

## A Man Like None Other Novel

### Chapter 4886

“Ancestor, Ancestor, save me, you are finally here!”

When Wen Nanxing saw Wen Haotian, his eyes lit up instantly and he shouted loudly!

“My ancestor is here, you just wait to die...”

“Hahaha...”

Wen Nanxing laughed fiercely, and he wanted to return the humiliation he just received double!

“Shut up, I can’t save you!”

Wen Haotian said lightly!

Wen Nanxing was stunned, and said in disbelief: “Ancestor, why is this?”

“Because I am not his opponent!”

Wen Haotian looked at Mr. Shi!

“You are quite self-aware...” Mr. Shi smiled at Wen Haotian!

“If I am given some time, and this great formation of heaven and earth is opened, it is hard to say who will win.”

“Unfortunately, the time is not right now, I can only continue to wait!”

After Wen Haotian finished speaking, his figure slowly disappeared, and the bronze coffin disappeared with him!

Mr. Shi watched, but did not chase, letting Wen Haotian leave!

“Mr. Shi, why not chase?”

David didn’t understand why Mr. Shi watched Wen Haotian leave!

“Don’t chase a desperate enemy. Even if I catch up with him, now that the great formation of heaven and earth is opened, he can shuttle freely, and it’s useless!”

Mr. Shi shook his head and said!

Wen Nanxing looked at the disappearing Wen Haotian, and finally died, completely heartbroken!

Even when David took out the storage bag from him, Wen Nanxing didn't move at all!

The heart is dead, and it's no different from being reduced to ashes!

Looking at Wen Nanxing's storage bag, David smiled from ear to ear, it's simply a blood profit!

"Mr. Shi, can you heal this senior Musha?"

David pointed at Musha who was seriously injured and dying and said!

Mr. Shi did not speak, but gently stroked his palm. Musha felt that his body was full of strength and he jumped up instantly!

Seeing that his body was completely healed, Musha was immediately excited, and then knelt in front of Mr. Shi!

"Please save my wife!"

Musha took out the body of his wife!

Because it has been preserved, Musha's wife is lifelike, and her body has not rotted at all!

"Mr. Shi, senior Musha's wife has been dead for a thousand years. I wonder if you can still save him?"

David also said to Mr. Shi!

Mr. Shi looked at the corpse and frowned, saying, "She has been dead for a thousand years. I am afraid she has already reincarnated."

"I can only help to see. If the soul has not been reincarnated yet, I can summon her soul back from hell!"

After Mr. Shi finished speaking, he waved his palm on the corpse. In an instant, the world trembled, and a strange passage opened in front of everyone!

From the passage, there were shrill screams, as if from hell!

Everyone was stunned when they saw this scene. After all, they had never seen such a long sword, let alone heard such a shrill voice!

These voices came from the real hell!

Soon, a soul slowly appeared in the passage. Musha looked at the soul in front of him and was so excited that he couldn't speak!

This is his wife, his wife's soul!

In just a few breaths, the person who had been dead for a thousand years slowly opened his eyes at this moment!

"Wife, wife..."

Musha rushed up and hugged his wife tightly!

"Husband, where are we?"

For Musha's wife, these thousand years were like a sleep!

Musha was so excited that he couldn't speak!

"There has been no reincarnation for a thousand years, they are true love!"

Mr. Shi looked at the Musha couple with envy in his eyes!

David looked at Mr. Shi's eyes, so he curiously stepped forward and said: "Mr. Shi, you... do you have a wife?"

Mr. Shi glared at David and said: "How can a cultivator be bound by emotions? That's called a double cultivation partner, a partner who stays together to increase cultivation!"

"You guy, you are affectionate everywhere and waste all your energy on women. No wonder your strength progress is so slow!"

## **Chapter 4887**

"You should be more focused in the future. No matter how many women you have, they are all for the sake of momentary pleasure. When you reach the heaven, you will face more difficulties!"

“I am leaving too. After reaching the heaven, I may not be able to help you casually. You have to rely on yourself!”

“Remember, you must practice hard...”

After Mr. Shi finished speaking, his body slowly turned into thousands of white lights in front of everyone and slowly dissipated!

“Mr. Shi...”

David shouted, but there was no response!

On the ninth floor of the ladder, the young man shouted to the void: “Master, the person is gone, please come out quickly!”

The old man slowly poked his head out of the void, his expression extremely nervous: “Disciple, is he really gone?”

“He is really gone!” The young man nodded!

“You scared me to death.” The old man patted his chest, and then said: “Disciple, let him go, continue to let David go!”

“Master, the water has flooded Jinshan, how can you let him go?” The young man frowned slightly!

“Just let him go when I told you to, why are you talking so much nonsense!” The old man slapped the young man on the head, and then disappeared!

The young man pouted: “.....”

.....

Heaven and man world!

Musha’s mood slowly calmed down, and he looked at David with great gratitude: “Mr. Chen, since I have promised you to serve me for three hundred years, I will never break my promise.”

“I will take my wife back to heaven now and let her slowly regain her lost memories!”

“When Mr. Chen arrives in heaven, you can always find me if you have anything!”

“Take care of yourself, Senior Musha!” David nodded!

In this world of heaven and man, David is already invincible, so he doesn't need Musha's help!

Musha nodded, and turned into a golden light with his wife, rushing into the sky!

Looking at the departing Musha, Nan Batian, Li Chunfeng, and Shen Zhiyan all showed envy!

They were originally immortals in the heaven, but they were imprisoned in the ladder to heaven. Now they have a chance to go back, of course they want to go back and take a look!

David also saw what the three meant, so he said: "Three seniors, I am no longer in danger in this world of heaven and man, you should also go back to heaven. If I need you, I will ask you three seniors for help!"

Nan Batian, Li Chunfeng, and Shen Zhiyan all looked at each other. They knew that David intended to let them go!

The three of them knelt down to David, and then said: "Mr. Chen's great kindness today, we will never forget it. When Mr. Chen needs it, we will go through fire and water!"

David was very moved when he saw this, and was about to help the three people up and thank them!

But as soon as the three people finished speaking, they turned into a golden light and disappeared into the sky in an instant!

"fu\*\*..."

David was speechless!

"Emperor Lin, I am also going back to heaven. Thanks to your shelter over the years, I am grateful!"

"One day, when you also ascend to heaven, I will play chess with you and take you to travel all over the fairy mountains in heaven!"

Taoist Wuji looked at the people who left, and he couldn't bear it anymore!

Trapped for thousands of years, who doesn't want to leave!

"Master, if there is a future, I will definitely find you to play chess!" Lin Chong smiled slightly!

"Master..."

Lin Keting knew that Taoist Wuji was going back to heaven!

After this separation, I don't know how long it will take for them to see each other again. After all, with Lin Keting's strength, it will take a long time for her to ascend to heaven!

Lin Keting threw herself into Taoist Wuji's arms, tears streaming down her face!

"Silly child, all good things must come to an end, but I am satisfied that I have found a good husband for you."

"You have to get pregnant with David's child quickly, otherwise this boy's good bloodline will be taken away by other women!"

Taoist Wuji laughed!

"Master, what are you talking about..." Lin Keting blushed!

But when she wanted to say something, she found that Taoist Wuji had turned into a golden light and left.

The immortals trapped in the heaven are still returning to the heaven at this moment!

After thousands of years of waiting, everyone is anxious!

"My dear son-in-law, you are no longer in danger now, and the five of us old guys should go back to our homes and practice slowly."

The Lord of the North Territory stepped forward and said to David!

## **Chapter 4888**

"Thank you for your help, Masters. David has nothing to repay you, but I would like to ask the five Domain Masters for a favor!"

David said!

"We are all family. If you need help, just say it!" The Lord of the Western Region said hurriedly!

He was scared twice by Mr. Shi. Now he would help whatever David said. He didn't want to become the leader of the Fire Sect!

“Most of the Fire Sect has been destroyed. I hope the five Domain Masters can go to the Fire Sect and rescue the leader of the Refining Sect who is trapped in the Fire Sect.”

“In addition, the resources of the Fire Sect can be distributed at will by the five Domain Masters!”

David said!

“No problem!” The Lord of the Western Region nodded, and then ran away!

There are only some small Karami left in the Fire Sect now, but there must be a lot of resources in the Fire Sect, so those who go first will take advantage!

“fu\*\*, you don’t have martial ethics...”

Seeing this, the other domain masters also chased after him!

“Mr. Chen, are you going to continue to climb the ladder, or go back to Sun Moon City to rest for a while?”

Lin Chong asked David!

“You go back first, I’ll climb a few levels of the ladder to gain experience.” David said!

“Okay...” Lin Chong nodded!

.....

Climb the fifth level of the ladder!

Ning Zhi and Sonya sat on the ground. In front of them, an old man was wearing a black robe, his hair and beard were white, and his face was full of wrinkles!

This is the guardian of the fifth floor. Ning Zhi and Sonya originally wanted to experience the world of the fifth floor and collect some resources!

But when they arrived at the fifth floor, they found that the world of the fifth floor was gone. There was only a lonely hall, and in the hall was the guardian of the fifth floor!

The two of them wanted to leave, but were instantly subdued by the fifth-floor guardian. They sat on the ground obediently, chatting with this somewhat weird old man!

“I don’t know if David will come to the fifth floor? If he doesn’t come, won’t the two of us be trapped here forever?”

Ning Zhi felt a little regretful. He should have followed David in earlier!

“Don’t be afraid, junior brother, I’m trying to break free!”

Sonya followed Ning Zhi and said!

“You two little guys, stop struggling, it would be great if you can stay here and chat with me!”

“For so many years, no one has reached the fifth floor. I’m almost bored to death!”

The old man said with a smile!

But at this moment, suddenly in the hall, a white light flashed, and David’s figure appeared!

“Brother Chen, save us...”

Seeing that it was David, Ning Zhi hurriedly shouted!

Before David could react, the old man suddenly appeared in front of him!

“There is a boy, what is your name?”

the old man asked!

“My name is David!” David said!

“David?”

The old man was stunned, and then took out a storage bag with a flattering face and said: “It turns out that Mr. Chen has come. This is a little savings I have saved for many years. I gave it to Mr. Chen!”

David was stunned, looked at the old man and asked: “Are you the guardian of this fifth floor?”

“Yes, yes, yes, I am!” The old man nodded repeatedly!

“I can help you break the prison seal and give you freedom. Can you let me pass?” David said!

“No, no, the higher-ups have already told us that as long as we can make you happy, we will be free. No need to trouble Mr. Chen!”

“Don’t you just want to pass the level? Now you have passed the level, you can go directly to the sixth floor!”

The old man said with a flattering face!

David was a little confused and didn’t react for a while!

“Brother Chen, save us, save us...” Ning Zhi heard it clearly!

“The two of them...” David pointed at Ning Zhi and Sonya!

“Are they Mr. Chen’s friends?” the old man asked!

“Yes!” David nodded!

“Together, go up together...” After saying that, a staircase appeared in the hall: “Mr. Chen, go up and you will reach the sixth floor!”

David looked at the staircase and was a little absent-minded. What does this mean? When did it become so easy to climb the ladder? You don’t even have to go out, you can go directly to the sixth floor from the inside!

David took Ning Zhi and Sonya to the sixth floor!

## **Chapter 4889**

The sixth floor!

As soon as David and his companions stepped into the sixth floor, they felt as if they were weightless and could not stand steadily at all!

In front of them, a woman was wearing a Tianshui green silk skirt with silver silk lotus patterns embroidered on the hem. When she walked, it was like a green wave spreading and lotus blooming with every step.

A lotus-colored silk ribbon was tied around her waist, and a white jade forbidden step was hanging down, swaying gently with her steps, ding-dong like a spring.

She was covered with a scarlet gauze dress, as thin as a cicada’s wing, revealing the dark pattern of the snow-colored inner garment. The cuffs were trimmed with gold thread and decorated with tiny pearls, which flowed and shimmered in the sunlight.

Her black hair was like a waterfall, tied into a stunning bun, and a golden phoenix holding a pearl was inserted diagonally. The oriental pearl hanging from the phoenix's mouth shone as she tilted her head slightly, and the light shone as she swayed lightly, making her eyebrows and eyes look like a painting, and her eyes were shining.

Her skin was whiter than snow, her lips were like cinnabar, and the tail of her eyes was slightly raised. Her eyes seemed to contain a pool of autumn water, which was both clear and charming. A pair of emerald drop beads on the ears added a bit of agility.

In her hand, she held a mud-gold peony fan, which lightly covered half of her jade face, revealing only a pair of affectionate eyes. Her smile made people dream about her.

“Mr. Chen, I have been waiting for you for a long time...”

The woman spoke, her voice was as pleasant as a bell, and it had a kind of magic that made David and Ning Zhi stare straight!

“Are you the guardian of this floor?”

David was a little surprised, and didn't understand why there was a woman on the sixth floor!

“Yes, I have been here for a thousand years, lonely for a thousand years, and finally waited for a man to come!”

“I wonder if Mr. Chen is interested in playing with me?”

The woman's glances were so charming!

“I want to know why you were imprisoned here?” David asked curiously!

Others were imprisoned here because they watched girls bathe and touched girls' buttocks!

But the sixth-floor guardian was actually a woman. David was very curious about why she was imprisoned here!

The woman smiled and said, “It's better not to mention the past, it's better not to mention it...”

The more this happened, the more curious David was, and he asked, “Why can't you talk about it?”

The woman sighed softly, “How can a person never make mistakes in his life? If you make a mistake, you should correct it. After all, no one is perfect, even gods are the same.”

“I am a person who values love and friendship, so I did some excessive things...”

At this point, the woman shook her head: “It’s better not to say it!”

“Senior, you didn’t touch the girl’s buttocks and were imprisoned here by the old man Jinxian?”

David asked!

If this woman is a lesbian, it is possible!

“No, I just couldn’t help it for a while, touched the buttocks of the golden fairy, and was imprisoned here!”

The woman said shyly!

“fu\*\* ...”

David was speechless for a while!

Even Ning Zhi and Sonya were black lines, and they didn’t understand why there were such dissolute women!

“Mr. Chen, I am willing to dedicate my body and be a slave by your side. Can you save me from the sea of suffering?”

The woman looked at David affectionately and asked!

“I...” David looked at the woman’s appearance and her pitiful look, and was really moved!

This woman is really too tempting!

“Yu Ji, I’ve already freed you from the prison seal, but you still dare to seduce me? Do you want to be trapped in this ladder forever?”

Just when David was about to be seduced by the woman, a loud voice rang out!

“Don’t dare, don’t dare...”

Yu Ji waved her hand hurriedly, and then the stairs leading to the seventh floor appeared: “Mr. Chen, you can go up. I was just joking with you just now. Don’t take it seriously!”

David glanced at Yu Ji and knew that this woman must want to get some benefits from him, but she didn’t want to be seen through!

David walked to the seventh floor with Ning Zhi and Sonya!

Full Read Online **Chapter 4890** of the novel **A Man Like None Other**

## **Chapter 4890**

The seventh floor is a star field, without any breath, let alone any living things!

There is only a man in a robe with a cane in his hand!

The seventh floor is a height that the celestial cultivators have never reached!

David doesn't know how powerful this man with a cane in front of him, who looks like a disabled person, is!

“Senior, do we still need to compete to pass the level?”

David asked!

“No, you just need to go up to the eighth floor from here. I'm standing here, just curious to see who it is that can make the owner of the ladder to heaven let go so seriously!”

“But looking at you, it seems that you are only in the Mahayana realm, and there is nothing extraordinary...”

The man asked curiously!

“Senior, I don't have much ability, but there is a master behind me. The golden immortal who should climb the ladder to heaven is afraid of the master behind me!”

David said indifferently!

“Maybe, you can go up now!”

The man leaned to the side and let David and the others go up to the eighth floor!

Just when David was about to go up to the eighth floor with Ning Zhi and Sonya, he suddenly stopped!

The man was slightly stunned, and asked with a puzzled look on his face: “Mr. Chen, is there anything else?”

“Senior, you seem to have forgotten something?”

David said!

“Forgot what?” The man was puzzled!

“Senior seems to have forgotten to give me a gift!” David said!

“Give a gift?” The man was stunned!

“Senior, if it weren’t for me, you wouldn’t be able to leave this ladder so easily, right?”  
David said!

Man: “...”

Ning Zhi and Sonya looked at David, also speechless!

Others all begged the guardian of the ladder to let them go, and then let themselves go to the next level!

But David was so good that he directly blackmailed the guardian of the ladder!

“I have been trapped for many years, so I don’t have many resources on me...”

The man took out the storage bag and handed it to David!

David put it away without even looking at it, and then climbed to the eighth floor!

However, when David came to the eighth floor, he found that the eighth floor was in chaos. Not only was there no world, but there was not even a guardian!

“What’s going on?” Ning Zhi was a little surprised!

David didn’t understand why the guardian of the eighth floor disappeared?

Just when David and the others were puzzled, a ladder appeared and led them to the ninth floor!

“The eighth floor is over?”

David was a little disappointed!

“Isn’t it good that there is no one?” Ning Zhi said!

“I still want to ask the guardian of the eighth floor for some resources!” David said!

Ning Zhi was speechless!

Since there was no one, David could only take Ning Zhi and Sonya to the ninth floor!

On the ninth floor, a soft light shone, making people feel very comfortable!

A teenager who looked only in his teens was wearing a yellow robe, quietly waiting for David and the others!

David looked at the teenager and knew that the person in front of him could never be a child!

Even in the appearance of a teenager, it is estimated that he has lived for thousands of years!

“Senior, I want to ask, where is the guardian of the eighth floor?”

David asked the boy!

“He ran away because he was afraid that you would ask him for resources.” The boy said!

David was embarrassed when he heard it, but he still looked at the boy with some curiosity and said, “Then why don’t you run away?”

“If I run away, you will never pass the ladder to heaven, and it will be impossible to reach the heaven.”

After the boy finished speaking, a soft white light descended: “You can reach the heaven through this avenue, but I am only responsible for the guidance. As for what dangers you will encounter in the heaven, I don’t care!”

Looking at the beam of white light, Ning Zhi was extremely excited: “Can we do it too?”

“Of course, you are friends of Mr. Chen, of course you can, but if your strength reaches the heaven, I am afraid it will be difficult to survive!”

The boy said truthfully!
