kindness in not killing me. I will definitely repay you when I can see the light of day again...” After the old man

finished speaking, he was about to leave David’s sea of consciousness!

But as soon as the old man thought, David Ping’s sea of consciousness once again erupted with golden light!

This light directly blocked the old man’s remnant soul, making it impossible for him to leave!

“You... what are you going to do? “

The old man asked in panic!

“Don’t you want to leave this broken cave? I can take you out to see the outside world, but you can only stay in my sea of consciousness. “

Maybe I have a way to help you recover your memory. When you recover your memory, you have to do something for me before I can let you go!” “

David has no intention of letting the old man leave. After all, this guy came from the heaven. Although he has lost his memory, he knows some things that people in the heaven and human world can definitely not know!

“You really take me away? “

The old man asked in surprise!

“Of course, I am different from you. I am a guy who doesn’t keep his word! “

David said coldly!

This made the old man look so ashamed that he stopped making a sound!

“Mr. Chen, Mr. Chen...”

Suddenly, Zhe Yan’s voice sounded in David’s ears!

David said! Ping was in a trance for a while, and then he saw Zhe Yan beside him, and there were still the exercises carved on the stone wall!

Zheng Jian and Jiang Yulian used the stones in the cave to build piles for their dead brothers. Grave!

Even in the cave, they don’t want their senior brothers to be exposed here!

David looked at the cave’s restored appearance, frowned slightly and said, “Zhe Yan, did I leave this cave just now?” “

No, Mr. Chen has been standing here motionless. I felt a little strange, so I shouted twice!” “

Zhe Yan said!

Chapter 3652

“Is it all an illusion?”

David frowned, and then his consciousness instantly sank into the sea of consciousness!

When he saw the old man, he realized that it was not an illusion at all.

“Mr. Chen, what do you mean by hallucination? I just practiced the exercises on the stone wall. I feel that these exercises are very special. Some places don't seem to make sense at all. I wonder if Mr. Chen can explain it to me?”

Zhe Yan asked David for advice!

“Take these skills first and I'll tell you about them later!”

David asked Zhe Yan to rub the skills on the stone wall!

Then he looked at Jiang Yulian and Zheng Jian, who were piling up graves for their senior brothers, and said to them, “People cannot be resurrected after death. Since they are already dead, there is no use even piling up graves. It is better to burn them.” , to prevent the body from becoming food for wild beasts!”

After hearing David's words, Zheng Jian and Jiang Yulian both stopped!

If all the dozens of Soul Demon Sect disciples piled stones tombs, it would take a long time! The

two of them did not speak, while David fired a burst of fire and set the corpses of the disciples of the Soul Demon Sect on fire!

Even Ning Caichen's body was burned by David. Rather than rotting a little bit, it would be better to have a fire!

After doing all this, Zhe Yan also imprinted the skills around the stone wall!

David took them out of the Demon Swallowing Cave!

But just when David and the others stepped out of the Demon Swallowing Cave, the entire Demon Swallowing Cave suddenly collapsed!

In an instant, the Demon Swallowing Cave was submerged and disappeared without a trace!

Looking at the collapsed Demon Swallowing Cave, Jiang Yulian and the others were all confused!

“Mr. Chen, did you find anything in the Demon Swallowing Cave? Apart from the exercises on the stone wall, there seems to be no treasures.”

Zhe Yan asked David!

“It’s a worthwhile trip...”

David smiled slightly. He got the old man’s remnant soul, which is better than any other treasure!

If the old man could be restoredMemory, that’s even better!

David took Zhe Yan and the others back to the Soul Demon Sect. Along the way, Jiang Yulian followed Zhe Yan and kissed each other, making Zheng Jian anxious and angry!

Returning to the Soul Demon Sect, David immediately found Sect Master Jiang. He hoped that Sect Master Jiang could help the old man regain his memory!

The other thing is to see if Sect Leader Jiang can remove the shackles on the old man’s remnant soul!

After all, Sect Leader Jiang’s research on souls is much higher than David!

“Mr. Chen, I heard that you gained a lot from your trip to the Demon Swallowing Cave?”

Sect Leader Jiang looked at David and asked!

“There is nothing to gain. There are only a few techniques on the stone wall, which are meaningless to me!”

David smiled lightly. His own Heart Condensation Technique is stronger than any other technique, so for the Demon Swallowing Cave David doesn't like his skills at all!

However, David changed the subject and said, "Although I didn't get any treasure, the trip was worth it..."

Looking at David's smile, Sect Leader Jiang also smiled slightly and said, "Mr. Chen, are you saying that you know the sea?" That remnant soul that suddenly appeared in the middle?"

David was stunned and looked at Sect Leader Jiang in surprise!

He didn't follow Sect Leader Jiang to talk about the remnant soul, but he didn't expect to be seen through!

Sure enough, Sect Leader Jiang's research on souls has reached the ultimate level!

David smiled awkwardly and said, "Sect Master Jiang, to tell you the truth, I did rescue a remnant soul in the Demon-Swallowing Cave, and it is now in my sea of consciousness." "

Mr. Chen, the Demon-Swallowing Cave is so powerful, it must be The remnant soul inside is by no means an ordinary person, I wonder which demon lord's remnant soul it is?"

Seeing David's admission, Sect Master Jiang asked curiously!

"I don't know either. This remnant soul has lost its memory and doesn't even know who it is. So I want to ask Sect Master Jiang to see if I can help this remnant soul recover its memory." "

As long as the memory is restored, maybe we can From the mouth of this remnant soul, I learned many things that I have never heard before."

David wanted Sect Master Jiang to restore the memory of the old man's remnant soul.

Chapter 3653

“I’ll give it a try, but I’ve never helped a soul recover its memory, so I’m not completely sure!”

Sect Master Jiang couldn’t guarantee it, after all, he had never done this before!

“Okay, thank you so much, Sect Master Jiang!”

David nodded!

Since he wanted to help the old man restore his memory, David temporarily stayed in the Soul Demon Sect!

Zhe Yan is also in the Soul Demon Sect, following Jiang Yulian and kissing me!

This made Zheng Jian’s anger grow stronger and stronger!

After David stayed in the Soul Demon Sect for three days, Sect Master Jiang found David and then took David into an underground secret room! In

this secret room, four incense burners are emitting green smoke, and the whole room is filled with this green smoke!

Although the green smoke filled the entire room, David did not feel choked. On the contrary, the green smoke had a light fragrance and smelled very comfortable!

“Mr. Chen, let the remaining soul out of your body, and I’ll see if I can help him recover his memory!”

Sect Master Jiang said to David!

“Do you still need to let it out?”

David was stunned!

This old man’s remnant soul has always wanted to leave in David’s sea of consciousness. Since he can’t control David, he doesn’t want to stay in David’s sea of consciousness and become David’s puppet!

It's just that there is Daluo Jindian in David's sea of consciousness, which makes it impossible for the residual soul to escape!

Now if the remnant soul is released directly and it doesn't return to David's body, wouldn't David's work be in vain?

Sect Leader Jiang saw David's concerns, so he said, "Mr. Chen, the soul is extremely mysterious. If it is in your body, I can't operate it. But don't worry, even if the remnant soul leaves your body, he can't leave it." Here."

"What is burned in these four incense burners is soul pollen. It has been collected for thousands of years to obtain these. The residual soul is edified by the soul pollen and may be able to restore some memories." "

If you leave this room, the remaining soul will dissipate quickly, so Mr. Chen can rest assured..."

Hearing what Sect Leader Jiang said, David felt a little more relieved!

"Boy, since I agreed to live in your body, I won't run away. If you really help me recover my memory, I will also give you a great opportunity."

The old man's remnant soul said in David's sea of consciousness!

"Okay, you just heard it, don't think about escaping from here, otherwise your remnant soul will dissipate and you will truly disappear forever."

David said to the old man!

"Don't worry, although I have lost my memory, I am not stupid..."

The old man couldn't wait any longer!

He also wanted to regain his memory quickly so he could understand why he was trapped in a broken cave!

David let go of his consciousness and let the old man's remnant soul escape from his body!

Seeing the remnant soul appearing, Sect Master Jiang was stunned for a moment, his face full of disbelief!

“This... why does this remnant soul still have shackles on it? Are there any shackles that trap the soul in this world?”

Sect Leader Jiang was very puzzled. After all, the soul is a spiritual body. Apart from special formations, there is no way Trapped!

“Sect Leader Jiang, can you unlock this shackles for him first?”

David asked!

“Let me give it a try. I have never encountered a person whose remaining soul is bound by shackles.” “

It seems that the other party wants to prevent him from resurrecting forever, and also makes him suffer all kinds of torture. What is it like? His deep hatred will put his soul in chains?”

Sect Master Jiang said with emotion!

“When I recover my memory and know who tortured me, I will make him repay him a hundred times!”

the old man snorted coldly!

“Even if you recover your memory, it’s just a ray of soul. Since the other party can kill you and put your soul in chains, it proves that he is stronger than you. You should think about how to repay me in the future! “

David couldn’t help but roll his eyes at the old man!

Even though he’s like this, he’s still thinking about revenge.

Chapter 3654

“Don’t worry. Although I have lost my memory, my strength is definitely not comparable to that of your little Tribulation Realm monk. As long as I restore your memory and help you advance to the Mahayana Realm, it won’t be a problem!”

The old man said very confidently!

“What else should I use you for when I advance to the Mahayana realm? What I need is your help in the heaven. When I get to the heaven, you can be my advisor.” If

David only wanted to advance to the Mahayana realm, he would ignore this old man at all. The remaining soul!

As long as he has enough resources, David can definitely be promoted to the Mahayana realm!

“What? You have just passed through the tribulation realm, and you are already thinking about the heaven? Do you really think you can ascend to the heaven?” “

Although I have lost my memory, I also know that monks from the lower world can ascend to the heaven even if they have practiced for thousands of years. There are also very few.”

“Although your body is indeed different and extremely powerful, are you so sure that you can ascend to heaven?”

The old man saw that what David said was a bit big, so he snorted coldly!

“Whether you can ascend or not is not your concern. Don’t forget, you are my prisoner now. If you make me unhappy, I will make your soul fly away and disappear forever...”

David threatened the old man and said!

“You...” Although the old man was dissatisfied, he did not dare to say anything. After all, what David said was true!

Now he is just a remnant soul, and David can make him disappear at any time and disappear forever!

“I’d better remove the shackles of this senior first!”

Sect Master Jiang saw that David was about to quarrel with the old man, so he hurriedly said!

Seeing the looming remnant soul, Sect Master Jiang did not dare to be careless at all. Then he waved his hand, and a large amount of green smoke surrounded the old man's remnant soul!

The old man's figure gradually became apparent, and on his withered face, his two big eyes were particularly bright!

As the green smoke became thicker and thicker, the old man's remnant soul began to struggle violently, and his gradually obvious figure began to become more and more blurry!

"Sect Leader Jiang, what's going on? Don't kill him..."

David saw this and asked quickly!

"Mr. Chen, the shackles on the remnant soul are not real objects, but illusory things. They are trapped in the remnant soul, making it impossible for the remnant soul to break free. Therefore, if you want to remove the shackles, you must directly attack the heart of the remnant soul. Okay!"

Sect Leader Jiang explained to David!

"You mean, these shackles don't exist at all, but are imagined?"

David said with shock on his face!

"Yes, that should be it. Just like a person with hallucinations, he imagines that someone is chasing him, so he falls into an endless escape. Although no one is chasing him in reality, in his world, The pursuit is real."

"I only discovered it through careful observation just now!"

Sect Master Jiang followed David and explained in detail!

David suddenly realized that after all, the remnant soul is a spiritual body, and it is obviously impossible to rely on physical shackles to restrain it!

Just as David and Sect Master Jiang were talking, a green light suddenly flashed in the thick green smoke!

As the green light passed through the old man's remnant soul, the old man let out a series of low roars!

Soon, the shackles on the old man's remnant soul slowly disappeared. As the shackles disappeared, the aura of the old man began to fill the air!

Even if it was just a trace of the remnant soul, the aura on the old man's body horrified David and Sect Master Jiang!

"Which Demon Lord from Heaven is this?"

Sect Leader Jiang said with shock on his face!

After all, it is impossible for a wisp of remnant soul to exude such aura, it is a fallen monk from the heaven and human world!

"Roar..."

Just when David and Jiang Sect Leader were shocked by the aura of the old man's remnant soul, a beast roar suddenly sounded!

Sect Master Jiang was stunned, "Where did that sound come from?" David was also stunned, and before he could react, the sky-swallowing beast actually ran out of the storage ring on its own!

Now only this sky-swallowing beast can enter and leave the storage ring at will without David's mental summons!

Chapter 3655

"This... what kind of monster is this?"

Sect Leader Jiang was shocked when he saw the Sky-Swallowing Beast!

He still doesn't know that it was precisely because of the Sky-Swallowing Beast that he survived the thunder tribulation and extended his life span!

"Sect Leader Jiang, don't be afraid, this is the Sky-Swallowing Beast, it won't hurt you!"

David hurriedly explained, but he was also very curious as to why the Sky-Swallowing Beast suddenly ran out on its own!

He saw the sky-swallowing beast heading towards the old man's remnant soul, which shocked David!

The sky-swallowing beast can swallow all things. If it swallows the old man's remaining soul into its belly, it will be over!

"Little guy, come back, come back..."

David yelled, but the sky-swallowing beast didn't seem to listen to David at all!

After seeing the sky-swallowing beast, the old man's remnant soul was slightly startled, and then he stretched out his hand and stroked the sky-swallowing beast! The

Sky Swallowing Beast lay on the ground obediently and did not attack the old man's remnant soul!

This scene left David stunned!

"It's such a familiar aura, the aura on this monster beast is so familiar..."

the old man murmured to himself!

The Sky-Swallowing Beast stuck out its tongue, preparing to lick the old man, but found that it couldn't lick it at all. The old man was a remnant soul. Although he could see it, he couldn't touch it!

"Mr. Chen, why does your spirit beast seem to be very familiar with this senior?"

Sect Master Jiang also saw that the sky-swallowing beast seemed to be very familiar with the old man, so he asked curiously!

David didn't speak, but stared closely at the Sky-Swallowing Beast and followed the old man!

Suddenly, David seemed to have thought of something, and said with a shocked expression, "Demon Lord Chiyun, are you the Demon Lord Chiyun from the Ninth Level of Heaven?"

“The Sky-Swallowing Beast is your mount, so you feel familiar. Moreover, the Sky-Swallowing Beast is also familiar with your aura, so it ran out of the storage ring after your aura exploded!”

David remembered what happened when he met Lord Huolingxing in the battlefield of gods and demons. Lord Firelingxing said that the Sky-Swallowing Beast was the mount of Demon Lord Chiyun, but he had never found Demon Lord Chiyun. You have been to the Heavenly Demon Realm, how come the beast elixir that swallows the Heavenly Beast appears in the Heavenly Human Realm!

It seems that the Red Cloud Demon Lord was killed by someone, and his remaining soul was suppressed in the Heavenly Demon Mountain. He is trapped in the cave. He must be riding a horse. The Sky-Swallowing Beast must have died!

The Sky-Swallowing Beast egg that David got must have been an egg laid before the Sky-Swallowing Beast died. By chance, David got it

! Obviously, the Red Cloud Demon Lord was suppressed under the Heavenly Demon Mountain, probably before the war between gods and demons.

From this point of view, the legend of the Heavenly Demon Mountain should be true. This Red Cloud Demon Lord should be the one who was suppressed under the Heavenly Demon Mountain in the legend. Big devil!

As for the level of strength of the Red Cloud Demon Lord, David doesn't know, and the Fire Spirit Star Lord has never told him!

But living in the ninth level of the heaven, his strength will definitely not be too weak!

” Demon Lord Chiyun? Mr. Chen, what kind of devil is this? I have never heard of it...”

Sect Leader Jiang asked very curiously!

And the old man himself also looked confused. “You said I am Demon Lord Red Cloud, living in the ninth level of heaven? How did you know? “

The old man couldn't remember who he was at all, and when he heard the name of Demon Lord Chiyun, he was also very unfamiliar!

“When I was on the battlefield of gods and demons, I heard what a person named Lord Fire Lingxing said, The Sky-Swallowing Beast is your mount, and now that the Sky-Swallowing Beast is so close to you, you should be the Red Cloud Demon Lord! “

David told the old man what he had heard!

The old man thought for a moment, but still couldn't seem to remember anything, so he shook his head and said, “I don't know who the Fire Star Lord is, and I don't know myself either. who is it! “

After saying that, the aura on the old man's body gradually subsided, and after the Sky-Swallowing Beast circled around the old man's remnant soul, he quickly returned to David's storage ring!
