Chapter 4816

It was not until David and the leader of the Lingmen used their physical strength to collide that he became a little interested!

“This guy is only a third-grade Mahayana. Even if he can fight beyond his level, how can his physical body be so strong?”

The red-haired old man frowned slightly!

“It’s a bit interesting. This David is getting more and more interested in me!”

There was a smile on the corner of Ming Shao’s mouth!

“This guy is not only physically strong, but the sword in his hand is also a magical weapon, and he even has a divine beast Qilin on his body. Is there really a super power behind this guy?”

The red-haired old man said incredulously!

After all, these things cannot appear in the hands of a casual cultivator. Whether it is the Dragon Slaying Sword or the Fire Qilin, these are all super things. If it is not a big family, how can there be these things!

Even if David has the Sun and Moon City behind him, he can’t have these things. After all, the strength of the Sun and Moon City is not enough to own these!

“No matter what force is behind him, I am interested in him now. There is only one result for the people I am interested in!” Ming

Shao said with a smile.

“Death!” the red-haired old man said slowly!

“Yes!” Ming Shao nodded: “The leader of the Lingmen can’t hold on for three rounds. The other people of Liansanmen will take action, but Liansanmen is too useless. I’m afraid they can’t deal with David at all!”

“With so many people in Liansanmen, can’t they deal with David?”

The red-haired old man seemed surprised!

“Liansanmen has many people, but there are also many people behind David. If I’m not mistaken, the Tenth Palace Master should also be David’s man.”

Ming Shao smiled and shook the wine glass in his hand!

“What?” The red-haired old man was stunned: “How could the Tenth Palace Master of the Temple be David’s man? This is unlikely!”

“The Tenth Palace Master has been secretly observing for a long time. He is choosing the time to take action. As long as David is unable to defeat him, he will immediately take action!”

Ming Shao said!

“Why? Why is this? How could the Tenth Palace Master bend to a small cultivator of the third rank of the Mahayana realm?”

The red-haired old man was a little confused.

“Because the power behind David made the Tenth Palace Master feel desperate and fearful, it’s that simple...”

Ming Shao was full of confidence, because he knew that his guess would never be wrong!The

red-haired old man was silent. What kind of power could make the Ten Palace Masters fear and despair?

Boom!

At this moment, there was a sudden loud noise, and the body of the Lingmen Sect Master was completely shattered, and even the soul dissipated in this huge collision!

Lian Sanmen, one is missing!

“Boy, I really underestimated you...”

Qian Xiaohan said coldly to David!

“I, the Tang Sect, will meet you...”

The body of the Tang Sect’s elder slowly floated, and behind him, more than a dozen Tang Sect gang members also rose to the air!

“Shameless thing, bullying the few with the many, and coming to the round battle, do you think each of us?”

Lin Kefan cursed and flew up!

At the same time, Hua Yueying, Xuan Bin, Cangyue, Zhou Tang and Yun Li all flew up.

The Ten Palace Masters hid in the crowd watching the excitement, and they had already prepared to take action!

In this place of no consequence, there is no way to replenish at any time, so in this way, David will be consumed a lot by the round battle!

“You don’t have to do it. I’m enough to deal with these people...”

David looked at the people of Tang Sect with disdain in his eyes!

The waves of sword intent emanating from the Dragon Slashing Sword caused the surrounding void to tremble, and the world was filled with terrifying sword intent!

The Tang Sect’s Great Elder held a butterfly dagger in his hand, which was the most famous hidden weapon of the Tang Sect. There was also a black light emanating from the butterfly dagger, which was obviously quenched with poison.

The Tang Sect gang members behind the Great Elder also exuded a strong aura, and everyone carried various hidden weapons, which were hard to defend against!

The Great Elder stared at the Dragon Slashing Sword in David’s hand, his eyes slightly condensed, and said: “David, I know that you can fight beyond your level, all because of the sword in your hand. If you don’t have that sword, your strength is afraid that you can’t even beat the cultivators who have just entered the Immortal Realm.”

“Do you dare to put away your Dragon Slashing Sword and fight me alone? Do you have the courage?”

The Great Elder was afraid of the Dragon Slashing Sword in his hand, and actually made such a request!

“Bah, do you have any shame? You actually let people not use weapons at this time? You, the Tang Sect, are so shameless!”

Lin Kefan spat fiercely!

Chapter 4817

“No problem...”

David agreed immediately!

“David, are you crazy?” Lin Kefan looked at David in disbelief!

“Fourth uncle, I can kill him without the Dragon Slaying Sword...”

David smiled slightly!

“Okay, since you agreed, you are not allowed to use the sword in your hand anymore.”

The Tang Clan’s elder said!

David actually put away the Dragon Slaying Sword.

In the tavern, the red-haired old man said in surprise: “I didn’t expect that David would dare to agree. The reason why he is so powerful is that the sword in his hand plays a lot of roles.”

“If he didn’t have the Dragon Slaying Sword, it would be impossible for him to defeat the Tang Sect’s elder. He is a fourth-grade immortal!”

“That’s not necessarily true!” Ming Shao smiled coldly: “Do you think David is a fool? The reason why he dared to agree is that he was absolutely sure!”

“Just wait and see, there are more and more surprises...”

Ming Shao drank the wine in his hand!

Seeing this, the Tang Sect’s elder on the other side waved his hand and said: “You all retreat, I can do it myself!”

The Tang Sect members slowly fell back to the ground, only David followed the Tang Sect’s elder in the air, facing each other!

However, all the Tang Sect gang members stared at David. Although they were shouted back, it did not prevent them from attacking David at the critical moment.

Anyway, they all used hidden weapons, which was to take advantage of people’s unpreparedness!

The Tang Clan’s Great Elder stared at David, his eyes gradually turned cold, and the butterfly dagger in his hand began to spin.

At this time, he suddenly jumped out and wanted to kill David, and even followed David to fight alone, which was completely selfish!

Seeing the sword in David's hand and the divine beast, the Great Elder wanted to kill David and take David's storage ring for himself!

David must have consumed a lot of energy in the battle with the Ling Clan just now!

In addition, without using the Dragon Slaying Sword, the Tang Clan's Great Elder was sure that he could kill David!

If a group of people came forward to kill David, it would probably take some effort to get David's storage ring!

After all, who wouldn't covet the treasures on David's body? Maybe they would be snatched away by others.

So he proposed to fight alone.

But the Tang Sect's elder was still ignorant. The reason why David dared to put away the Dragon Slaying Sword must be that he was absolutely sure.

"How is it? Can I start fighting without a sword?"

David asked!

"Of course, in order to avoid being accused of bullying, I can let you have three moves!"

The Tang Sect's elder said very proudly!

After all, a fourth-grade cultivator in the Immortal Realm is enough to bully a third-grade cultivator in the Mahayana Realm. Now he wants people not to use swords. Is this shameless?

So the Tang Sect's elder proposed to let David have three moves, so that he could regain some face in front of everyone.

David smiled slightly and ignored him, but clenched his fists tightly!

"Holy Light Fist..."

David punched out!

Boom!

A huge iron fist tore through the void and went towards the Tang Sect's elder!

The Tang Clan's Great Elder was shocked when he saw this. He originally thought that David could only exert his terrifying strength with the Dragon Slaying Sword!

But now David's punch came with endless terror!

"Is this a divine skill?" The Tang Clan's Great Elder was horrified!

He could truly feel from the power of this punch that this was not an ordinary martial arts technique.

But since he had already said that he would let David take three moves, if he took action at this time, he would really be laughed at! Chen

Ping's Holy Light Fist was like a golden meteor, tearing through the void, and approaching the Tang Clan's Great Elder with endless pressure.

Wherever the fist wind passed, the air seemed to be torn apart, making a piercing whistle.

The face of the Tang Clan's Great Elder instantly became solemn. He did not expect that the power of David's punch would be so terrifying, far beyond his expectations.

Chapter 4818

"Thousand Butterfly Storm!"

The Tang Clan's Great Elder shouted in a low voice, and with a sudden wave of his hands, the thousands of butterfly daggers instantly turned into a huge storm barrier, blocking him.

In the storm, the daggers spun like lightning, making a "buzzing" sound, as if countless butterflies were flying in the wind.

The Holy Light Fist and the Thousand Butterfly Storm collided with each other, erupting with a deafening roar. The

golden fist shadow and the silver storm intertwined in the air, forming a dazzling light curtain. Everyone in the tavern covered their ears, their eyes full of shock.

"This... this punch is so powerful." The red-haired old man widened his eyes, looking at the duel in the air in disbelief.

Ming Shao's mouth slightly raised, and a trace of excitement flashed in his eyes: "Sure enough, David is not a simple guy. He doesn't need a sword at all. This punch alone is enough to shake the fourth-grade strongman of the Immortal Realm!"

In mid-air, David's fist shadow was gradually swallowed by the Thousand Butterflies Storm, but the face of the Tang Sect's Great Elder was not relaxed.

He clearly felt that David's fist force did not completely dissipate, but continued to condense in the storm, as if it would break through his defense at any time.

"Fairy Finger!" David shouted in a low voice, and his figure suddenly flashed, and he instantly appeared on the flank of the Tang Sect's Great Elder.

David's fingertips were jumping with golden light, and then he pointed his hand, and the golden light suddenly went towards the Tang Sect's Great Elder.

"Fairy Finger!" The Tang Sect's Great Elder's pupils shrank, and he was horrified.

He didn't expect David to have mastered such a profound fairy method. The power of this finger was even more terrifying than the previous Holy Light Fist.

As the Fairy Finger cut through the void, everything around seemed to begin to stop!

"The origin of time?"

Young Master Ming in the tavern stood up, the smile on his face had disappeared, and he looked quietly at David in mid-air!

A third-grade cultivator in the Mahayana realm was able to comprehend the origin of time and even control time. This was beyond all his expectations.

At this moment, Young Master Ming finally had a solemn expression on his face!

"What is the identity of this kid? How can he be so terrifying? Are there people from the heaven behind him? Otherwise, how can he have so many magical skills?"

The red-haired old man said with a shocked face!

The others also stared blankly, with incredible expressions on their faces!

"When will this guy have so many skills?"

Lin Kefan swallowed his saliva, with a look of shock on his face!

The Tenth Palace Master hiding in the crowd was secretly glad in his heart. If he had not followed David, with his current strength, he would have become a dead soul under David's sword!

In the last corner of the crowd, Ning Zhi and Sonya had been observing David's battle!

With David beheading the leader of the Lingmen Sect, and now fighting with the great elder of the Tang Sect, he also used the Holy Light Fist and the magical skills of the Immortal Finger, which made Ning Zhi feel a great gap in his heart!

"Junior brother, this person is not easy to kill..." Sonya said slowly!

"Sister, maybe it's hard to kill others, but I believe you can definitely kill him, definitely..."

Ning Zhi's face was full of confidence and certainty!

Because at this moment, only Ning Zhi knew that when Sonya showed her face, David would be dumbfounded, and he would definitely not attack Sonya again!

At that time, David would become a lamb to be slaughtered!

At this time, the Tang Clan's elder was shocked, and he didn't dare to be negligent. He suddenly put his hands together, and the Thousand Butterfly Storm instantly shrank and turned into a silver light shield in front of him.

All the movements in David's eyes at this moment have become very slow.

The golden finger light didn't wait for the light shield to form, but it had already rushed towards the Tang Clan's elder.

"Puff!"

The Tang Clan's elder was hit by this finger, and a mouthful of blood spurted out of his mouth. His body flew backwards and hit the ground heavily, creating a deep pit.

Chapter 4819

"Grand Elder!"

The people of Tang Sect cried out in surprise and wanted to step forward to rescue, but David glanced at them coldly: "We are fighting alone. If you dare to move, you will die..."

In one sentence, the invisible pressure made the Tang Sect members dare not act rashly.

The Tang Sect's Grand Elder climbed up from the ground with difficulty, his eyes full of horror and unwillingness.

He didn't expect that he, a powerful fourth-grade immortal realm master, would be forced to such a point by a junior of the third grade of the Mahayana realm.

And the other party didn't even use a sword, it was really a miscalculation!

But now, we can't retreat!

"The third move, you must take it!"

David's voice rang again, and his figure appeared in front of the Tang Sect's Grand Elder like a ghost.

A trace of despair flashed in the eyes of the Tang Sect's Grand Elder, and he knew that he had to do his best.

A trace of fierceness suddenly flashed in the eyes of the Tang Clan's elder.

"I won't die!" The Tang Clan's elder suddenly bit his tongue, spurted out a mouthful of blood, and quickly formed seals with his hands, and shouted: "Tang Clan's forbidden technique – Ten Thousand Butterflies Devouring Souls!"

In an instant, countless black butterflies flew out of his body, each butterfly carrying a strong breath of death, and then wrapped the body of the Tang Clan's elder.

These black butterflies seemed to be able to devour everything, even the air was corroded by them, making a "sizzling" sound.

David smiled coldly. It was obvious that the Tang Clan's elder wanted his fist to be contaminated by these terrifying black butterflies, but David was not so stupid.

David suddenly swung his fist down, but just when his fist was about to reach the Tang Clan's elder, a long sword suddenly appeared!

The Dragon Slaying Sword directly penetrated the body of the Tang Clan's elder. At the same time, those black butterflies were instantly swallowed by the sword energy and turned into nothing.

"You...you..."

The Tang Clan's Great Elder's eyes widened, blood gushed out of his mouth, and his face was full of resentment: "You don't keep your word..." He

agreed not to use the sword, and let David use three moves!

But for the third move, David used the Dragon Slaying Sword, which was simply shameless!

If he knew this, the Great Elder's Ten Thousand Discs Soul Devouring would have directly wrapped David, so why bother to let David use his fist to get it contaminated!

David slowly drew out the Dragon Slaying Sword, looked at the Tang Clan's great elder with an angry face and said, "I'm sorry, I didn't keep my word, I'm sorry, I apologize to you!"

David was apologizing to the Tang Clan's great elder, and his attitude was very sincere!

The Tang Clan's great elder stared at David with a pair of eyes, and his angry expression made him want to eat David alive!

Unfortunately, he couldn't, his body slowly fell down, and finally he was completely out of breath!

The Tang Clan's great elder was dead! He

was stabbed to death by David's sword!

"Great elder..." The people of Tang Clan swarmed and pounced on the great elder!

"David, you shameless guy, you don't keep your word!"

Qian Xiaohan was shaking with anger, pointing at David and cursing!

"Didn't I apologize? I'm really sorry, I couldn't help but sacrifice the sword just now."

"Or let's fight again, I promise not to use the sword!"

David spread his hands and said helplessly!

"Shameless, the person is dead, what's the use of apologizing?" Qian Xiaohan trembled!

"How about I revive him?"

David said!

“Resurrection?” Qian Xiaohan was stunned and looked at David in disbelief: “Can you revive the dead?”

“Simple...”

David slowly stretched out his hand, and a hot flame began to emanate from his palm!

Everyone looked at David in shock at this moment, holding their breath!

They had never seen anyone who could kill someone and then revive him!

“He can also revive the dead?” Ming Shao was also interested, and jumped out of the tavern window directly, and then stood in the crowd!

At this moment, everyone’s eyes were focused on David!

Chapter 4820

The flame in David’s palm became more and more intense, and then David pressed his palm down, and the flame wrapped the body of the Tang Clan’s elder!

“I haven’t heard of using flames to revive the dead.”

“There are many things you haven’t heard of, how can you know the method of reviving the dead.”

“The body is almost burned, can it be resurrected?”

Everyone looked at this scene and whispered!

Qian Xiaohan was also shocked, watching the body of the Tang Clan’s elder becoming less and less, and finally turned into ashes by the flames!

“Where is the person? Can’t you be resurrected?”

Qian Xiaohan asked!

“Sorry, I made a mistake, I apologize...”

David grinned!

“Ah...”

“Shameless...” Qian Xiaohan was going crazy!

Everyone around couldn't help but hiss, looking at David with contempt!

But David didn't care at all!

Ming Shao also whispered: “fu**”, even I was deceived!”

After that, Ming Shao's body disappeared in an instant and returned to the tavern!

The Tang Sect gang members were all crazy at this moment. It's okay to kill their great elder, but now even the body is burned. This time there is no body left!

A group of Tang Sect gang members shouted and rushed towards David!

David's face turned cold, and he looked at the Tang Sect people: “Do you want to be like your great elder?”

With one sentence, all the Tang Sect people stopped and slowly retreated!

“David, you are also a Mahayana cultivator, how can you be so shameless?”

Qian Xiaohan said with a trembling body!

“Am I shameless?”

David smiled coldly: “You even have dozens of people from the three gates looking for me, so you have to have face? The great elder of the Tang Sect is higher in realm than me, and he knows that I have already fought a fierce battle, but he still wants to fight in a round-robin battle. Is this called having face?”

“Not letting me use weapons and imposing various restrictions, is this called having face?”

“I think the most shameless one is Lian Sanmen...”

David's speech made Qian Xiaohan dumbfounded!

“No matter what, you must die today, otherwise I will lose face for Lian Sanmen!”

Qian Xiaohan shouted angrily and was about to take people to attack David!

“Lian Sanmen is nothing, do you still have face?”

At this time, a roar came, and then the whole void began to tremble, and figures appeared in the sky!

Lin Chong brought Taoist Wuji and the masters of Sun and Moon City!

Seeing Lin Chong coming, Qian Xiaohan's face instantly became extremely ugly!

Seeing this, Lin Keting and Lin Kefan jumped up and came to Lin Chong.

"Father, this Lian Sanmen is shameless, bullying the minority with the majority, and using a round-robin battle against David, you must teach them a lesson!"

Lin Keting said to Lin Chong!

Just now, Lin Keting couldn't stand it anymore, but it was a pity that her strength was not enough and she couldn't help David at all!

Now that his father is here, he doesn't have to endure it anymore!

"Disciple, you don't have to tell me, your father will also take action. How could he watch his son-in-law being bullied!"

Taoist Wuji stroked his beard and said!

"Master!" Lin Keting blushed!

David looked at Lin Chong who was rushing over, smiled slightly, and felt more confident in his heart. If Qian Xiaohan was taking action, David would not be able to resist!

The successive battles have consumed too much of David's strength, and he needs to replenish it!

In the tavern, the young master Ming glanced at Lin Chong and said slowly: "The people from Sun and Moon City have also arrived, and the people from Lian Sanmen are finished!"

"Ming Shao, should we take action?"

asked the red-haired old man!

Now Lian Sanmen has joined the Four Underworld Palaces, that is, the people of the Four Underworld Palaces. If there is danger, they can't stand idly by!

"Watch slowly, don't worry about it for the time being, these people have not completely surrendered."

Ming Shao said lightly.
