Chapter 4871

Senior, I didn't mean it. It's just that you are too weak to fight!"

David said a little embarrassedly!

"Nonsense, I can't fight? I just beat you, a small Mahayana realm, to vent my anger!"

"Come again..."

The Confucian scholar jumped up high and rushed straight to David!

David had the experience of the first sword, so the dragon-slaying sword in his hand did not exert its full power! Bang

!

David slashed out with another sword, and the Confucian scholar's body was knocked away by the sword again, and there were several more wounds!

"What's going on?"

The Confucian scholar looked at the wounds on his body, his face flushed with anger!

He couldn't figure out why his strength suddenly dropped so much?

He had a few moves with others the other day, and his strength didn't drop!

What's going on?

"Put away your sword, let's fight!"

The Confucian scholar looked at the Dragon Slaying Sword in David's hand, knowing that this sword must not be an ordinary thing, it should be a problem with the sword!

"Okay!"

David nodded and put away the Dragon Slaying Sword!

Seeing David put away the Dragon Slaying Sword, the Confucian scholar gritted his teeth, his eyes burst into a fierce color, and rushed towards David again!

David looked at the Confucian scholar who rushed over, and he no longer had the worry at the beginning, but instead showed a sneer on his face!

“Holy Light Fist...”

David punched out, and a golden light burst out!

Bang!

The Confucian scholar was knocked out again, his body fell heavily to the ground, and he spit out blood.

This time, David was completely relieved. It turned out that the guardian of the third floor was not good, and he had no real skills!

But the Confucian scholar looked like he had no desire to live!

“How is it possible?”

The Confucian scholar roared!

Hearing the movement in the hall, Li Chunfeng also slowly walked into the hall!

When he saw the Confucian scholar with wounds all over his body and in such a miserable state, he looked at David in disbelief!

He also didn't understand when David became so powerful.

With just three punches and two kicks, the guardian of the third floor was dealt with!

“Senior Li, the guardian of the third floor is not as good as you and Nan Batian!”

David followed Li Chunfeng to explain!

Li Chunfeng was stunned, and looked at the Confucian scholar again, and suddenly drew his sword and slashed!

The action was as smooth as flowing water, and it was done in one go...

“What are you going to do?”

The Confucian scholar was shocked and hurriedly resisted, but was still knocked away by a blow, and there was another scar on his body!

Li Chunfeng asked in confusion: "With your strength, how can you say that our guardians of the first and second floors are rubbish?"

"Who are you?"

The Confucian scholar looked at Li Chunfeng in shock when he heard it!

"I am the guardian of the second floor, Li Chunfeng..." Li Chunfeng said!

"Impossible, if you are a guardian of the second floor, how can you leave the second floor world?"

The Confucian scholar shook his head and didn't believe it at all!

"I was able to escape, thanks to Mr. Chen, who helped me remove the prison seal and resist the punishment of heaven!"

Li Chunfeng said!

The Confucian scholar looked at David in shock: "You, a Mahayana cultivator, can break the prison seal and resist the punishment of heaven?"

David nodded and did not speak!

"I don't believe it, unless you help me break it too." The Confucian scholar said!

"I can help you break it, but there is a price."

David said!

"What price?" The Confucian scholar asked.

"Of course, follow me for three hundred years, listen to me, and fight for me."

"But with your strength, you really can't help me, you are too weak."

David looked at the Confucian scholar and said!

"I am not weak, I am a celestial being in heaven, even if I am weak, how could I lose to a Mahayana cultivator like you."

"It's just that my realm is suppressed, and now my strength is less than one-tenth."

The Confucian scholar retorted loudly.

“Then why are you imprisoned here?” David looked at the Confucian scholar curiously: “It’s not because of watching a big girl taking a bath?”

“Nonsense, I am a scholar, how could I do such a vulgar thing.”

The Confucian scholar said angrily!

Chapter 4872

Li Chunfeng on the side was embarrassed and ashamed!

“Then why were you imprisoned? Tell the truth, I can help you remove the prison seal.”

David asked curiously!

“I... I... I just accidentally touched the buttocks of a female fairy. Who knew that her father was a golden fairy, so he imprisoned me here!”

The Confucian said with a guilty conscience!

The voice of the speaker was getting smaller and smaller. It seemed that it was definitely intentional, not accidental!

After listening, David held back his laughter and looked at Li Chunfeng. It seemed that they had offended the same female fairy!

“I will help you break the prison seal, and you will serve for three hundred years, how about it?”

David asked!

“Okay, but if you break the prison seal and suffer heavenly punishment, if you die, I don’t care!” www.vodtwla.cc

said the Confucian!

“Don’t worry, I don’t even look down on the punishment of a mere Golden Immortal!”

David said, and suddenly pressed his palm on the ground of the hall!

As the light slowly rose from the ground of the hall, the prison seal also slowly appeared. Like the prison seals of Nan Batian and Li Chunfeng, red blood flowed inside the prison seals!

But just when David was about to break the prison seal, it suddenly trembled and disappeared!

The Confucian scholar was stunned, then moved his body, his face full of shock!

“The prison seal disappeared...”

said the Confucian scholar.

David was stunned and stayed on the spot: “Why did he run away?”

“Mr. Chen, the prison seal must be afraid of you, so he ran away as soon as you made a move!”

Li Chunfeng saw this and hurriedly explained!

“Don’t talk nonsense, the prison seal is just a mark, and it has no independent consciousness, how could it suddenly escape by itself.”

“It must be the person who laid the prison seal and suddenly withdrew it.”

“Could it be that this Taoist friend has some kind of friendship with the Golden Immortal who imprisoned me?”

The Confucian scholar looked at David curiously and asked!

David shook his head. How could he have a friendship with the Golden Immortal? He didn’t even know him!

“Senior, you are free now, don’t forget your promise!” David said!

“Of course, since I promised you, I will definitely serve you for three hundred years.”

“But you have to be prepared for the next heavenly punishment. After you get through it, we can talk about other things!”

The Confucianist reminded David!

“You two stay away, don’t let it affect you!”

David felt more at ease with the previous two experiences!

If the little swallowing beast can't appear, he will use the dragon pattern bell to resist.

David took a deep breath, and his whole body was covered by the indestructible golden body, and the dragon pattern bell was ready at any time!

After making all the preparations, David waited quietly!

Soon, a vast force descended from the sky!

"Mr. Chen, be careful, the punishment of heaven is coming..."

Li Chunfeng reminded David!

David nodded, and all the strength in his body was gathered together to form layers of shields around his body!

Ding...

Just when David was preparing to meet the impact, there was a sudden crisp sound!

It was like a hammer, knocking on David's head!

After the sound, the vast power of the way of heaven disappeared and dissipated in an instant!

Li Chunfeng: "....."

Confucian: "....."

David: "....."

The three people were petrified directly, no one moved, and no one spoke!

They didn't understand, when did this heavenly punishment become like this?

This is not even as powerful as an ordinary person using a big rock to hit!

Is this the power of heaven of the Golden Immortal?

David couldn't figure out what happened!

David didn't know that someone was giving him water!

It's just that the water was a little too big!

“I said it a long time ago, a mere Golden Immortal is not worth mentioning...”

David put away all his magical powers and said in a pretentious manner!

The Confucian and Li Chunfeng looked at David with admiration!

How many years has he been practicing? What realm is he at?

Compared with David, they, the immortals who have practiced for tens of millions of years, really should find a rat hole to crawl into!

Chapter 4873

“I am Shen Zhiyan, and I pay my respects to Mr. Chen...”

The Confucian scholar knelt on one knee, which was considered as complete submission to David!

“Get up!” David waved his hand!

After Shen Zhiyan stood up, he asked David: “Mr. Chen, do you want to go to the next level?”

“Of course!” David nodded!

“Mr. Chen, the guardian of the fourth floor is not easy to deal with, and the world of the fourth floor is also full of masters. If you go to the fourth floor, you’d better be careful!”

Shen Zhiyan persuaded David!

“I helped him remove the prison seal, can he still beat me?”

David smiled slightly!

But Shen Zhiyan shook his head and said, “The guardian of the fourth floor is not imprisoned here by others. He imprisoned himself here and practiced hard. So you want to help him remove the prison seal and give him freedom. I’m afraid it won’t work.”

“Practicing in self-imprisonment? Isn’t this a serious illness?”

David felt very strange when he heard it. Whose normal person would imprison himself?

“So I advise Mr. Chen to be cautious. Such people are generally not normal in their brains and are moody!” Shen Zhiyan said!

David was silent for a moment and said, “Is there any way to go directly to the fifth floor without passing through the fourth floor?”

“Definitely not. This ladder to heaven is to go step by step!”

Shen Zhiyan shook his head!

“Who cares? Let’s go to the fifth floor first!”

“But how can your strength be suppressed so much? You’d better find a way to recover. Otherwise, with your strength, it’s easy to be killed by others in the world of heaven and man!”

After David finished speaking, he took out a storage bag and threw it to Shen Zhiyan, which was filled with fairy stones!

After a fierce battle with the young master Ming, although many people died on David’s side, they also gained a lot. Those people from Lian Sanmen, the Huo family and the four Hades Mansion brought a lot of resources with them!

David cleaned up a little and got a million fairy stones!

“Mr. Chen, I’m not as weak as you see. I don’t know why I was suddenly suppressed just now!”

“If we fight now, I’m afraid you are not my opponent.”

Shen Zhiyan said!

“How is it possible? I knocked you away with one punch!” David didn’t believe it!

Shen Zhiyan suddenly punched out and hit David directly, knocking David out!

David was caught off guard and flew out directly from the door of the hall. His body fell heavily on the ground, and his internal organs were upset!

“Damn, why don’t you say anything and suddenly attack?”

David frowned and said!

“This is called preemptive strike. You can only blame yourself for not being cautious enough!”

Shen Zhiyan smiled slightly!

“Okay, come again...”

After David finished speaking, he instantly turned into a golden light and disappeared. In just a blink of an eye, he appeared in front of Shen Zhiyan!

David’s Dragon Slashing Sword slashed out, and the terrifying sword intent enveloped Shen Zhiyan!

If this kind of attack happened in the situation just now, Shen Zhiyan would definitely be knocked out!

But this time, Shen Zhiyan suddenly had a book in his hand. The book kept flipping, and rays of light shot out between the flipping of the book like sharp blades!

David’s sword intent was instantly defeated, and countless light blades came towards David!

David’s body retreated rapidly, and at the same time, the indestructible golden body on his body made a bang bang bang sound!

When David left the hall, he saw that the indestructible golden body on his body had already had cracks!

Obviously, this Shen Zhiyan was many times stronger than before!

Shen Zhiyan followed Li Chunfeng out of the hall!

“Mr. Chen, are you okay?” Shen Zhiyan asked!

“Senior, when I was breaking through the level just now, did you let me win?”

David couldn’t believe it. It had only been a short time, and Shen Zhiyan’s strength had changed so much!

“I was almost beaten to death by you, and I was injured all over. Would I let you win?”

Shen Zhiyan looked helpless. He just suddenly stopped suppressing me. How could he let you win?

David didn’t know at this moment that it was the owner of the ladder who let him win!

Chapter 4874

David brought Li Chunfeng and Shen Zhiyan out from the third floor!

He found that there were not too many monks following him, and Ning Zhi and Sonya were not among them. The two may have passed the third floor and reached the fourth floor!

Without stopping, David took a look at the fourth floor of the ladder and climbed up resolutely!

Li Chunfeng and Shen Zhiyan followed closely behind. After all, they are now David's servants!

Although the guardian of the fourth floor is not easy to get along with, David still wants to try! I

can't get stuck on the fourth floor and never get up!

Just as David entered the fourth floor, a voice suddenly sounded: "David, you are also on the fourth floor?"

David was stunned: "Yun Li, didn't you go out?"

"I went out, but I can come in at any time. As long as the ladder doesn't disappear, I can enter the fourth floor at any time!"

"But when I came in this time, I found that the world on the fourth floor has changed again!"

"Look at the hall in front, that's where the guardian is. There is nothing around the hall, as if there is only this hall in this four-story world!"

"Before I went out, this was still a complete world. I don't know why, the world seems to have disappeared!"

Yun Li pointed to the hall not far away and said!

David took a look and his face was full of surprise, but he didn't know why it became like this!

Each floor is a world. The cultivators who enter need to find guardians in this world to challenge!

And they can also get resources in the world in this ladder!

But now, they have been teleported to the guardian's place as soon as they enter, and the world around them seems to have disappeared!

Not to mention the resources, it seems that entering here can only challenge, and it is impossible to practice with the resources in the world of the ladder!

"Whatever the case, let's go and take a look!"

After David finished speaking, he walked straight towards the hall!

"You have to be careful. There are not many people who can pass the guardian of the fourth floor!"

Yun Li reminded David!

David nodded.

When everyone walked to the hall, they found that the hall was pitch black, just like the underworld, exuding a strange breath!

When David and his friends walked to the entrance of the hall, there was a gust of gloomy wind around them, which was very cold. There was also a black cloud above the hall. In the black cloud, lightning kept flashing!

And in the hall, the sound of fighting could be heard. Someone should have challenged!

Then, there was only a scream, and a tall monk flew out of the hall.

The body of the monk turned into powder in mid-air, and his body and soul were destroyed!

Seeing this scene, David's face looked a little ugly. He didn't expect that the guardian of the fourth floor would kill people if he wanted to. It was nothing more than a challenge. If he couldn't challenge, he would just injure him. How could he destroy people's bodies and souls?

Yun Li's face also changed. He swallowed his saliva and said, "David, I think we should leave. The guardian of the fourth floor is a bit irritable!"

Li Chunfeng and Shen Zhiyan's faces also changed slightly!

They were imprisoned here, and they had no grudges with these cultivators from the Heavenly Realm. Generally, they would just injure them. Sometimes, they would just stop at a certain point and let them go!

For such a long time, they had never killed cultivators from the Heavenly Realm so brutally!

But the guardian of the fourth floor directly destroyed people's bodies and souls, which was a bit cruel!

"Since we are here, let's go in and take a look. We can't challenge him."

"It can't be that if we don't challenge him, he will still kill us, right?"

David said, and stepped in!

Chapter 4875

As soon as he entered the hall, David saw Ning Zhi, wearing a fiery red cape and a mask on his face!

Another female cultivator in the same attire was holding a flaming sword, looking indifferently at the dark place in the hall!

Ning Zhi also found David, and when he saw that David had reached the fourth floor, Ning Zhi's face changed slightly!

"Brother Ning, you have reached the fourth floor."

David took the initiative to go over and greet Ning Zhi!

Ning Zhi nodded, and when he saw Li Chunfeng and Shen Zhiyan following behind David, his face changed drastically!

Because he knew Shen Zhiyan, who had just challenged and passed the third floor, he was the guardian of the third floor!

Now he followed David to the fourth floor, which means that the guardian of the third floor has now become David's man!

Ning Zhi didn't know what to think at this time!

"Your senior sister..." David looked at Sonya's back and asked in a low voice!

"Senior sister is challenging..."

Ning Zhi said!

As soon as Ning Zhi finished speaking, a sword light appeared in front of Sonya without any warning!

This sword light came from the darkness, and it was impossible to tell who swung it!

This sword stabbed directly at Sonya's face. This was a killing move!

Sonya's reaction was not slow either. The moment the sword light appeared, she had already swung the sword in her hand!

Bang!

After getting the sword light, she was instantly defeated by Sonya's sword. Then Sonya did not hesitate at all, and swept the long sword in her hand!

The whole hall was instantly engulfed by flames, and the originally dark place was now illuminated by the flames!

A figure stood in the flames, but his appearance was not what he expected!

"The ultimate fire, the ultimate fire of the demon clan?" David felt the blazing flames, frowned slightly, and looked at Ning Zhi!

"We are demon cultivators, Brother Chen, you won't look down on us, right?"

Ning Zhi asked David!

"No..." David shook his head and said nothing more! At

this moment, from the blazing flames, sword lights continued to shoot out, and the opponent did not seem to be afraid of such flames!

Sonya held a long sword and kept waving it to resist the dazzling sword lights!

Bang!

When the last sword light was defeated, the long sword in Sonya's hand broke instantly!

Seeing that the long sword in her hand was broken, Sonya's eyes condensed slightly, and then her palms suddenly pressed down!

Boom!

Endless fire appeared around Sonya in an instant, and in the fire, a sword condensed from the fire slowly appeared!

At this time, several more sword lights shot out, but they were all blocked by the fire around Sonya!

If Sonya reacted a little slower, I'm afraid she would have been pierced by the opponent's sword light!

Sonya shouted angrily, and suddenly grabbed the long sword condensed from the fire with her right hand, and then swung it vigorously!

Thousands of flaming sword lights rose from the ground!

This time, the opponent didn't seem to be taking action. With a light wave of his hand, the thousands of flaming sword lights swung by Sonya were instantly extinguished, and even the fire in the entire hall was extinguished!

The hall fell into darkness again, and Sonya was hit hard, flying backwards and falling heavily to the ground!

"Your senior sister lost..."

David said to Ning Zhi!

However, seeing Sonya being defeated, David always felt uncomfortable in his heart and always wanted to avenge the other party!

He didn't know why.

Maybe he was full of justice and didn't want to see a woman being bullied?

Sonya stood up and swung the sword again!

She didn't admit defeat!

With this sword, the whole void trembled!

Suddenly, the hall became extremely bright, and a man in a black robe gently grabbed it with his hand!

The world trembled violently, Sonya's body seemed to be imprisoned, and the long sword condensed by the fire in her hand also disappeared in an instant!
