Chapter 4876

Sonya's eyes lost their fighting spirit and luster. She knew that she was powerless in front of the guardian of the fourth floor!

Yun Li was also shocked. Just based on Sonya's performance, he could never be her opponent. Even Sonya couldn't break through the fourth floor, so he couldn't even think about it!

"I'll meet him..."

David saw Sonya being imprisoned, and for some reason, he was furious and was about to take action with the Dragon Slaying Sword in hand!

"Mr. Chen, I'll help you..." Li

Chunfeng stopped David, then walked forward and said to the black-robed man:
"Daoyou, you..."

"Get lost..."

The black-robed man waved his hand, and a terrifying aura swept towards Li Chunfeng!

Li Chunfeng saw this and instantly threw out two flying swords!

The terrifying aura was instantly torn apart by the flying swords, and then disappeared!

The black-robed man was slightly stunned, and came directly towards Li Chunfeng!

Seeing this, Li Chunfeng also took a step forward, and the long sword in his hand swung out a sword light!

Slash!

As soon as Li Chunfeng finished speaking, the sword light seemed to fall from the sky!

The black-robed man snorted coldly and punched out directly!

Boom!

Accompanied by a deafening sound, a terrifying aftermath broke out and spread to the surroundings!

David instantly activated the indestructible golden body and blocked in front of Sonya!

Seeing this, Shen Zhiyan waved his sleeves and directly dispersed the aftermath!

“Are you okay?” David looked at Sonya and asked!

David himself didn’t know why, but he couldn’t help but stand in front of Sonya, fearing that she would be injured!

Sonya glanced at David, just shook her head, and didn’t say anything!

Ning Zhi saw this scene, and his heart was very uneasy. He was afraid that David would recognize Sonya under the mask!

If that happened, his plan would fail!

“You are not a cultivator from the Heaven Realm?”

The black-robed man looked at Li Chunfeng and asked!

“I am the guardian of the second floor, not a cultivator from the Heaven Realm!”

Li Chunfeng said!

“Where is the prison seal in your body?” The man in black robe was surprised!

“Let Mr. Chen break it!”

Li Chunfeng glanced at David!

The man in black robe looked at David, but smiled coldly: “Are you lying to a three-year-old child? He is only in the Mahayana realm. Can he break the prison seal? Even if he breaks the prison seal, can he withstand the punishment of heaven?”

“You don’t believe it?” Li Chunfeng said!

“No!” The man in black robe shook his head.

“Mr. Chen, he doesn’t believe it...” Li Chunfeng looked at David helplessly!

“Come back, let me meet him, maybe he will believe it!”

David offered the Dragon Slaying Sword and stepped forward!

“Boy, I don’t want to be like other guardians. I will kill people...”

Looking at David, the man in black robe said!

“If you have the ability, then come and kill me!” After

David finished speaking, the Dragon Slaying Sword in his hand slashed out!

With a dragon roar, the sword light instantly turned into a giant dragon and went towards the man in black robe!

“Hmph!” The black-robed man snorted coldly!

Then he waved his hand gently!

However, when his hand was waved, there was no change between heaven and earth. The giant dragon transformed by the sword light hit the black-robed man fiercely!

The black-robed man was knocked away, spitting blood in the air and fell to the ground!

Ning Zhi and Sonya looked at this scene in shock!

Both of them were incredible. They didn’t understand how David could do it. He knocked such a powerful guardian away with one blow!

Yun Li widened his eyes and his jaw dropped. It was a bit outrageous to defeat the guardian of the fourth floor with one blow?

Li Chunfeng also frowned slightly, his face full of confusion!

Only Shen Zhiyan seemed to understand something, and looked up slightly in the direction of his head!

It is possible that the owner of the ladder is letting David go!

When he followed David to fight, his strength was suddenly restricted!

“What’s going on? How could this happen?” The black-robed man was shocked and asked at a loss!

Chapter 4877

“You are not my opponent at all. It would be easy for me to kill you!”

David looked unfathomable and put away the Dragon Slaying Sword!

The man in black robe looked at David, his expression changed again and again, and suddenly grinned and said, “You have a background...”

“Yes...” David nodded!

“Even the owner of this ladder has started to give you a break, which shows that you have a big background!”

The man in black robe also realized that it was the owner of the ladder who was giving David a break!

“How about it, do you want to come out with me? I’ll take you away, and you’ll serve me for three hundred years!” Chen

Ping asked!

The black-robed man shook his head: “If I want to leave, I can leave by myself. I am not imprisoned. I imprisoned myself here. I even begged the owner of the ladder for a long time before he agreed!”

David was stunned and looked at the black-robed man in disbelief: “Why? Why do you imprison yourself? Is it for the world resources in this ladder?”

The black-robed man shook his head: “For these resources, I can’t give up my freedom!”

“Then why is it, senior?” David asked curiously: “Tell me, maybe I can help you!”

The black-robed man stared at David, and then said: “Come with me!”

“Okay!” David followed the black-robed man to the depths of the hall!

Li Chunfeng and Shen Zhiyan were waiting in the hall!

I don’t know how long I walked, and I don’t know where I am. David only feels that the light in front of him is getting brighter and brighter.

Then, in front of David, a house appeared. The house looked very simple and quaint, with a wooden door and two copper bolts on it!

The black-robed man pushed the door open and walked in, and David followed him in!

But as soon as he entered, David was stunned. He saw that the whole room was filled with pink silk gauze, which looked very warm. There were also rag dolls in the room, which was very cute!

David couldn't imagine how a grown man could live in such a room.

But soon, David saw a woman sitting on the bed, wearing a pink dress, with eyes wide open, looking outside without blinking!

"Who is this?" David looked at the woman and asked curiously!

Because he didn't sense any breath from the woman. If there was a breath, David would know that there was someone in the room!

"My wife..." The man in black robe said, and handed David a stool: "Sit down..."

David sat down without being polite, and then asked: "Is your wife... is she dead?"

The man in black robe nodded: "She has been dead for almost a thousand years..."

"A thousand years?" David was shocked!

This man in black robe is too infatuated. His wife has been dead for almost a thousand years, but she still retains her body!

"You use secret methods to keep your wife's body. This is unfair to her. She has no way to reincarnate!"

David said!

"My wife asked me to do this. She doesn't want to reincarnate, she just wants to be with me."

"She said that when I am strong enough to bring her back to life, we can be together!"

The black-robed man said, and looked at his wife lovingly!

"You trapped yourself in the ladder to heaven just to practice to be able to come back to life?" David asked!

The black-robed man shook his head: "My strength is suppressed here, even if I practice, it is impossible to improve much, but here, my wife's body can be better preserved."

"Even if I can't make her reborn, but looking at her body, I always feel that she is with me!"

“Maybe, I can find a way to resurrect your wife!” David thought of Mr. Shi!

At that time, Mr. Shi could easily resurrect a person who was completely annihilated!

“Really? If you can resurrect my wife, I can submit to you for three hundred years!” The black-robed man said with a gleam in his eyes!

Chapter 4878

“Resurrection should not be a big problem, but I need to ask, after all, your wife has been dead for almost a thousand years!”

“But Mr. Shi can instantly resurrect people who are completely annihilated, so it should be no problem to resurrect your wife!”

David said!

“People who are completely annihilated can be resurrected, so there must be no problem resurrecting my wife. You should contact this Mr. Shi quickly!”

The man in black robe couldn’t wait!

“I can’t contact Mr. Shi now, but I believe he will find me eventually, and I can help you ask him then!”

David said truthfully!

Mr. Shi suddenly appeared, and David never knew where Mr. Shi was!

“If I can resurrect my wife, I am willing to sacrifice my cultivation and my life!”

The man in black robe looked a little excited!

“There are so few infatuated men like you in the world. If your wife is in heaven, she will be relieved.”

David said with emotion!

The man in black robe shook his head and said, “I am a bad man. I killed my wife...”

“You killed your wife?” David was shocked!

How could such an infatuated man kill his own wife?

The man in black robe nodded, and then slowly took off the black robe on his body!

The man was skinny and his face was very pale, just like a vampire!

“My wife and I grew up together. We practiced together, climbed mountains together, and even took a bath together...”

“My wife is more talented than me, and her realm is always higher than mine!”

“Later we got married and became dual cultivation partners. Although my wife often helped me, I could never surpass my wife in realm!”

“Gradually, my male chauvinism was revealed. Seeing that my wife was stronger than me, I was unwilling to give in!”

“Later, I secretly practiced magic skills, hoping to use magic skills to surpass my wife...”

“Later, I really surpassed my wife. My strength was growing rapidly, but my whole mind was changing, and my reason was swallowed up again!”

“In order to be able to practice, I would suck the blood of those innocent people, and I became a demon!”

“My wife finally found out that something was wrong with me, so when she used the dual cultivation, she forcibly absorbed the magic power in my body. In the end, in order to avoid becoming a demon herself, my wife damaged her soul and left only a body!”

“I woke up, looking at my wife’s body, I regretted it, but it was too late...”

“It’s almost a thousand years, and my body is still eroded by the magic power and has not fully recovered!”

“My wife has never said a word to me again. Now I can only stare at her blankly every day...”

As the man spoke, tears kept flowing out!

David didn’t know how to comfort the man. This kind of thing, perhaps only after experiencing it, can you experience the pain!

“What’s your name, I don’t even know what your name is?”

“I will try my best to help you. It shouldn’t be difficult to preserve your body and resurrect!”

David said!

“My name is Musha!” The man said, and with a gentle touch of his palm, his wife’s body entered the ring: “I’ll go with you!”

After taking a look at the room, Musha waved his hand, and the whole room was engulfed in a sea of fire!

David followed Musha back to the hall!

“Let’s go!”

David said to Li Chunfeng and the others!

The group left the fourth floor. At this moment, the four floors of the ladder to heaven have been closed and no longer exist!

“Mr. Chen, are you still going to the fifth floor?” Musha asked!

“Not for the time being, I have more important things to do!” David said, and took out a jade slip from his arms!

This is the fourth jade slip of the heaven and earth formation. At this moment, this jade slip actually exudes a faint light!

David knew that the fourth jade slip was about to be opened. As long as he opened the fourth jade slip, the heaven and earth formation would appear!

Chapter 4879

“Mr. Chen, what is this?” Musha asked curiously!

“The jade slip of the heaven and earth formation, as long as you open this jade slip, the heaven and earth formation will appear!”

“When I break the heaven and earth formation, you can return to heaven!”

David said while looking at the jade slip in his hand!

Li Chunfeng and Shen Zhiyan’s eyes were hot. If the heaven and earth formation was broken, they would really be free!

“Brother Chen, you are busy. Let’s go to the fifth floor first...”

Ning Zhi said to David!

“Brother Ning, be careful!” David nodded!

Ning Zhi took Sonya to the fifth floor, and David began to open the fourth jade slip!

David held the jade slip, and the light became stronger and stronger, as if a majestic force was about to break out of the cocoon.

He took a deep breath and continuously injected his spiritual power into the jade slip.

As the spiritual power poured in, the ancient runes on the jade slip began to flicker and jump, emitting bursts of buzzing.

In an instant, a dazzling beam of light shot up into the sky, spreading out in all directions with David as the center.

The sky seemed to be torn apart by an invisible giant hand, and a huge, mysterious magic array slowly emerged.

On the magic array, runes flowed, lines intertwined, and exuded a palpitating breath.

No matter what the cultivators of the heavenly world were doing, they couldn’t help but stop what they were doing at this moment and looked up at the sky covered by the heaven and earth array.

Some people were so shocked that they couldn’t close their mouths, and they didn’t notice that the magic tools in their hands fell; some people were full of awe, kneeling on one knee, saluting in the direction of the array; and some people showed greed on their faces, as if they were calculating the opportunities hidden in the array.

“This... What is this? It’s so powerful!” A white-haired elder trembled. He had practiced for hundreds of years, but he had never seen such a scene.

“Could it be the legendary Heaven and Earth Formation?” A young monk clenched his fists excitedly, his eyes flashing with a fiery light.

“It has appeared, the Heaven and Earth Formation has appeared, Brother, we will be able to return to the heaven soon!”

The array demon looked at the heaven and earth array, excited like a child!

The old ancestor of the divine pattern looked up at the heaven and earth array in the sky, and his tears were also flowing!

In the extreme north, the flame demon with a flame looked up at the heaven and earth array, and his expression was extremely emotional!

At this moment, in the heaven and human world, I don't know how many monks trapped in the heaven are excited at this moment. It has been thousands of years, thousands of years of waiting!

The heaven and earth array has finally appeared. Now they are waiting for the person who breaks the array to appear, and they will be free!

David looked at the heaven and earth array in front of him, and he felt a little excited and uneasy.

He knew that the opening of this heaven and earth array would inevitably cause a huge wave, and he was already in the center of the storm.

"Mr. Chen, the heaven and earth array has appeared, can you break it now?" Li Chunfeng asked David excitedly.

David shook his head: "I am just making the Heaven and Earth Array appear now. I still need to study how to break the array."

"Mr. Chen, you study it, we will protect you!"

Shen Zhiyan also said excitedly!

"Okay!" David nodded, and then his figure slowly floated to the air, staring at the Heaven and Earth Array with his eyes, and fell into a selfless state!

At this time, in the Huofen Sect, Wen Haotian suddenly opened his eyes and frowned deeply!

"Ancestor, the Heaven and Earth Array appeared, and it is estimated that someone is breaking the array!"

Wen Nanxing entered the secret room and said to Wen Haotian!

"Go stop him, the time is not right now, and the Heaven and Earth Array cannot be broken!"

Wen Haotian took a look at the bronze coffin and ordered Wen Nanxing!

"Yes!" Wen Nanxing nodded!

Soon, in the Huofen Sect, a large number of cultivators, led by Wen Nanxing, went straight to the Wuwang Land, and the brother and sister Wen Qing and Wen Shi were among them!

When David and the Four Hades were fighting fiercely, the brother and sister ran back!

Chapter 4880

In Wuwang Land, David was still in a state of selflessness!

David himself was not sure when this great formation of heaven and earth could be broken!

Lin Chong, Taoist Wuji, the five domain masters, Nan Batian, Li Chunfeng, Shen Zhiyan, Musha and others were all protecting David!

At this time, from the sky of Wuwang Land, waves of terrifying aura were coming rapidly!

Feeling that terrifying aura, everyone's faces became solemn! In

just a breath, Wen Nanxing and the people of Huofen Sect had arrived in front of Lin Chong and the others! After

Wen Nanxing looked up at the selfless David in the great formation of heaven and earth, his eyes revealed a cold murderous intent!

"Wen Nanxing? What are you doing here?"

Lin Chong saw that it was someone from Huofen Sect, and his expression was a little flustered!

The Four Underworlds had made these people suffer so much. Now that the Fire Sect, the first force in the Heavenly Human Realm, had arrived, Lin Chong was even more panicked!

"The Heaven and Earth Array cannot be broken now, so the one who breaks the array must die!"

Wen Nanxing said coldly!

Lin Chong was not talking, but glanced at Taoist Wuji!

Taoist Wuji waved his whisk and nodded!

“Kill...”

Lin Chong shouted angrily and rushed out first!

In an instant, all the people under David rushed forward!

There was no extra nonsense. For a moment, the sky and the earth changed color, and all kinds of magic flew across!

Wen Nanxing did not take action, but stared at David!

As Wen Nanxing pointed his finger at David lightly, a breath instantly went towards David!

“Protect Mr. Chen...”

Seeing this, Lin Chong shouted angrily!

But at this time, everyone was entangled by the people of the Fire Sect, and they couldn't free their hands at all!

Besides, not everyone can block Wen Nanxing's attack!

Being able to become the first major force in the world of heaven and man, Wen Nanxing's strength is very terrifying. He has reached the peak of the realm of immortality and may ascend to the heaven at any time!

When the breath came in front of David, David seemed to be unaware of it. He still closed his eyes and immersed himself in the great formation of heaven and earth!

At this time, suddenly a big hand grabbed it and grabbed the breath directly, and then exerted a little force!

Boom!

The breath exploded instantly, and a terrible shock wave of power broke out. All the people fighting were repelled by this shock wave and stopped fighting!

A shock wave repelled everyone. This terrifying power made everyone incredible!

In front of David, Musha, who was skinny and pale, appeared!

Wen Nanxing looked at Musha with an extremely solemn expression. The man in front of him made him feel the crisis and was also extremely shocked. He didn't understand

how such a master would appear in this unpredictable place in the world of heaven and man?

In the world of heaven and man, he is an invincible existence. Who is this person who suddenly appeared?

“Who are you?” Wen Nanxing asked!

“You don’t deserve to know!” Musha said lightly!

“Humph, even if you are a cultivator in the heaven, you have to be honest in this world of heaven and man. If you are a dragon, you have to coil up, if you are a tiger, you have to lie down. I am the invincible in this world of heaven and man.”

Wen Nanxing snorted coldly, and drew a picture in the void. A huge cage appeared in front of everyone!

“Do you dare to fight?”

Wen Nanxing asked!

“Why not!” Musha entered the huge cage without hesitation!

Because only in this way, the fight between the two of them will not affect other people, otherwise the fight between the two of them will destroy the entire Wuwang Land, and even the people around them will die!

Wen Nanxing sneered, and stepped into the cage, then slowly opened his right hand, and a bright light emanated from his palm, and the entire Wuwang Land was shaking violently!

“Little trick!” Musha snorted coldly, and then punched out!

Boom!

For a moment, countless great powers surged from Musha’s body. As an immortal from heaven, Musha’s combat experience and skills were simply incomparable to Wen Nanxing!
