Chapter 3846

At this moment, Mu Yao and others had already caught up, and then a stream of flames attacked David desperately!

David used fire control steps to dodge quickly!

“You all, please be careful and don’t break the statue. That kid has a statue in his hand. If the statue is broken, it’s useless!”

Mu Nayi yelled!

When Mu Yao heard this, he quickly told everyone to stop. Anyone who was chasing David desperately wanted to stop David!

Mu Nayi’s figure is also moving quickly!

Whoosh!

Suddenly, David felt a breath coming from behind him.

David didn’t even look, he flashed his body, and then he slapped his palm backwards!

stream of flames formed a wall behind David, temporarily blocking Mu Yao and others!

But at the same time that David took the shot, several figures appeared in front of him at the same time!

It was Mu Yao who brought several members of the Mu family!

Several people did not attack David, but attacked at the same time, heading straight for the statue in David’s hand!

When David saw this, he fell instantly and hit the ground heavily!

The ground suddenly collapsed, forming a deep pit, and a large amount of breath continued to rise into the sky!

David's body was rushed by this breath!

“Such a rich fairy energy...”

David couldn't help but look down and saw the fairy energy flowing in the deep pit, showing a purple-brown color. This was the first time David had seen such a color of fairy energy!

Immortal Qi is like spiritual energy, it is colorless and odorless, but the Immortal Qi here has color, it should be caused by being too strong!

These immortal energy condensed into a liquid state, looking like a pool of water!

“Could it be that the immortal energy in the mansion flows from here?”

David's eyes were full of shock!

“This should be the immortal energy pool of Wuji Holy Sect. For a sect as big as Wuji Holy Sect, disciples need a lot of immortal energy to practice.”

“And in this land of chaos, there is no immortal energy at all and no cultivation resources are available, so the Wuji Holy Sect should have built this immortal energy pool before coming to this place.”

“And this immortal energy pool is still hidden. , Hidden underground, so it was not discovered.”

“It seems that the immortal energy pool was damaged over the years, so the immortal energy leaked into the mansion!”

Demon Lord Chiyun analyzed it to David ! !

When David heard this, his heart skipped a beat!

A pool of immortal energy from the Wuji Holy Sect, how terrifying must it be? How much immortal energy is stored in it?

Moreover, all the fairy energy has been liquefied, which proves that the fairy energy has reached a certain level of richness!

If David hadn't quickly smashed the statue to the ground in order to avoid Mu Yao and others snatching it, the immortal energy pool might not have been exposed!

David's body fell again, and with a pop, he fell into the immortal energy pool!

Mu Naiyi, Mu Yao and others who came over looked at the purple-brown immortal energy pool and were a little overwhelmed for a moment!

"What is this? Why did a water pool suddenly appear?"

Mu Naiyi didn't know that these flowing immortal energy were thought to be a water pool!

"Miss, it doesn't look like a pool, it looks like some kind of spiritual energy..."

Mu Yao felt the breath rising into the sky.

Suddenly, Mu Yao's eyes widened and he said, "Miss, this... could this be fairy energy?"

"Fairy energy?"

Mu Naiyi was stunned!

"Yes, this Wuji Holy Sect should be a celestial sect. There are immortals here, so they will definitely use immortal energy in their cultivation."

"Could this place be the resource holy land of Wuji Holy Sect, the holy pool where immortal energy is stored?"

Mu Yao analyzed!

He doesn't understand immortal energy, nor has he experienced immortal energy, so he is just guessing!

"Send someone down to test it out!"

Mu Naiyi finished speaking, then looked at a Mu family member and said, "Go and test it out..."

Chapter 3847

“Miss, I don’t know anything about immortality!”

said the Mu family!

At this moment, the Mu family has long scolded their mothers for choosing themselves in every adventure!

“You don’t need to understand, just go down and test whether there is any danger.”

Mu Nayi said!

Then the Mu family had no choice but to cautiously jump up and then fall towards the immortal energy pool!

But as soon as he came into contact with the pool of immortal energy, a fierce aura hit the Dantian of the Mu family!

Bang!

In just a moment, the Mu family exploded and died!

Seeing this scene, Mu Naiyi and Mu Yao were both shocked!

“What...what’s going on?”

Mu Naiyi asked in confusion!

This has touched upon her blind spot of knowledge!

Mu Yao was also confused. He just guessed that these were immortal energy.

Now, as soon as he got down, the person exploded and died, which made Mu Yao not dare to talk nonsense anymore!

“Why did that boy David fall into it and nothing happened?”

Mu Yao was very puzzled!

Several people were standing by, and no one could explain it clearly!

“Miss, there’s no way we can keep going like this.”

Mu Yao frowned and said!

“Then what should we do? What if that guy David comes out as soon as we leave?”

Mu Nayi said!

“Miss, I don’t think we all need to stay here. I will lead people to stay here, and you can go to other places.”

“If you encounter the saints of Guanghan Palace, arrest them directly. I don’t think Chen “Ping is very concerned about these saints.”

“When the time comes, we can use these saints as bargaining chips to blackmail David into showing up and handing over the statue!”

Mu Yao gave Mu Nai Yi an idea!

Mu Naiyi thought for a while, then nodded and said, “Okay, that’s it. You must keep an eye on it. As soon as David shows up, you will notify me immediately.”

“Yeah.! “Mu Yao nodded!

Mu Nayi left, leaving only Mu Yao and his people waiting here!

At this moment, David was falling downwards in the pool of immortal energy!

Finally, David sank directly into the pool. The bottom of the immortal energy pool!

His body was wrapped in a large amount of immortal energy, and every pore of David was greedily absorbing the immortal energy!

David didn’t know what level he would reach after absorbing such a huge amount of immortal energy . How far can it be improved! But what he can be sure of is that after absorbing these immortal energy liquids, even if Mu Naiyi reaches the peak of the Tribulation Realm, he will no longer

be his opponent!

, just kill the Mu family!

They are just like flies, they are annoying to death!

But when David held his breath and absorbed the immortal energy crazily, countless statues in his hand began to shine! The fairy spirit fluid was actually swirling and sucked into the statue!

A huge vortex formed, just like a whale swallowing water!

A large amount of fairy spirit fluid was absorbed by the statue, and the entire fairy spirit spirit fluid was decreasing at a speed visible to the naked eye. “

fu**...”

“Stop, stop, I found this, leave it to me, leave it to me...” David

was stunned when he saw this scene! The qi

pool was absorbed crazily by the statue!

But the statue did not stop, but was still absorbing it!

David slapped the statue twice in anger, but it was of no use at all!

The liquid was getting less and less, and David was anxious!

But he could only worry, and there was no way!

Mu Yao, who was above, saw that the pool of water in front of him was getting less and less, and he quickly informed Mu Naiyi of

this strange phenomenon ! Mu Yao felt a little unsure!

“Boy, don’t you have extremely cold ice flames? Let’s see if you can freeze this fairy spirit liquid. If you freeze it a little, the statue probably won’t be able to absorb it. “

Demon Lord Chiyun is giving David advice!

Chapter 3848

When David heard this, the extremely cold ice flames immediately danced on his fingertips!

Extremely cold ice flames appeared, and the surrounding immortal energy liquid was indeed condensing into ice!

Seeing that it was effective, David worked harder!

But the statue is also desperately absorbing the fairy spirit liquid!

In the end, the fairy spirit liquid was completely absorbed, leaving only a large lump of fairy ice ice, dragging it in David's hand!

At this moment, David was holding the statue in one hand and the big ice cube in the other! Just

when David was about to throw the fairy energy ice cube into the storage ring, he suddenly stopped.

If you throw this immortal energy ice cube into the storage ring, I'm afraid it will be eaten by the sky-swallowing beast again!

In that case, David would get nothing!

Just when David was wondering whether he should put the immortal energy ice cube into the storage ring, Mu Yao came with his men to kill him!

Mu Yao was on top, looking at David's strange look, and was confused, but no matter what, he was determined to get the statue back!

"Boy, return the statue to me, and I will save your life..."

Mu Yao came with several members of the Mu family with murderous intent!

When David saw this, he couldn't help but frown. Then he gently tossed the fairy energy ice cube in his hand, and then white flames danced in his palm!

“Extremely cold ice flames...”

David struck out with a palm!

Countless amounts of extremely cold mist rushed toward Mu Yao and others!

Mu Yao snorted coldly, and united with several members of the Mu family to launch the flaming palm!

The blazing flames went away against the white cold mist!

But soon, a scene that shocked Mu Yao and others appeared.

I saw the blazing flames, and after colliding with the cold mist, even the flames were instantly frozen!

The beating flames were all frozen, unable to emit the slightest heat wave!

A member of the Mu family who was near the front was slightly touched by the cold mist, and his entire arm was frozen directly!

Just in the flash of lightning, the monk’s arm fell off!

I was frozen to death by this cold fog!

“very scaryThe cold fog, retreat quickly...”

Mu Yao was startled when he saw this, and hurriedly led people to retreat!

David seized the opportunity, jumped up and fled instantly!

David looked at the statue in his hand, I wish I could set it on fire. The immortal spirit fluid that I finally found was absorbed by this statue!

Seeing David escape again, Mu Yao screamed angrily,

“Follow me, don’t let him!” Run away...”

Mu Yao yelled and led his people to catch up quickly!

David was even slower now. Even with the fire-bending steps, he couldn’t escape quickly!

Soon, Mu Yao and his people were getting closer and closer. As they got closer, all these people's eyes were scarlet, and then they shot out a stream of flames!

The flames intertwined and turned into a huge fire net, covering David! When David saw this, he was

also sweating profusely!

Now that I have something in my hand, there is no way to fight back!

Soon, the fire net wrapped up David, and Mu Yao sneered, "Let's see where you are going..."

Mu Yao and others quickly controlled the fire net, constantly tightening!

At the same time, flames continued to rise around Mu Yao's body, and the flames on the fire net were rapidly expanding! David was helpless, and the original stars in his body were flashing

.

, white flames burned around his body.

An extremely cold air spread from around David's body!

When the fire net was touched, it was instantly frozen! Then the fire net was broken, and

David escaped again!

David knew that he could only use the extreme cold ice flame this time. He had just refined the extreme cold ice flame, and David had not practiced it properly. He used it three times in a row, which already made David feel extremely weak. !

"Damn, it's this move again..."

When Mu Yao saw this, he immediately cursed!

He finally managed to control David, but David escaped again!

He really couldn't understand what happened to David . What kind of method is it? Even the flames can be frozen in ice. It is simply outrageous!

Chapter 3849

David continued to escape, and Mu Yao led his men to chase him!

This made David very anxious!

Mu Naiyi was not here. If Mu Naiyi also took action, David knew that he would not be able to escape.

The main reason is that this statue is too laborious to fit into a storage ring!

“If you didn't want to see the inheritance of Wuji Holy Sect, I would have smashed you to pieces.”

David looked at the statue helplessly and said!

Unexpectedly, as soon as David finished speaking, the statue gave David a fierce look! Chen

Ping thought he was dazzled, but when he looked carefully, he found that the statue was staring at him!

“fu** ...”

David was shocked!

“Boy, I told you, this is not a statue, this is a person, a living person. If you scold him, will he be happy?”

Demon Lord Chiyun said to David!

David was also speechless. The immortal energy pool he finally found was absorbed by this statue!

It's not enough to curse yourself!

Just when David was exhausted physically and mentally and was about to be caught up, another complete mansion appeared!

David didn't hesitate at all and rushed forward instantly!

David knew that there must be a formation in this mansion. David had the Heavenly Eyes and could see the patterns of the formation. As long as they entered it, Mu Yao and others could be temporarily blocked by the formation!

As soon as David rushed into the mansion, the formation in the mansion suddenly activated, and a ray of light came towards David!

“What a strong aura, this formation is too strong, I'm afraid it can't be broken!”

Demon Lord Chiyun couldn't help but say!

David also felt that the formations in this mansion were too terrifying, many times stronger than those of ordinary disciples outside!

This time, David panicked!

I'm afraid he can't break through the formation. If the formation backfires, wouldn't he be trapped in a trap!

Just when David was panicking, a ray of light hit the statue directly!
r> Soon, the formation slowly closed, and David walked in unscathed!

This surprised David, but Demon Lord Chiyun reflected it and said, “This formation must have sensed the aura of the statue, and then closed it to let you in!”

David was right, this statue was originally Wuji. The people of the Holy Sect are still alive, so the formation will of course be closed when it senses the aura of their own people!

Just after David stepped into the mansion, Mu Yao and his men also chased after him. Seeing that David had no problem entering the mansion, he also rushed in!

But as soon as he stepped in, he was knocked away by the golden light erupting from the formation!

Mu Yao was stunned and didn't understand how it was okay for David to go in, but they couldn't step in?

Tried several times with no success!

Mu Yao had no choice but to stay around the mansion and wait for Mu Nayi to come and make a decision!

David can't escape from here anyway!

David entered the mansion and found that it was empty except for a very worn-out-looking cushion!

"Have all the things in this mansion been evacuated?"

David looked at the empty rooms around him, his face full of confusion!

"This should be the training hall, a place for meditation and practice. Of course, there won't be anything there. Didn't you see a meditation cushion on the ground?"

Demon Lord Chiyun said!

"It's such a waste to use such a big hall just for meditation and practice. There is also such a powerful magic circle set up outside. I really don't understand what the head of the Wuji Holy Sect is thinking."

David said speechlessly.

"Ignorant junior, what do you know!"

Suddenly, a voice came, with a bit of displeasure!

"Who the hell?"

David quickly looked around. No one should be talking in this empty hall!

After looking around and finding no one, David hurriedly asked Demon Lord Chiyun, "Senior, who was talking just now."

Demon Lord Chiyun didn't speak, but winked at David desperately as if he was afraid of something. !

Chapter 3850

When David realized that something was not right with Demon Lord Chiyun, he looked at his palm and was immediately startled!

I don't know when, the statue turned into a living person!

This person is holding a jade slip in his hand, wearing a golden robe, and looks very young!

However, this man's body seemed unable to move, and he was still being held up by David!

David was startled and threw him out, throwing the man to the ground!

"Ignorant junior, you should throw me? Hurry up and put me on that cushion."

The man yelled at David with anger on his face!

David looked at the man and said with a puzzled look, "Who are you? Why should I listen to you?"

"Besides, looking at your age, you are not much older than me, how dare you call me junior?"

"I am the Wuji Sage. Sect Master, I have lived for tens of thousands of years, so what's wrong with calling you junior?" The man glared at David angrily, "After becoming an immortal, your appearance can be changed at will, but you still rely on your appearance to tell your age. You are so ignorant!"

"Damn it..." David was speechless for a while!

The leader of the Wuji Holy Sect who has lived for tens of thousands of years?

This can indeed call David a junior!

David quickly placed the leader of the Wuji Holy Sect on the cushion!

Just after sitting on it, the leader of the Wuji Holy Sect seemed to be relieved, and his hands began to move slowly. Then David had finally frozen the immortal energy liquid, and at this moment, the leader of the Wuji Holy Sect was crazy to absorb it!

“What are you doing? This is mine...”

David was shocked. He had managed to get it, and now it was going to be sucked away again!

David wanted to stop it, but found that he couldn't move at all!

Watching helplessly, the immortal energy ice cubes were absorbed by the leader of the Wuji Holy Sect!

David wants to cry but has no tears!

“Hahaha, I finally recovered.”

The leader of the Wuji Holy Sect stood up and laughed crazily!

When David saw this, he said, “You absorbed my immortal energy ice cube. What do you want to compensate me?”

“What is yours?” The leader of the Wuji Holy Sect looked at David, “That immortal pool is all mine. What belongs to the Supreme Saint Sect, how come it becomes yours? “

David was speechless for a moment. It was indeed someone else's, and David had no way to refute!

“Bring the things here! “

The leader of the Wuji Holy Sect waved towards David and said!

“What to take? “David was stunned!

“The scroll! “Wuji Shengzong said!

“What scroll? I do not have to die! “

David pretended not to know at all!

The scroll was suppressed by the Wuji Holy Sect. It must be a good thing. David couldn't bear to hand it over!

The leader of the Wuji Holy Sect waved his hand, and the scroll unexpectedly came out of David's storage ring. It flew out and fell into the hands of the leader of the Wuji Holy Sect!

"Wu Wu, if the devil in this scroll is accidentally released, not to mention you, even the entire world of heaven and humans will disappear. "

The leader of the Wuji Holy Sect snorted coldly!

"Will the world of heaven and humans disappear? David was shocked, then looked at the leader of the Wuji Holy Sect and asked, "Then was this world of heaven and earth created by your Wuji Holy Sect?"

The leader of the Wuji Holy Sect nodded and said, "Not bad! " "

David was even more surprised. It seems that the Wuji Holy Sect is really awesome!

"Why does your Wuji Holy Sect want to open up the world of heaven and man? Why were you exterminated?"

David asked curiously. "

Junior, you talk too much. Even if I tell you, you don't understand."

"I hope you helped me by mistake. I'll give you something as a reward. " "

After the leader of the Wuji Holy Sect finished speaking, he threw the jade slip in his hand directly to David!

David took the jade slip and found that it contained the inheritance of the Wuji Holy Sect, and on the other side of the jade slip, there were three Wuji Orders written on it. Words.

"What's the use of this thing? "

David was puzzled!

"This records the inheritance of my Wuji Holy Sect. Because you are not a disciple of the Wuji Holy Sect, this inheritance is not all. "

And this is a Wuji Token. When you ascend to heaven, you can use the Wuji Token to ask my Wuji Holy Sect to help you do three things.” “

said the leader of the Wuji Holy Sect!
