Chapter 4898

After David and Hu Mazi walked into the white light of the avenue, they were sucked into it uncontrollably!

The two felt a huge suction force that kept swallowing them!

David only felt that his body was difficult to move. This extremely strong swallowing force made David instinctively want to resist!

He thought that being taken to the heaven would be very comfortable, but he didn't expect it to be extremely painful!

When David felt a vortex deep in his body, there was no light or sound around him, and everything disappeared!

It was as if the whole body was in the void, and even the breath around could not be detected!

David couldn't even detect Hu Mazi's breath.

The eyes can't see anything, and the consciousness can't detect any objects!

Even using the Tianming Eye is useless in this place! Chen

Ping could only close his eyes slightly, feeling that the whole person was floating in the air!

I don't know how long it took, but David felt that his body seemed to have entered another passage, because he could feel the pressure from all around his body!

There was even a ray of light in front of his eyes!

Boom!

Suddenly, after a deafening sound, David felt dizzy, and his internal organs seemed to be squeezed together!

David wanted to resist, but he couldn't use any strength at all!

This process was too uncomfortable!

It was like everything in his mind was clear, but he couldn't control his body!

When a white light pierced David's eyes, David opened his eyes!

Slowly recovering his vision, he was extremely excited!

He really wanted to know what the heaven that everyone yearned for looked like!

But when David slowly opened his eyes, he found that he was surrounded by a huge cage!

And the cage was surrounded by black chains!

"fu**, where is this?"

"Master Hu? Master Hu?"

David was a little confused. Wasn't he led to the heaven?

How could he suddenly appear in the cage?

And he didn't know where this place was. David tried to radiate his spiritual consciousness, but his spiritual consciousness couldn't be radiated at all!

David shouted for a long time, but there was no shadow of Hu Mazi at all!

At this moment, David panicked and hurriedly shouted loudly: "Is there anyone? Where is this place?"

But after shouting several times in a row, no one responded!

"Senior, do you know where this is? Is it the heaven?"

David could only ask for help from the Red Cloud Demon Lord!

The Red Cloud Demon Lord shook his head and said, "I don't know, this should be a prison, right?"

"Of course I know it's a prison, but why am I here?"

"Didn't I get led to the heaven? How could I be in prison?"

David panicked. He hadn't even reached the heaven yet, and he was controlled by someone!

David opened the Tianming Eye and penetrated the layers of black fog in the cage, wanting to see what was outside!

But when David opened his Tianming Eyes and looked over, he found that there were cages all around, and these cages seemed to be floating somewhere!

The cages were tied with chains, and he couldn't see the situation inside!

David tried to absorb the breath around him, but found that there was no fairy air around him, let alone spiritual energy!

There was magic energy in the black fog, but the magic energy was also very rare, and David didn't know what was going on!

After calming down, David took out the Dragon Slaying Sword and then swung it vigorously at the prison!

He wanted to break this prison and leave this place! He

couldn't be trapped here for the rest of his life!

Ding!

The Dragon Slaying Sword slashed at the border of the cage, and it actually made a crisp sound. After a burst of fire, the cage was not damaged at all!

Instead, David's hands were slightly numb from the shock!

Chapter 4899

"Damn it..."

David was a little angry, and then he burst out all his strength and slashed towards the border of the cage again!

Ding!

With the same loud noise, David's whole body was shaken away!

David only felt his internal organs churning. He didn't expect that a cage that looked ordinary would actually trap him!

At this moment, he thought of the old man's words, and he couldn't help but feel that it made sense!

With his strength, even if he entered the heaven, there would be dangers everywhere!

Now David believed it. If this cage was from the heavenly world, David knew that he could not break it!

"Daoyou, don't waste your energy. No one who comes here can escape except those who have been released from prison!"

At this time, a man's voice sounded!

David was startled and asked hurriedly: "Daoyou, who are you? Where are you?"

"I'm in the cage next to you. I didn't expect that you, a cultivator who has just entered the immortal realm, dared to enter the heaven!"

The other party seemed a little surprised and said!

"Daoyou, is this the heaven? Why are we locked up?"

"I don't think I have done anything wrong, why do I need to be released after serving my sentence?"

David was surprised and couldn't figure out what was going on!

He is a law-abiding citizen who has not committed any crime. Why did he arrest himself and wait for his release after serving his sentence?

"You have not reached the level of ascension, but you have borrowed external forces to come to the heaven. This violates the rules of the Tao, so it is normal to lock you up."

The man said!

"I was led here by the Tao, and no one has stopped me. Why did you arrest me? Go and catch the person who led us!"

David was speechless. How could he become a prisoner when he was led here normally?

"It's useless. The heaven is all about rules, not reason. If you talk about reason in the heaven, you will be laughed at."

“Where are you from? What’s your name? You were taken to the heaven just after you reached the first level of the immortal realm. It seems that there is a strong force behind you. We are letting you go!”

The man saw at a glance that David was let go!

“My name is David, I come from the Heavenly World, and the Heavenly Ladder did give me a break.”

David nodded and admitted, then asked: “Daoyou, how can you see me, but I can’t see you? Where are you a cultivator? What’s your name?”

David asked the man!

After all, the first person he met in the Heavenly World, David must ask clearly, and many things, David also knows from this man!

“You can see me if you disperse the black fog in the cage!”

“My name is Xiu Rui, a cultivator from the Wuxu World, and I also came to the Heavenly World by climbing the Heavenly Ladder!”

“But after being guided here, I was trapped here for more than five hundred years!”

The man sighed and said!

David looked at the black fog in the cage, and suddenly swung his palm, and a gust of wind rose, and the black fog was blown away directly!

After the black fog was blown away, David discovered that in the cage only a few meters away from the direct cage, there was a haggard man with some beard!

Although the man looked haggard, his spirit was still good!

It was just that his clothes were tattered and had not been changed for hundreds of years!

“Fellow cultivator, do you know why you are trapped in a cage when guided here?”

David asked!

If this is the case, then Ning Zhi and Sonya will be trapped here!

Thinking of this, David became extremely anxious!

“How should I know? But this cage seems only to trap human cultivators, and other races don’t seem to be trapped!”

Xiu Rui said!

“fu**, what does this mean? Targeting human cultivators?”

“I have seen who did this.”

David was a little angry when he heard it. Isn’t this a discriminatory treatment?

“Senior, I’ll give my body to you, can you break this cage?”

David asked the Red Cloud Demon Lord!

Chapter 4900

Now that David’s body has recovered to its best condition, the time will come for the Red Cloud Demon Lord to exert more strength!

“I’m not bragging, it’s a matter of minutes...”

said the Red Cloud Demon Lord!

“Well, senior, take control of my body!”

David let the Red Cloud Demon Lord take over his body. He didn’t want to be trapped here forever!

As golden light burst out around David’s body!

The power that burst out after the Red Cloud Demon Lord took over the body shocked Xiu Rui!

“This... can this still be burst out by a first-grade cultivator in the Immortal Realm?”

Xiu Rui looked at David in disbelief.

“Break...”

David punched at the cage!

The terrifying power was suddenly released!

The cage where David was located shook violently, and then the black chains around the cage were instantly shattered!

The cage also collapsed directly, shattered into slag, and disappeared!

David was suspended in the void, surrounded by countless cages!

“Daoyou are awesome, can you save me?”

Xiu Rui asked with a shocked face!

He has been trapped for more than 500 years. If someone can break the cage and let him out directly, he is willing to give his body to them!

Being trapped in a cage, without resources to practice, and no one to talk to, is simply boring!

“No problem...”

David nodded, this is just a piece of cake!

Boom!

David punched the cage that imprisoned Xiu Rui, and the cage turned into powder when it came into contact with this terrifying punch!

The cage disappeared, and Xiu Rui’s body fell down instantly. He hadn’t flown in the air for so long, and he probably forgot it!

David stretched out his hand and directly grabbed Xiu Rui, and then a stream of spiritual power hit Xiu Rui’s body, finally allowing Xiu Rui to recover a little, and his face became ruddy!

Xiu Rui held David’s hand tightly, his face full of excitement and joy!

After so many years, he finally escaped from the sea of suffering...

This is all David’s credit. If there was no David, he might not be able to break the cage and leave after waiting for five hundred years!

“Fellow Daoist Chen, thank you so much, thank you!”

Xiu Rui’s eyes were filled with tears, and he actually cried!

“It’s just a little effort...” David smiled faintly!

At this moment, Xiu Rui’s face suddenly turned red, and he apologized, “I’m sorry, I just looked down on you. I didn’t expect that your realm of the first level of the Immortal Realm would burst out with more strength than me, who is at the peak of the Immortal Realm!”

David just smiled slightly and didn’t tell the Red Cloud Demon Lord about the possession.

“Fellow Daoist Xiu, you are at the peak of the Immortal Realm. You only need one step of opportunity and perception to ascend to heaven. Why do you need to go through the ladder to the sky?”

David was very curious. What did Xiu Rui think?

“Hey, I have been in the peak of the immortal realm for hundreds of years, but I have not been able to ascend. I really have no choice but to enter heaven through the ladder.”

“Who would have thought that the guidance of the ladder would be so deceptive, and I would be locked in a cage as soon as I opened my eyes!”

“If I had known this, I would not have gone up the ladder!”

Xiu Rui sighed lightly, obviously regretting it to death!

Hundreds of years were wasted in this cage!

“Fellow cultivator, have you seen the people who came with me?”

David wanted to ask where Hu Mazi was!

“No, it seems that you are the only one, and I didn’t see you with any companions!”

“Is your companion also a human cultivator? He may not be locked up here if it is another race!”

Xiu Rui asked.

David nodded: “Yes!”

Although Hu Mazi has immortal bones, he is indeed a human cultivator!

“That’s not easy. There are thousands of cages here. I don’t know which cage your companion will be locked in, unless the owner of the cage knows!”

Xiu Rui shook his head and said helplessly.
