Chapter 4721

Lin Kefan's Adam's apple rolled, and the expression on his face changed again and again!

"Hua Zhang Weng, it seems that you just said that you want to enter the Xiao Dynasty and catch David."

"Now I allow you, go and catch David..."

Lin Kefan said to Hua Zhang Weng!

Hua Zhang Weng trembled, and smiled awkwardly: "Fourth Prince, you must have heard it wrong, I didn't say that."

"No?" Lin Kefan looked at Hua Zhang Weng!

"Absolutely not, I swear to God..."

Hua Zhang Weng raised his hand and was about to swear!

"Fourth Prince, Hua Zhang Weng did not say that he would catch David!"

Mo Shaying on the side said!

"Mo Shaying spoke to testify for me, I definitely didn't say it..." Hua Zhang Weng was sweating!

If Lin Kefan really asked him to go to Xiao Dynasty to catch David, wouldn't he be like that guy just now, and be wiped out in an instant!

"But just now Hua Zhang Weng said that he could deal with Xiao Dynasty alone. Now let him go to destroy Xiao Dynasty, then David will naturally come out!"

Mo Shaying said with a playful smile!

Hua Zhang Weng was stunned. He thought that Mo Shaying was going to help him, but he didn't expect that he was waiting here. This was a trap for him!

“Mo Shaying, you said it so nicely.” Hua Zhang Weng looked dissatisfied, and his hand on the crutch trembled slightly, “I just said it casually just now. Who knew that there would be such a situation? It scared me to death!”

“You old man, you are really confident.” Mo Shaying raised a smile at the corner of his mouth, and a teasing light flashed in his eyes, “Didn’t you just say that you could deal with Xiao Dynasty alone? Why are you so cowardly now?”

“It depends on the situation!” Hua Zhang Weng hurriedly explained, “I’m not afraid of death, I’m afraid that after I die, who will help the Fourth Prince?”

“Haha, it seems you are afraid.” Mo Shaying laughed, “I thought you were an old naughty boy who was not afraid of death, but I didn’t expect you to be an old man who is afraid of death!”

“Don’t think I don’t know what you are thinking, kid.” Hua Zhang Weng glared at Mo Shaying, “You are actually nervous too, right? Otherwise, you go and try, I don’t believe you can destroy the Xiao Dynasty?”

“Of course I dare not say.” Mo Shaying shrugged, pretending to be relaxed, “But at least I am better than you, at least I dare to try!”

“Try? Can you push me up if you try?” Hua Zhang Weng curled his lips disdainfully, “If you dare to go, I dare to follow you and see who will be beaten to ashes first!”

“Okay, then we’ll go together. Anyway, I don’t want to die alone.” Mo Shaying raised his eyebrows, revealing a sly smile at the corner of his mouth, “But you have to remember, if I’m beaten to death first, don’t come crying to collect my body!”

“Don’t worry, I won’t cry.” Hua Zhangweng said seriously, “I will laugh and watch you get beaten into a meat pie!”

“You old man, you are really hopeless.” Mo Shaying shook his head and couldn’t help laughing, “But seriously, who was that black shadow just now? He didn’t even leave a name and disappeared?”

“I think you’d better not think about it. The more you think about it, the more flustered you will be.” Hua Zhangweng sighed, with a solemn look in his eyes, “Let’s think about how to take David away first.”

After Hua Zhangweng finished speaking, he put all his eyes on Lin Kefan!

How to take David away now is Lin Kefan’s business. The two of them don’t have that ability!

“What are you looking at me for? I can’t enter the Xiao Dynasty either, so I can only wait here!”

Lin Kefan said helplessly!

“Then wait!”

Mo Shaying and Hua Zhangweng both nodded!

Since Lin Kefan said to wait, they could only wait, there was no other way!

Chapter 4722

Inside the imperial city!

Xiao Yuanshan, with many cultivators from the Xiao Dynasty, had just witnessed the horrifying scene!

Originally, Xiao Yuanshan was planning to take people to stop the guys who rushed into the imperial city!

But just when he was ready, before anyone could see clearly, a white light from the void hit the black shadow, and the other party was directly turned into ashes!

Although Xiao Yuanshan didn’t see clearly who the person was, he was sure that the other party’s strength was far greater than his!

Just like that, he was turned into ashes silently!

“Father, this... is this the luck that Mr. Shi gave to my Xiao Dynasty?” Xiao

Feng asked with a look of astonishment!

“It should be!” Xiao Yuanshan nodded!

Mr. Shi gave the Xiao Dynasty thousands of years of luck, which means that in these thousands of years, the Xiao Dynasty will never be in danger!

In this case, as long as the people of Xiao Dynasty do not walk out of the territory of Xiao Dynasty casually, the entire Xiao Dynasty can be said to be invincible!

No one can enter Xiao Dynasty to kill.

David did not expect that Mr. Shi could protect Xiao Dynasty for thousands of years with a wave of his hand!

It's really awesome...

"Mr. Chen, almost all the auras around Xiao Dynasty have left, but now there are only three auras, and they have been guarding the sky above Xiao Dynasty for a long time!"

Xiao Yuanshan came to David's room and said!

"I'm going to see these three people. I guess they won't leave until I can't wait!"

David seemed to have known the identities of the three people, so he slowly got up, walked out of the room, and jumped up!

Lin Kefan and the other two in the air were waiting for David to appear, and suddenly found a vibration in the void! Chen

Ping's figure slowly appeared. Seeing David coming, Lin Kefan didn't seem surprised!

Hua Zhangweng and Mo Shaying looked at David in front of them, looking a little surprised. Maybe they didn't expect David to be so young!

"Are you three here for the killing order?"

David asked Lin Kefan and the other two!

In fact, David already knew Lin Kefan's identity, but he just couldn't admit it!

Now David can only pretend to be confused, beat and scolded his brother-in-law, and even scolded his mother-in-law. David can only pretend to the end!

As the saying goes, ignorance is not a crime. David doesn't know the identity of Lin Kefan and others, so even if there is something excessive, it is excusable!

"We are..."

Huazhang Weng was about to open his mouth to introduce himself, but was stopped by Lin Kefan, and then said to David: "Yes, we are here for the killing order!"

David looked at Lin Kefan and suddenly smiled: "You have already reached the realm of immortality. This realm can be said to be free of desires. Why are you so concerned about a mere 100,000 immortal spirit stones?"

Lin Kefan frowned slightly. He didn't quite understand what David meant!

100,000 immortal spirit stones, how come it seems nothing special in David's mouth?

How rich is this guy's family background that he doesn't even look down on 100,000 immortal spirit stones?

"What are you pretending to be, kid? This is 100,000 fairy stones, and it's only 100,000. Why are you pretending to be a rich second generation!"

Hua Zhang Weng said to David with disdain!

"Although I'm not a rich second generation, I really don't care about 100,000 fairy stones."

"If you are short of fairy stones, just follow me, I can give them to you!"

David laughed!

"What?"

Lin Kefan and the other two were all stunned. They never expected that David would actually win them over!

"To be honest with you, I have a fairy stone vein..." David continued.

The three were silent...

Fairy stone vein?

What a niche word. You must know that the fairy stone veins in the Tianren Realm were mined out a long time ago!

Today's fairy stones are all collected by picking them up and gathering them bit by bit!

So now fairy stones are very rare!

Otherwise, so many masters at the peak of the ninth rank of the Mahayana Realm can be manipulated for 100,000 fairy stones!

Chapter 4723

"You don't believe it?" David looked at the three silent people, and then threw out three storage bags!

“Each of these storage bags contains two thousand fairy stones, which is a gift for meeting you!”

“Whether you follow me or not, these fairy stones are all yours!”

Looking at the three storage bags, Lin Kefan and the other two were moved!

Although two thousand fairy stones are not a lot, a small mosquito is also meat!

Don't miss it!

Lin Kefan reached out to take the storage bag. Seeing this, Hua Zhangweng and Mo Shaying also hurriedly took the storage bag!

Seeing the three people receiving the fairy stones, David laughed!

“I'm looking for you not just for the killing order, you injured my eldest brother, this matter...”

“Twenty thousand fairy stones, as compensation for injuring your eldest brother, do you think it's feasible?” David interrupted Lin Kefan without waiting for him to finish his words!

“This.....”

Lin Kefan hesitated!

He couldn't keep up with David's train of thought. Why did he ask for 20,000 fairy stones at the first word?

Now David's face looked like a nouveau riche!

“30,000...”

Seeing Lin Kefan's hesitation, David blurted out!

“Are you really taking 30,000 fairy stones as compensation?”

Lin Kefan's eyes were filled with doubt.

“Of course, 30,000 fairy stones, to buy the grudge between me and your eldest brother, plus my sincere apology.”

David raised a playful smile at the corner of his mouth, and his eyes flashed with an unquestionable light, “In this world, there are some things that money can't buy, such as true friends and trust.”

“But on the other hand, if a person can resist even the temptation of money, then how much more than hundreds of millions of dollars is his value to me?”

Lin Kefan, Hua Zhangweng, and Mo Shaying looked at each other, their expressions changed from surprise to confusion, and then to an indescribable subtle smile.

They seemed to be confused by David’s words, but they inexplicably felt that there was some philosophy hidden in these remarks, which made people want to explore its deep meaning.

“If you doubt me, you can find a cultivator around the Xiao Dynasty to ask if there are two cultivators following me. I just gave them a gift of 10,000 fairy stones.”

David continued to say to the three confused people!

“Where are the two cultivators? Let’s meet...” Mo Shaying asked!

It seems that Mo Shaying believes it!

“They ran away. Those two took my 10,000 immortal stones and ran away. But it doesn’t matter. Leaving me is their loss, not mine...”

“Look, I can give 10,000 immortal stones to those who betray me. If they are loyal to me, I can give them 100,000 or even 1 million immortal stones.”

“And if you follow me, you will not only get resources like immortal stones, but also endless opportunities and the promise of fighting side by side with me and sharing the glory.”

David’s voice gradually became excited, as if a lecturer was instilling the secret of success to the students. “You three, you are destined to be here today with me, David. I admire your strength and value your potential even more.”

“One million?”

The three people seemed to have heard nothing, only the word one million!

One million immortal stones?

I can buy the entire Heavenly World...

Hua Zhang Weng rubbed his temples, as if trying to sober himself up: “Chen...Fellow Daoist Chen, are you...are you just telling a story? Or are you really going to do this?”

Mo Shaying’s mouth twitched, trying to stay calm, but he was roaring in his heart: “Is this guy serious? Is he taking the fairy stones as beans?”

Lin Kefan's eyes flickered, as if he was weighing something.

He suddenly realized that David in front of him might really have extraordinary bearing and means.

Even in this world where the strong are respected, it is rare to win people's hearts in this way.

Especially when David spoke, his face was full of excitement, and it didn't seem like he was lying at all!

Chapter 4724

"Okay, I received your sincerity. We don't need to participate in the killing order."

"As for my eldest brother's injury, since you are so generous, I will accept the 30,000 fairy stones on my eldest brother's behalf." "

However, I have always been clear about gratitude and resentment. If you really provide us with a large number of fairy stones, I will double repay you if there is a chance in the future."

Lin Kefan took a deep breath and decided not to reveal his identity as the fourth prince of Sun Moon City for the time being. He got the fairy stones first.

After getting the fairy stones, it would not be too late to take David to Sun Moon City. The resources in Sun Moon City were also facing depletion. It would be good to get so many fairy stones at once!

What's more, David was his brother-in-law, and the fairy stones were all his own, so this should not be considered a lie!

"Haha, there's no need to repay. When I make friends, I never care what they can bring to me. I only care whether they are worth making friends with."

David laughed and patted Lin Kefan on the shoulder. There was both sincerity and pride in his smile. "Remember, in this world, strength and wisdom are equally important, but more importantly, which side you stand on and who you choose to walk with."

Seeing this, Hua Zhangweng and Mo Shaying also expressed their willingness to follow David. Lin Kefan didn't say anything, so they would not object.

Although they still have doubts in their hearts, facing such a generous and seemingly unfathomable person, who would be willing to easily miss the opportunity that may change their destiny?

Maybe this David really has a fairy stone mine, and then they can use the fairy stone as waste stone!

As the four people reached a consensus, the atmosphere in the air became relaxed.

The expressions on the faces of Lin Kefan and the other two gradually changed from initial surprise and confusion to curiosity and expectation.

They began to believe that perhaps this choice could really open a door to unknown opportunities for them.

The initiator of all this, David, had a calm face, as if everything was under control.

He knew very well that the real pretense was not about superficial exaggeration, but about the convincing aura and the charm that made the opponent willing to follow.

“Since you choose to follow me, don’t stand outside anymore, come with me to the Imperial City to drink tea and chat...”

Since Lin Kefan did not choose to reveal his identity, David kept pretending to be confused.

“Brother Chen, there’s no rush to drink tea and chat, but the 30,000 immortal spirit stones you mentioned???”

Lin Kefan wanted to get 30,000 immortal spirit stones first!

“I don’t have them with me now, but I will notify the mine immediately and send the immortal spirit stones over in one or two days.”

“Send 100,000 immortal spirit stones directly and divide them among the three of you...”

David said casually!

Seeing this, Lin Kefan thought that it would not delay things if he only waited for one or two days, so he nodded and followed David into the Xiao Dynasty!

After returning to the Xiao Dynasty, David settled Lin Kefan and the other two, and then went to notify Xing Daorong. He asked Xing Daorong to send all the immortal spirit stones in the Beast City!

David knew that no matter what, he would be taken to Sun Moon City in the end!

So he had to prepare some immortal spirit stones to bribe the fourth prince, and when he arrived in Sun Moon City, he would say a few good words for himself!

Otherwise, David would be in trouble for beating his brother-in-law and playing with his mother-in-law!

“Fourth Prince, how true and false do you think David said?”

Hua Zhang Weng asked in a low voice!

“Old man, I think this fellow Daoist Chen is very sincere and is not lying. Don’t always judge a gentleman by your own mean heart.”

Mo Shaying said very dissatisfiedly!

It seems that this guy was indeed successfully brainwashed by David and truly believed in David!

“I feel that what David said is three parts true and seven parts false...”

Lin Kefan said!

Chapter 4725

“Fourth Prince, since you don’t believe David, why did you come to the Xiao Dynasty with him? Couldn’t you just take him away?”

Huazhang Weng asked with some doubts!

It’s 70% false, so it seems that Lin Kefan doesn’t really believe David!

Lin Kefan smiled and said, “I didn’t say I don’t believe him. 30% is true...”

“I’m betting that what he said is true, and then we can get a large number of fairy stones.”

“If what he said is false, then we won’t lose anything. It’s just a waste of two days.”

“I’ll take him back to Sun Moon City at that time, isn’t it the same?”

“Fourth Prince is smart...” Huazhang Weng quickly gave a thumbs up!Mo

Shaying gave Huazhang Weng a blank look and snorted, “Flatterer...”

Huazhang Weng was about to get angry, but saw David walk in!

“The fairy stone will arrive in two days, so for the next two days, you three should temporarily use the fairy pills and various fairy herbs to practice!”

As he said this, David took out a large amount of elixirs and fairy herbs from his storage ring!

This time, David almost emptied all his resources, just to make Lin Kefan and the others believe in him!

David heard the conversation between the three people just now. It turned out that Lin Kefan did not completely trust him!

Seeing David take out so many elixirs and fairy herbs at one time, Lin Kefan and the other two were a little shocked!

They didn’t understand how one person could have so many resources?

David actually didn’t want to carry so many resources on him, but the consumption of his practice was many times that of other cultivators!

With so many resources in front of him, even if he used them up, David might not be able to improve a small realm!

“Daoyou Chen, I have lived for thousands of years. You are the most generous person I have ever seen. It is a wise choice to follow you!”

Mo Shaying walked up to David and said excitedly!

This guy has completely fallen into the future outlined by David at this moment!

He said this in front of Lin Kefan, without considering what Lin Kefan was thinking!

After all, Mo Shaying was still Lin Kefan’s follower, following Lin Kefan!

Listening to Mo Shaying’s words, Lin Kefan just glanced at him coldly and said nothing!

After all, in front of David, Lin Kefan couldn’t let David see any tricks!

“Don’t worry, as long as you hang out with me, you will have what I have, and even if I don’t have it, I will find a way to get it and share it with you.”

David patted his chest and said!

As soon as David's voice fell, there was a sudden clang, and it seemed that something fell to the ground!

"Sorry, I just patted my body and my bow fell off..."

David finished speaking, and bent down to pick it up!

"Brother Chen, wait a minute..."

Looking at the God King Bow that fell from David, Lin Kefan's words suddenly changed, and he stopped David!

Hua Zhangweng and Mo Shaying also found the God King Bow, all of them were surprised!

"What's wrong?" David pretended to be puzzled and asked!

"Brother Chen, your bow is the God King Bow?"

Lin Kefan picked up the God King Bow carefully!

"Yes, it's the God King Bow. I didn't expect you to know the goods." David said with a joking smile!

Lin Kefan held the God King Bow, his pupils kept shrinking, and the greed in his eyes was not concealed!

Hua Zhangweng and Mo Shaying also came forward and carefully stroked the God King Bow with their hands!

"Good bow, really good bow, I didn't expect that I could see the legendary God King Bow..."

Lin Kefan licked his lips, his body trembling slightly!

"It's just a bow and arrow, so why do you have such an expression? If you like it, I'll give it to you directly!"

David looked at Lin Kefan's expression, waved his hand, and said generously!

"Thank you, Brother Chen..."

Lin Kefan's face was full of excitement, and he was about to put away the God King Bow!

David: "???"

“Haha, let you show off, and give away the God King Bow...” The Red Cloud Demon Lord laughed at David!
