Chapter 5051

When she arrived in front of the stone platform, the woman in white robe took a deep breath and then slowly stepped onto the stone platform.

At the same time, a ball of hot light condensed on the hands of the woman in white robe, ready to attack at any time to meet the attack of the

two warrior statues. But when the woman in white robe stepped onto the stone platform, the two warrior statues did not attack her.

Seeing this, the woman in white robe couldn't help but breathe

a sigh of relief. "What's going on?" Tianci frowned and looked a little embarrassed.

The woman in white robe waved her hand, and the three old men in black robes also walked towards the stone platform. The three of them were also very cautious, but fortunately, the two warrior statues did not attack.

Seeing that everyone in Shura Palace had reached the stone platform, Tianci couldn't wait any longer.

"Elder Tong, I'll try first..." Tianci said!

"Let's go together. These two statues probably won't attack again."

Elder Tong said, and walked towards the stone platform!

Tianci saw this and followed closely with Mo Qingyun.

When they climbed onto the stone platform, the two warrior statues did not attack. Tianci looked at the two statues in surprise, but did not dare to look too closely.

"Ah...unfair..."

The man in green was lying on the ground, seriously injured.

Seeing that everyone climbed onto the stone platform safely, his heart was hit.

"Why, why, why are you only targeting me..."

The man in green roared indignantly.

“I said, it’s because you are not handsome enough...” David said indifferently!

Puff...

The man in green spurted out a mouthful of blood in anger and fainted.

But no one cared about him. After all, they were not relatives, and no one would waste time on an irrelevant person.

Everyone stood on the stone platform, looking at the three coffins in front of them.

The blood-like red color flowing on the coffins, as well as the bloody smell, made everyone very confused.

The woman in white robe instantly released her spiritual consciousness, wanting to explore what was inside the coffin.

But the consciousness couldn’t penetrate at all. The moment it touched the coffin, the consciousness disappeared.

Everyone tried, but it didn’t work.

David thought that his consciousness was the most powerful, but he couldn’t penetrate the coffin, let alone others.

The woman in white robe looked carefully at the mysterious runes on the coffin, but she couldn’t understand it at all.

Elder Tong slowly squatted down and studied it carefully. Tianci watched from the side and didn’t dare to say anything!

David pulled Mo Qingyun aside.

If there is anything strange about the coffin, they can escape in advance.

Although this relic has opportunities, it is also accompanied by risks. You must know that opportunities and risks are common.

“Senior, do you know which sect this relic belongs to?”

David asked the Red Cloud Demon Lord.

“I don’t know, how can I know about the relics of the second heaven? Don’t forget that I am from the ninth heaven.” The

Red Cloud Demon Lord shook his head.

“You weren’t born in the Ninth Heaven, what’s wrong with asking?” David rolled his eyes.

“Damn, I was born in the Ninth Heaven...”

the Red Cloud Demon Lord roared!

David was speechless...

This guy is so lucky, he was born in Rome...

At this time, Elder Tong was still studying it carefully, and even the people in the Shura Palace were watching with bated breath.

They also knew that among these people, only Elder Tong knew the art of formation.

The runes on the coffin should be the formation runes.

Elder Tong used the method of opening the stone door, but he used it again, intending to open the three coffins.

Seeing this, David pulled Mo Qingyun and walked directly under the stone platform.

If the formation taboo is broken, and a big zongzi jumps out, it will be troublesome.

Chapter 5052

Just when David dragged Mo Qingyun to the bottom of the stone platform, the runes on the coffin suddenly burst out with terrifying power.

Everyone didn’t react and was blown away by this force.

Fortunately, David had foresight and took Mo Qingyun to the bottom of the stone platform, so this force did not cause any harm to the two people.

But the others were miserable. Everyone was pale and blood flowed from the corners of their mouths.

Especially Elder Tong, his face was extremely ugly, and his chest was sunken.

When Tianci saw Elder Tong like this, he no longer had that arrogant look, but was replaced by a solemn look.

He felt that it might not be so easy to get treasures from this relic. And

at this moment, the entire surrounding void was shrouded in a repressive and fearful atmosphere.

David looked at the stone platform. The three coffins were still placed well, with no sign of opening.

But where did the terrifying power just now come from?

David pulled Mo Qingyun back continuously, because he also realized that these three coffins were too strange and scary.

“Creaky...”

Suddenly, a harsh sound rang out, and the coffin in the middle was slowly opening by itself.

Seeing this scene, everyone was nervous, and they were alert and ready.

David pulled Mo Qingyun behind him, holding the Dragon Slaying Sword, staring at the open coffin.

Tianci was so angry when he saw Mo Qingyun following David again, and they looked very intimate.

But at this time, he couldn't go to David.

After all, when they were in danger, everyone had to work together.

David turned his head and glanced in the direction of the stone gate, whispering: “If something goes wrong, run immediately, don't fight to the end...”

“Yes!” Mo Qingyun nodded.

She always listened to David. As long as David ran, he would definitely run with him.

“Boom—“

The coffin lid in the middle slowly opened, and an ancient and vast breath instantly filled the entire ruins!

Then, an illusory figure emerged from the coffin and floated in the air.

It was a white-haired old man wearing a simple robe, with eyes as deep as the starry sky, as if he could see through everything.

“Finally... someone is here.” The old man spoke slowly, his voice vicissitudes and majesty.

Everyone widened their eyes and stared at the old man, their eyes full of greed!

“Senior! I am Tianci from Tianyuan Pavilion, and I pay my respects to you!” Tianci immediately stepped forward and saluted respectfully.

“Bai Shuang from Shura Palace, I have met you!” The woman in white robe also spoke quickly.

“Tianyuan Pavilion, Shura Palace?” The old man shook his head, “I don’t know, I haven’t heard of it...”

“I don’t know what sect the senior is from?” David stepped forward and asked.

“Gan Tianzong...” The old man said slowly.

“Gan Tianzong?” Everyone was stunned.

What kind of sect is this?

What a great name!

But everyone had never heard of this sect, nor had anyone mentioned it.

Seeing this, the old man smiled and said, “Our sect was founded tens of thousands of years ago. It has been tens of thousands of years since it fell. You little kids certainly can’t have heard of it.”

“But the first, second and third heavens in this heaven were all opened up by my Gantian Sect.” said the old man.

“What?” This shocked everyone.

“Senior, does your Gantian Sect mean to go against the will of heaven?” David asked.

“Yes, we are going against the will of heaven. Originally, there were only thirty-three heavens in this heaven.”

“My Gantian Sect opened up the third heaven. If it weren’t for us, those cultivators below the level of immortal transformation would not be able to reach the heaven unless they ascended.”

“It was me who created the three heavens and set the rules. Those with extraordinary talents can be led to the heaven after passing the test.”

The old man said slowly.

Chapter 5053

Hearing the old man’s words, everyone was shocked, their faces full of disbelief.

None of them thought that the three heavens were actually opened up by the old man in front of them.

In the past, there were only thirty-three heavens in the heavens. Being able to open up the world in the heavens shows the strength of this old man.

No wonder he is called Gan Tian Zong. He really did everything to the heavens.

After all, none of these people in front of them knew what happened tens of thousands of years ago, nor did they know

whether what the old man said was true or false. “Senior, is what this old man said true?”

David could only ask the Red Cloud Demon Lord in his sea of consciousness. After

all, this guy is in the ninth heaven, and he has lived for many years, so he knows more.

But who knew that David had just asked in his sea of consciousness, and the mysterious old man smiled faintly and said: “You don’t need to ask the soul in your sea of consciousness, he doesn’t know, because he doesn’t have that long age.”

David was stunned. He didn’t expect that he was talking to the Red Cloud Demon Lord in his sea of consciousness, and the mysterious old man in front of him actually knew it.

This is simply too magical and too powerful.

Tens of thousands of years are really too long.

“Your Gantian Sect was able to open up the world in the heavens, why did it finally perish?”

Mo Qingyun asked the mysterious old man!

This Gantian Sect has become a relic, which proves that Gantian Sect has been destroyed a long time ago. Only the destroyed sects will become relics.

When David heard this, he was immediately shocked, and hurriedly pulled Mo Qingyun, and then said to some old man: "Senior, the girl is ignorant, don't bother with him."

The guy who was able to open up the world in the heavens and existed for tens of thousands of years, how terrifying his strength is, David dare not even think about it.

Even if this mysterious old man is only a spirit body now, he still has some strength left, which is not something they can deal with.

"Hahaha, I've been dead for so many years, I've let it go."

The mysterious old man laughed: "There are mountains outside mountains, and people outside people. Even if my Gantian Sect can open up the third heaven in the heaven, so what?"

"Even this entire heaven was opened up by the Supreme God, so what is my Gantian Sect?"

"The cycle of heaven, all things will wither, nothing can be truly immortal, only the cycle of heaven can allow the entire universe to develop smoothly."

"The destruction of my Gantian Sect is destined by heaven, what ability do I have to control heaven!"

After hearing the words of the mysterious old man, everyone's face was extremely ugly.

Especially Tianci, who always thought that he was a genius, arrogant and looked down on everyone. But

when he heard what the mysterious old man said, a deep sense of frustration arose.

They are still desperately trying to break through the three heavens and become immortals respected by others.

Little did they know that the Supreme God opened up the entire heaven. They are now fighting to the death, and I am afraid that they are not even a speck of dust in the heaven.

"Senior, we have no intention of offending you. We are just here to explore the ruins and look for opportunities."

"It is our great honor to meet you now. I wonder if you can teach me and help me improve my strength?"

Tianci put away his arrogant look and asked the mysterious old man politely like a good student who is diligent in learning.

“Hahaha, of course, the one who comes is the fate. I am so happy that someone can inherit the mantle of my Gantian Sect.”

The mysterious old man laughed.

“Please teach me...”

Tianci knelt down in front of the mysterious old man.

The mysterious old man waved his hand lightly, and a flash of light flashed.

Tianci and the mysterious old man disappeared.

Only David and the others were at the scene. The two men seemed to have disappeared out of thin air.

“Tianci, Tianci...”

Elder Tong of Tianyuan Pavilion was frightened and pale when he saw this. He shouted loudly, but there was no echo at all.

Chapter 5054

Tianci is the pride of their Tianyuan Pavilion. He can fight against opponents of higher levels. If something unexpected happens, how will he explain it when he goes back?

At this time, Tianci was in a chaos with the mysterious old man.

“Your strength is too poor. Now you are just a small scattered immortal. I will directly promote you to the earthly immortal realm. Go to the fourth heaven to make a living.”

The mysterious old man said to Tianci!

When Tianci heard this, he was so excited that he was about to cry. He knelt on the ground and wanted to lick the toes of the mysterious old man.

“Thank you, senior, thank you, senior...”

Tianci kept kowtow!

The mysterious old man gently pressed his palm on Tianci's head, and a soft light enveloped Tianci.

Tianci only felt his body trembling violently, and the whole person seemed to be torn apart and was about to fall apart.

He gritted his teeth and persisted, and finally fell to the ground in sweat.

"You have good talent, but your body is too poor. You can't bear it after only being promoted to the fifth level of the Sanxian Realm."

The mysterious old man shook his head and said.

Tianci felt a little disappointed when he heard it, but it was not bad to be promoted to the fifth level of the Sanxian Realm. He could fight against the fifth level of the Sanxian Realm and the seventh level of the Sanxian Realm.

"Thank you, senior..."

Tianci knelt down and kowtowed again.

The mysterious old man waved his hand, and when their figures reappeared in front of everyone, everyone's eyes widened.

"The fifth level of the Sanxian Realm?!"

"It's only been a short time, and you have been promoted two levels?!"

Elder Tong was so excited that he trembled all over, and hurried forward to check on Tianci's situation.

Tianci was full of pride, feeling the surging power in his body, and looked at David proudly: "Huh, do you still dare to be arrogant in front of me now?"

David frowned slightly, ignored Tianci's provocation, and observed him carefully.

Something is wrong...

Tianci's realm has indeed improved, but the whole person exudes a strange sense of decay, as if part of his vitality has been taken away.

"Senior, I also want to improve my strength!" The white-robed woman knelt down impatiently, her eyes full of desire.

"Okay, okay..." The mysterious old man nodded with a smile, waved his hand again, and disappeared with the white-robed woman.

A moment later, the white-robed woman returned, and her realm also skyrocketed!

“Hahaha! I broke through!” She laughed excitedly, but there was a hint of hoarseness in her laughter, as if she had aged a bit.

Then, Elder Tong and three black-robed elders also stepped forward and asked the mysterious old man to teach them.

The mysterious old man accepted everyone and improved their realm one by one.

Soon, everyone was immersed in the joy of the surge in strength, but David was more and more frightened the more he looked.

Although these people’s realms have been improved, the vitality in their bodies is rapidly fading!

In this case, although they have improved their realm, they will not live for long, and their future cultivation will probably stagnate.

“David, let’s go too!” Mo Qingyun pulled David’s sleeve, with expectation in her eyes.

“No!” David grabbed her and whispered, “There is something wrong with this old guy!”

“Ah?” Mo Qingyun was stunned, “But they have indeed improved...”

“It has improved, but at the cost of life!” David said in a deep voice: “Didn’t you notice? The vitality in them has obviously declined!”

Mo Qingyun shook her head. She couldn’t see any vitality at all, she only knew that the realms of these people had all improved.

“Then...what should we do?” Mo Qingyun was a little panicked.

David narrowed his eyes and suddenly smiled: “Since he wants to play, then I will play with him.”

After that, he strode forward and respectfully bowed to the mysterious old man: “Senior, I think I have good talent, versatile, gifted, and hardworking, so I would like to ask you to pass on the mantle of the Qiantian Sect to me.”

“If I can obtain the mantle of the Qiantian Sect and improve my realm, I will burn incense and pray for you every day.”

Chapter 5055

A trace of unnoticeable greed flashed in the eyes of the mysterious old man, and he smiled: "Okay, okay..."

The mysterious old man waved his hand, and David instantly appeared in the chaotic space.

The mysterious old man still looked at David with a smile: "Little guy, you have good qualifications, I can let you directly step into the earth fairyland."

David pretended to be excited: "Thank you, senior!" The

mysterious old man raised his hand and pressed it on the top of David's head, and a soft light instantly enveloped David's whole body.

"Come on, let me improve your cultivation..."

The old man's voice suddenly became gloomy, and his palm turned into a dark vortex, madly devouring David's vitality!

However, just when he thought he had succeeded.

"Concentration of the Heart!"

David suddenly opened his eyes, and the Concentration of the Heart in his body was running wildly, devouring the old man's power in reverse!

"What?" The old man was horrified and wanted to pull his hand away, but found that his spirit was locked tightly!

"Old thing, you can fool others, but you can't fool me!" David sneered, "Using realm improvement as bait, you actually devour other people's lifespans, and want to borrow corpses to revive, right?"

"You...how did you get the ancient gods?" The old man was terrified, and his spirit began to tremble violently.

"Unfortunately, you chose the wrong person." David's eyes flashed with cold light, "Your cultivation belongs to me!"

Boom...!

The violent devouring power burst out, and the old man's spirit shrank at a speed visible to the naked eye!

“No!!!”

With a shrill scream, the old man’s spirit completely collapsed and turned into pure energy that poured into David’s body!

David’s realm also began to improve, and in the blink of an eye he reached the third level of the scattered fairyland.

Feeling his realm’s improvement and strength greatly increased, David was so happy.

Now he no longer has to compromise. If Tianci dares to talk too much, David can slap him directly in the face.

David’s Sanxian Realm 3rd Rank directly fought against Sanxian Realm 8th Rank, and he was not afraid at all.

...

When David returned from the chaotic space alone, everyone was stunned.

“Where is the senior?” Tianci asked hurriedly.

David glanced at him coldly: “What senior? He is just an old ghost who survives by devouring other people’s lifespan!”

“What?!” Everyone’s face changed drastically.

“You are talking nonsense!” Tianci shouted angrily, “My realm has obviously improved, hasn’t your realm also improved?”

“Yes, it has improved, but look at how much life you have left?” David sneered.

Tianci was stunned, and hurriedly looked inward, and then his face turned pale –

his lifespan was less than ten years!

“No... This is impossible!” He shook his head frantically, unwilling to believe it.

The white-robed woman, Elder Tong and others also checked themselves, and then their faces turned ashen.

“We...were deceived...”

Mo Qingyun grabbed David’s hand in fear: “Fortunately you found it...”

David nodded and turned his eyes to the three coffins: “This remains of the Gantian Sect is simply a trap!”

“That old thing relies on devouring the lifespan of the intruder to maintain its immortal spirit and wait for the opportunity to resurrect.”

David said!

Although everyone was a little unconvinced, they felt the loss of vitality in their bodies at this moment.

They are just casual cultivators now, and they cannot achieve an infinite lifespan.

If their lifespan is exhausted and their realm cannot be improved again, they will completely decay and die.

“Ah...”

Tianci attacked the coffins in front of him like crazy.

Except for the coffin in the middle that was smashed to pieces, the coffins on both sides did not move at all, and the mysterious runes on them were constantly flowing.

David looked at the two coffins and decided to open them to see if there were any good things inside.

It’s not possible to come here in vain and leave without getting any treasures, right?

David squatted down and began to study the mysterious runes on the coffins.

Seeing David studying runes, Elder Tong snorted coldly and said, “What do you know?”
