## Chapter 5026

“David, I support you, you can do it!” Hu Mazi supported David.

And those cultivators from Cangxuan Continent all looked at David in disbelief!

In their opinion, it was impossible for a first-grade Sanxian Realm to fight against a fifth-grade one. It was polite to say that it was like an egg hitting a rock.

Although David’s strength was very strong, the gap between the two realms was too big after all.

“Okay, I’ll compete with you. It seems that if I don’t show my two hands, you don’t know how many eyes the horse king has!”

Huo Zhao took a step forward, and a terrifying pressure swept over!

David smiled coldly, and with a light wave of his hand, he broke the terrifying pressure!  
Chen

Ping asked Mo Qingyun to keep an eye on Huo Jingjing and not let her escape.

The reason why David didn’t dare to let Hu Mazi take care of Huo Jingjing was that he was afraid that Hu Mazi would lose control and broadcast live in front of tens of thousands of people, which would be troublesome.

With Huo Jingjing’s temper, she might explode on the spot.

David held the Dragon Slaying Sword and jumped into the air, facing Huo Zhao from a distance.

“Make your move...” David waved at Huo Zhao!

“Wait a minute!” Huo Zhao waved his hand: “David, it’s a fair fight. You can’t let others possess you. If you do that, it’s not your own strength at all.”

“No problem!” David nodded!

He knew that Huo Zhao was scared by the Red Cloud Demon Lord, but even if he didn’t possess him, David had the confidence to defeat Huo Zhao!

David still had a lot of magic weapons on him, as well as the Fire Kirin, and there was also the unknown factor of the Little Swallowing Beast, so David knew that he would definitely not lose.

“Come on...” Huo Zhao said, and directly attacked David!

“Boom—“

A thunderclap suddenly exploded between heaven and earth. Huo Zhao’s figure left a residual shadow in the void and instantly appeared a hundred feet above David’s head.

He formed seals with his hands, and the spiritual power around him rolled and surged like boiling magma. The clouds within a hundred miles were shattered by this terrifying momentum.

“Tiangang Divine Palm!”

With a loud shout, Huo Zhao pressed down with his right palm.

an instant, a golden giant palm that covered the sky and the sun condensed out of thin air, with clear lines on the palm, and each line contained destructive power.

Before the giant palm fell, the ground below had begun to collapse, and countless gravels were crushed into powder by the terrifying pressure.

“Chen Daoyou, be careful!”

Mo Qingyun cried out in shock, clenching her hands into fists, her nails sinking deeply into her palms.

She clearly felt the power contained in this palm, and even she, who was at the peak of the third rank of Sanxian, could never take it.

“It’s over...”

The cultivators of Cangxuan Continent were pale, and many of them had already collapsed on the ground.

An old man with white hair and beard said in a trembling voice: “The power of this palm is likely to directly raze a thousand miles to the ground...”

Just when everyone thought that David was doomed, the tall figure suddenly moved.

“Break!”

David shouted, and the Dragon Slaying Sword in his hand burst into a dazzling bloody light.

The sword body trembled and made a humming sound like a dragon's roar.

He held the sword with both hands, and faced the giant palm that was pressing down on him with an upward thrust.

The blood-red sword light shot up into the sky, drawing a perfect arc in the air, like a blood moon rising into the sky.

“Boom—“

A deafening explosion resounded through the sky.

The blood-red sword light and the golden giant palm collided in mid-air, bursting out with dazzling light.

The violent spiritual power shock wave spread in a circular shape, breaking all the houses within a radius of several miles in half.

After the smoke and dust cleared, everyone's eyes widened – the seemingly invincible giant palm was actually split in half!

“What?!”

Huo Zhao's pupils shrank suddenly, and the muscles on his face twitched unnaturally.

He stared at David, with disbelief in his voice: “You are just a first-grade immortal, how could you possibly break my palm?!”

Chapter 5027

David's mouth curled up into a cold smile, and the tip of his sword pointed diagonally at the ground: “Realm does not represent strength.”

Before he finished speaking, his figure suddenly blurred, and the next moment he appeared less than three feet in front of Huo Zhao.

The Dragon Slaying Sword made a sharp sound of breaking

through the air, and went straight to Huo Zhao's throat. Huo Zhao hastily dodged to the side, but saw that David's sword followed him like a shadow, and every sword was determined to kill.

The sword light was like rain, weaving an impenetrable blood-red net in the air.

Huo Zhao was forced to retreat again and again, and his gorgeous battle robe was cut by the sword energy, revealing the soft armor inside that was shining with golden light.

"This... How is this possible?!"

Master Huo widened his eyes, and his jaw almost dropped to the ground.

He had never seen anyone suppress his father in a head-on confrontation. The cultivators of Cangxuan Continent were so shocked that they were speechless.

A young cultivator rubbed his eyes and murmured, "Am I dazzled? A first-grade Loose Immortal is actually suppressing a fifth-grade Loose Immortal?"

"Hahaha!" Hu Mazi slapped his thigh excitedly, spitting everywhere: "David is awesome!"

"Awesome, awesome..."

Tens of thousands of cultivators from Cangxuan Continent shouted together.

Listening to the awesome shouts, David felt his feet go weak and his whole body floated.

In the center of the battlefield, Huo Zhao's face became more and more ugly.

He found that he could not keep up with David's rhythm at all.

Every sword of the opponent just blocked his retreat, forcing him to take it hard.

What's more terrifying is that David's spiritual power seems to be endless, and there is no sign of exhaustion.

"The Protoss' Secret Technique – Heaven's Dragnet!"

Huo Zhao finally couldn't stand it anymore, bit his tongue hard, and spat out a mouthful of blood.

As the blood turned into blood mist and dissipated, countless golden chains suddenly appeared in the void.

Each of these chains was engraved with ancient runes, exuding an aura of suppressing everything, and entangled David from all directions.

“It’s bad!”

Mo Qingyun’s face changed drastically, and he subconsciously rushed to help: “This is the God Clan’s confinement technique! Once entangled, even a sixth-grade scattered immortal can’t break free!”

The cultivators of Cangxuan Continent closed their eyes in despair.

A middle-aged female cultivator covered her face and sobbed: “It’s over... Senior Chen is going to die here...”

Huo Zhao’s “Heavenly Net” secret technique completely erupted, and countless golden chains entangled like poisonous snakes, instantly binding David layer by layer!

The ancient runes on the chains flickered, and each one contained the power to suppress all things.

David’s spiritual power was suppressed abruptly, and even the Dragon Slaying Sword became dim!

“Hahaha! David, you are defeated after all!”

Huo Zhao laughed wildly, his eyes full of ferocity, “A mere first-grade immortal dares to challenge the majesty of the gods? Today, I will make your soul fly away!”

He formed seals with both hands, and the golden chain suddenly tightened. David’s bones made a “crackling” sound under the heavy load, and a trace of blood flowed from the corner of his mouth!

“Senior Chen!” The cultivators of Cangxuan Continent screamed in despair.

“David!” Mo Qingyun’s face was pale, and she wanted to rush to rescue him, but Huo Zhao waved his hand casually, and a golden barrier shook her back fiercely!

Hu Mazi’s eyes were bloodshot, and he roared: “If you dare to kill him, I will fight you to the death!”

Huo Zhao sneered: “Just you ants?”

However, just when everyone thought that David was doomed to die——

“Roar——!!!”

A deafening roar suddenly exploded!

Then, a blazing flame shot up into the sky, like a volcanic eruption, instantly burning the golden chain into pieces!

“What?!”

Huo Zhao’s pupils shrank suddenly, and he looked in the direction of David in disbelief.

He saw that David was surrounded by flames, and on his shoulder, a young Qilin with red body and flaming scales was raising its head and roaring!

Its eyes were as hot as lava, and its body exuded the terrifying pressure of a divine beast!

Chapter 5028

“Fire... Fire Kirin?!”

Huo Zhao’s voice changed, “This is impossible! How can a casual cultivator of the first rank possess a divine beast?!”

The cultivators of Cangxuan Continent were all stunned, their mouths wide open, shocked and speechless!

“Oh my God! That’s the legendary divine beast!”

“Senior Chen actually has the help of Fire Kirin!”

Hu Mazi was so excited that he trembled all over: “Hahaha! I knew this kid had a trick up his sleeve!”

The little Fire Kirin glanced at Huo Zhao with disdain, then turned into a beam of fire and returned to the storage ring.

David broke free from the restraints, and the spiritual power that had been suppressed was instantly restored, even stronger than before!

“Huo Zhao, do you think you can kill me like this?” David smiled coldly, flipped his right hand, and the God King Bow appeared in his hand!

“God King Bow?!”

Huo Zhao’s face suddenly changed, and a trace of fear finally emerged in his eyes!

“You are not trustworthy. Didn’t you agree not to ask for help?”

Huo Zhao said to David!

“I didn’t ask for help. That Qilin beast is my pet. If you have the ability, you can also make a divine beast pet. I will never say anything!”

David said with a cold smile!

Huo Zhao’s face was uglier than eating shit. Where can he get a divine beast pet?

At this time, David slowly pulled the bowstring, and the Dao pattern evil spirit rushed in crazily. An arrow as bright as a star condensed out of thin air on the bow!

“This arrow will send you on your way!”

“Swoosh—!”

The arrow broke through the air, and the world lost its color!

Huo Zhao hurriedly sacrificed all the defensive magic weapons, but in front of the power of the God King Bow, all defenses were as fragile as paper!

“Boom—!!!”

“Puff—“

Blood spurted out like a fountain.

Huo Zhao groaned, staggered forward, but managed to hold on.

He turned around with difficulty, looking at David with fear in his eyes: “Who... who are you?!”

With so many magical weapons and magical pets, what kind of status can one have?

You know, David is only a first-grade scattered fairyland!

When he was in the heavenly world, Huo Zhao lost because he was just a spirit and his strength was limited!

And David defeated himself by being possessed.

But now, David, a first-grade scattered fairyland, defeated himself, a fifth-grade scattered fairyland.

Although he had the help of the Fire Kirin, Huo Zhao was shocked by David's ability to fight beyond his level.

David put away the God King Bow, slowly offered the Dragon Slaying Sword, pointed the sword at Huo Zhao, and said coldly: "A person you can't afford to offend." As he said that, David's body disappeared in an instant, and in the blink of an eye he was in front of Huo Zhao, with the tip of the sword pointing at Huo Zhao's throat: "Now, do you admit defeat?"

The whole audience was terribly silent, and even the sound of breathing could be clearly heard. Everyone held their breath, waiting for the result of this shocking duel.

Huo Zhao's face changed constantly, and struggle, anger, and unwillingness flashed in his eyes... In the end, all emotions turned into deep frustration.

He slowly lowered his head and said in a hoarse voice: "I... admit defeat."

It is not easy to make the people of the God Clan admit defeat!

In addition to Huo Zhao being shocked by David, he also had a pair of children in David's hands.

"Win! Senior Chen won!"

After a short silence, the cultivators of Cangxuan Continent burst into thunderous cheers.

Many people cried with joy and hugged each other.

The old man who was desperate before fell to his knees, tears streaming down his face: "God has eyes... our Cangxuan Continent is saved..."

Hu Mazi danced excitedly, accidentally stepped on his own clothes, and fell on his back, but he didn't care, still laughing.

Huo Jingjing slumped to the ground, her delicate face full of disbelief: "Impossible... How could my father lose... How could it be..."

Her pride was completely shattered at this moment, and her eyes were terribly empty.

## Chapter 5029

David put away the Dragon Slaying Sword and looked at Huo Zhao coldly: "Fulfill your promise, take your people and get out of Cang Xuan Continent!"

"I can leave, but you must release my children, otherwise I will wipe out the entire Cang Xuan Continent even if I fight the entire Eight Palaces."

Huo Zhao said to David!

"That won't work. I'll release everyone. What if you don't leave and continue to kill in Cang Xuan Continent?"

"I can only release one of these two people to show my sincerity. You can choose!"

David said to Huo Zhao!

Huo Zhao looked at his son and daughter when he heard it, but it wasn't easy to choose!

"Father, save me, save me, my sister has just been arrested, and I have been locked up for many days."

"I don't want to die, and I don't want to be locked up and suffer, save me!"

Master Huo shouted desperately, wanting Huo Zhao to rescue him.

Seeing this, Huo Jingjing said to Huo Zhao: "Father, please rescue my brother. I will be their hostage. I believe they dare not do anything to me."

Huo Zhao could only nod, and David waved his hand and asked people to release Master Huo.

Having just gained freedom, Master Huo immediately showed his fierceness.

"David, you dare to arrest me, you wait for me, our temple is not something you can contend with."

"I will make you live a life worse than death..."

Master Huo said arrogantly!

David looked at the arrogant look of Huo Shizi, smiled coldly and said: "If you don't want to leave, believe it or not, I can catch you back now?"

"Don't forget, your father was defeated by me. If I catch you, no one can stop me!"

When Huo Shizi heard it, he immediately shut his mouth and hurriedly pulled Huo Zhao and said: "Father, let's go, let's go quickly..."

Huo Zhao looked at David coldly: "David, if my daughter loses a hair, I will never forgive you."

"Even if you defeat me, I have the entire temple behind me, and the temple is behind the entire God Clan. You can't afford to provoke it."

"Don't worry, as long as you don't target Cangxuan Continent, your daughter will never be in trouble." David said lightly!

"Okay, I'm not targeting Cangxuan Continent, but I won't let you go!" Huo Zhao said coldly!

"Whatever, even if you let me go, I'm not going to let the temple go."

David said casually!

"Jingjing, take care of yourself!" Huo Zhao finished speaking and left with the people of the Eight Palaces!

After Huo Zhao left, the cultivators of Cangxuan Continent all knelt down to David!

It was David who saved the entire Cangxuan Continent from being slaughtered and enslaved.

Mo Qingyun looked at David with admiration and envy.

A first-grade scattered fairyland can actually have such strength.

You know, this is a society where the strong are respected.

Although David's first-grade scattered fairyland realm is looked down upon, the strength shown by David is really enviable.

"Take us to see your Xuannv!"

David said to the man at the beginning of Cangxuan Continent!

"Okay, okay..." The man nodded repeatedly, "Senior Chen, please follow me..."

David and the others jumped up with the man and went to the palace where the blue lotus was!

Those cultivators of Cangxuan Continent did not stand up until David and his group left!

An old cultivator murmured, "It was Senior Chen who saved us, and saved our entire Cangxuan Continent..."

"We will build a golden body for him, so that our descendants can worship him for generations..."

At this time, David had no idea that they were going to build a golden body for him, and was still on his way to see the blue lotus.

Mo Qingyun would sneak a peek at David from time to time.

Although he had not known David for a long time, at this moment, Mo Qingyun felt that he seemed to be attracted to David.

Especially when David, who was a first-grade scattered fairyland, fought against Huo Zhao, who was a fifth-grade scattered fairyland, he was so handsome.

Hu Mazi was looking at the subdued Huo Jingjing, and his saliva kept flowing.

8After all, Huo Jingjing's tights, any man who saw it would have a reaction!

Chapter 5030

In a magnificent palace in Cangxuan Continent!

Lan Lianhua frowned slightly, feeling very anxious!

After such a long time, Mo Qingyun has not arrived yet. If there is no help from the Mo family, relying on Cangxuan Continent, there is no way to stop the attack of the Eight Palaces.

"Xuan Nu, are the helpers you called for coming? If you wait any longer, I don't know how many people in Cangxuan Continent will be buried in the hands of that temple."

The king of Dongmeng asked anxiously!

"Wait a minute, it will probably be here soon!" Lan Lianhua said!

"Xuan Nu, I don't want to wait any longer. Our Dongmeng Kingdom is now under the iron hoof of that temple. If we don't think of a way, our Dongmeng Kingdom will be wiped out."

The king of Dongmeng Kingdom couldn't wait any longer!

"What do you want?" Ashnu asked!

"Since we are not opponents, we can only surrender. We can't just watch everyone die."

The King of Dongmeng said!

"You traitor, I know you will definitely surrender. I will chop you first..."

Ashnu said, and was about to start.

"Okay, don't you think it's not chaotic enough?" Blue Lotus shouted angrily!

This time, no one spoke, and looked at Blue Lotus quietly, wanting to know what she had in mind.

But what ideas could Blue Lotus have? She could only wait.

But every minute and every second, there were monks from Cangxuan Continent dying.

At this moment, someone suddenly broke in, and then said excitedly: "Xuan Nu, retreat, all retreat..."

"What retreat?" Blue Lotus was very puzzled.

"The people in those temples have retreated, all evacuated our Cangxuan Continent..."

said the person who came!

"What's going on?" Blue Lotus said happily!

"I don't know either!" The person who reported the news shook his head!

The other three kings were also shocked when they heard it. They couldn't figure out why the people in this temple suddenly retreated?

"I know, it should be the helper I found. She must have driven away the people from the temple."

Lan Lianhua's eyes suddenly lit up.

Just as Lan Lianhua was talking, a huge breath suddenly approached, and then slowly landed in front of the palace gate.

"Xuan Nu, your friend wants to see you..."

The man who brought David and the others said loudly.

“Hahaha, it’s her.” Lan Lianhua was overjoyed and hurriedly said, “Let them in...”

Mo Qingyun led David and the others in!

After seeing Lan Lianhua, Mo Qingyun hurried over, and the two hugged each other tightly.

“Qingyun, thank you so much, otherwise if you don’t help, I’m afraid that my Cangxuan Continent will be completely occupied by the people of the temple.”

Lan Lianhua said!

“Don’t thank me, I didn’t do anything, it’s all David’s credit.”

Mo Qingyun pointed at David and said!

“David?” Lan Lianhua looked at David curiously, and found that David was only a first-grade strength in the scattered fairyland, and suddenly became puzzled.

“Don’t look at his realm, his strength is very strong. The Eighth Palace Master, who was at the fifth level of the Sanxian Realm, was beaten by him and surrendered.”

“That’s why those people withdrew from Cangxuan Continent...”

Mo Qingyun knew what Lan Lianhua was thinking, so she said.

“Xuan Nu, is this the helper you found? I saw that the people from the Temple left, and it has nothing to do with the helper you found, right?”

The King of Dongmeng just glanced at them and snorted coldly!

As for the strength of David and his people, the strongest one seemed to be only Mo Qingyun at the peak of the third level of the Sanxian Realm.

Hu Mazi and David were not at a high level.

Just these few people drove away the people from the Temple, he didn’t believe it at all.

Lan Lianhua didn’t say anything, because she didn’t quite believe it, after all, the realms of several people were too low.

Originally, she thought that Mo Qingyun would bring Mo family masters to help, but who would have thought that he would bring these two people.
