

## A Man Like None Other Novel Chapter 5064 |

Full Read Online **Chapter 5064** of the novel **A Man Like None Other**

### Chapter 5064

With one slash of the sword, blood-red thunder swept across the sky, instantly splitting a temple master into charcoal!

Another warrior wielded a white long sword, and the dark blue flame turned into a giant dragon, devouring a temple master.

“What kind of monster is this?!” Huo Zhao was horrified.

You have to know that the people brought by the patrol envoy are very powerful, much stronger than the people of their Eight Palaces. But

now, they were killed by the two warriors that David suddenly turned out, and they had no power to fight back.

The patrol envoy’s face also changed drastically: “Ancient war puppets? Impossible! How can you control them?”

David didn’t answer at all, his body was as fast as lightning, and he went straight to the patrol envoy!

“Looking for death!” The patrol envoy shouted angrily, and the bone whip was like a rainbow, going towards David.

Facing the patrol officer’s bone whip, David’s eyes flashed with coldness, and he rushed forward instead of retreating, and actually rushed directly towards the bone whip!

“Looking for death!”

The patrol officer laughed grimly, and the bone whip in his hand suddenly swelled several times, turning into a ferocious bone dragon, opening its bloody mouth and biting towards David!

“David, be careful!”

Huo Jingjing exclaimed, her face pale.

Just when the bone dragon was about to devour David, a dazzling golden light suddenly burst out from his body!

A dragon roar resounded through the sky, and golden dragon scales appeared all over David's body. His right hand turned into a dragon claw and grabbed the bone dragon fiercely!

Ever since David transformed into a golden dragon, he has possessed the ability to transform his form.

“Crack!”

With a tooth-grinding sound of shattering, the seemingly indestructible bone dragon was crushed by David alive!

“What?”

The patrol officer's pupils shrank suddenly, and before he could react, David had appeared in front of him like a ghost!

“Old man, it's my turn!”

David's right fist condensed with terrifying golden thunder, and he punched the patrol envoy in the face!

“Boom!”

In the earth-shaking explosion, the patrol envoy flew backwards, his mask shattered, revealing a hideous face covered with scars.

“Ah! My face!”

The patrol envoy screamed miserably, and blood gushed out of his seven orifices.

At the same time, the two warrior statues also started the massacre!

The black warrior swept the giant sword in his hand, and the blood-colored thunder turned into an electric net all over the sky, instantly covering more than a dozen temple masters!

“Ah...”

Screams came one after another, and those temple masters twitched wildly in the electric net, and turned into charcoal in the blink of an eye!

The white warrior was even more terrifying. Every time the long sword in its hand was swung, it would bring up a sea of blue fire. Wherever it passed, even the space was burned and distorted!

“What kind of monster is this?”

A master of the temple retreated in fear, but was chopped in half by the white warrior. Before his body hit the ground, it was burned to ashes by the dark blue flames!

“Form a formation! Quickly form a formation!” A master of the temple screamed.

However, before they could complete the formation, the black warrior suddenly roared to the sky and stabbed the giant sword in his hand into the ground!

“Boom boom...”

The earth shook violently, and countless blood-colored thunders gushed out from the ground, instantly blowing dozens of masters of the temple into pieces!

“Too...too strong...”

Hu Mazi was stunned and forgot to activate the talisman in his hand.

Huo Jingjing’s beautiful eyes were full of light, and she murmured: “David can actually control such a powerful war puppet...”

Lan Lianhua looked solemn: “These two warriors, I’m afraid they have extraordinary origins...”

Only Mo Qingyun knew the origins of the two ancient warriors, so it was not surprising.

Tens of thousands of years ago, the sect that was able to open up the world in the heavens left behind two guardian warriors, and their strength must be strong.

In the center of the battlefield, the battle between David and the patrol envoy has entered a fierce battle.

Huo Zhao stared blankly, dumbfounded.

“Father, do we need help?” Huo Shizi asked Huo Zhao in a low voice!

“Help your mother, didn’t you see that the patrol envoy wanted to kill your sister?”

“Maybe David can kill him, so your sister can be saved.”

Huo Zhao glared at Huo Shizi and said!

## Chapter 5065

“Father, do you think my sister really let David do it?” asked Master Huo!

Huo Zhao was silent, then nodded: “It seems to be true!”

“So, David is my brother-in-law?” Master Huo’s brain circuit is too amazing.

“Shut up...” Huo Zhao glared and told his son not to talk anymore.

He became his brother-in-law before he knew what it was like?

If David really slept with his daughter by force, Huo Zhao would take revenge even if he risked his life.

But if his daughter really agreed, and the two of them were willing, Huo Zhao really felt it was a bit tricky.

Just as Huo Zhao was thinking wildly, the battle continued.

“Little beast, I want you to die!”

The patrol envoy was completely crazy, biting his tongue and spitting out a mouthful of blood, and the bone whip instantly turned into a hundred-foot blood dragon!

“Blood Dragon Devours the Sky!”

The blood dragon roared and rushed towards David. Wherever it passed, even the air was corroded and sizzled!

“A trifle!”

David sneered, and the spiritual power in his body surged wildly, and the Dragon Slaying Sword appeared in his hand.

“Clang clang clang...”

Countless sword sounds resounded through the world, and tens of thousands of golden sword shadows appeared behind David, shooting at the blood dragon like a rainstorm!

“Boom! Boom! Boom!”

In the deafening explosion, the blood dragon was pierced through the heart by thousands of swords, and let out a shrill wail, and finally exploded into a blood mist with a bang!

“No... Impossible...”

The patrol envoy looked ashen, turned to look at Huo Zhao and said, “What are you still looking at? Why don’t you help me quickly?”

The patrol envoy’s words made Huo Zhao’s body tremble slightly.

“Sir, you are no match for David. If I go to help, won’t I be cannon fodder?”

Huo Zhao said! “

How dare you talk to me like that? I order you to stop David immediately!”

After the patrol envoy finished speaking, he turned around and was about to flee.

“Want to leave?”

David’s eyes were filled with murderous intent, and he appeared behind the patrol envoy in a flash. He swung the Dragon Slashing Sword with his right hand and pierced his chest directly!

“Puff!”

Blood splattered, and the patrol envoy looked down at the Dragon Slashing Sword that was exposed in his chest, his eyes full of disbelief.

“You... you dare to kill the temple...”

“You talk too much nonsense!”

David snorted coldly, and swung the Dragon Slashing Sword!

“Swish!”

The patrol envoy’s body was directly split into two halves, and his body and soul were destroyed!

At the same time, the two warriors also killed the last few masters of the temple, and the entire battlefield suddenly became quiet.

“Gudong...”

Huo Zhao swallowed hard, and his legs trembled uncontrollably.

Master Huo behind him was even more unbearable, his crotch was already wet, and when he saw David's eyes sweeping over him, he fell to his knees: "Sister...brother-in-law, spare my life! I...I won't dare to do it again!"

Seeing this, Huo Jingjing hurriedly ran to David, pulled his arm and begged: "David, for my sake, spare my father and brother..."

David looked at Huo Jingjing, then at Huo Zhao, who was ashen-faced, and said lightly: "Father-in-law, can we have a good talk now?"

Huo Zhao trembled all over and quickly squeezed out a smile. A smile that was still ugly even when crying: "My dear... my dear son-in-law, we are a family, what can't we talk about..."

David's mouth corners slightly raised, and two ancient warriors turned into black light and entered David's body, while David held Huo Jingjing's slender waist and walked towards Huo Zhao: "In this case, the Eighth Palace will be under my command from today, father-in-law, do you have any objections?"

How dare Huo Zhao have any objections, nodding his head repeatedly: "No objection! Absolutely no objection! My dear son-in-law is very powerful, and the Eighth Palace is the most suitable for you!"

Seeing this, Hu Mazi and others couldn't help laughing.

Who would have thought that Huo Zhao, who was so aggressive that he wanted to kill David not long ago, is now trembling like a quail?

What about the arrogance of the gods? What about the rule of the gods that they would rather die than surrender?

Speaking of it, the gods are just self-proclaimed, and these people are also human beings, with human emotions and seven emotions and six desires.

They are even afraid of death.
