Chapter 4858

Huo Zhenfeng put away his storage bag, then took out a Huo family token, and then forced a drop of blood into it!

Boom!

From the Huo family token, a beam of light shot straight into the sky!

In an instant, a terrifying majesty swept across the world, and everyone felt this pressure!

all looked in the direction of the beam of light!

At this moment, David was in the moment of tribulation, and thunder tribulations rolled in the clouds!

Lin Chong, Taoist Wuji and others all frowned!

“Is there a helper behind that young master Ming?”

Everyone began to get nervous!

These evil corpses in front of them were very difficult to deal with. If the other party came with masters, how could they fight?

As the pressure was getting closer and closer, a middle-aged man in a green robe slowly appeared. The middle-aged man was thin and didn't look like a master at all!

And it was obvious that this middle-aged man was not the real body, and the aura on his body could not detect the realm strength at all!

Ming Shao was also slightly stunned when facing the middle-aged man who appeared, and his unruly look was also restrained!

“What's the matter?” The middle-aged man looked at Huo Zhenfeng and asked!

“Ancestor, my Huo family is in trouble.”

Huo Zhenfeng said!

But the middle-aged man waved his hand: “Don’t shout nonsense, I’m not the ancestor of the Huo family, your Huo family token can only summon a character like me to help you.”

Obviously, this middle-aged man is not the ancestor of the Huo family, and he doesn’t look very powerful in the Huo family!

Huo Zhenfeng was stunned and a little at a loss. After all, after he became the head of the Huo family, this token has been passed down from his ancestors. It is said that when the Huo family is afraid of difficulties, they can summon the ancestors of the Huo family!

Seeing Huo Zhenfeng’s expression, the middle-aged man explained, “My name is Huo Zhao, and I am the elder of the Huo family. You are just a branch of the Huo family, and you want to call out the ancestor. Isn’t that a joke?”

Huo Zhenfeng was embarrassed when he heard it. They were indeed a branch of the Huo family. You have to know that many of the Huo family’s direct descendants are serving in the temple!

You can imagine how powerful the Huo family’s direct descendants are!

Just this elder alone, who is not even the real body, is probably no match for anyone present!

“Elder Huo, now my Tianren Realm Huo family is suffering from a catastrophe, please help save it.”

Huo Zhenfeng said!

Huo Zhenfeng glanced at the people in the field, looked at the heaven and earth thunder tribulation, and his expression became solemn!

“Is there anyone in the Tianren Realm who can cause such a thunder tribulation?”

Huo Zhao frowned slightly!

“Elder Huo, it was that kid who caused the thunder tribulation, he is crossing the tribulation...”

Huo Zhenfeng pointed at David and said!

In fact, even if he didn’t say it, Huo Zhao could find out. After all, he was not blind and could still see who the thunder tribulation hit!

“A mere Mahayana realm, but it attracted such a terrifying thunder tribulation. This boy is definitely not an ordinary person, and he seems to have the blood of three clans.”

“Why do you want to provoke such a person? Are you asking for trouble?”

Huo Zhao looked at Huo Zhenfeng with some dissatisfaction!

“Senior, this David is my enemy. I want to kill him, and the head of the Huo family is helping me!”

Ming Shao said!

“Who are you?” Huo Zhao asked!

“Four Hades, Young Master Ming!” Young Master Ming said very pretentiously!

“Four Hades? Never heard of it!” Huo Zhao shook his head, then looked at Huo Zhenfeng and said, “You actually used the Huo family token to help others. You should know that each of your side branches only has one Huo family token. How can you use it casually unless it is a matter of life and death!”

Huo Zhao was a little dissatisfied. Huo Zhenfeng actually used the Huo family token to recruit him in order to help others!

“Elder Huo, the Four Hades is very powerful in the Heavenly Realm, and has many resources. It just gave us 500,000 fairy stones.”

“This Wuwang land is very barren and has no resources at all. If my Huo family wants to develop, we can only cooperate with others!”

Huo Zhenfeng hurriedly explained!

When Huo Zhao heard this, he snorted coldly: “The side branches of the Huo family have fallen to such a state that they have to rely on others?”

“Forget it, since you have recruited me, I will help you this time. If you are in danger again in the future, no one can take care of you!”

Chapter 4859

After Huo Zhao finished speaking, he took a step forward and went directly towards David!

At this moment, David was going through the tribulation, and terrifying thunder tribulations kept bombarding David!

“All the monks in Sun Moon City listen to my order and swear to protect Mr. Chen to the death.”

“Don’t let him get close...”

Lin Chong roared!

When many monks in Sun Moon City heard this, they all burst out with their last breath!

Just after the battle, they had not had time to recover. These monks in Sun Moon City knew that they were now facing Huo Zhao, which was like an egg hitting a rock!

But Emperor Lin had an order, and they had to obey, even if it meant sacrificing their lives!

These monks in Sun Moon City formed a human wall in front of David, and they wanted to protect David with their lives!

“I’ll block his attack...”At

this time, the Ten Palace Masters flashed and all the breath in their bodies burst out!

“A person from the Temple?” Huo Zhao frowned when he saw the Tenth Hall Master!

“Yes, I am the Tenth Hall Master of the Temple!”

The Tenth Hall Master nodded!

“Since you are a person from the Temple, why do you want to help that guy named David?”

“I tell you, I am the elder of the Huo family, but I am also the Eighth Hall Master of the Temple. I order you to leave quickly!”

Huo Zhao said coldly to the Tenth Hall Master!

Many people from the Huo family serve in the high-level positions of the Temple, and Huo Zhao is one of them!

“I advise you to leave. Mr. Chen is not someone you can deal with. When the master behind Mr. Chen comes, it will be too late for you to cry!”

The Tenth Hall Master said to Huo Zhao!

“How dare you, the little Tenth Hall Master, talk to me like this, you are tired of living...”

Huo Zhao frowned, and then his palm suddenly slapped down!

The Tenth Hall Master gritted his teeth, did not dodge, but burst out with all his strength and punched out!

Boom!

The Tenth Hall Master's punch was so powerful that the sky collapsed and the earth cracked, the sun and the moon lost their light, and the terrifying fist wind was like a storm!

But such a terrifying punch, after touching the power of Huo Zhao's casual palm, directly shattered and disappeared without a trace in an instant!

At the same time, the Tenth Hall Master felt a powerful force coming!

The body of the Tenth Hall Master, like a kite with a broken line, flew backwards, and then fell heavily to the ground!

“Father...”

Seeing this, Yun Li hurried over to check!

“The opponent is too strong to stop...”

The Tenth Hall Master spit out blood, his face full of helplessness!

This is still the case when the opponent is not the real body. If the opponent is the real body, he would have been wiped out with just one palm!

Taoist Wuji and Lin Chong looked at each other, their faces full of helplessness. They could see that Huo Zhao's strength was not ordinary with just that palm!

Li Chunfeng and Nan Batian jumped up: “Little brat, get out now, we two will spare your life.”

Huo Zhao glanced at Li Chunfeng and Nan Batian, and said in surprise: “Heavenly cultivators, are you two trapped in this heavenly world?”

“Leave it to yourselves, we told you to get out quickly, otherwise we will not be polite!”

Nan Batian roared!

Huo Zhao smiled: “Even if you two are heavenly cultivators, what can you do? You two have at most one-third of your strength left. Even if you join forces, you are not my opponent.”

“I don’t want to make too many enemies, so I will spare your lives because you two are heavenly cultivators. Get out!”

Huo Zhao said coldly!

“fu** you...”

Nan Batian punched him!

Seeing this, Li Chunfeng also waved his sword and rushed forward. They couldn’t watch Huo Zhao attack David at this time!

The two attacked Huo Zhao together. Seeing this, Lin Chong and Wuji Taoist also rushed up!

At this time, there was no such thing as using numbers to bully the few. They were all in a mess and had to work together to hold back Huo Zhao!

Four people versus Huo Zhao alone...

Chapter 4860

David was still sitting on the ground, enduring the constant bombardment of terrifying thunder tribulations!

In addition to the terrifying thunder tribulations between heaven and earth, Huo Zhao and Lin Chong and the other four were also fighting back and forth!

The four of them couldn’t do anything to Huo Zhao!

“Damn it, if I didn’t only have one-third of my strength left, I would have killed you long ago!”

Nan Batian was so angry that he cursed when he saw that the four of them couldn’t defeat Huo Zhao!

Originally, their strength was suppressed to almost nothing, and after a hard battle, they consumed a lot of immortal power!

Now fighting with Huo Zhao, it was obviously too much effort!

And Huo Zhao was well-rested, so he didn't lose the upper hand against the four of them!

"You four, get out of my way..."

Huo Zhao shouted loudly, and a terrifying aura swept over. Lin Chong and the other four tried their best to resist, but they were still knocked out in the end!

There was really no way, they were consuming too much energy!

After knocking Lin Chong and the other four away, Huo Zhao went towards David!

Many monks in Sun Moon City all rushed towards Huo Zhao desperately!

Boom!

Boom!

Boom!

Each sound represented the death of a monk in Sun Moon City. In front of Huo Zhao, these people had no power to fight back!

"David, break through quickly, break through quickly..."

Lin Keting looked at David and prayed anxiously!

After killing more than ten monks in Sun Moon City in a row, Huo Zhao punched David!

David suddenly opened his eyes, and golden light burst out between heaven and earth, and the thunder clouds that filled the whole world slowly dissipated!

David, who was at the sixth level of the Mahayana realm, actually broke through two small realms at once!

But just as David opened his eyes, a dangerous breath came!

He could feel the breath of death. Huo Zhao's punch made David feel as if countless mountains were pressing on him, and he couldn't move at all!

Is he going to sit there and wait for death just after breaking through?

David was very unwilling in his heart. Suddenly, the Dragon Family on his chest flashed, and the power of the three clans in his body continued to surge out. At the same time, the indestructible golden body wrapped around David's body!

Boom!

This punch instantly defeated David's indestructible golden body, and at the same time, the power of the three tribes that was activated was also suppressed!

David was even knocked back a hundred miles!

"David..."

"Mr. Chen..."

Everyone shouted in surprise!

David's figure disappeared, and Huo Zhao's mouth curled up!

A mere Mahayana cultivator could be killed with one punch. After all, Huo Zhao was also an immortal. Although the one summoned was not the original body, it was not something that a Mahayana cultivator could resist!

But just when Huo Zhao was complacent, a golden light came quickly!

When the golden light stopped, everyone realized that it was David. David was knocked back a hundred miles, but he was not seriously injured!

This made Huo Zhao's face full of shock!

David glanced at the bodies of the Sun and Moon City cultivators on the ground, his eyes full of murderous intent.

"Did you kill all these people?" David asked!

"Yes!" Huo Zhao nodded!

David looked at the Sun Moon City monks who died to protect him, and suddenly became crazy!

"I want you to die..."

David roared, the power of the three clans, the power of the dragon, the evil spirit of the Dao pattern...

all the power rushed into the Dragon Slashing Sword!

David grabbed the Dragon Slashing Sword with both hands and slashed towards Huo Zhao fiercely!

Boom!

When the sword was slashed, a piercing buzzing sounded!

Huo Zhao sneered and punched out casually!

Countless sword lights shattered, and David was knocked back again!

Although David directly improved two realms, there was still a big gap between him and Huo Zhao!

David let go of the Dragon Slashing Sword and held the God King Bow in his hand!

Pulling the bowstring, the evil spirits around instantly poured into the God King Bow!
