Chapter 4790

“Okay, you all pay attention to safety in Wuwang Land. If anything happens, I will notify you.”

David put away the fairy stone and said to everyone!

“Mr. Chen, you have to be more careful. This is the Huo family’s territory. You killed Huo Ming, so the Huo family will definitely not let it go.”

“The reason why the Huo family has not made any move yet is probably that they are waiting for the ladder to appear.”

The Tenth Palace Master admonished David!

“I know!” David nodded!

“David, if you encounter any danger and can’t get away, then find a way to go to the Taoist Gate. As long as you enter the Taoist Gate, even the Huo family will not dare to be too presumptuous.”

Yun Li stepped forward and said!

“Taoism? What is that place? I haven’t heard you talk about it?”

David asked puzzled!

“Daomen is just a gathering place for cultivators. When the ladder to heaven appears, all cultivators will gather at Daomen, so this period of time is the most prosperous time for Daomen.”

“Many cultivators come to Wuwang Land not to break through the ladder to heaven, but to do business in Daomen. At other times, Daomen is idle.”

“Daomen is the only place in Wuwang Land that is not managed by the Huo family. The major forces are peacefully co-managed in Daomen. This is also to prevent the Huo family from taking advantage of the geographical convenience to suppress others!”

Yun Li followed David to explain the place of Daomen!

“Another point, in Wuwang Land, Mr. Chen had better not trust anyone, especially with your current identity, I don’t know how many people are eyeing you covetously.”

Xuan Bin also spoke!

“Brother-in-law, you don’t have to be too nervous. When the ladder to heaven is opened, Daomen will also be managed by our Sun Moon City. My father and Taoist Wuji will also come.”

Lin Kefan patted David on the shoulder and told David not to be too nervous!

As a powerful organization in the world of heaven and man, Sun Moon City must have a place in this Daomen!

“Okay, I understand!”

David smiled slightly, and then his figure flashed away!

Passing through the vast gray area, David’s eyes suddenly became clear!

Towering mountains, lush green trees, patches of grassland, and groups of cattle and sheep...

Looking at the beautiful scenery in front of him, David was stunned!

Is this the land of no worries?

David was a little stupid. Listening to the introduction of the Ten Palace Masters, this land of no worries should be a wasteland!

There is no aura, no resources...

Thinking of this, David’s eyes suddenly lit up, and he patted his forehead in an instant and said, “Damn, it turns out that the land of no worries is like this...”

David figured it out. This land of no worries does not represent desolation, but there is no aura here, no cultivation resources, for the cultivators of the heavenly world, this is a worthless place!

But if it is an ordinary person, if it is the secular world, this place can be called a paradise!

The mountains and rivers are beautiful, and there are groups of animals everywhere!

These are all normal animals, not beasts, and it is impossible to transform into human form!

“Great, I finally feel like an ordinary person again...”

David fell from mid-air onto the grass and started rolling excitedly!

After inhaling the fresh air, he felt refreshed!

“Such a beautiful place has become an unjust place in the eyes of the people in the Heaven Realm...”

David was very touched.

If possible, David really wanted to live a plain life in such a place with the women around him!

But David knew that these were all extravagant hopes, and he was no longer allowed to live a plain life!

“Daoyou, is this your first time in this place?”

At this moment, a voice suddenly sounded from beside David!

David’s body trembled slightly, and he stood up instantly. He was so relaxed and excited just now that he didn’t even notice anyone approaching him!
