Chapter 4256

Listening to Bao Longxing's words, many pharmacists fell silent. They had hope in their hearts. They hoped that Chen Wenliang and others would come to attack Zhantian Sect! If

they fell into the hands of Chen Wenliang and others, they would not become prisoners. After all, the culprit was Su Tianshuo. Now Su Tianshuo had been beaten and curled up in the corner, lingering on!

The angry pharmacists went over and punched and kicked him, but did not kill him. After all, this guy was still useful. When the time came, they could atone for their sins by handing him over to Chen Wenliang and others!

Rumble...

Suddenly, there was a ground-shaking movement, and the whole island shook!

The defensive formations around the island collapsed instantly, and the colorful spiritual light disappeared. The divine bell in the center of the island also shattered at this moment!

"Kill..."

Seeing the collapse of the defensive formation, Chen Wenliang immediately led many pharmacists to kill the people of Zhantian Sect!

These pharmacists fought hard and burst out all their potential, because they knew that if they could not occupy the island before Mu Qiufeng and others arrived, their lives would be in danger!

Under the pressure of death, these pharmacists burst out with extraordinary combat power!

Seeing this, many disciples of the Zhantian Fazong had to stand up and fight, but the highest here was only a deacon, and the combat power was not the opponent of these pharmacists at all!

In addition to David and the people of Liangyimen, the people of Zhantian Fazong were simply slaughtered one-sidedly!

“No one should be merciful, don’t leave any survivors...”

David ordered loudly!

David knew that if he left any survivors, when Mu Qiufeng and others came, these guys would inevitably be ready to move, and then they would form a pincer attack on them, which would be troublesome!

David is not a saint, if he threatens his safety, he must die!

“Kill... leave no one alive!”

Chen Wenliang roared loudly after listening to David’s order!

The people of Zhantian Fazong were killed and howled like ghosts and wolves, and Feng Xing was already scared out of his wits when he saw this, and ran to the dungeon in a hurry!

He is still a pharmacist now, so as long as he hangs out with pharmacists, his life will not be in danger!

He knew that Chen Wenliang and his people would never kill all the pharmacists, after all, many of them had worked together!

Just catch the masterminds Su Tianshuo and Bao Longxing!

But when Feng Xing ran to the dungeon in a panic, he was dumbfounded, because he saw Su Tianshuo was beaten to death and curled up in the corner of the dungeon!

Bao Longxing and others saw Feng Xing running into the dungeon in a panic, and they were immediately excited!

“Hahaha, this guy is so panicked, there must be someone outside who broke in.”

“Kill those beasts from Zhantian Fazong, no one can be left alive...”

“Old Feng Xing, you cheated us, and now you will be punished.”

Many pharmacists gloated and shouted loudly!

Feng Xing didn’t expect that these pharmacists would be so hot-tempered that they even killed Su Tianshuo, the president of the Pharmacist Association!

Listening to the movement outside, Feng Xing had no choice but to find a cell and get in.

At this time, David and others outside had killed all the people from Zhantian Fazong and began to look for Su Tianshuo and others!

“Fellow Daoist Chen, we have searched the entire island, but still can’t find Su Tianshuo and others. Could they not be on this island?”

Chen Wenliang said!

“Impossible, this place is far away from the mainland, and they have no other place to go except to this island.”

Zhong Qing retorted!

“President Chen, take someone to see if there is a basement or secret passage in the Zhantian Sect. Su Tianshuo and others must be here.”

“I will take the people from Liangyi Sect to set up the defense formation on the island. When Mu Qiufeng and others arrive, they can resist for a while with the defense formation!”

David said!

“Okay, I’ll look for it carefully!”

After Chen Wenliang finished speaking, he took people to continue looking!

Chapter 4257

David led Gu Tianchao and others from the Liangyi Sect to set up a defensive formation!

The entire island covers an area of more than ten miles. It is very difficult to set up such a large formation in a short time!

So David and his men were working desperately. David first laid the eye of the formation on the island, and then Gu Tianchao led the people from the Liangyi Sect to draw the formation pattern around the island!

Chen Wenliang led all the pharmacists to search for secret rooms or secret passages on every inch of land!

Everyone was working hard, and no one was idle. They all knew that this was a race against time!

“President Chen, a secret room was found...”

At this time, a pharmacist shouted loudly!

Chen Wenliang immediately led his men over, and then walked into a dark tunnel!

It was dark and damp below, with only a faint firelight and rows of cells. It was obvious that this was a dungeon!

“Chairman Chen, Chairman Chen...” Seeing

that Chen Wenliang and others had come in, the pharmacist who was locked in the dungeon was very excited and started shouting!

This scared Chen Wenliang, and when he got closer, he found that it was Bao Longxing and others!

Seeing this scene, Chen Wenliang was slightly stunned, and then he laughed!

“Bao Longxing, aren't you with Zhantian Fazong? Why are you locked up in the dungeon at this time?”

Chen Wenliang laughed!

Bao Longxing was ashamed and hurriedly said, “Chairman Chen, I was deceived by Su Tianshuo. All of us were deceived and listened to Su Tianshuo's words. Now Su Tianshuo has been subdued by us. You quickly open the prison door and let us out!”
After

Bao Longxing finished speaking, he asked people to get out of the way, and directly exposed the dying Su Tianshuo!

Seeing Su Tianshuo like that, Chen Wenliang felt relieved. It was this guy who made them what they are now!

“You are simply asking for it. Why don't you cooperate with anyone else? Why do you cooperate with the people of Zhantian Fazong? They are extremely cunning, otherwise they would not be driven to such a shitty place!”

Chen Wenliang snorted coldly!

“Yes, yes, President Chen is right. We really deserve it. We know we are wrong. Please let us out.”

“Let’s join forces to destroy the beasts of Zhantian Fazong.”

Bao Longxing begged!

“President Chen, let us out. We really know we are wrong.”

“Let’s kill the people of Zhantian Fazong together and destroy this place.”

“President Chen, you and I have worked together for many years, please...”

Many pharmacists began to beg Chen Wenliang!

Seeing this, Chen Wenliang couldn’t bear it, so he opened the prison door loudly!

But when he just stretched out his hand, a white light flashed and directly repelled Chen Wenliang out!

“President Chen, there is a formation here, and we must break it.”

Bao Longxing reminded!

Seeing this, Chen Wenliang ordered people to find David immediately. He couldn’t do anything to break the formation, so he had to let David come!

David had already made the eye of the formation, and he just had to wait for Gu Tianchao to bring the people from Liangyi Gate to perfect the formation!

When he knew that Chen Wenliang was looking for him, David rushed over immediately.

“Fellow Daoist Chen, this dungeon is protected by a formation, and we must break it.”

Chen Wenliang said!

David took a look at the dungeon, and then at the many pharmacists in the dungeon!

When these people saw David, they all lowered their heads and dared not look directly into David’s eyes!

Although David was only at the sixth level of the Tribulation Realm, many of the pharmacists here were at a higher level than David, but at this time they didn’t dare to look David in the eye!

The majesty of David suppressed these people so much that they couldn’t raise their heads!

Although they knew that the Demon Sealing Alliance would use the Hundred Years of Offering to hunt down David, no one dared to do anything at this moment!

David's strength was obvious to all, from capturing Wang Qingshi to rushing into the storm, but rushing out unscathed!

Chapter 4258

Now occupying this small island again, every step of David deeply shocked them!

David slowly stretched out his hand, and his palm soon touched a trace of resistance, and then the formation flickered, and a force attacked David!

“Break...”

David's palm suddenly burst out with a golden light, and the formation in the dungeon collapsed directly at this moment!

Like an eggshell, it shattered all over the ground, and then dissipated!

After the formation was broken, Bao Longxing and others saw this and suddenly crashed into it! The

door of the dungeon was directly knocked open. Without the formation, how could this ordinary prison door stop Bao Longxing and others!

“Thank you, Daoyou Chen, for saving us. We are ignorant and deceived by Su Tianshuo. We will never do such stupid things again in the future. We will follow Daoyou Chen's lead.”

Bao Longxing, the head of the Bao family, licked David respectfully at this moment!

David has heard a lot of such flattery, so he didn't care!

“Daoyou Chen, how to deal with Su Tianshuo?”

Chen Wenliang pointed at the dying Su Tianshuo and asked!

Su Tianshuo was covered with wounds at this moment, and his eyes were full of pleading: “Don't kill me, let me go, please, please...”

Su Tianshuo just wanted to live at this moment, and he didn't want to dominate the medical industry anymore!

But whether David would let him live, it all depends on David!

"When you calculated your comrades, did you ever think of letting them go?"

David's eyes were cold. There was no pity for such people!

David waved his palm lightly, and a ray of fire instantly fell on Su Tianshuo!

"Ah....."

Su Tianshuo screamed, and the scream was very creepy!

All the pharmacists were shocked when they saw this scene !

In fact, this is the effect that David wanted. He wanted to shock these pharmacists. Otherwise, if these pharmacists were fence-sitters and turned against Mu Qiufeng and others during the battle, they would be in danger! Under the gaze of everyone, Su Tianshuo was burned to ashes by the fire. From beginning to end, David's eyes were surprisingly cold! "Let's go, Mu Qiufeng and others are coming back, and a fierce battle is about to begin." Chen

Ping said slowly! "Fellow Daoist Chen, another person must be solved!" At this time, Bao Longxing hurriedly said! "Who?" David was slightly stunned! This was led by Su Tianshuo. It would be enough to kill Su Tianshuo. He didn't know who else had to be killed! "It was Feng Xing.

He was the one who suggested leading you to the Storm Sea. He was also the one who brought us here and was locked up by the Zhantian Sect." "This guy is already a member of the Zhantian Sect..." Bao Longxing hurriedly took David and the others into the dungeon's depths. In the innermost cell, he saw Feng Xing! "Bao Longxing, what nonsense are you talking about? It was obviously me who opposed you to harm your fellows and was isolated by you.

Why are you putting all the blame on me now?" Feng Xing wanted to get away with it, so he hurriedly argued! Upon hearing what Feng Xing said, many pharmacists blamed Feng Xing, and some even insulted him, but Feng Xing acted aggrieved and forbearing at this moment!

This time, David didn't know who this guy was! Seeing that Feng Xing's realm was not very high, he was only at the ninth level of the Tribulation Realm, not outstanding at all! When going to Yaoshen Island, David didn't pay attention to this person! "Feng Xing, you have been away from the Feng family for many years, and I didn't expect you to be here!"

At this time, Granny Zhen suddenly walked out of the crowd, looked at Feng Xing and said! When Feng Xing saw Granny Zhen, his face suddenly turned ugly! “Granny Zhen, do you know this guy?” David asked doubtfully!

Chapter 4259

“Of course, he is from the Feng family in the Central Region. He just likes alchemy and often travels to various pharmacist associations to learn.”

Granny Zhen said.

When David heard that it was someone from the Feng family, he immediately got angry!

Bai Qian’s Fox King City was occupied by the Feng family. Now that he met someone from the Feng family, David wanted to slap him to death immediately!

“Damn it, come out...”

David stepped forward and directly dragged Feng Xing out!

“You...what are you going to do?”

Feng Xing said nervously!

“Did your Feng family join the Demon Sealing Alliance and become the dog of the Demon Sealing Alliance?”

“And your Feng family also occupied the Fox King City. Today I just want to vent my anger on you!”

David stared at Feng Xing fiercely and said!

“You...you dare, if you dare to touch me, the Feng family is...”

Feng Xing hadn’t finished speaking when David slapped him!

Feng Xing’s brain burst instantly, and he couldn’t die any more!

Seeing this scene, all the pharmacists took a breath of cold air!

David, this guy, was too decisive and killed people before he finished a sentence!

“Master, the people from Zhan Tian Fa Zong are here!”

At this time, Gu Tianchao shouted outside!

David heard it and rushed out of the dungeon with everyone, and saw a spiritual boat coming quickly on the sea!

Just after the spiritual boat approached, Mu Qiufeng and the people from Zhan Tian Fa Zong all jumped up!

All the pharmacists looked at it with solemn expressions!

Many pharmacists began to get nervous, after all, the strength of Zhan Tian Fa Zong was not weak!

These disciples of Zhan Tian Fa Zong burst out all their breath, and they were murderous!

Dozens of monks in the realm of crossing the calamity and the realm of Mahayana, and all of them knew the art of formation, which was not something these pharmacists could deal with!

What's more, Chen Wenliang and the others had just experienced a battle and consumed a lot of physical strength!

Some pharmacists were trembling slightly. This time would be a life-and-death moment!

Whether they could leave the island alive depended on this battle!

Although the pharmacists had an advantage in numbers, their combat effectiveness could not be compared with the disciples of Zhantian Fazong!

If it were not for David and the people of Liangyimen, Chen Wenliang and the others would have no chance of resistance at all!

These pharmacists placed all their hopes on David and the people of Liangyimen!

Mu Qiufeng looked at the many pharmacists on the island, and he knew that he was still a step late!

“Pay attention to me, try not to hurt those pharmacists, they are the wealth of our Zhantian Fazong.”

“Kill that kid and the people of Liangyimen!”

Mu Qiufeng ordered the many disciples of Zhantian Fazong!

In Mu Qiufeng's view, as long as David and the people of Liangyimen were killed, the remaining pharmacists would not be a concern!

Chen Wenliang looked at the murderous disciples of Zhantian Sect in the air, and shouted: "Prepare for battle, everyone swallow all the pills!"

The pharmacists took out the pills on their bodies and swallowed them!

This is the fastest way to recover!

If they are really caught by the people of Zhantian Sect, all the pills on their bodies will be plundered, so it is better to eat them by themselves!

After these pharmacists swallowed the pills, the aura on their bodies soared rapidly!

Mu Qiufeng frowned slightly, and then waved his hand: "Break the formation..."

Many disciples of Zhantian Sect all attacked the island's defense formation!

For a time, the road roared, and the earth trembled!

The island shook from side to side!

"Master, this defense formation may not last long!"

Gu Tianchao looked at David and said!

This defense formation was set up too hastily, and there was no time at all!

If David and the others had a month, David could set up this defense formation as solid as a rock!

David glanced at the many pharmacists who were swallowing pills to restore their strength, and then said: "Try to delay the time and give these pharmacists more time to prepare!"

Chapter 4260

Gu Tianchao led the people of Liangyi Sect to desperately support the defensive formation!

But it was obvious that these guys from Zhantian Sect were also fighting for their lives, and rays of spiritual light kept hitting the formation!

Boom!

Finally, after a quarter of an hour, the defensive formation shattered and disappeared in an instant!

However, it was not bad that the defensive formation that was laid out in such a hurry could withstand such a long time!

The formation was broken, and many disciples of Zhantian Sect began to cast various spells and went towards David and the others, and one after another, the imprisonment formations enveloped Chen Wenliang and others!

This was Mu Qiufeng's attempt to capture Chen Wenliang and other pharmacists alive!

"Fellow Taoists, it's time to fight desperately..."

Chen Wenliang shouted and began to fight back!

For a time, thunder rumbled on the island, the earth and the sky trembled, and various spells kept colliding!

Mu Qiufeng went straight to David. No matter who David was, he would kill David first!

Even if David was really from the Xiao Dynasty, so what? He was dead and couldn't tell anyone!

David looked at Mu Qiufeng coming towards him and jumped up!

He couldn't fight with Mu Qiufeng on this island, for fear that the island couldn't bear it at all!

David's body was suspended in the air, and wisps of flames began to appear around him, like a small spiritual snake, wandering around David! The

indestructible golden body tightly wrapped around David's body, and the Dragon Slaying Sword was also in his hand!

Facing Mu Qiufeng, David didn't dare to be careless at all!

Seeing this, Mu Qiufeng tentatively raised his hand and directly shot out a shocking spiritual energy!

This rich breath was like a flash of lightning, instantly crossing the void and heading towards David!

Rumble...

With a bang, the flames around David scattered, and the sky was full of flames, causing the entire sky to fall into a sea of fire!

However, David's palm gently moved, and the flames gathered towards David again, like fire snakes, surrounding David and circling around him! Seeing this, Mu Qiufeng

's

pupils shrank slightly!

Behind David, a figure appeared faintly. This figure was exactly the same as David's body, but the body was emitting flames!

David's body overlapped with the figure, emitting a brilliance of the ancient immortal!

From inside to outside, there was a kind of immortal aura, as if the immortal had descended!

At this moment, David was suspended in the air, just like an immortal!

Every bone, every meridian, and even the blood vessels in David's body could be seen faintly!

David was only the sixth level of the Tribulation Realm, but now he gave people the feeling of a god, and he dared not look directly at it!

"What kind of skill is this? There is such an aura?"

Mu Qiufeng looked at David in front of him, and the whole person was stunned!

At this moment, he was more convinced that David was the son of a big family. Even if he was not the prince of the Xiao Dynasty, his status must be high!

The more this was the case, the more Mu Qiufeng could not let David leave alive, otherwise their Zhantian Sect would be in great danger!

"Boy, I don't care if you are the prince of the Xiao Dynasty, don't think about leaving here today!"

Mu Qiufeng's eyes condensed slightly, and then rushed towards David!

“Just you, you want to stop me?”

David’s eyes were full of indifference. The True Fire Dharma Body had already started to work. David wanted to let Mu Qiufeng feel the power of the ultimate fire!

One ultimate fire may not be able to deal with Mu Qiufeng, but David does not have one ultimate fire!

Moreover, after having the True Fire Dharma Body, these ultimate fires have been constantly tempered and fused!

Now the ultimate fire that David hits is not a single one!

Seeing Mu Qiufeng who had already rushed in front of him, David raised his arm and pointed at the void!

Boom!

Flames were like a flood, overwhelming the sky and heading towards Mu Qiufeng.
