Chapter 4788

“Oh, our young master knows a lot of people. Many people who come here say they know the two of them.”

“But our young master Huo Ming died some time ago. You don’t even know this. I guess you are not very close to our young master!”

The old man took out the sound transmission jade slip while speaking!

As the old man’s spiritual power hit the jade slip, a voice soon came!

“What’s the matter?”

There was a very old voice on the opposite side!

“Elder Liu, there is a person with a special identity who needs to enter the Wuwang Land. Please come and check it yourself!”

The old man hurriedly said in a low voice!

“Got it!” The other party just replied faintly!

A moment later, suddenly a terrifying breath came, and then an old man in a gorgeous robe appeared. With the appearance of the old man, the surrounding void was distorted!

The second rank of the Immortal Realm, no matter in terms of strength or clothing, it is obvious that the old man in the Chinese robe is one level higher!

“Elder Liu, this is a big fish...”

The old man in the black robe came to Elder Liu and whispered!

Elder Liu nodded, walked in front of David in a serious manner, looked at him and said: “You are only a third rank of the Mahayana Realm, why do you come to this place of no consequence?”

“Play, is it not allowed?” David said calmly!

“It is definitely allowed, as long as you pay the fee, we...”

“I have paid the fee!” David answered without waiting for Elder Liu to finish!

“Elder Liu, what tolls, health fees, and head fees have all been paid...” The old man in the black robe desperately followed Elder Liu and winked!

“I know you have paid, so of course you can go in, but your realm is too low. You also know that the ladder to heaven is about to open. Many masters have come to our Wuwang Land. If you are at this level, you will be killed in minutes if no one protects you.”

“So when you enter Wuwang Land, you need someone to protect you. Someone needs to be responsible for your safety, so this security fee needs to be collected!”

Elder Liu said seriously!

“How much do you need?” David asked!

“Five thousand...”

“Cough, cough, cough...”

The old man in black robe coughed desperately, then held down Elder Liu and pulled him aside.

“Elder Liu, this is a big fish, don’t be afraid to take it.” The old man in black robe whispered!

“Five thousand I feel is enough, don’t ask for more, or you will run away!”

Elder Liu said!

“I can’t run away, I didn’t even blink just now, and I have already given me seven thousand fairy spirit stones.” The old man in black robe said!

“So awesome...” Elder Liu was stunned, and then laughed happily!

David on the side, looking at the two people who were muttering, also laughed!

Two guys without knowledge!

“Just now I discussed that in your case, you need 50,000 fairy spirit stones.”

“You only need to pay 50,000 fairy spirit stones, and we can guarantee that you will be fine in the land of no expectation.”

“When the ladder to heaven comes, if you want to enter the ladder to heaven to play, we can still help!”

Elder Liu told David in detail, probably because he was afraid that 50,000 fairy spirit stones would make David run away!

“Fifty thousand fairy stones, not much...”

David did not hesitate, took out the storage bag and threw it to Elder Liu!

Elder Liu looked at the fairy stones, and immediately smiled and said, “Okay, you can go in, I will send someone to protect your safety immediately.”

“If you need anything else in Wuwang Land, just tell me, I can satisfy you!”

“Thank you!” After David finished speaking, he walked in without looking back!

“I’m rich, I’m really rich, I only need to pay one thousand to the higher-ups, and the rest are ours.”

The old man in black robe said excitedly!

“What are you excited about? These fifty thousand fairy stones are mine, and you can pay one thousand of the seven thousand fairy stones you want, and keep the rest for yourself, I will pretend I didn’t see it!”

Elder Liu glared at the old man in black robe and said!

Chapter 4789

The old man in black robe was stunned, but he didn’t dare to refute, he could only nod dejectedly!

At this time, a huge airship came slowly, and Lin Kefan stood at the front of the airship!

Seeing this, Elder Liu and the old man in black robe all became serious!

When seeing Lin Kefan on the airship, Elder Liu took the initiative to greet him!

“Isn’t this the fourth prince of Sun Moon City? I’m so disrespectful...”

Elder Liu said with a smile on his face!

“How much does it cost for me to enter the land of no consequence?” Lin Kefan asked expressionlessly!

“What’s the fee for the fourth prince to go in? You can go in casually.”

Elder Liu said hurriedly!

“I have a few friends in this airship, do you want to check it out?”

Lin Kefan said!

“No, nothing.”

Elder Liu waved his hands repeatedly.

Lin Kefan hummed, and the airship slowly entered the gray area!

“So arrogant, the fourth prince of Sun Moon City is so impressive!”

The old man in black robe looked at the airship that was gradually entering, and said with envy!

“Keep your eyes open in the future. Don’t offend people like this if you can. It’s a good job to let you guard the border. You have to have some eyesight.”

Elder Liu said to the old man in black robe!

“Don’t worry, Elder Liu, I have a pair of eyes that can see people accurately. Didn’t I just kill one!”

The old man in black robe smiled!

Elder Liu was also very happy. He picked up tens of thousands of fairy stones for nothing. It was so cool!

“You two are very happy!”

At this time, a voice came!

The two looked at the voice and were stunned!

“Tenth Palace Master, why are you here too...”

Elder Liu and the old man in black robe all greeted him!

Tenth Palace Master, that is the Tenth Palace Master of the Temple, and their young master works under him!

Although the Huo family has many high-ranking people in the temple, they are after all a side branch of the Huo family. Plus, they are just servants of the Huo family, so when they meet the Tenth Palace Master, they are so attentive!

“You two are guarding the border?”

asked the Tenth Hall Master!

Because of Huo Qing, the Tenth Hall Master was familiar with the Huo family!

“Yes, yes, yes, we are guarding it.” Elder Liu nodded repeatedly, and then said: “Tenth Hall Master, come here, I don’t know if the master knows, do you need me to report it!”

“No, I just come here to take a look and relax!”

The Tenth Hall Master waved his hand and said!

“Then the Tenth Hall Master, please...”

The two bowed their waists and made a gesture of invitation!

At this time, a trace of fierceness flashed in the eyes of the Tenth Hall Master, and then both palms came out!

Bang bang...

After two sounds, Elder Liu and the old man in black robe flew backwards, and then vomited blood and were shocked!

“Tenth Hall Master, this is...”

Elder Liu looked at the Tenth Hall Master in disbelief. He didn’t understand why the Tenth Hall Master suddenly attacked the two of them?

“You two blind things, you dare to extort Mr. Chen’s fairy stones, you are looking for death!”

The Tenth Palace Lord stepped forward and looted all the storage bags on the two people, including the ones given by David.

“Mr. Chen? Could it be that young man just now?”

Elder Liu looked incredible.

How could the Tenth Palace Lord call him Mr., and even attack them, just a third-grade cultivator in the Mahayana realm!

After putting away the storage bag, the Tenth Palace Lord waved his hand!

Elder Liu and the old man in black robes were instantly wiped out, as if the two had never existed!

The Tenth Palace Lord swaggered into the gray area!

David and Lin Kefan were waiting for him in front!

“Did you get it back?” David asked directly after seeing the Tenth Palace Lord!

“I got it back!”

The Tenth Palace Lord nodded and handed all the storage bags to David!

David only collected the fairy stones that belonged to him, and threw the others back to the Tenth Palace Lord!

The reason why David was so happy just now was not because he was rich, but because he knew that he could get back no matter how much he gave!
