Chapter 4687

“Yes, this is my Dragon Slaying Sword.”

David smiled calmly, holding the sword and standing, surrounded by spiritual power, like a peerless sword about to be unsheathed.

“No wonder you can kill Narota, it seems to be related to your sword, but the knife in my hand is not an ordinary thing!”

Yun Li’s spiritual power also boiled up, and the long sword in his hand shone brightly, as if there were blazing flames jumping on the blade.

The battle was about to break out, Yun Li’s figure was like lightning, turning into a stream of light and rushing straight at David, and the long sword came with the whistling wind and blazing flames, slashing at David fiercely.

David turned lightly, and the Dragon Slaying Sword swung lightly, the sword light was like a dragon, cleverly dissolving Yun Li’s attack into the invisible, and at the same time the tip of the sword lightly touched the ground, rebounding with the force, and directly hitting Yun Li’s vitals.

The two of them came and went, the sword shadows and knife lights intertwined, and every collision was accompanied by a roar, stirring up layers of air waves, and the surrounding space seemed to be torn apart by this force.

Yun Li’s sword was extremely powerful, while David’s Dragon Slashing Sword was extremely agile, sometimes turning into a blue dragon soaring into the sky, and sometimes turning into a dense rain of swords, which was dazzling.

As time went on, the battle became more and more intense, and the speed and strength of the two were improved to the extreme, and every confrontation was terrifying.

Although Yun Li’s realm was higher than David, he gradually fell into a disadvantage in front of the sharpness of the Dragon Slashing Sword and David’s superb swordsmanship.

Finally, after a fierce collision, Yun Li was careless and was caught by David.

The Dragon Slashing Sword was like a spirit snake coming out of a cave, penetrating Yun Li's defense at an incredible angle. The tip of the sword lightly touched his shoulder, leaving a shallow sword mark, and then David quickly put away the sword, and everything returned to calm.

"I lost."

Yun Li put away his sword and stood up, looking at the sword mark on his shoulder. There was no reluctance in his eyes, but a trace of relief and admiration.

David smiled slightly, sheathed his sword and said, "Thank you for letting me win. Your strength is also extraordinary. If we don't stop at the right time, the outcome is still uncertain."

Yun Li heard this and smiled heartily. He took out 10,000 fairy stones from his storage bag and threw them to David: "I am willing to accept the loss. Today, if you beat me by half a move, this fairy stone is yours."

David caught the fairy stone, feeling the majestic spiritual power contained in it, and couldn't help but feel happy in his heart.

I'm rich, I'm really rich!

Ten thousand fairy stones, now I have the resources to continue practicing later!

David deliberately only beat Yun Li by half a move because he didn't want Yun Li to guess his true strength!

Clang!

At

this moment, a crisp breaking sound suddenly resounded between heaven and earth, and then the knife in Yun Li's hand actually broke into several pieces and fell to the ground! Yun Li only

had a hilt left in his hand, which looked very funny!

Looking at the hilt in his hand, Yun Li was silent for a long time!

"fu**..."

Suddenly, a swear word jumped out of Yun Li's mouth!

David smiled slightly: "I'm really sorry, your knife is too weak."

Yun Li was as disgusting as if he had eaten a fly at this moment!

He thought David only won half a move, but he didn't expect that the gap between them was too far!

The weapons in his hands were no longer on the same level!

If it was really a life-and-death fight, I'm afraid he would have been beheaded now!

"Are you kidding me?"

Yun Li looked at David a little angrily!

"Where do you get this from? How did I kid you?"

David shrugged helplessly!

"Didn't we agree to stop at a certain point? If you hurt me a little, I can't give you the fairy stone!"

Yun Li said!

"I didn't hurt you, it's just that your knife is not strong, and I didn't say that I can't hurt your knife!"

David explained!

Seeing David like that, Yun Li could only grit his teeth and swallow his anger!

The fairy stone was given to David, so it was useless to say anything now, not to mention that he didn't mention the weapon at the beginning!
