### **Chapter 4913**

Chen Ping and his companions walked towards the high platform built not far away!

Because there were too many people, Chen Ping and his companions finally squeezed in!

“Do the immortals in heaven also like to join in the fun?”

Chen Ping said helplessly after squeezing in!

They all came to heaven one by one, but instead of practicing well, they crowded together on the street to watch the fun!

Shouldn't this be what mortals would do?

“Immortals are also human beings, they also have seven emotions and six desires. Don't listen to the secular world in the past, saying that if you want to become an immortal, you must cut off the seven emotions and six desires!”

“That's pure nonsense, they are all deceiving mortals. There are so many people who have children among immortals!”

“Immortals are no different from mortals. Sometimes, they even like to pretend and join in the fun more than mortals!”

Hu Mazi followed Chen Ping and said!

Chen Ping thought about it and it was right. Otherwise, the immortals like Nan Batian and Li Chunfeng would not secretly watch the young lady bathing! It

is just lust. If there is no seven emotions and six desires, what is the point of living!

What is the point of practicing?

The reason for practicing is to make oneself more powerful and to get more satisfaction.

“Don't squeeze, don't squeeze. These two are high-end goods today. You can only take them if the price is satisfactory!”

At this time, a big man who was more than three meters tall on the high platform said loudly!

Next to him was a large iron cage, but the iron cage was wrapped in black cloth, and you couldn't see what was inside at all!

"There are people in the iron cage, and they are women!"

Chen Ping took a look at the iron cage!

"Chen Daoyou, how did you know? This black cloth obviously has the effect of isolating the spiritual consciousness. I have detected it with my spiritual consciousness!"

Xiu Rui asked very puzzled!

"Listen to the sound, I heard the girl crying in the iron cage."

Chen Ping said!

Seeing this, Xiu Rui pricked up his ears and listened carefully, but the scene was too noisy and he couldn't hear anything at all!

"It was indeed the sound of a woman crying!"

Hu Mazi also spoke!

It seems that Hu Mazi also heard it, while Xiu Rui was embarrassed. He heard it all, but he didn't hear it. Obviously, his strength was too poor!

"Big guy, what kind of high-end goods are you talking about today? Why are you so mysterious?"

"That's right, what kind of treasure is it? Let's take a look."

"Don't be like the last time, it died in two days."

The crowd below the stage shouted!

It seems that this big guy has set up a stall here for the first time!

"Don't worry, this time it must be high-end goods. I risked my life to get it."

The big guy said confidently!

"You name a price!" someone shouted!

“Five hundred immortal coins...”

The big guy stretched out his palm and said!

“Five hundred immortal coins, are you crazy because of poverty? Are you kidding?”

“I don’t want five hundred immortal coins, what a high-end stuff.”

“I got resources for a month, and only exchanged dozens of immortal coins in Tianbao Pavilion. You just asked for five hundred?”

Everyone was dissatisfied, and many people even turned around and left!

This price was beyond their reach, so they didn’t even want to see what it was!

The big guy wasn’t in a hurry, but deliberately kept it a secret, saying, “This high-end product is definitely worth the five hundred immortal coins...”

“Fuck, stop keeping us in suspense, come and see what it is?”

“If you’re pretending, we’ll all leave and never come back again.”

“Let’s go, let him pretend here!”

Everyone was very dissatisfied. After all, this kind of suspense was very annoying!

“Don’t go, don’t go, I’ll show you!”

The big guy panicked, so he lifted the black cloth!

When the black cloth was lifted, they found that there were actually two girls locked in the iron cage. The two girls were very beautiful, with white skin!

## **Chapter 4914**

At this moment, the two girls were only wearing underwear, being watched by everyone in the iron cage!

The two girls were trembling with fear, their eyes full of horror!

Seeing the two girls, the scene was suddenly in an uproar!

“Damn, they are so beautiful...”

“Big guy, where did you get such a beautiful human girl?”

“If I take her home, it would be nice to be a female slave!”

Everyone stared at the girls, and said dirty words to the two girls without disguising!

Hu Mazi’s eyes were also shining at this moment, his Adam’s apple rolled, and he bit his lips tightly. It is estimated that he would not be able to help it and would go directly to the stage to grab it!

“How about it, I said high-end goods, five hundred immortal coins are not expensive at all!”

“Whoever wants it can make a bid, five hundred immortal coins are the lowest price, the highest bidder wins!”

The big guy shouted!

“Five hundred and five...”

“Five hundred and six...”

“Five hundred and seven...”

Soon people were bidding, but the increase was not big!

It seems that people here are very poor, and they increase by ten yuan!

The two girls curled up, and at this moment they became a commodity. They did not have any rights, let alone resistance!

It was just like the vendors selling animals in the secular world!

It was just that in the heaven, the human race, the beast race, and the demon race were already standing at the same starting line, so there was a time when the human race was also treated as a commodity!

“I’ll pay one thousand...”

At this time, Hu Mazi next to Chen Ping suddenly shouted!

This shout was like thunder from the plain, making the scene quiet instantly!

People were adding ten yuan and ten yuan, and they were still gritting their teeth!

But someone suddenly shouted out a high price of one thousand immortal coins!

Everyone looked at Hu Mazi, and the big man on the stage was also excited, staring at Hu Mazi!

Hu Mazi was not afraid at all in the eyes of everyone!

After all, Hu Mazi is a human immortal of the sixth heaven. He has seen all kinds of scenes. Moreover, a thousand immortal coins are just a drop in the bucket for him!

But Hu Mazi overlooked one thing. They had just been led by the avenue. Who had immortal coins?

Chen Ping had quite a few spiritual coins and immortal spirit stones, including some magic weapons and spiritual tools looted from others!

It was a pity that these things were still useful in the heavenly world, but now that they were in the heavenly world, they were not recognized! Immortal

spirit stones were the best resources in the heavenly world, but after reaching the heavenly world, such things were useless!

“Master Hu, do you have immortal coins?”

Chen Ping asked in a low voice!

“I...” Hu Mazi remembered at this time that he had no immortal coins at all!

He was no longer a human immortal in the sixth heaven, and now he was not even a scattered immortal!

“This fellow Taoist, I saw that you were led by the avenue, but I didn’t expect you to be so generous!”

“One thousand immortal coins, these two human girls are yours!”

The big man said to Hu Mazi enthusiastically!

Hu Mazi smiled awkwardly, then asked: “Daoyou, I wonder if you can sell on credit?”

The big guy was stunned, then said angrily: “Daoyou, are you kidding me? Don’t you have immortal coins?”

“How could I not have, I’m just short of money recently!”

Hu Mazi didn’t admit that he didn’t have immortal coins!

“Fuck, you are just kidding me!”

The big guy was furious, and he actually grabbed Hu Mazi!

As soon as the big guy made a move, Chen Ping and the others were shocked!

Obviously, the big guy has reached the realm of scattered immortals!

When the others saw the big guy taking action, they hid aside!

“Fuck, a small scattered cultivator dares to attack me!”

Hu Mazi was also angry. After a cold snort, he also slapped out with a palm!

Bang!

Under this palm, Hu Mazi’s body instantly fell to the ground, and blood spurted out of his mouth!

“Master Hu...” Chen Ping hurried forward and helped Hu Mazi up: “Why are you pretending? You are not a human immortal now.”

“Damn it, I forgot...”

Hu Mazi looked helpless!

## **Chapter 4915**

Seeing this, the big guy was about to attack again, but was stopped by Chen Ping: “Brother, don’t do it yet, it’s just one thousand fairy coins, it’s nothing!”

The big guy stopped and looked at Chen Ping: “A small fairyland of the first level, actually came to this level, it seems that you are either talented or have someone behind you, and you went through the back door!”

Chen Ping smiled and said: “I came through the back door and just strolled here!”

“You can enter the first level through the back door, but how did you enter this Rhino City?”

Someone asked puzzled!

After all, Chen Ping's strength, it is impossible for him to have a pass, how can he enter Rhino City?

"I am friends with the princess of Rhino City, and we often play together. She asked me to be a guest."

At this moment, Chen Ping can only keep bragging, hoping that he can resolve this crisis by bragging!

"You are friends with the princess?"

So everyone looked at Chen Ping in disbelief! How

could a little cultivator of the first rank of the Immortal Realm be friends with the princess?

You have to know that the princess is a native of the heavenly realm. She was born with immortal bones!

How could she be friends with a little cultivator of the first rank of the Immortal Realm?

"Don't brag. How could the princess be your friend? It's hard for us to even meet the princess. How can you be her friend?"

The big guy didn't believe it at all. He was just big, not stupid!

"I don't believe it. If you don't believe it, look at what this is?"

Chen Ping remembered the small token that Niu Li gave him, so he took it out!

The big guy saw the token and was shocked: "This is indeed the token of the City Lord's Mansion. It seems that you are not lying!"

"But the princess is your friend, but you also need to pay for the immortal coins today!"

"We didn't say we won't give it to you, but we don't have enough on us. We will go to Tianbao Pavilion to exchange immortal coins for you now!" Chen Ping just heard someone talking about Tianbao Pavilion, so he hurriedly said!

"Okay, I'll go with you!"

The big guy jumped down from the high platform!

"Brother, you still need someone to watch you, you don't need to follow, we will definitely come after we exchange immortal coins!"

Chen Ping didn't want the big guy to follow, so that they could turn around and run!

"Don't worry, this thing is here, no one will move it, no one has ever lost anything in Rhino City!"

The big man waved his hand and said!

Seeing this, Chen Ping could only nod helplessly!

It seems that they can only wait for an opportunity to escape, otherwise what can they use to exchange for immortal coins!

"Brother, please lead the way for us. After all, we just came here, and we are not familiar with where Tianbao Pavilion is!"

Chen Ping said!

The big man nodded, and then led Chen Ping and the others to Tianbao Pavilion!

"Master Hu, can you knock this big guy out, and then the three of us can escape?"

Chen Ping asked Hu Mazi in a low voice!

"I can't, this guy is a scattered immortal!" Hu Mazi hurriedly shook his head!

"No, you were so pretentious just now, and you still gave out a thousand immortal coins?"

Chen Ping glared at Hu Mazi angrily!

"I am just being sympathetic to women. Those two girls are so nice. I am afraid that others will spoil them!"

Hu Mazi said with some embarrassment!

After all, he was the one who caused this trouble!

"Forget it. If these two girls fall into your hands, they will be spoiled more seriously than others!"

Chen Ping rolled his eyes and said!

Hu Mazi didn't say anything, because Chen Ping was right!

“Fellow Daoist Chen, don’t be pessimistic first. Let’s talk about it when we get to the Tianbao Pavilion. By then, we will put together all the things we have. Maybe it will be worth a thousand immortal coins!”

Xiu Rui comforted Chen Ping and told him not to worry!

“That’s the only way!”

Chen Ping sighed.

Soon, the three people were taken to the Tianbao Pavilion by the big man.

The Tianbao Pavilion is under the management of the City Lord’s Mansion, and private operation is not allowed!
