## Chapter 5081

Tianci and Elder Tong looked at each other and found that they still underestimated David, so they turned around and wanted to escape!

Just as Tianci turned around to escape, he saw David had appeared in front of him.

David clamped his throat with two fingers. The force was not strong but made him unable to move: "What's the matter? I beat you up two days ago, but you haven't learned your lesson today?"

"You... you dare to touch me?" Tianci's voice trembled, but he was still holding on, "I am the pride of Tianyuan Pavilion, if you hurt me..."

"What if I hurt you?"

David applied a little force with his fingertips, and Tianci's face suddenly turned red, and his eyeballs almost bulged out, "Go back and tell your Pavilion Master that if he dares to hit Qingyun again, I will tear down his Tianyuan Pavilion."

"David!"

Elder Tong roared, "If you dare to hurt Tianci, Tianyuan Pavilion will definitely come out in full force to make you never have peace!"

David turned his head to look at Elder Tong, his eyes as cold as a knife: "Who have I ever been afraid of? Go back and tell your Pavilion Master, come and try if you have the guts."

After that, he casually threw Tianci to Elder Tong, who hurriedly caught it, but was forced to retreat more than ten steps by the huge impact.

Everyone in the Mo family was already stunned.

Mo Qingchen's face turned pale, he didn't expect things to turn out like this!

This David is not afraid of even Elder Tong and Tianci!

At this moment, there were suddenly more than a dozen terrifying auras approaching from afar above the Mo family!

When these dozen auras approached, everyone saw more than a dozen men in black hanging in the void!

“People from Shura Palace?”

Seeing the people coming, everyone in the Mo family was shocked.

You know, in this second heaven, Tianyuan Pavilion and Shura Palace are among the most powerful forces.

Now that the two great powers have come to the Mohist School, everyone in the Mohist School is terrified. They don't know why the people from the Shura Palace suddenly come to visit!

The leader of the Shura Palace is the Third Elder, who stares at the people below.

When Elder Tong of Tianyuan Pavilion sees the people from the Shura Palace coming, he is immediately delighted!

Because

he knew that David had killed Sang Kun from Shura Hall.

The people from Shura Hall suddenly came at this time, and they must have come to seek revenge on David.

Since they failed to kill David, they would find a way to let Shura Hall take action, so as to kill someone with a borrowed knife.

Even if there was any terrorist force after David left, they would not be able to find their Tianyuan Pavilion at that time.

“It turned out to be the third elder of Shura Hall, nice to meet you...”

Elder Tong stepped forward and greeted him with a smile on his face!

But the third elder did not even look at Elder Tong, but stared at David with his eyes.

Seeing this, David became alert!

He knew that the people from Shura Hall were likely to come to kill him, after all, he had just killed Sang Kun from Shura Hall.

Mo Qingyun was also nervous when he saw the people from Shura Hall coming.

“Daughter, what's the matter? Why did the people from Shura Hall come suddenly?”

Mo Wuji asked!

“Father, David killed Sang Kun from Shura Hall...” Mo Qingyun said!

“What?” Mo Wuji felt his eyes go dark and he almost fainted.

The two major forces of the Second Heaven were both offended by David.

No matter how capable David was, he couldn't deal with the two major forces of Shura Palace and Tianyuan Pavilion by himself.

Mo Qingchen, who was standing aside, laughed when he heard it. This time David couldn't escape.

As long as David died, the position of the head of the Mo family would be his, and no one would be able to stop Elder Tong and others from helping him.

Elder Tong was a little angry when he saw that the third elder of Shura Palace ignored him, but at this time, he could only bear it.

“Third elder, are you here to seek revenge on David? This guy killed your young master Sang Kun.”

Elder Tong provoked!

Chapter 5082

However, the Third Elder still did not speak, and then his figure slowly fell down, and then walked towards David step by step!

Seeing this, Elder Tong immediately laughed, and Tianci also raised his mouth slightly, waiting to see how the people from Shura Palace would kill David. But

the Third Elder walked in front of David and bowed deeply, and then said very politely: “Mr. Chen, I'm really sorry, our young master Sang Kun has offended Mr. Chen, and he deserves to die.”

“But he was also instigated by someone, and I hope Mr. Chen will not blame our Shura Palace. Our eldest lady specially ordered me to apologize to Mr. Chen.”

The Third Elder's attitude was very sincere, which surprised David!

Seeing this, everyone else was stunned!

Especially Elder Tong, who looked at the Third Elder in disbelief, and then asked loudly: "Third Elder, are you from Shura Palace so cowardly? Your young master was killed, and you apologized?"

"Shut up, if it weren't for you instigating and trying to kill someone with a borrowed knife, how could our young master die?" As soon as

the voice fell, the Third Elder took action instantly.

A blood light instantly arrived in front of Elder Tong.

Elder Tong's face changed drastically, and he pinched his hands, and a shield instantly rose in front of him.

Bang!

With a loud bang, Elder Tong was directly blown away, and as soon as he landed, the Third Elder jumped up, and another blood light came.

This time, the blood light was faster and instantly pierced Elder Tong's body!

Elder Tong stood there, motionless.

"How dare you touch our people in Tianyuan Pavilion?"

Seeing this, Tianci hurried over and wanted to save Elder Tong, but Elder Tong stood still, his eyes full of fear!

His array formation skills are superb, but his real strength is not as good as the three elders of Shura Hall, so he is so embarrassed.

"Tianci, call the Pavilion Master..."

Elder Tong was motionless, gritting his teeth and squeezing out a few words!

He knew that if no one came to rescue him at this time, he would definitely die if he followed Tianci!

Tianci nodded, grabbed the jade pendant on Elder Tong's waist, and then crushed it fiercely.

In an instant, a mysterious force enveloped Elder Tong and Tianci.

A phantom slowly appeared in front of the two!

“Pavilion Master, save me...” Elder Tong saw this and hurriedly shouted.

The Pavilion Master of Tianyuan Pavilion has arrived, but it is just a phantom!

The three elders of Shura Hall saw this and their faces changed slightly.

In front of the Pavilion Master of Tianyuan Pavilion, he didn't have the courage to kill the elders of Tianyuan Pavilion.

“Are the elders of my Tianyuan Pavilion also slaughtered at will by you Shura Hall?”

The Pavilion Master of Tianyuan Pavilion said in a cold voice!

“Master Tian, you don't know what your people did, do you?” said the third elder!

The master of Tianyuan Pavilion slowly turned his head and looked at Elder Tong, which made Elder Tong pale.

“Your people instigated our young master Sang Kun to deal with Mr. Chen, telling him that Mr. Chen had a relic treasure, which led to the death of our young master Sang Kun. Do you think our Shura Hall should ask you for an explanation?”

The third elder questioned!

The master of Tianyuan Pavilion certainly knew about this, and it was his idea, but at this time, of course, he couldn't admit it.

“The young master of your Shura Hall was killed by David, so you should seek revenge on David. What's the point of looking for our Tianyuan Pavilion?”

” “Are you bullying our Tianyuan Pavilion because there is no one?”

The master of Tianyuan Pavilion said coldly!

“I didn't instigate it. It was your young master Sang Kun who was too stupid. He got greedy himself. What does it have to do with me?”

“I told many people about the relic treasure on David. Why didn't the others die?”

Seeing that he had the support of his own master, Elder Tong also became tough.

## Chapter 5083

“You.....” The third elder didn’t know what to say.

“I won’t bother with you for hurting my elders in Shura Palace. Take your people and get out of here right now.”

“When your Palace Master comes out of retreat, I will come to your house in person to ask for an explanation.” The

Pavilion Master of Tianyuan Pavilion waved his hand and said!

The third elder looked ugly, but he didn’t dare to do it again. After all, he didn’t have the courage in front of the Pavilion Master of Tianyuan Pavilion.

Even if the other party was just a phantom, the third elder didn’t want to cause a big fight between Shura Palace and Tianyuan Pavilion!

“Since you are the one spreading my news everywhere, I can’t keep you!”

David stepped forward slowly.

The Pavilion Master of Tianyuan Pavilion looked at David and smiled faintly, “You are indeed young and promising. I heard that you can fight against opponents of higher levels.”

“I don’t know if you are interested in joining our Tianyuan Pavilion. I can give you the title of Tianjiao, and then you will have inexhaustible resources!”

The Pavilion Master of Tianyuan Pavilion actually planned to accept David.

“You don’t deserve it...”

David said indifferently!

“What did you say?” The Pavilion Master of Tianyuan Pavilion was furious, and the aura on his body began to rise.

The others were also shocked. None of them expected that David would dare to talk to the Pavilion Master of Tianyuan Pavilion like this.

“I said you don’t deserve it. Are you deaf?”

David said!

“David, you are so bold that you dare to talk to our Pavilion Master like this?”

Elder Tong roared!

This guy couldn't move at all, but he was still so arrogant.

"Tranquil..."

David snorted coldly and waved his hand casually!

A golden light came out and instantly penetrated Elder Tong's body. At the same time, Elder Tong's head was thrown high up, and then rolled to the ground and rolled far away!

Boom!

In an instant, a terrifying aura locked onto David.

The others were extremely nervous and retreated, fearing that they would be affected.

Seeing that David dared to kill Elder Tong of Tianyuan Pavilion in front of the Pavilion Master of Tianyuan Pavilion, the three elders of Shura Hall could not help but give a thumbs up: "Awesome..."

"Awesome..."

More than a dozen black-clothed men in Shura Hall also shouted in unison!

At this moment, the Pavilion Master of Tianyuan Pavilion looked extremely ugly. This was a slap in his face in public.

"Boom..."

The shadow of the Pavilion Master of Tianyuan Pavilion suddenly expanded, and the black robe surging actually set off a substantial spiritual power storm.

The bluestone slabs within a radius of ten feet cracked inch by inch, and the Mohist disciples were blown away by the air wave, hitting the wall and spurting blood.

"Young man, you are so arrogant!"

The Pavilion Master's shadow pierced the void with a finger, and the dark blue ice cone was like a poisonous snake spitting out its tongue, with a piercing scream, going straight to David's forehead.

Wherever the ice cone passed, the air froze into frost, and the ground cracked into three-foot gullies!

“David, be careful!” Mo Qingyun cried out in shock.

Mo Wuji was also worried for David!

Although the Pavilion Master of Tianyuan Pavilion was just a phantom, his strength should not be underestimated.

Mo Qingchen sneered, laughing at David for overestimating his own abilities and daring to offend the Pavilion Master of Tianyuan Pavilion.

Isn't this courting death?

David faced the attack of the Pavilion Master of Tianyuan Pavilion, but he didn't move at all.

Just when the ice cone was three inches away from the center of his eyebrows...

“Clang!”

A sword sounded through the sky!

David flicked his fingers, and the golden light on his fingertips surged, turning into a three-foot giant blade that chopped down across the sky.

Wherever the golden blade passed, the void twisted, and it actually split the Pavilion Master's ice cone into two!

“Bang!!!”

The shock wave of the collision of the two forces swept across the entire venue.

The dome of the Mo family's meeting hall exploded, and countless broken stones poured down like a rainstorm.

Everyone ran away in panic, and those with weak cultivation were directly knocked unconscious.

When the smoke and dust cleared, everyone was shocked to find that

David stood with his hands behind his back, and even the corners of his clothes were not messed up.

And the golden blade actually twisted the Pavilion Master's ice cone into light spots all over the sky!

“Is that all you can do?” David sneered.

The phantom of the Pavilion Master of Tianyuan Pavilion showed a look of surprise for the first time: “You...”

Before he finished speaking, David suddenly raised his hand and grabbed!

“Crack!”

The golden light penetrated the phantom’s chest like a living thing, and instantly turned into nine chains to entangle its limbs.

The Pavilion Master’s phantom struggled frantically, but saw fire gushing from David’s palm...

To deal with this kind of phantom, fire is the best weapon.

“Extinguish.”

said it lightly.

“Boom—!!!”

The phantom of the dignified Tianyuan Pavilion Master was actually crushed into a rain of light all over the sky!

Seeing this scene, everyone was stunned!

“A mere phantom dares to threaten me, it’s really courting death!” David snorted coldly!

“Plop!”

Tianci wanted to escape, but his legs softened and he knelt on the ground, his crotch was wet. This Tianyuan Pavilion Tianjiao was actually frightened and incontinent!

Seeing Tianci’s appearance, Mo Qingyun laughed, and laughed very happily.

Who made this guy always so arrogant, and now he is honest!

“You want to run?”

David crushed the bluestone with his feet, and every step seemed to be stepping on Tianci's heart.

Tianci was crying and crawling back: "Senior Chen... please spare me! I... I am just following orders! It's none of my business, and I won't bother Mo Qingyun anymore."

Tianci desperately begged for mercy, just wanting to save his life.

"The pride of Tianyuan Pavilion?" David stepped on his chest, "Nothing more."

The golden light spread from the soles of his feet, and Tianci made a strange "crackling" sound in his throat, and turned into a charred corpse in an instant.

"Boom! Boom!"

Suddenly two loud noises came from a distance, and the two warriors returned. More than a dozen Tianyuan Pavilion masters were slaughtered!

The two warriors returned and turned directly into black mist and entered David's body!

Seeing this scene, the three elders of Shura Hall were shocked. These two warriors were also relics, and they were indeed treasures for everyone!

However, knowing that they were treasures, the three elders of Shura Hall did not dare to have any greed in their eyes.

"Mr. Chen, since the matter has been explained clearly, we will take our leave. I have to go back and report to the eldest lady."

The third elder clasped his fists towards David and said!

"Convey my apologies to the Shura Palace." David arched his hands.

Since the Shura Palace is so reasonable, David also feels that he has gone too far by killing Sang Kun.

"Of course, if you have time, please invite Mr. Chen to visit my Shura Palace."

The third elder said!

"Okay!" David nodded!

He needed to go to the Shura Palace. After all, he killed someone's young master, and the Shura Palace not only did not take revenge, but also apologized to him!

David felt that going there in person and explaining it was also a respect for the Shura Palace!

After all, more friends are better than more enemies!

The third elder left with his men!

Only the Mo family was left standing in the ruins!

At this time, everyone's eyes fell on Mo Qingchen!

"Master, I was bewitched by Mo Qingchen, so I did something wrong. I followed him to force the master to abdicate. I beg the master to punish me!"

"Yes, we were bewitched, and we beg the master to punish us!"

All the senior members of the Mo family suddenly knelt down in front of Mo Wuji!

They knew that if they chose to fight Mo Qingchen at this time, they might even lose their lives!

Mo Qingchen looked ugly as if he had eaten shit, and knelt down with trembling body!

"Uncle!" Mo Qingchen kowtowed frantically, his forehead was bloody, "It was all forced to me by Elder Tong of Tianyuan Pavilion!"

Mo Wuji looked at Mo Qingchen kneeling on the ground, his face was as cold as iron, and he had no family affection long ago!

"Rebellious son!"

"I raised you to adulthood, but you took advantage of your misfortune, damn it!"

The sword flashed, and the head fell to the ground.

The whole audience was silent.

Mo Wuji turned around and bowed deeply to David: "The whole Mo family thanks you for your kindness!"

David hurried forward to help Mo Wuji up and said: "Master Mo, there is no need to be polite. Since Qingyun has become my woman, we are a family. I should help."

"Yes, we are a family!" Mo Wuji nodded happily!

Then he looked at the Mo family and said loudly: "From today on, everyone will see David as if they were seeing the head of the family."

"If anyone dares to disrespect Mr. Chen, he will be punished according to the family rules..."

"Greetings, Mr. Chen..."

All the Mo family disciples knelt on one knee in unison, looking at David standing with his hands behind his back, their eyes full of awe.
