Chapter 4971

“Sit down...”

After entering the room, Jie Zhong asked David to sit down.

Then someone brought tea, and the person who stopped the tea was Li Tianbao, the shopkeeper of Tianbao Pavilion in Rhino City.

At this time, Li Tianbao had restored his identity and became a core figure in Feihu City.

“I didn’t expect that Lord Niu would send you!”

Li Tianbao said with some surprise when he saw David.

“It’s the same no matter who comes, isn’t it?”

David said with a double meaning.

After hearing this, Li Tianbao smiled slightly: “Indeed, if Lord Niu comes, I really don’t know how to face it.”

“Each serves his own master, you are not wrong. If someone else took Niu Ben away, maybe he would have to suffer some hardships, but at least you won’t.” David said!

When Li Tianbao heard this, the expression on his face changed, and finally turned and left.

“Niu Ben is doing very well with me, you can rest assured about that. I only want resources and territory. As for Niu Ben’s life, I am not interested.”

Xie Zhong said to David after Li Tianbao left.

“Tell me your conditions...” David asked.

“The treasure land belongs to my Feihu City!” Xie Zhong said.

“No problem!” David nodded and agreed without hesitation.

The treasure land is now a dead place, there is no treasure, of course David can agree.

Seeing David agree so readily, Xie Zhong was a little confused.

“City Lord Xie, you don’t have to wonder why I agreed so readily.”

“The treasure land still needs time to open. Now it is a wasteland. No one can enter, so this kind of place is not important to City Lord Niu.”

David explained.

After listening, Xie Zhong nodded: “That’s true, but I don’t just want this treasure land, I also want one million immortal coins, plus the century-old resources of the three places in the south of Rhino City!”

“Okay...” David nodded!

Xie Zhong was stunned: “Can you really make the decision?”

“Of course, when Lord Niu asked me to come, he told me that I was fully responsible and agreed to all the conditions.”

David said.

“Do you know how much one million immortal coins and the century-old resources in the three places in the south of the city are?” Xie

Zhong asked David in disbelief.

“I don’t know, but I know that if the immortal coins are gone, I can earn them again, and if the resources are gone, I can still have them, but if my son’s life is gone, it’s really gone.”

David said calmly.

Xie Zhong looked at David with a puzzled look on his face at this moment. Originally, he thought he had to bargain and had thought about the bottom price in his mind.

Isn’t negotiation a give and take?

But now, David agreed so readily, which made Xie Zhong a little at a loss, feeling that David was not playing by the rules.

“Can you really make the decision?” Xie Zhong asked again.

“Of course, but if I agree to your conditions, you also have to let me see Niu Ben. If I can’t see him, isn’t everything we talked about meaningless?”

David said!

“That’s right!” Jie Zhong nodded, then clapped his hands lightly, and Li Tianbao, who had left, walked in with Niu Ben.

Niu Ben’s face looked very ugly, and he was obviously frightened. When he saw David, his face was full of confusion.

“Niu Ben, don’t be afraid, I’m here to take you home.”

David stepped forward, patted Niu Ben’s shoulder lightly and said.

Just as David patted Niu Ben’s shoulder, a breath had already been injected into Niu Ben’s body!

“Brother Chen, did my dad ask you to come?” Niu Ben asked!

“Yes, you will be able to go home soon...” David nodded.

Niu Ben finally showed a smile, and was obviously much more relaxed.

At this time, Jie Zhong waved his hand and asked Li Tianbao to take Niu Ben away, and then said to David: “You have seen the man, where are the resources and immortal coins I need?”

## Chapter 4972

“City Lord Jie, you also know that these things cannot be gathered together in a short time. Please allow me to inform City Lord Niu and ask him to gather them for you within three days and then send them over.”

“Of course, we will not leave Feihu City within these three days, but you must ensure our safety and the safety of Niu Ben.”

David said!

“No problem, I said, what I want is the territory and resources. Your lives are worthless to me.”

After Jie Zhong finished speaking, he stretched out his hand and shook hands with David.

This negotiation was too smooth for Jie Zhong...

David walked out of the room, and Bai Yi and Feng Xian immediately greeted him.

“Brother, how is it?” Feng Xian asked!

“The talks went smoothly!” David smiled.

“It’s good that it went smoothly. This guy didn’t ask for too much, right?” Feng Xian said.  
Chen

Ping shook his head: “I feel okay. I only asked for one million immortal coins, and the century-old resources of the three places in the south of Rhino City, and of course the treasure land...”

“What?” Bai Yi was stunned: “Isn’t this condition too much? Did you agree to it?”

“Of course, even if he wants the whole Rhino City, I will agree to it. After all, I don’t plan to give it to him.”

David smiled faintly.

“You don’t plan to give it?” Bai Yi was stunned!

“Of course, I just delay time and find a chance to rescue Niu Ben. I don’t have to give a hair to Feihu City.

David said!

“Brother, we have passed so many cities and checkpoints along the way. It must be difficult to rescue Niu Ben, right?”

Crazy Immortal frowned.

“There are always more solutions than difficulties. We still have time to find a solution! “

David said optimistically!

At this time, the people arranged by Jie Zhong came to take David and the others to rest. During these three days, David and the others could only move around in the City Lord’s Mansion of Feihu City.

After David and the others were settled, Jie Zhong stared at the direction of the western mountains, and his figure slowly disappeared!

When Jie Zhong’s figure appeared here, he had already arrived in a small town on the mountains!

There was a group of monks in red clothes in this small town. When they saw Jie Zhong, no one saluted, and Jie Zhong was not surprised.

Then Jie Zhong came to a luxuriously renovated house, where a masked man sat. The man's face was not very good. Seeing Jie Zhong coming, he asked coldly: "Is there a result?"

"Sir, there is already a result. One million immortal coins, a hundred years of resources, and the treasure land, Rhino City has agreed."

Jie Zhong said happily!

"Oh?" The man was obviously stunned: "Did they agree very quickly?"

"Yes, they agreed very quickly, and everything will be gathered in three days!"

Jie Zhong nodded!

"I always feel that agreeing too quickly is not a good thing. You must not be careless in these three days." The man said!

"I understand!" Jie Zhong nodded!

The man waved his hand, and Jie Zhong turned and left!

After Jie Zhong left, the man coughed hard a few times, and the black scarf on his face fell off.

If David was here at this moment, he would definitely recognize the man in front of him.

This man turned out to be Huo Zhao, the eighth hall master of the temple.

At that time, Huo Zhao's soul was summoned by Huo Zhenfeng, the head of the Huo family, with a token. As a result, he fought with David for a long time. David used the Red Cloud Demon Lord to possess Huo Zhao and beat Huo Zhao so badly that Huo Zhao ran away!

Huo Zhao, who ran back, has been weak and needs a lot of resources to nourish his body.

So Huo Zhao led the people of the Eighth Hall to occupy Feihu City. Now the city lord of Feihu City, Jie Zhong, is just a puppet. It was

also Huo Zhao's idea to follow Rhino City to ask for so many fairy coins and resources.

David guessed correctly that the person who really has the right to speak is indeed not in the City Lord's Mansion of Feihu City!

## Chapter 4973

However, David did not know that the person who secretly controlled Feihu City would be someone from the Temple, the Eighth Palace Master of the Temple, Huo Zhao.

Similarly, Huo Zhao did not know that David would be among the people who came to negotiate, and he might not have guessed that David would reach the heaven so quickly by climbing the ladder.

At this time, in the City Lord's Mansion of Feihu City, David, Bai Yi and Fengxian did not rest, but looked at the dark night and quietly walked out of the room!

"This City Lord's Mansion is so huge, where should we find Niu Ben?"

Bai Yi frowned slightly.

"Father-in-law, I have injected a trace of breath into Niu Ben's body. Now you only need to detect my breath to find Niu Ben!" After

David finished speaking, he slowly exuded his divine sense and began to explore the breath he left in Niu Ben's body.

Soon, David noticed it, and then followed the guidance of the breath and went to the backyard of the City Lord's Mansion.

Although there were soldiers patrolling along the way, they were all avoided by David and his men.

Because the City Lord's Mansion of Feihu City is in the middle of dozens of cities, no bad guys will enter here, and these patrolling soldiers are also slack.

In a room in the backyard, David stopped.

"Niu Ben is here..."

David pointed to the room and said.

It seems that Niu Ben has not been abused, and he has not been imprisoned in the prison, but imprisoned in the room, which is also a very good treatment.

“I’ll go and rescue him...”

Seeing this, Fengxian hurriedly rushed in to take Niu Ben out.

But he was pulled by David: “Wait, let me see if there is any formation...”

David slowly squatted on the ground, and then drew a very strange rune on the ground with his hand, and then a stream of immortal power was injected into the rune.

Buzz...

As the rune flashed with light, the house in front of them also flashed.

Obviously, this room is also surrounded by a formation. If the mad fairy rushed in just now, it would definitely activate the formation, and then they would not be able to escape. Pinshu.com <https://www.vodtwla.cc>

“Damn, these guys are really cautious. In such a tight place, what kind of formation is there!”

Seeing this, the mad fairy couldn’t help but curse.

David didn’t say anything. He looked at the formation in front of him and slowly pressed his palm on it!

He wanted to break the formation by force, not to find the center of the formation. After all, they had limited time!

As golden light emanated from David’s palm, the formation around the house began to gradually lose its light, and finally disappeared completely.

“Okay...”

After David finished speaking, the mad fairy rushed directly into the room and then took Niu Ben out!

Niu Ben was shocked and was about to shout, but when he saw David, he closed his mouth instantly.

“Don’t talk, follow us, I’ll take you out.”

David said to Niu Ben.

Niu Ben’s eyes widened and he nodded vigorously.

David and his men began to lead Niu Ben and his men to escape from the City Lord's Mansion.

But just after leaving the backyard, they ran into Li Tianbao.

Li Tianbao came to deliver something to Niu Ben, and he didn't want Niu Ben to suffer.

After all, Li Tianbao had been in Rhino City for so many years, and Gadfly was also good to him, and even let him be the shopkeeper of Tianbao Pavilion.

But as a person from Feihu City, Li Tianbao knew his mission, so there was nothing he could do.

When Li Tianbao and David collided with each other, both sides were a little confused for a moment.

David was quick-eyed and quick-handed, and slapped Li Tianbao with one palm.

He had to make Li Tianbao lose consciousness before Li Tianbao issued a warning, otherwise it would be difficult for them to leave here with Niu Ben!

Li Tianbao instinctively wanted to fight back, but in the end, for some reason, he took his hand back, allowing David to hit him heavily on the chest.

Li Tianbao flew backwards, his head tilted and he fainted.

## Chapter 4974

Looking at the unconscious Li Tianbao, David frowned slightly. He could clearly feel that Li Tianbao deliberately did not resist and did not even make a sound.

At this moment, David did not have time to think about it. He quickly fled the City Lord's Mansion with Niu Ben!

After leaving the City Lord's Mansion, David looked around and decided to leave from the western mountains!

"Brother, we should go north to reach Rhino City as quickly as possible. Why should we go west?"

Fengxian asked puzzledly!

“We came all the way from the north. We have seen those checkpoints, one is stricter than the other.”

“And in the west, because it is not adjacent to Rhino City, there are fewer checkpoints in this direction.”

David explained!

In fact, David went west to see the mountains above, to see who the small city on the mountains was, and whether his guess was true.

But just when David and his men left the City Lord’s Mansion and headed towards the western mountains, a shrill alarm suddenly sounded in the entire City Lord’s Mansion!

Figures soared into the sky from the City Lord’s Mansion, and a large number of soldiers began to search for the whereabouts of David and his men!

“Notify all cities to guard the city gates strictly, and never let the guys from Rhino City escape.”

Xie Zhong looked at the unconscious Li Tianbao and roared loudly.

He didn’t expect that David and his men would dare to rescue Niu Ben in his own territory.

Even if they escaped from the City Lord’s Mansion, they could not escape from the entire Feihu City. There were dozens of cities around them, large and small, and they would definitely not be able to escape.

Hearing the shrill alarm, David knew that he was exposed, and the other party had already noticed that Niu Ben had been rescued.

“We have to speed up!” David said!

The Crazy Immortal carried Niu Ben, and the four of them ran quickly towards the west under the light of the night stars.

David looked at the stars in the sky, each of which was extremely bright. David knew that the stars he saw now should be the myriad worlds, and the earth in the secular world should be one of them.

David and his companions ran faster and faster, and did not dare to fly in the sky, because the target of flying was too big.

After leaving the city lord's mansion, there was a large plain outside, and there was no place to hide. Fortunately, there were hundreds of miles between the cities, which gave David and his companions a chance to breathe.

If a city is next to another city, it would be difficult for David and his men to rush out.

It takes David less than an hour to rush through a distance of hundreds of miles.

When they arrived at the foot of a city, the guards guarding the city were about to question David and his men, but David took action.

Swish!

With a wave of the Dragon Slaying Sword, countless sword beams fell towards the city gate like meteors!

The guards guarding the city did not have time to scream, and all died under David's sword.

This is what David wanted, a quick battle and a quick decision, and he must not alarm others.

If Jie Zhong knew that they were coming to the west, he would definitely send a large number of pursuers.

"Let's go..."

After David killed the gate guards with a sword, he jumped up without hesitation and flew over the city!

In this way, David kept killing the gate guards in front, while Fengxian and Bai Yi protected Niu Ben.

They rushed through several cities in succession, and at this moment, the sky gradually brightened.

Looking at the mountains getting closer and closer, David's heart became more and more nervous.

Now that it's daybreak, I believe Jie Zhong has already known the direction of their escape.

It is estimated that there are a large number of pursuers coming towards them behind them!

"I wonder how many cities are ahead?"

Bai Yi frowned slightly.

“Who cares? Just break through as many as there are. Anyway, we have already broken through so many cities.”

“This Feihu City is only strong in the main city, and the other cities are rubbish.”

Fengxian said.

## Chapter 4975

After all, David solved all the problems with one sword that night, without any delay, which made Fengxian think that the strength of other cities in Feihu City was very rubbish.

“Don’t be careless, let’s go!”

David said, and the four people continued to move forward.

But soon, another city blocked their way, but this city was obviously much larger. Although it was not as big as the main city, it was larger than other cities.

The most important thing was that the gate of this city was closed, and there was a gray-brown fog around, so the scene of the gate could not be seen clearly.

The whole city was shrouded in this fog. Even if David flew into the air, it was difficult to see the scene in the city!

David tried to explore with his spiritual sense and found that the fog actually had the ability to block spiritual sense. It was obvious that someone did it on purpose, in order to prevent people from knowing the scene in the city, and deliberately cover it up.

“It’s so strange. How come such a big city seems to have no one in it? I can’t detect any breath at all.” Fengxian

looked at the city in front of him and frowned.

“Someone is deliberately covering up the breath in the city. It seems that this city is considered to be more important in the entire Feihu City.”

“If we want to pass through this city, it may not be as easy as it was at the beginning.”

Bai Yi said with a serious face.

“There is fog all around this city. We can’t see it at all. Why don’t we just fly over there?”

“If we can’t detect the people in the city, then the people in the city will definitely not detect us.”

Fengxian said.

“We can’t get through. This fog is formed by a huge formation. Even if we fly over it, we will still be discovered.” “Now we can only take one step at a time. Let’s break the formation of this city first, otherwise we will be very passive.”

David decided to break the formation of the city in front of him first, otherwise they would not know the situation in the city, while the other party knew them well.

In this way, they would be very passive.

David and his men came to the city, and there was no one guarding the city gate. It seemed that they really wanted to have a dead city, but David knew that there could not be a dead city in the entire Feihu City area.

David looked at the tall city gate in front of him, and his eyes slowly glowed with a faint red light.

This is David opening the Tianming Eye. If David follows the rules to break such a huge formation, it will take a long time.

And it may not be broken, so now David has to use the Tianming Eye to test this formation.

Buzz!

With the opening of the Tianming Eye, David’s vision has changed dramatically.

The Tianming Eye was opened, and the originally gray-brown mist slowly disappeared in David’s eyes. As the Tianming Eye continued to go deeper, David’s vision actually penetrated the city gate and entered the city!

Although this formation isolates the breath and cannot be explored with divine consciousness, there is no way to stop the Tianming Eye.

David looked over and found that there was no one in the entire city, but all of them were soldiers in armor.

Countless soldiers were lined up in pairs, some were training, and some were patrolling.

David finally understood at this moment that the city in front of him, which looked different, was not a city at all. It should be regarded as a huge barracks of Feihu City.

Those soldiers in armor were trained in this place and then transported to various cities!

At this moment, David's heart became nervous. He ran around and actually ran to the most dangerous place.

Putting away the Tianming Eye, Bai Yi whispered: "My dear son-in-law, how about it, can you break the magic circle in this city?"

"No, let's go somewhere else!"

David said, turned around and left!

"Brother, what are you doing? Are you scared?"

Fengxian chased David in confusion.
