Chapter 5066

Now the Eighth Palace has gone from being an enemy to being a relative, a result that David had not expected.

However, this is also the best result. David still has some knowledge about the Temple and the Gods. Now that the Eighth Palace Master has become his father-in-law, he can better understand the Temple and the Gods.

He knows that the Temple will never give up, and may even have a stand with the entire Gods. David must understand the other party.

David temporarily let Huo Zhao take the Eighth Palace to stay in the Cangxuan Continent. The Blue Lotus is very enthusiastic about the Eighth Palace. After

all, having one more powerful friend is much better than having one more powerful enemy.

Yesterday they were enemies who fought each other, but today they are friends who can talk about anything!

Changes are often so magical.

Just because David forced Huo Jingjing to sleep with him for one night, everything began to change.

“Father-in-law, can you tell me in detail about the temple and the gods?” David asked Huo Zhao!

He wanted to know more about the temple.

Huo Zhao’s expression froze, and he whispered, “My dear son-in-law, you killed the patrol envoy, and the temple will never let it go.”

“The gods claim to be the chosen people, with noble blood, and will never allow foreign races to taint them.”

“And you... not only killed the people in the temple, but also...”

He said halfway, glanced at Huo Jingjing who was standing next to David, and stopped talking.

Huo Jingjing's pretty face flushed slightly, and she said softly, "Father, David did not mean to offend the God Clan, and... my daughter volunteered."

Huo Zhao smiled bitterly and shook his head, "Silly girl, the Temple of God will not care whether you are willing or not."

"If a woman from the God Clan marries someone from another race, at the very least, her cultivation will be abolished, and at the worst... she will be sentenced to death!"

David frowned, "So overbearing?" Pinshu.com <https://www.fastla5200.xyz>

Huo Zhao nodded, "The rules of the God Clan have always been like this."

"But..." He suddenly lowered his voice, "If my son-in-law wants to fight against the Temple of God, it's not completely without a chance."

"Oh?" David's eyes condensed, "What do you think, father-in-law?"

A gleam of light flashed in Huo Zhao's eyes, "The God Clan is not completely monolithic!"

"Although the Eight Palaces are affiliated with the Temple of God, in fact, we are only a peripheral force. The real core power is in the hands of the 'Palace of the God King'."

"And the Palace of the God King is divided into two factions-conservatives and reformists!"

"The conservatives insist that the blood of the gods is pure and will never allow intermarriage with outsiders; while the reformists believe that if the gods want to continue their glory, they must absorb foreign talents and break the shackles of blood!"

David thought for a moment: "So, my father-in-law belongs to... the reformists?"

Huo Zhao laughed: "My dear son-in-law is really smart!"

"Although my Eighth Palace obeys the orders of the Temple on the surface, in fact, we have long been dissatisfied with the outdated rules of the gods!"

"If I hadn't been seriously injured last time when my soul left my body and fought with you, I would have rebelled long ago!"

David felt a little embarrassed after hearing what Huo Zhao said, after all, he had injured Huo Zhao twice.

“Now, has my father-in-law’s injury healed?” David asked!

Huo Zhao shook his head, sighed and said: “Now the temple is not very concerned about us peripheral forces, so the resources given are also very few. Without resources, my injury will be difficult to heal.”

“If I hadn’t had to, I wouldn’t have brought people to this heaven, and then controlled Feihu City to plunder resources for me everywhere.”

“Father-in-law, your Eighth Palace was in the Second Heaven before?” David asked curiously!

“Yes, there is still my mansion in the Second Heaven now, but I was injured. With the strength of the Eighth Palace, it is very difficult to obtain resources in the Second Heaven. I can only come to the First Heaven.” Huo Zhao nodded.

“Father-in-law, your injury is caused by me, I will compensate you.” David said!

Chapter 5067

“No need to do that, you just need to be nice to Jingjing and love her well, after all, she has just become a wife.” Huo Zhao looked at Huo Jingjing lovingly.

“That’s right, brother-in-law, you have to be gentle. I saw that my sister was limping just now. She must be swollen!” Huo Shizi also spoke on the side!

Huo Jingjing blushed immediately and looked at her brother and said, “Huo Feng, I will beat you to death...”

As she said that, Huo Jingjing punched Huo Feng, and Huo Feng ran away. The two of them chased each other!

David only realized at this time that his brother-in-law was actually called Huo Feng.

“These two children have been fighting like this all the time.” Huo Zhao said with relief!

“Father-in-law, I will take you to a place to heal your injuries. I guess your injuries will be healed in less than a day.”

David said to Huo Zhao!

“Where is it?” Huo Zhao asked with a face full of curiosity!

“You’ll know when you go there!” David smiled!

David took Huo Zhao directly into the Demon Suppression Tower!

Looking at the Demon Suppression Tower, feeling the speed of time flowing inside the Demon Suppression Tower, and the piles of immortal stones, Huo Zhao was a little shocked.

“My dear son-in-law, what...what is this?” Huo Zhao asked in shock!

“This is the Demon Suppression Tower. In this tower, the speed of time flows a hundred times faster than outside, that is, one year outside the tower, and a hundred years inside the tower.”

David said!

“A hundred years?” Huo Zhao was shocked.

“That is to say, when I practice here during the day, only one day has passed outside?”

David nodded: “Yes.”

Huo Zhao’s breathing became rapid. No wonder David said that he could recover in one day.

“Where did you get this Demon Suppression Tower?” Huo Zhao asked curiously!

David smiled slightly: “Father-in-law, you should recover first, and then talk about it later!”

Huo Zhao’s eyes flashed with a complicated color, and then he smiled and said: “Well, it seems that my daughter’s vision...is really good.”

Huo Zhao is now quite satisfied with David.

David laughed in his heart when he heard this.

This old guy was obviously defeated by himself, and now he can find a way out for himself.

However, he did not expose it, but asked Huo Zhao to heal his wounds quickly.

In the Demon Suppression Tower, Huo Zhao sat cross-legged inside, feeling the rich fairy energy pouring into his body, and his injuries recovered at a speed visible to the naked eye.

David came out of the Demon Suppression Tower and saw Huo Jingjing chasing and playing with Huo Feng. Huo Feng was beaten and ran away.

“Brother-in-law, save me, brother-in-law, save me...”

Huo Feng saw David and hurriedly hid behind David!

Seeing Huo Jingjing chasing after him, Huo Feng said to David: “Brother-in-law, try harder at night and try to make my sister unable to walk, so that she can’t beat me...”

“Huo Feng, you still said, I will beat you to death...”

Huo Jingjing blushed with shame.

David smiled slightly, ignored the fight between the two siblings, and entered Hu Mazi’s room!

Hu Mazi was fighting with two women. When he saw David pushing the door open, he was shocked.

“Damn, don’t you know to knock on the door?” Hu Mazi said dissatisfiedly!

“Master Hu, are you really going to die on a woman’s belly every day?”

David said speechlessly!

“Don’t worry about it. You are just like me. Don’t you know how many women you have?”

Hu Mazi rolled his eyes at David.

David was speechless. David didn’t even know how many women he had.

“Master Hu, I want to see something for you.” David said! Hu

Mazi heard it and waved his hand, asking the two women to put on their clothes and leave.

“What are you looking at?” Hu Mazi asked!

David took out a coffin directly from the storage ring. The coffin was blood red and had runes on it.

David really wanted to know what was in the coffin...

Chapter 5068

At first, David wanted to forcefully break the coffin open, but he was afraid that the things inside would be damaged.

The runes on the coffin were very special. They were not array runes, but more like a seal.

Hu Mazi was very proficient in this kind of sealing spell, so David came to him to have a look.

“Damn, you are so unlucky. How did you get a coffin?”

Seeing this, Hu Mazi frowned!

“Master Hu, this coffin is a treasure...” David told Hu Mazi about what happened in the ruins.

Hu Mazi became interested when he heard it, and then looked at the coffin carefully and looked at the runes on it.

“This coffin is sealed. It seems that they are not afraid of people opening it, but afraid of the things inside coming out.”

“This seal rune is to suppress the things inside the coffin.”

Hu Mazi looked at it carefully and said!

“Master Hu means that there is a person in this coffin?” David was a little shocked.

“I am just guessing, open it and see!”

Hu Mazi said and then gently placed his right hand on the coffin, muttering something in his mouth. In an instant, the rune on the coffin began to tremble, and then automatically decomposed!

Seeing this scene, David became a little nervous!

At the same time, there was a dragon-slaying sword in his hand.

If there was really any danger in the coffin, he would take action at the first time.

As the runes decomposed, the coffin began to vibrate. David pulled Hu Mazi back, and the two watched quietly.

Soon, the coffin slowly opened a gap, and then a white hand that was a little surprising stretched out from the coffin.

Seeing the exposed palm, it was obvious that there was a person inside.

David held the dragon-slaying sword and was ready.

Hu Mazi quickly used his blood to draw a spell, ready to suppress it at any time.

Just as the two of them were nervously looking at the coffin, ready to take action at any time, two black mists suddenly emerged from David's body!

Two ancient warriors came out without warning.

After the two warriors appeared, the pale hand suddenly stopped, then retracted and covered the coffin again!

David was very puzzled. Why did these two ancient warriors suddenly come out without being summoned?

Could it be because of this coffin?

David had no choice but to recall the two warriors back into his body, and then said to the coffin: "Come out, it's okay!"

Since we know there are people inside, there is something to talk about.

But David talked for a long time, and the coffin still did not move.

David then walked over and wanted to open the coffin, but after trying several times in a row, it seemed that the coffin was held from the inside and could not be opened at all.

"Damn it, I don't believe it..."

David raised the Dragon Slaying Sword and wanted to cut the coffin open with one sword.

"Boy, seal the coffin again. If the things inside come out, you will be in trouble."

At this time, the Red Cloud Demon Lord spoke in David's sea of consciousness.

David was stunned and asked, "Senior, do you know what is inside?"

"I don't know, but I know that if you open it, you will be in trouble."

The Red Cloud Demon Lord said.

Seeing this, David gave up the idea of forcibly opening the coffin and asked Hu Mazi to stick the talisman on it and seal it again.

Put the coffin back into the storage ring. When David and others are strong enough, they will open the two coffins to see.

Since they know that there are people inside, not treasures or resources, David is not particularly interested.

Just when David put the coffin away, someone found David.

"Mr. Chen, Xuannv called you over!"

The person said to David!

David was puzzled and didn't know what the blue lotus wanted to do with him.

When David rushed to the hall, Lan Lianhua and Mo Qingyun were there!

"Xuannv, I wonder what you want to see me for?" David asked!

Chapter 5069

"Mr. Chen, I'm not the one looking for you, it's Qingyun who's looking for you!" Lan Lianhua glanced at Mo Qingyun and said!

Mo Qingyun looked at David, his eyes full of reluctance, and his expression was slightly painful, saying: "David, I'm going back, the family has begun to urge me."

"After Tianci goes back, let Tianyuan Pavilion put pressure on the Mo family. Now I have to go back, otherwise my parents will suffer."

Listening to Mo Qingyun's words, David frowned slightly, and then said: "I'll go back with you, I want to see what's so great about Tianyuan Pavilion."

“No, Tianyuan Pavilion is very powerful, you don’t have to worry about me, I’m very satisfied to be able to know you during this period of time.” Mo Qingyun shook his head and said.

“I said, I’ll go back with you, so I’ll take care of things, you don’t have to worry about it.” David said very domineeringly!

Mo Qingyun enjoyed David’s domineering attitude very much.

“I’ll make arrangements and then leave!” David left after saying that!

Lan Lianhua looked at Mo Qingyun with envy and said, “Qingyun, Mr. Chen is so good to you. It’s your happiness to meet such a domineering man like a CEO.”

“Don’t care how many women he has, as long as he is also your man. It’s too difficult to find a good man now...” The

envy of Lan Lianhua made Mo Qingyun very happy. At the same time, he nodded vigorously to show his approval of what Lan Lianhua said!

David left the hall and found Huo Zhao directly. At this time, Huo Zhao also came out of the Demon Suppression Tower and recovered!

“Xiansheng, you have this treasure, and you will do a lot in the future.”

Seeing David, Huo Zhao praised loudly.

Others practiced hard for a year, but David practiced for a hundred years.

“Father-in-law, you have recovered. What are you going to do next?” David asked!

“I listen to you. You are the controller of the Eight Palaces now.” Huo Zhao said!

“I plan to go to the Second Heaven.” David said!

“Then let’s go to the Second Heaven. Anyway, the Eighth Palace’s residence is also in the Second Heaven. Now that I’m recovered, it’s time to go back!” Huo Zhao nodded!

Soon, David took Hu Mazi, Mo Qingyun, and the Eighth Palace people to leave Cangxuan Continent and headed straight for the Second Heaven.

When leaving, David gave Lan Lianhua a portrait and asked her to find it in the First Heaven!

The portrait shows Sonya. After being taken here, David never knew where Sonya was sent.

Now he can only rely on the power of the Blue Lotus to find her.

Just as David and his men were heading to the Second Heaven, a great uproar had already been set off inside the temple!

In the Palace of the God King, inside a towering golden palace.

“Bang!”

An old man in a golden robe angrily slammed the table and shouted: “The patrol envoy was killed, the Eighth Palace rebelled, and the old man Huo Zhao dared to surrender to foreigners!”

“Third Palace Master, calm down!” A middle-aged man stepped forward and said in a deep voice: “This matter may not be that simple.”

“Then David can control the ancient war puppet, and his strength may have reached the peak of the scattered immortal realm, or even... higher!”

The old man in the golden robe snorted coldly: “A mere scattered immortal dares to challenge the majesty of the temple?”

“Pass on my order, tell the Seventh Palace Master to flatten the Cangxuan Continent, kill David, and destroy the entire Eighth Palace!”

“No!”

Suddenly, a cold female voice sounded.

Everyone turned around and saw a beautiful woman in a white dress slowly walking into the hall.

Her face was cold, her eyes were like snow, and she exuded a biting coldness.

“Fourth Palace Master, what do you mean by this?” The old man in the golden robe frowned.

The fourth hall master said calmly: “Third hall master, the temple is now facing internal and external troubles, so

it is not appropriate to start a war.” “Besides, David can control the ancient war puppets, there must be a hidden story behind it.

” “If you act rashly, I am afraid it will lead to unpredictable consequences.”

The old man in the golden robe sneered: "Fourth hall master, you are not trying to protect that foreign boy, are you?"

"Or are you also tempted by worldly desires and want to have an affair with a foreign man?"

Chapter 5070

The fourth hall master's eyes turned cold: "Third hall master, please be careful with your words."

"I am the fourth hall master of the temple. Everything I do is for the future of the temple!"

"If the third hall master insists on doing it, don't blame me... please show me the 'God King Order'!"

"You!" The face of the golden-robed old man suddenly changed. The

God King Order is the highest token of the temple. Seeing the order is like seeing the God King!

The God King is the highest level of existence in the temple. Even a hall master has to bow his head when he sees the God King

. The temple was founded by the God King.

And the God King has a high status in the entire God Clan. If

the fourth hall master really asks for the God King Order, even if he can ask the first hall master, he will have to bow his head!

The reason why the fourth hall master dared to talk to him in such a tone is because of the God King Order in her hand.

"Good! Very good!"

The old man in the golden robe gritted his teeth: "Fourth Palace Master, I hope you don't regret it!"

After saying that, he left with a wave of his sleeves.

The Fourth Palace Master looked at his back, and a hint of coldness flashed in his eyes.

“David... I want to see what’s so special about you...”

“Palace Master, David seems to be below the Third Heaven, and we can’t see him at all!” A maid next to the Fourth Palace Master said!

“Don’t worry, it won’t be long before he can break through the Third Heaven.”

“You notify the Seventh Palace Master to check David’s background carefully, but don’t cause a conflict!” The Fourth Palace Master said!

“Yes!” The maid nodded!

.....

In the Second Heaven, David stood on a high peak. There were more than a dozen palaces of various sizes on the mountain. This was where the Eighth Palace was located.

David overlooked the mountains and rivers under his feet, and felt a little emotional. He didn’t expect to come to the Second Heaven so soon!

At this time, Huo Feng ran over happily and said flatteringly, “Brother-in-law, what are you looking at?”

“I’m tired of this shabby place. There’s nothing good to see!”

David glanced at him and said, “I’m thinking... how to throw you down.”

Huo Feng’s face froze, and he laughed dryly, “Brother-in-law is really a joker...”

David didn’t bother to pay attention to him, and carefully scanned the defense of the Eighth Palace. Then his figure flashed and disappeared into the hall: “Father-in-law, the defense formation of the Eighth Palace needs to be strengthened.”

David knew that after the Eighth Palace followed him, the other people in the temple would definitely not give up.

Huo Zhao nodded: “I have ordered people to arrange it with all their strength, but... there are not many people who know the art of formation, I’m afraid...”

David said indifferently: “It doesn’t matter, I have it.”

He turned his palm, and divine patterns appeared between heaven and earth in an instant.

After all, David also learned from the ancestors of divine patterns and array demons, and his array art is much better than others!

“This is...” Huo Zhao was full of doubts.

David smiled slightly: “This is a divine pattern, much stronger than ordinary array patterns!”

“Wait until I set up the Nine Heavens Thunder Array, and I can protect the entire Eight Palaces.”

“Once this array is activated, it can trigger the Nine Heavens Divine Thunder. Even a fifth-grade strongman in the scattered fairyland will not be able to escape death!”

Huo Zhao took a breath of cold air: “My dear son-in-law, where did you learn this divine pattern array?”

David smiled but said nothing.

Of course, he couldn't say that he learned it from the Divine Pattern Ancestor and the Array Demon.

After all, these two people are also immortals in the heaven, and perhaps Huo Zhao has never heard of them!

“Brother-in-law! You are so awesome!” Huo Feng's eyes lit up, “Can you teach me?”

David smiled faintly and said, “Sure, you go down the mountain and run a hundred laps first.”

Huo Feng: “...”

At this moment, Mo Qingyun hurried over with a serious look on his face: “David, I just received news that my parents had a dispute with the tribe members!”

“Oh?” David raised his eyebrows, “Tell me in detail.”

Mo Qingyun whispered: “Many tribe members couldn't stand the pressure from Tianyuan Pavilion, so they put pressure on my parents. Now my parents have a dispute with the tribe members.”

“Especially Mo Qingchen, he is the best. He has always wanted to contact the tribe members and overthrow my father's position as the head of the family.”
