## Chapter 5256

That was Zhao Tianyi, the man I met at the city gate!

This guy had told me to come to him if I had any problems, and that he would be my big brother.

Isn't now the perfect time to use Zhao Tianyi's name?

So, David slowly uttered a name: "Zhao Tianyi, do you know him?"

"Zhao Tianyi?"

The middle-aged man's face suddenly changed when he heard the name, and a hint of fear flashed in his eyes.

Zhao Tianyi was a notorious troublemaker in Jiansheng City and the surrounding areas. Relying on his father being the lord of Yucheng, he acted arrogantly and domineeringly, and his strength was quite impressive. Ordinary forces simply didn't dare to provoke him.

Seeing the change in the middle-aged man's expression, David understood and continued, "Zhao Tianyi and I are brothers. What do you think he would do if he knew that I was wronged by you?"

The middle-aged man's face was gloomy and uncertain. He was indeed a little afraid of Zhao Tianyi, but the Information Building had been operating in Jiansheng City for many years and had a backer behind it. If he let David and the others leave like this, wouldn't it be a joke if the news got out?

He gritted his teeth and said stubbornly, "Even if you know Zhao Tianyi, so what? This is Jiansheng City, not his father's territory!"

Killing someone means paying with a life, owing money means paying it back. You have killed people, so you must stay! Either keep your lives, or pay enough immortal stones as compensation, otherwise, don't even think about leaving!"

He obviously intended not to offend Zhao Tianyi too much, but to save some face, so he made a demand for compensation.

David looked at him and said slowly: "I'll say it again, I'm Zhao Tianyi's younger brother. If you know what's good for you today, return the one million immortal stones and apologize, then this matter may be over.

Otherwise, when my eldest brother comes, let alone compensation, I'm afraid you won't be able to keep this information building. He has a bad temper and might really tear down your broken building."

"You dare to threaten me?" The

middle-aged man was enraged by David's words. He felt that David was using Zhao Tianyi to scare him. If he was really scared, wouldn't he appear too cowardly?

He laughed in anger: "Zhao Tianyi? He's nothing! Do you really think that my information building was scared into growing? Not to mention that he didn't come, even if he did, you won't have an easy time today!"

As soon as he finished speaking, an arrogant and domineering voice came from outside the information building: "Who said I'm nothing? Stand up to me!"

Before the words fell, a figure rushed in like a hurricane. It was Zhao Tianyi.

He was followed by several followers, all of them looking very aggressive.

Zhao Tianyi saw David and Hu Mazi who were surrounded at a glance, and saw the corpse on the ground. He smiled coldly: "What big deal was it for me at that time? It was just killing a little maid of yours. How dare you, from the Information Building, cause trouble for my brother?"

Zhao Tianyi walked straight to David and patted him on the shoulder: "Little brother, are you okay? Whoever dares to bully you, I will destroy him!"

When the middle-aged man saw that Zhao Tianyi had really come, his face turned pale in an instant. The arrogance just now disappeared. He stammered: "Zhao... Young Master Zhao, you... why are you here?"

Zhao Tianyi glanced at him: "If I hadn't come, wouldn't my little brother be bullied to death by you, a dog? Did you just say I was nothing?"

The middle-aged man hurriedly shook his head and waved his hands: "No... That's not what I said. Young Master Zhao, you heard it wrong. How dare I say that about you..."

"Bullshit!" A henchman behind Zhao Tianyi yelled, "We heard it clearly outside just now. It was you, old man, who said it!"

Zhao Tianyi took a step forward, staring at the middle-aged man fiercely: “Dare to do it but not to take responsibility? I don’t think you can keep this information building!”

Before he finished speaking, he suddenly took action, as fast as lightning, and slapped the middle-aged man’s chest with a palm.

The middle-aged man had no time to react. There was only a dull “bang” sound, and his whole body flew backwards like a kite with a broken string, hitting the wall heavily, spitting blood, and it seemed that he was not going to survive.

## Chapter 5257

The guards surrounding the Information Building paled with fear. They tried to move forward, but Zhao Tianyi’s aura intimidated them, preventing them from moving.

Zhao Tianyi clapped his hands and declared arrogantly, “Anyone else still disobeying me? This is what will happen if you dare to touch my little brother! Today I’ll tear this shabby building down and see who dares to be

so blind!” David was also astonished by Zhao Tianyi’s arrogance. This guy was even more pretentious than him.

“Go!”

Zhao Tianyi waved his hands, about to call on his men to begin demolishing the building.

Just then, a sinister voice rang out from the depths of the Information Building: “How arrogant! You dare to act so wildly in my Information Building? Do you really think I don’t exist?”

As the voice rang out, a portly woman slowly emerged.

She was bloated, her face covered in fat, her features squeezed together, making her look incredibly ugly, making one want to look away at the first glance.

But the aura emanating from her was extremely powerful, revealing the cultivation level of a seventh-level Earthly Immortal.

Zhao Tianyi raised his eyebrows when he saw the woman: “Who are you? How dare you meddle in your Grandpa Zhao’s business?”

The obese woman sneered: "I am the owner of this information building, known as the Fat Woman. Zhao Tianyi, your father is the City Lord of Yucheng, and you dare to be so presumptuous in my Sword Saint City? Do you really think no one can deal with you?"

Zhao Tianyi said disdainfully: "An ugly freak, you dare to shout here? My father is the City Lord, dare you lay a finger on me? Believe it or not, my father will lead his troops to raze this shabby building of yours!"

"City Lord?"

A hint of sarcasm flashed in the Fat Woman's eyes. "In my eyes, no City Lord is any good! Even if your father comes, I will beat him up!" As

soon as the words fell, the fat woman moved.

Although her body was fat, her speed was not slow at all. She rushed towards Zhao Tianyi like a meatball.

Zhao Tianyi's face changed, and he hurriedly used his spiritual power to resist. However, his cultivation level was only the fifth level of the Earthly Immortal Realm, which was far inferior to the fat woman. He was no match for her.

There were only a few muffled "bang bang bang" sounds, and Zhao Tianyi retreated repeatedly, being hit repeatedly and screaming in pain.

After a few moves, he was kicked in the chest by the fat woman, flying backwards and falling heavily to the ground, spitting blood and dying. It was obvious that he had been beaten half to death.

The fat woman walked over to him, picked him up like a chicken, and threw him out of the Information Building. She said coldly, "Go back and tell your father that if you dare to cause trouble again, it won't be so easy!"

After dealing with Zhao Tianyi, the fat woman turned around and fixed her eyes on David and Hu Mazi like a venomous snake. She said sinisterly, "We've dealt with one ignorant person, now it's your turn. You killed someone from my Information Building and you still want others to help you? How naive!"

Hu Mazi was so scared that his legs went weak. The fat woman was too strong. Even Zhao Tianyi was easily injured. The two of them were probably no match for her.

David, however, remained calm and gripped his sword tightly, ready to deal with the fat woman's attack at any time.

He knew that he probably couldn't avoid this battle today.

The fat woman looked at David, a cruel smile curling her lips. “Weren’t you very talkative just now? Why are you silent now? A disciple of the Sword Sect? A brother of Zhao Tianyi? None of that matters in front of me! Are you ready to pay with your life?”

She approached David step by step, her aura growing stronger and stronger, and the air in the entire hall seemed to solidify, making it difficult to breathe.

The surrounding cultivators held their breath, watching this tense scene, wondering if David and the other two could escape this disaster.

The fat woman’s figure approached like a ghost, carrying the overwhelming pressure of a seventh-level Earthly Immortal Realm. The air seemed to whimper as her pounce squeezed it.

## Chapter 5258

Her plump palm, transformed into the size of a cattail leaf fan, slammed directly against David’s face with a gust of wind. The move was simple and direct, yet it contained a force powerful enough to crush metal and stone.

“You’re looking for death!”

David’s eyes flashed with coldness, and his spiritual energy circulated without reservation, his aura of a seventh-grade Loose Immortal Realm rising sharply. [The following appears to be unrelated text fragments and should likely be omitted.]

He knew the gap in their realms was a chasm, but now there was no retreat; only a fight to the death!

He swung his Dragon Slaying Sword, a dazzling flash of sword light like a meteor piercing the night, slashing towards the fat woman’s massive palm.

This strike condensed all his energy and spirit, its force piercing and carrying an unwavering determination.

“An ant trying to shake a tree!” The fat woman’s lips curled in disdain, and her cattail leaf fan-like palm, unflinching and unevasive, slammed directly towards the sword light.

“Bang!”

The sword and palm clashed with a deafening roar.

A violent wave of air spread out from the two of them. The surrounding cultivators paled, hurriedly channeling their spiritual energy to resist. Some with lower cultivation were even thrown back, their faces filled with horror.

David felt a surge of overwhelming force emanating from the sword. His arm went numb, his knuckles cracked, and blood streamed out.

He felt as if struck by a speeding monster. He staggered back dozens of steps before barely stabilizing himself. A sweet, fishy taste clung to his throat, and he nearly spat out a mouthful of blood, which he forced back.

“Is that all you’re capable of?”

the fat woman sneered, her attack unwavering. In a flash, she approached David again, her other hand sweeping across with a whistling sound, intending to kill him with a single blow.

The surrounding cultivators exclaimed,

“It’s over! This young man is in trouble!”

“How can a seventh-grade Earthly Immortal withstand the strength of a Loose Immortal?” “What a

shame! He’s tough, but the difference in strength is too great.” Hu Mazi’s eyes burned with anxiety. He tried to step forward to help, but was stopped by several Information Building guards.

He could only watch helplessly as the fat woman’s massive palm was about to fall on David, roaring in frustration. At this critical moment, a flash of madness flashed in David’s eyes.

Instead of retreating, he advanced, twisting his body to avoid the vital point. At the same time, the Dragon Slaying Sword in his hand, like a spirit snake emerging from a cave, pierced the fat woman’s armpit at an incredible angle. This strike was extremely tricky, a determination to injure the enemy even at the cost of taking the blow! The fat woman was clearly unprepared for David’s ferocity. A flicker of surprise flashed in her eyes. She tried to block with her palm, but it was too late, so she could only twist her body. “Swish!” The sword flashed.

Though it missed the vital point, it still lacerated the fat woman’s arm, sending blood gushing out instantly. “You’re looking for death!” The fat woman was enraged. A mere cultivator of the seventh rank in the Sanxian realm had not only blocked two of her attacks but also injured her.

This was a utter humiliation! With a roar, her attack intensified. Her palms flew, blocking all of David's escape routes. Each strike carried devastating force. David gritted his teeth, relying on his exquisite agility and tenacious will to withstand the fat woman's torrent of attacks.

New wounds continued to form on his body, blood soaking his clothes. He looked disheveled, but his eyes grew brighter, radiating an indomitable spirit that would never give up.

"Clang! Clang! Clang!" The sound of weapons clashing continued. Each collision sent David's blood surging, worsening his injuries. But he always found a glimmer of hope in the desperate situation and persevered. One, two, three... Ten moves! David actually managed to hold out against the Fatty for ten moves! This result stunned everyone, including the Information Building guards.

None of them had expected that a seventh-rank cultivator in the Loose Immortal Realm could hold out so long against a seventh-rank Earth Immortal Realm building owner. This was beyond their comprehension!
