Chapter 4781

“Humph, this guy actually dared to come, we just happened to meet him...”

Xuan Bin got angry when he heard it!

The three people who had just broken through were now in the Immortal Transformation Realm, and together they could compete with the Tenth Palace Master!

“What is he still here for?”

David frowned. He had promised Yun Li that he would not kill the Tenth Palace Master. Now the Tenth Palace Master dared to come!

Didn't he see how Huo Ming died?

“Don't worry about it, practice well, I'm going to meet the Tenth Palace Master!”

David was afraid that Xuan Bin and others would fight with the Tenth Palace Master. If they accidentally killed the Tenth Palace Master, he would not be able to explain to Yun Li! Chen

Ping followed Xiao Yuanshan to the border of the Xiao Dynasty. The Tenth Palace Master did not dare to enter the Xiao Dynasty casually.

Seeing David coming, the Tenth Hall Master wanted to step forward, but hesitated for a moment. At this moment, he did not dare to step into the territory of the Xiao Dynasty casually!

“What else do you want to do here?”

David asked the Tenth Hall Master!

“Mr. Chen, I came here this time to apologize to you!” The Tenth Hall Master saluted David and said!

David was stunned and looked at the Tenth Hall Master with a puzzled face. He didn't know what this guy was doing!

Even if Huo Ming was killed, he didn't know how to scare the Tenth Hall Master so much that he came to apologize directly to himself?

After all, outside the Xiao Dynasty, the strength of David and others was still unable to compete with the Tenth Hall!

"What are you going to do? Say it frankly. If you want to kill me, I'm here anytime, no tricks!"

David thought that the Tenth Hall Master wanted to trick him out of the Xiao Dynasty!

"Mr. Chen, I really came to apologize. I hope Mr. Chen can forgive me!"

The Tenth Hall Master said sincerely!

"Mr. Chen, don't trust this guy easily!" Xiao Yuanshan reminded on the side!

Upon seeing this, the Lord of the Ten Palaces threw all the storage bags he had collected in front of David: "This is all the resources I have collected from the Ten Palaces, and I am giving them all to Mr. Chen!"

"I hope Mr. Chen can show mercy and spare me. I am willing to follow Mr. Chen..."

David looked at the storage bag in front of him and was very surprised. Especially when he saw a very special storage bag with a special mark, David picked it up and took a look!

At this glance, David actually found that there were 200,000 fairy stones in this storage bag, and countless other resources!

"fu**..." David was confused!

"This is the storage bag of the Ninth Palace Master. He has more resources, and he gave them all to Mr. Chen..."

Seeing this, the Tenth Palace Master hurriedly said!

"Ninth Palace Master?" David was stunned: "Did you kill the Ninth Palace Master?" After all,

if the Ninth Palace Master was alive, it would be impossible for him to offer his storage bag!

“No, no, no, I can’t kill him. It was the master behind Mr. Chen who killed him!”

The Tenth Palace Master waved his hands again and again!

“You mean Mr. Shi?” David was full of surprise!

“Yes, yes, it’s that Mr. Shi, but it’s not his real body, it’s just a phantom. He killed the Ninth Palace Master and left!”

said the Tenth Palace Master!

David was very confused. Didn’t Mr. Shi say that he would not help him kill the enemy, and let David kill it himself!

Why did he start to help him kill the people of the Temple again?

And the Ninth Palace Master must be stronger than the Tenth Palace Master. I didn’t expect that Mr. Shi would kill him with a phantom!

“In this world of heaven and man, in addition to your Ten Palaces, there are also Nine Palaces. Are there other temples and halls?”

David asked!

The Tenth Palace Master shook his head: “I don’t know. I don’t know where the ten halls of the temple are exactly and who manages them.”

“To be honest with Mr. Chen, I haven’t even seen the Lord of our temple.”

“But the Ninth Palace Master said that he had climbed to the eighth floor of the Ladder to Heaven, which should also be in the Heavenly World. It seems that he often hangs out in the Ladder to Heaven world.”

The words of the Tenth Palace Master made David feel a little credible.
