Chapter 4836

The cloth-robed man turned to leave, and at the moment the man turned around, David suddenly swung out a sword!

The void around him exploded instantly, and thousands of sword rains rushed towards the man!

The cloth-robed man's body instantly disappeared from the spot, and when he appeared again, he had already dodged the thousands of sword rains!

"Sword cultivator?"

The cloth-robed man looked at David in surprise!

"Senior, I am an omnipotent cultivator, I know everything!" David laughed!

"I don't care what kind of cultivator you are, you also have a taste of my sword rain..."

After the cloth-robed man finished speaking, a long sword suddenly appeared in his hand, and thousands of sword rains burst out towards David!

David frowned, he didn't expect the other party to also use a sword, and his strength was not bad! Boom

!

David hurriedly waved his sword to resist, bursting out with an invincible sword intent!

In an instant, the whole world turned into a sea of swords!

Lin Keting and the sisters Hongyao and Lanyao dodged far away!

The sword intent of David and the cloth-robed man collided fiercely in the air. The sword light was like a rainbow, and the sword energy was crisscrossed. The whole mountain seemed to be submerged in the sea of swords.

The figures of the two shuttled in the sword rain, and the speed was so fast that it was almost impossible to capture with the naked eye.

David felt that the opponent's sword intent was extremely sharp. Every sword carried a destructive force, as if to tear the world apart.

He did not dare to be careless. The long sword in his hand danced like the wind. The sword light flashed and formed a sword curtain, trying to resist the opponent's offensive.

"Your swordsmanship is good, but it's still far from it!"

The cloth-robed man sneered, and the long sword in his hand shook suddenly. The sword light instantly turned into thousands of sword shadows, pouring down like a rainstorm.

David frowned. He knew that the opponent's swordsmanship had reached a very high level. With his current strength alone, he might be difficult to resist.

But he did not retreat. Instead, he continued to perceive the opponent's sword intent in the battle, trying to find flaws in it.

The long sword in David's hand suddenly accelerated, and the sword light was like lightning, instantly breaking through the opponent's sword curtain and pointing directly at the throat of the man in cloth robe.

A flash of surprise flashed across the eyes of the cloth-robed man, but he soon regained his composure.

He flashed and easily avoided David's fatal blow, then backhanded a sword, the sword light was like a dragon, and went straight to David's chest.

David felt a strong sense of oppression, and he knew that if he was hit by this sword, he would definitely die.

He didn't dare to take it hard, and his figure quickly retreated. At the same time, his figure flashed and disappeared in an instant, and then appeared behind the cloth-robed man, and the long sword in his hand suddenly stabbed out.

The cloth-robed man seemed to have expected it, and his figure flashed and easily avoided David's attack.

Then he backhanded a sword, the sword light was like lightning, and went straight to David's back.

David felt a chill, he knew he couldn't avoid it, and could only choose to take it hard.

The long sword in his hand shook suddenly, and the sword light instantly turned into a huge sword shadow, colliding with the opponent's sword light.

“Boom!”

The two powerful sword intentions collided violently in the air, and the entire mountain was shaken.

David felt a strong recoil force, and his figure involuntarily stepped back a few steps, with a trace of blood flowing from the corner of his mouth.

The cloth-robed man did not stop, and thousands of sword rains were like surging tides, one after another.

Each sword energy contained a powerful force, as if to tear this space apart.

David resisted with all his strength, and the Dragon Slaying Sword in his hand danced in the dense sword rain, bringing up circles of silver light arcs.

Every time he swung the sword, it was accompanied by the harsh sound of metal collision, like beating a war drum.

“Hmph, you have some skills!”

The cloth-robed man snorted coldly, and the long sword in his hand shook violently, and the density of the sword rain instantly increased several times. David secretly complained in his heart. This man’s swordsmanship was not only powerful, but also varied, which made him a little overwhelmed.

But the unyielding spirit in his bones was completely stimulated, and he roared: “Then give it a try!”

“Nine Shadow Swordsmanship...”

David displayed his unique sword skills and poured all his spiritual power into the sword without reservation.

Chapter 4837

With the six figures appearing at the same time, David, who was originally fighting alone, now surrounded the cloth-robed man!

The sword of the Dragon Slaying Sword shone brightly, and every time the sword was swung out, it was full of unstoppable momentum, as if to completely destroy all obstacles in front of it.

“Eh...”

The cloth-robed man frowned, and the long sword in his hand suddenly inserted into the ground!

“Stand still like a mountain...” The

cloth-robed man shouted, and at the same time, countless long swords appeared around him, surrounding the cloth-robed man!

The cloth-robed man did not move, but the long swords around him seemed to be constantly attacking according to the cloth-robed man’s wishes!

For a moment, the sword moves of the two collided fiercely in the sea of swords, and sword energy overflowed. Wherever they went, the rocks on the mountain peaks collapsed and turned into powder.

The sword energy cut deep gullies on the ground, and the entire mountaintop seemed to be ravaged by a giant hand.

In this fierce battle, David gradually fell into a wonderful state.

There were no other distractions in his mind, and his eyes were only the sword moves of the man in front of him.

Every time the opponent drew his sword, every movement, was clearly presented in his eyes like a slow motion.

He began to understand something new from the opponent’s swordsmanship, and those complex sword moves gradually became clear and organized under his understanding.

“So that’s it, the flaw of this move is here...”

David muttered in his heart, and the six clones instantly merged into one!

At the same time, the dragon-slaying sword in David’s hand suddenly changed its trajectory, no longer blindly resisting and attacking.

Instead, it cleverly avoided the edge of the man’s sword moves and looked for the weak points in it to counterattack.

The cloth-robed man noticed David's change, and a trace of surprise flashed in his eyes: "It's interesting that you can comprehend new sword meanings in battle, but do you think you can beat me like this?" The

cloth-robed man also moved, and the momentum of the whole person rose sharply.

His swordsmanship also changed dramatically. The sword rain that originally won by numbers became more condensed.

Each sword energy seemed to contain the power to destroy the world. Wherever the sword energy passed, the space was slightly distorted.

"Meteoric Sword Domain!"

With a shout from the cloth-robed man, countless sword qi gushed out from the earth veins, like the Milky Way hanging upside down.

These sword qi are not ordinary energies. Each one contains the trajectory of the stars, and carries a sense of oppression like the gravity of the celestial body.

David felt that his feet were trapped in the mud, and the meridians all over his body were aching slightly under the power of the stars.

The Dragon Slaying Sword in David's hand was instantly inserted into the ground. With the crazy operation of the Concentration Heart Technique in David's body, it actually absorbed all the meteoric sword qi within ten feet around.

The cloth-robed man's pupils shrank slightly, and the vacuum zone that suddenly appeared in the sword domain caused his offensive to stagnate for a moment.

"You can actually absorb sword qi?"

The cloth-robed man's sword momentum suddenly changed.

The long sword in his hand drew a mysterious trajectory, and the sword light split into yin and yang fish. The left half of the sword light was as blazing as the sun, and the right half of the sword light was as cold as the moon.

Boom!

A blinding light burst out from the intersection of sword energy. The Chaos Sword Wheel collided with the Sun and Moon Wheels, and actually tore three dark cracks in the void.

David's palm was broken, and the long sword almost slipped out of his hand. His body was cracked into a net-like shape, and blood kept flowing out.

David looked at the cloth-robed man with shock in his eyes. He didn't expect that the guardian of the second heaven would be so perverted?

How did Yun Li and others get to the fourth heaven?

"David, are you okay?" Lin Keting asked nervously when she saw this!

Hong Yao and Lan Yao were also confused.

"Sister, when we challenged him just now, this guy didn't seem so powerful, right?"

Lan Yao asked!

"Absolutely not, is this guy deliberately targeting Mr. Chen?"

Hong Yao also felt very strange. If the cloth-robed man just now was so powerful, they sisters would probably be defeated in one move!

"Are you targeting me?" David asked the man in the cloth robe!

"Why do you ask that?" The man in the cloth robe was puzzled!

"fu**, with your current strength, no one will easily rush to the fourth level, you can't pass this level!"

David was very angry, this was too unfair!

"You are obviously very powerful, but you hide your strength and pretend to be in the third level of the Mahayana Realm. You can lie to me, but can't you let me target you?"

The man in the cloth robe laughed!

"I am in the third level of the Mahayana Realm, when did I lie to you?"

David roared, very angry!

"How is it possible? The third level of the Mahayana Realm can never have this strength!" The man in the cloth robe didn't believe it!

"You come to check, I won't move, you see what realm I am in!"

David opened his hands and let the man in the cloth robe check directly!

Seeing this, the man in the cloth robe hit David's body with a divine sense!

"Huh? It's really the third level of the Mahayana realm. You are really amazing!"

The cloth-robed man seemed very surprised.

"I'm so unlucky that you beat me so hard..." David said speechlessly!

"I'm really sorry. I'll give you the pass mark now, and you can go to the next level!"

The cloth-robed man smiled awkwardly!

"I don't want the mark, I just want to know what the senior's name is?" David asked!

"Li Chunfeng..." The cloth-robed man clasped his fists: "Daoyou are so powerful at such a young age. I guess your life experience is extraordinary. I don't know your name?"

"My name is David. I don't know if you are acting as a guardian here voluntarily or forced?"

David asked deliberately!

In fact, David knew that these people were prisoners. Nan Batian had said it long ago!

"Who can volunteer to be in this place where there is no shit? I am imprisoned here, otherwise I would not let them go."

"I let almost all the cultivators at my level go up, so that I can also get a relief!"

Li Chunfeng said!

"Senior is not bad, but I don't know why you are imprisoned here?"

David asked curiously!

"Can't say, can't say..." Li Chunfeng shook his head again and again!

"Senior, if I can save you from here, I don't know how you will repay me?"

David really wanted Li Chunfeng to work for him, but it was not easy to say it!

"Don't talk nonsense, I have a prisoner mark on my body, and I can never leave here unless I am pardoned."

“Don’t be ridiculous, I’ll give you a mark, you’d better leave!”

Li Chunfeng didn’t believe what David said at all!

“Old Li, Mr. Chen is not joking.” At this time, the figure of Nan Batian appeared!

When Li Chunfeng saw Nan Batian, he couldn’t help but be stunned: “Batian, why are you here, aren’t you also imprisoned?”

“I was imprisoned on the first floor, I didn’t expect it to be you on the second floor...”

Nan Batian smiled!

“Why, do you two know each other?” David said in surprise!

Nan Batian chuckled: “It’s not just me who peeked at the Golden Immortal’s daughter bathing. We both watched together...”

David was stunned and looked at Li Chunfeng in disbelief!

Wearing a long robe, holding a long sword, and looking like an immortal, how could he do such a thing?

“Shut up...” Li Chunfeng glared at Nan Batian!

David finally understood why Li Chunfeng didn’t say why he was imprisoned just now, because he was embarrassed!

“Old Li, Mr. Chen can break the prison seal and help you leave here. You just need to be loyal to Mr. Chen for three hundred years.”

Nan Batian said to Li Chunfeng!

“Really?” Li Chunfeng looked at David!

David nodded: “Not bad!”

“To break the prison seal, you need to suffer heavenly punishment. Can your strength withstand the power of the Golden Immortal’s Heavenly Dao?”

Li Chunfeng looked at David and asked in disbelief!

David looked at Li Chunfeng and found that this man was more honest than Nan Batian. Nan Batian didn’t tell him, and he was almost destroyed by heavenly punishment!

Chapter 4839

“The power of the Heavenly Dao of a mere Golden Immortal is nothing to worry about...”

David said calmly!

Li Chunfeng looked at David in shock, and said in disbelief: “Daoyou, are you bragging?”

A third-grade cultivator in the Mahayana Realm actually said that the Heavenly Dao power of the Golden Immortal is nothing to worry about. If this is not bragging, what is it!

“Old Li, what are you talking about? How could Mr. Chen be bragging!”

“The Heavenly Dao power of the Golden Immortal, Mr. Chen doesn’t even need to take action, his little pet can break the Heavenly Dao power!”

Nan Batian said!

“Is that really the case?”

Li Chunfeng frowned, and couldn’t believe it!

David didn’t waste any words, and directly broke the prison seal for Li Chunfeng!

“Boy, think about it. My Sky Devouring Beast can’t come out whenever it wants.”

“If the punishment comes and my Sky Devouring Beast doesn’t appear, can you resist it yourself?”

asked the Red Cloud Demon Lord!

David stopped his action instantly when he heard it, and hesitated for a moment!

“Mr. Chen, this old Li doesn’t believe it, you break it for him to see...”

Nan Batian urged!

“I don’t believe it anyway...” Li Chunfeng said!

“Give it a try!”

After David finished speaking, he pressed his palm directly on the ground, and the Avenue Prison Seal appeared instantly, with the same red lines, and Li Chunfeng's blood flowing in it!

David used the same method to break the prison seal on Li Chunfeng's body!

Li Chunfeng only felt that a force in his body disappeared instantly, and then his consciousness entered his body, and he found that the prison seal in his body was gone!

"It's really broken, it's really broken, and I'm free!"

Li Chunfeng jumped up with joy, like a child!

I thought I would be trapped in this place for the rest of my life, but I didn't expect to escape.

For him, this is a great opportunity!

"Thank you, Mr. Chen..."

Li Chunfeng saluted David respectfully!

"Don't be polite, senior. I will give you freedom. If you serve me for three hundred years, it can be regarded as an equal exchange!"

David said!

Li Chunfeng shook his head: "Even if I serve Mr. Chen for three hundred years, I have to thank Mr. Chen. Mr. Chen can be regarded as my reborn parents."

"Senior, you are too polite!" David waved his hand and asked: "Senior, I don't know if you are the same as Senior Nan Batian, and your strength is also imprisoned?"

"Yes, my current strength is less than 30% of my peak. If I were at my peak, even if Mr. Chen was talented, he couldn't stop my sword."

Li Chunfeng said!

After hearing this, David was very excited. These were all very powerful immortals. When they recovered, even if he went to heaven, he would be able to walk sideways and not be bullied!

He couldn't always rely on Mr. Shi. He had to have his own power!

Although he hadn't ascended to heaven yet, David already had many friends and helpers in heaven!

Several big demons, Taoist Wuji, the old ancestor of the divine pattern, the array demon, plus Nan Batian and Li Chunfeng... These were all people from heaven. When the heaven and earth array disappeared, they would all return to heaven! The more David thought about it, the more excited he became! But at this time, the earth trembled, and a terrifying force descended from the sky!

"Mr. Chen, be careful, the punishment from heaven is coming..." Li Chunfeng reminded loudly! Everyone retreated one after another. After all, this was the power of the heavenly way of the golden immortal. No one dared to resist! Seeing this, David activated his indestructible golden body, and spiritual energy protected his body. He silently chanted in his heart: "Little Heaven Devouring Beast, come out quickly, Heaven Devouring Beast, come out quickly..." But the more anxious David was, the less movement the Heaven Devouring Beast made! Seeing that the power of heaven was about to hit David, David closed his eyes tightly, clenched his teeth tightly, and could only fight!

Chapter 4840

Boom!

Finally, the power of heaven bombarded David, and the little swallowing beast did not appear in the end!

Accompanied by a huge explosion, the entire mountain was razed to the ground, and David's figure disappeared!

Where David stood, a big pit with a depth of 100 meters had already appeared!

"David..."

Seeing this, Lin Keting was anxious to rush up!

But she was stopped by the sisters Hongyao and Lanyao: "Don't go up, with your strength, you will become ashes before you get close!"

Nan Batian and Li Chunfeng also looked at it in shock!

"This...Li

Chunfeng glanced at Nan Batian.

“What’s the matter?” Nan Batian was also confused.

“You just said you were not bragging, why is it like this now?”

Li Chunfeng asked!

“How should I know, it seems not right!”

Nan Batian scratched his head.

“Do you want to go and have a look?” Li Chunfeng asked!

“The power of heaven is not over yet, can you resist it?” Nan Batian said!

“No!”

“I can’t either...”

“Wait!” Li Chunfeng gave up the idea of going over to have a look!

At this moment, a dragon roar suddenly sounded, and then golden light emerged from the 100-meter deep pit!

I saw a big bell emitting golden light slowly floating up from the deep pit!

Around the golden bell, an extremely huge dragon was circling!

And David’s body was not hurt under the big bell!

“What treasure is this?” Nan Batian was shocked!

“It can resist the power of heaven of the Golden Immortal. This thing is a divine thing.”

Li Chunfeng also widened his eyes, his face full of incredible!

Buzz!

As the dragon pattern bell emitted a buzzing sound, the power of heaven disappeared instantly!

David’s body slowly fell, and the dragon pattern bell disappeared at the same time!

“Mr. Chen, are you okay?”

Nan Batian and Li Chunfeng both surrounded him!

“Humph, the power of the heavenly way of a mere golden immortal is not a concern...”

David said calmly!

But no one noticed that David’s legs were trembling at this time. If it weren’t for the last moment, David offered the dragon pattern bell, it would have been destroyed by now!

“Mr. Chen, I still underestimated your strength. You actually have such a magical object on you. If you take it out, I am not your opponent at all!”

Li Chunfeng said very seriously!

David smiled: “I still have a lot of this kind of thing in my storage ring. It’s not a magical object...”

After listening to David’s words, Li Chunfeng said nothing more!

At this moment, he didn’t dare to say that David was bragging!

After all, he is really awesome!

“I have some fairy stones here. You can use them first to restore your physical strength. Although I can’t help you return to the peak, it won’t reduce your strength!”

David took out a storage bag and threw it to Li Chunfeng!

Li Chunfeng took the fairy stone and said awkwardly: “Mr. Chen, you helped me out of trouble and gave me resources. How can I repay you...”

“If you want to repay me, there are plenty of opportunities. I have offended the people of the temple, so you have to help me in the future!” David said!

“Temple?” Li Chunfeng was stunned: “The temples created by the gods who claim to have superior bloodlines?”

” “Yes, you know it too?”

David asked!

“Of course, the people of this group of temples are very arrogant and arrogant. When they were in heaven, not many people liked these guys.”

Li Chunfeng said!

“Senior, have you dealt with people from the temple?” David asked curiously!

“I have dealt with it. I once compared swordsmanship with a hall master of the temple, and I lost in the end...”

Li Chunfeng said!

“How many hall masters?” David was surprised.

You know, when Li Chunfeng was at his peak, he must have been very powerful. I didn’t expect that he would lose to a hall master of the temple!

It seems that the strength of this temple is really powerful.

“The third hall master...” Li Chunfeng said!

“That’s good...” David let out a long sigh!

After the third hall master, there are still the fourth, fifth, sixth, seventh, and eighth hall masters. He should not be in any danger for the time being!

After all, it is impossible for the temple to send the third hall master to deal with him all at once!
