Chapter 4479

“Okay!” Xiao Feng nodded, and then left with David!

After David and Xiao Feng left, Yu Wenqiang walked to Xiao Yuanshan and said, “Your Majesty, I think the attack of the Demon Sealing League will come soon, and we should prepare early!”

“Okay, you pass down the order, let all the cultivators above the eighth level of the Tribulation Realm in the entire Xiao Dynasty gather in the Imperial City.”

Xiao Yuanshan said!

After all, after declaring war with the Demon Sealing League, it is not a one-on-one fight, and the strength of the Demon Sealing League is not weak, so Xiao Yuanshan will order all the cultivators above the eighth level of the Tribulation Realm to gather in the Imperial City! If

the strength is too low, even if there are more people, they are just cannon fodder, which will increase casualties in vain.

“Your Majesty, then... has Canglang City been notified?”

Yu Wenqiang asked in a low voice!

It seems that Yu Wenqiang knows the existence of Xiao Jian in Canglang City!

Xiao Yuanshan was silent for a moment, then nodded and said: “Notify, all the cultivators above the eighth level of the Tribulation Realm in Canglang City must also come to the imperial city.”

“Must, if so, then the eldest prince and the second prince will meet, and I’m afraid...”

Yu Wenqiang didn’t dare to continue!

After all, Xiao Feng didn’t know that he had a younger brother. He always thought that Xiao Yuanshan had only him as a son!

“What you should know, you will know sooner or later. I have already made Feng’er the crown prince. This Xiao Dynasty will be his sooner or later.”

“As for Xiao Jian, I will talk to him. I hope he doesn’t hate me as a father.”

Xiao Yuanshan said!

“Your Majesty, I hope you can think twice. How many dynasties have fallen because of the princes’ fight for the throne. If the second prince is allowed to return to the city at this time, if the second prince is dissatisfied, it will make us trapped inside and outside.”

“There is the Demon Sealing League outside and the second prince inside. I’m afraid that the eldest prince can’t control the situation at all...”

Yu Wenqiang can be the prime minister, and he still has his own outstanding qualities!

What he was thinking about did affect the safety of the Xiao Dynasty!

“Don’t worry, if Xiao Jian has the intention of rebellion, I will kill him personally.”

“This time, you have to assist Feng’er more in the battle with the Demon Sealing League. He has been crazy for so many years, and I must rely on this battle to establish his prestige.”

Xiao Yuanshan happily followed the Demon Sealing League to declare war, and this was also part of his consideration, not entirely because of David!

“Your Majesty, don’t worry, as long as I am here, I will never let the eldest prince get into trouble.”

Yu Wenqiang hurriedly expressed his position!

“That’s good!” Xiao Yuanshan smiled slightly, and then left!

Yu Wenqiang was busy. The entire Xiao Dynasty had dozens of cities. He didn’t even know how many cultivators above the eighth level of the Tribulation Realm there were in the entire Xiao Dynasty!

On the other side, David, after following Xiao Feng around, returned to the room, which was already filled with various cultivation resources!

It’s just that David was not in the mood to practice. He didn’t know what the strength of the Xiao Dynasty was, let alone what the strength of the Demon Sealing League was!

If the Xiao Dynasty was broken and the people were suffering for him, David would definitely not bear it!

After thinking it over again and again, David decided to leave the Xiao Dynasty!

But he didn't take Ji Yun with him, but let Ji Yun stay in the Xiao Dynasty for the time being!

After all, the cultivation resources of the Xiao Dynasty were sufficient, and Ji Yun could concentrate on cultivation!

David himself had no burden, and it would be more convenient to avoid the pursuit of the Demon Sealing League at that time!

David left the Xiao Dynasty without telling Xiao Feng, because he knew that Xiao Feng would definitely not let him leave!

But just as David left the Xiao Dynasty, the Zhou Sect Master had already discovered him with Tiansha and Tianluo!

The three people did not leave, and they had been guarding outside the Xiao Dynasty!

"Sect Master, what does David mean? He dared to leave the Xiao Dynasty alone at this time. Is he looking for death?"

Tianluo asked in confusion!

Chapter 4480

Sect Master Zhou also frowned slightly, and said in confusion: "I don't know what this guy is going to do. Is he doing this on purpose to make us attack him?"

"Sect Master, why did David deliberately lead us to attack? He certainly can't be our opponent?"

Tiansha also asked in confusion!

"Needless to say, there must be someone from the Xiao Dynasty hiding behind this guy. Once we take action, the people from the Xiao Dynasty will also attack us." Tianluo

explained!

"It's possible. Let's not touch him for the time being and follow him!"

Sect Master Zhou didn't know what medicine David was selling in his gourd, so he didn't dare to act rashly.

He could only follow David carefully to see what he was going to do! Just when Sect Master Zhou and his men were about to catch up with David, the void suddenly trembled, and then two old men appeared beside Sect Master Zhou and his men!

Seeing the coming people, Sect Master Zhou had a little displeasure on his face, but he didn't show it!

“Old Zhou, the leader is afraid that you can't handle it, so he asked us two to come here.”

An old man in a black robe with long eyebrows said!

“Old Cao, he is just a guy of the seventh level of the Tribulation Realm. How can I not handle him?”

Sect Master Zhou said with some dissatisfaction!

“Old Zhou, if you can handle it, you won't watch David escape, you just dare to follow behind.”

“A dignified fourth-level cultivator in the Mahayana Realm is afraid of a guy of the seventh level of the Tribulation Realm. It seems that the leader is right to send us here.”

Another old man said with sarcasm!

“Old Sun, don't talk nonsense. If you have the ability, just catch David.” Sect

Master Zhou snorted coldly!

They are all fourth-level Mahayana Realm strengths, and they are all working for the Demon Sealing Alliance, so it is normal for them to dislike or compete with each other!

The Heavenly Realm is also very competitive...

“Okay, then I'll catch David for you...”

Old Sun stepped forward, and then grabbed his palm, and ripples appeared in the void in front of him!

David, who was leaving, felt the danger behind him at this moment, and immediately became alert!

Holding the Dragon Slashing Sword in his hand, a sword light broke through the rippled void.

Old Sun snorted coldly, flipped his right hand and said, “Get back...”

Boom!

In an instant, a palm as big as a mountain grabbed David, and then with five fingers clenched, David was caught by this huge palm!

Bang!

David suddenly slashed with a sword, and the sword light instantly slashed on the palm, bursting out with a deafening roar, directly chopped the palm!

And David himself instantly retreated several miles away, and at this moment, blood slowly flowed from the corners of David's mouth, and the Dragon Slashing Sword in his hand was trembling slightly!

David, a fourth-grade cultivator in the Mahayana realm, suddenly resisted, and it was indeed a bit difficult!

Looking at the old Sun, David's eyes were heavy.

Because he realized that the opponent was at the fourth level of the Mahayana realm, and there was more than one person. In this case, David was afraid that he could not defeat the opponent at all!

But when David was about to find an opportunity to escape, he found that his retreat had been blocked!

There were people on all sides. David frowned and had to make other plans!

"Since we can't escape, let's do it..."

David gritted his teeth, and a strong fighting spirit burst out in his eyes. As the fighting spirit in David's body continued to rise, the invincible sword will in his body began to surge, and the dragon-slaying sword in his hand made a series of buzzing sounds that resounded through the sky!

Old Sun looked at David and said with some surprise: "Sure enough, you are different from the general seventh-level cultivators in the Tribulation Realm. Just the sword you just used to smash my giant palm shows that your strength has completely reached the Mahayana realm."

"Stop talking nonsense, let's see how I deal with you today!"

David faced the fourth-level old Sun in the Mahayana realm. He did not flinch, but wiped a handful of blood and went towards Old Sun!
