Full Read Online **Chapter 5531** of the novel **A Man Like None Other**

Chapter 5531

At this moment, the Sixth Palace Master Jin Fu directly betrayed the Third Palace Master.

David raised the corners of his mouth slightly, revealing a hint of sarcasm, and said, "Oh? All your fairy stones? That's a bit sincere. But how can I believe you?" The

Sixth Palace Lord Jin Fu hurriedly said, "I... I can take you to the warehouse, where all the fairy stones are. After you get the fairy stones, let me go."

David pondered for a moment and said, "Okay, since you are so sincere, I will believe you this time. However, you'd better not play any tricks, otherwise, you will end up miserably."

The Sixth Palace Lord Jin Fu nodded as if he had been pardoned and said, "I dare not, I will take you there honestly."

So, the Sixth Palace Lord Jin Fu took David and Hu Mazi towards the warehouse of the Sixth Palace.

By this time, the Sixth Palace had become a shattered ruin, with broken walls and rubble everywhere, and the air was filled with a pungent, burnt smell.

Sixth Palace Master Jin Fu, twisting and turning through the ruins, finally arrived at the storehouse.

With trembling hands, he opened the door.

Suddenly, a dazzling light emanated from the storehouse, revealing a vast array of immortal stones—white, blue, and purple—emitting a dazzling radiance.

The Sixth Palace Lord Jin Fu looked at these immortal stones with a trace of reluctance in his eyes, but he still forced himself to say, "David, these are all the immortal stones. You can take them. I hope you can keep your promise and let me go."

David looked at these immortal stones and felt excited, but he did not immediately take them. Instead, he smiled coldly and said, "Sixth Palace Lord, do you think I will let you go so easily? All is fair in war. You should understand this principle."

When the Sixth Palace Lord Jin Fu heard this, his face turned pale in an instant. He widened his eyes and said in disbelief, "You...you don't keep your word. You...you will not die well!"

David snorted coldly and said, "Sixth Palace Lord, you have committed many evil deeds and deserve to die. Today, I will enforce justice on the behalf of heaven and send you on your way."

With that

, he swung the Dragon Slaying Sword in his hand, sending a sharp blade of energy hurtling towards the Sixth Palace Master, Jin Fu.

Jin Fu's eyes widened in horror. He tried to dodge, but it was too late.

The sword energy instantly pierced his body. He let out a scream and slowly fell to the ground. Blood flowed from his wound, staining the ground beneath him red.

Hu Mazi looked at the corpse of the Sixth Palace Master, Jin Fu, and hesitantly asked, "David, aren't we being too cruel?"

David looked at Hu Mazi and said sternly, "Master Hu, being merciful to your enemy is cruelty to yourself. The Sixth Palace Master has committed countless evil deeds and deserves death.

Moreover, we've taken his immortal stones, and he will certainly not let us go. If we let him go, he'll surely seek revenge on us someday. Therefore, only by killing him can we feel at ease."

Hu Mazi listened to David's words, nodded, and said, "You're right, I was overthinking it

. So, what should we do with these immortal stones?" David looked at the immortal stones in the warehouse and said, "These immortal stones are very important to us. We can use them to enhance our strength.

However, this place is no longer safe. We must leave quickly."

David and Hu Mazi collected all the immortal stones from the warehouse and quickly left the ruins of the Sixth Palace.

They found a relatively safe place, and David retrieved the Demon Suppression Pagoda. It emanated a mysterious light, as if it contained endless power.

Then he put all the immortal stones into the Demon Suppression Tower.

"Master Hu, let's go into the Demon Suppression Tower to practice. The flow of time here is different from the outside world. We can quickly improve our cultivation inside.

Full Read Online **Chapter 5532** of the novel **A Man Like None Other**

Chapter 5532

“In the Demon Suppression Tower, time is no longer a constraint for us. We can make full use of every minute and every second to improve ourselves,” David said.

Hu Mazi pondered for a moment and said, “Or you can go into the Demon Suppression Tower to practice on your own. Although it seems safe here, it won’t work without someone to protect you. If you run into bad guys, it will be troublesome.” “

Hu Mazi certainly knew that one year in the outside world was equivalent to a hundred years in the tower. It

would definitely be twice as effective with half the effort and very fast when practicing, but if both of them entered the Demon Suppressing Tower without anyone to protect them, it would be troublesome if they encountered danger.

“Don’t worry, I’ll let the Fire Kirin protect us...” After David finished speaking, he summoned the Fire Kirin out of the storage ring.

The Fire Kirin had grown a little, but was still very small, looking the same size as a newborn calf.

“Little Kirin, you have to protect us well and don’t let the bad guys get close to here, okay? “

David looked at the Fire Kirin in front of him, stroked it gently and said.

The little Fire Kirin nodded vigorously. Divine beasts like this have intelligence at birth, so they can understand human speech and have their own thoughts.

“David, although this little Fire Kirin is powerful, this is the Seventh Heaven after all. If someone does something bad, this little Fire Kirin may not be a match, right?”

Hu Mazi said worriedly.

Although the Fire Kirin is powerful, the little Fire Kirin is still too young, and its strength may not be a match for this Seventh Heaven cultivator.

“I released the little Fire Kirin just to warn. If any bad guys approach and the little Fire Kirin makes a noise, we will hurry out of the Demon Suppression Tower.”

David said!

“Okay then! “Hu Mazi nodded when he heard it!

At this moment, David’s storage ring trembled, and then the little Sky-Swallowing Beast came out yawning.

This storage ring did not have any restrictions on the little Sky-Swallowing Beast. It could come out when it wanted and go back when it wanted. David had no control over it.

As soon as the little Sky-Swallowing Beast came out, it immediately started playing with the little Fire Qilin. The two guys chased and fought each other.

Seeing that the little Sky-Swallowing Beast had also come out, David was completely relieved. If any blind guy approached, he would be in trouble.

“Master Hu, let’s go...”David called out to Hu Mazi as they entered the Demon Suppression Tower

.

After entering, David sat cross-legged on the ground, his posture upright and his expression focused, as he began absorbing the immortal energy from the immortal stones.

The immortal energy within the immortal stones was extremely rich and pure, far superior to the immortal stones David had absorbed previously.

Like a gurgling stream, the immortal energy flowed continuously into David’s body, nourishing his meridians and dantian.

With the help of the immortal stones, David’s cultivation began to rapidly improve.

The immortal energy surrounding him grew increasingly dense, enveloping him like a faint halo.

His realm continued to break through, as if layers of shackles were being broken.

Hu Mazi also diligently absorbed the immortal energy, improving his realm and strength.

However, just as David and Hu Mazi were concentrating on their cultivation within the Demon Suppression Tower, six or seven people appeared nearby.

One of them was a one-eyed cultivator, and upon seeing the Demon Suppression Tower appear out of nowhere, they were filled with curiosity.

“Brother, we pass by here often. I don’t think there was a tower here before?”

a cultivator asked the one-eyed dragon.

“Let’s go and take a look...”

The one-eyed dragon waved his hand, and several people headed towards the Demon Suppression Tower.

But before they could get close, a sudden roar rang out.

Roar...

A small fire qilin jumped out, glaring at the cultivators with a fierce look.

The cultivators were startled, but when they saw the small fire qilin clearly, they were all stunned, and then they were surprised.

“Brother, is this... is this a qilin beast?”

a cultivator asked.

Chapter 5533

Cooperation between the Sky-Swallowing Beast and the Fire Kirin

“It’s a Fire Qilin, a very rare Fire Qilin...”

another cultivator exclaimed excitedly. One

-Eyed Dragon’s eyes gleamed with brilliance, and he licked his lips. “This is a rare divine beast! I didn’t expect to see one in the Seventh Heaven!”

“And it’s a cub! If we catch it, we’ll be rich...”

Greed gleamed in the eyes of several cultivators. One of them rubbed his hands together, grinning grimly as he approached the little Fire Qilin. “Little one, come with us. You’ll have food and drink in the future. It’s much better than being out here in the wilderness.”

The little Fire Qilin, sensing danger, instantly erupted with fur, and flames erupted from its body, like a blazing sun.

It roared angrily at the cultivator, and a blazing column of flame shot straight towards him.

The cultivator was unprepared for the little Fire Qilin's violent reaction. Forced back repeatedly by the column of flames, his face filled with panic.

However, he quickly steadied himself, forming hand seals with his hands. A curtain of water formed before him, attempting to block the flames.

"Hmph, little thing! I can't catch you with this little power,"

the one-eyed dragon snorted coldly, waving his hand. "All together, don't let it escape!"

The other cultivators, receiving the command, cast spells, attacking

the little Fire Qilin. Some cultivators summoned flying swords, flashing with cold light, piercing the air like meteors, while others cast wind spells, sending howling gusts of wind in an attempt to extinguish the flames.

The little Fire Qilin dodged and dodged the numerous attacks. While its flames managed to block some of the attacks, it gradually began to struggle against the onslaught of so many cultivators.

Its flames dimmed, and its movements became less agile than before.

Just as a cultivator seized the opportunity and reached out to grab the little fire qilin's tail, a dark shadow suddenly flashed from the side.

It was the little swallowing beast. It opened its mouth wide and instantly generated a huge suction force.

The surrounding air, the flying dirt, even the cultivator's hand about to touch the little Fire Qilin were all pulled by the powerful suction. The cultivator's eyes widened in horror, desperately

trying to break free from the pull, but his body flew uncontrollably towards the little Sky-Swallowing Beast's mouth.

"Ah! What kind of monster is this!"

the other cultivators cried out in shock. They temporarily paused their attack on the little Fire Qilin to deal with the little Sky-Swallowing Beast.

One cultivator clenched his fists, his body ablaze with light, and rushed towards the little Sky-Swallowing Beast, intending to strike it back with a single blow.

The little Sky-Swallowing Beast showed no fear, maintaining the suction and nimbly dodging the blows.

The cultivator's fist grazed the little Sky-Swallowing Beast, but failed to inflict any damage.

Seeing the little Sky-Swallowing Beast's help, the little Fire Qilin perked up, its flames flaring once more.

Seizing its opportunity, it charged at a nearby cultivator, ramming headfirst into him.

The cultivator was sent flying, blood gushing from his mouth.

The Sky-Swallowing Beast and the Fire Kirin were working in perfect harmony.

The Sky-Swallowing Beast continued its suction, pulling the surrounding cultivators off balance.

The Fire Kirin seized the opportunity to attack, lashing out with flames and its body.

Seeing the situation dire, the One-Eyed Dragon roared, "Everyone, use all your might! Don't let these two little creatures escape!"

He formed hand seals with his hands, muttering something incoherently. A massive black hand formed above his head, slamming down towards the Sky-Swallowing Beast and the Fire Kirin.

The Sky-Swallowing Beast felt the immense pressure, but instead of retreating, it increased its suction.

Simultaneously, the Fire Kirin's flames transformed into a fiery dragon, charging towards the black hand.

Chapter 5534

"Boom!" The black palm collided with the fire dragon, emitting a deafening roar.

A powerful shockwave radiated from the point of impact, uprooting surrounding trees and creating a massive crater.

Several cultivators were flung back and fell to the ground.

They all bore varying degrees of wounds and were in a state of disarray.

The little Sky-Swallowing Beast and the little Fire Qilin were also affected by the shockwave, but their agility and tenacity helped them regain their balance.

The little Sky-Swallowing Beast targeted a fallen cultivator, who hadn't yet gotten up, and lunged, devouring him whole.

The other cultivators' eyes widened in horror as they attempted to flee, but the little Sky-Swallowing Beast and the little Fire Qilin wouldn't give them the chance.

The little Sky-Swallowing Beast continued its suction, trapping several cultivators in place.

The little Fire Qilin attacked again, severely injuring them one by one with its flames.

Finally, the little Sky-Swallowing Beast devoured the remaining cultivators.

It burped contentedly, its glow seemingly growing brighter.

The little Fire Qilin happily circled around the little Sky-Swallowing Beast, both appearing delighted.

After dispatching the cultivators, the little Sky-Swallowing Beast and the little Fire Qilin returned to the Demon-Suppressing Tower and resumed their playful activities, as if the previous battle had been merely a fun game. Inside the Demon

-Suppressing Tower, David and Hu Mazi remained absorbed in their cultivation, oblivious to the events outside.

They remained focused on their practice.

Within the Demon-Suppressing Tower, time seemed to have lost its meaning.

A year outside was a century within.

David and Hu Mazi were so absorbed in their practice that they completely lost track of time.

David sat cross-legged, surrounded by a rich, immortal aura.

The immortal stones obtained from the Sixth Palace Master's storehouse were now emitting a brilliant light, continuously supplying him with pure energy.

As his cultivation

deepened, David's aura grew stronger. The already condensed immortal energy within his dantian now surged violently like boiling water.

“Boom!”

With a soft sound, David’s body trembled slightly. He had successfully broken through to the first level of the Earthly Immortal Realm!

However, he did not stop practicing, but continued to absorb the energy from the immortal stone.

Under the time-accelerating effect of the Demon Suppression Tower, his cultivation level increased at a visible rate.

Each improvement was accompanied by a powerful energy surge.

David’s body was tempered by each breakthrough, becoming more resilient.

Meanwhile, Hu Mazi was also cultivating diligently. Although his talent was not as great as David’s, with the help of such a pure immortal stone and the Demon Suppression Tower, his cultivation level was steadily improving.

“Hu...”

Hu Mazi let out a long breath. He had successfully broken through to the first level of the Human Immortal Realm!

Feeling the unprecedented power within him, Hu Mazi was overwhelmed with excitement.

But he was not satisfied and continued to absorb the energy from the immortal stone.

Time slipped by unnoticed. A hundred years inside the Demon Suppression Tower equated to only a single year in the outside world.

During this time, both David and Hu Mazi’s cultivation levels experienced a qualitative leap.

David’s realm soared, ultimately breaking through to the fifth level of the Earthly Immortal Realm and reaching the sixth level!

His aura had become incredibly powerful, and the immortal energy surrounding him was as solid as a substance.

Hu Mazi also successfully broke through to the third level of the Human Immortal Realm. Although there was still a considerable gap between him and David, the difference was worlds apart.

“Finally... a breakthrough!”

David slowly opened his eyes, a gleam of light in them. He felt the unprecedentedly powerful strength within him, and his heart was filled with confidence.

Chapter 5535

At that moment, he noticed that the surrounding immortal stones had dimmed, evidently their energy having been completely absorbed.

“It seems we’ve already consumed all the energy in these immortal stones,”

Hu Mazi also opened his eyes and said with some regret.

David nodded and said, “Yes, but to have such a harvest is already very good. Our current strength is far superior to before.”

Hu Mazi said with deep feeling, “Indeed. If it weren’t for these immortal stones and the Demon Suppression Tower, I don’t know how much time and energy it would have taken us to reach our current level.”

David stood up and stretched his body, making a crackling sound.

He felt the surging power within him, and the corners of his mouth curled up slightly.

“Okay, time to get out,”

David said. “I wonder what’s going on outside right now.”

Hu Mazi also stood up and said, “Yeah, we’ve been in there for a few days, and I don’t know what’s happening with the little Fire Qilin and the little Sky-Swallowing Beast.”

Without hesitation, the two turned and headed out of the Demon-Suppressing Tower.

As they emerged, they found the little Fire Qilin and the little Sky-Swallowing Beast cuddled together, sleeping.

Seeing this, David and Hu Mazi couldn’t help but laugh.

“It seems things have been quite peaceful outside these past few days,” Hu Mazi said.

David didn’t say anything, but instead frowned and looked around.

He could sense the presence of a battle.

“What happened?” Hu Mazi asked.

“Someone must have been here while we were training,”

David said!

At that moment, the little Fire Qilin and the little Sky-Swallowing Beast woke up, saw David, and ran to him.

With the little Fire Qilin’s roar, David knew someone had been here before, only to be defeated and devoured by the little Sky-Swallowing Beast.

David opened his storage ring and sent the little Fire Qilin and the little Sky-Swallowing Beast back.

“Master Hu, we should go find that Evil Dao Hall elder, Xue Wuying. Perhaps he can tell us whether the souls of your people are still alive!”

After David put away the little Fire Qilin and the little Heaven-Swallowing Beast, he addressed Hu Mazi. “

Alright...” Hu Mazi nodded!

.....

Eighth Heaven!

In the Third Palace Master’s palace, the Fifth Palace Master knelt on the ground, covered in wounds. Humiliation and resentment filled his heart. He, the dignified Fifth Palace Master of the Divine Temple, had suffered such a heavy loss at the hands of a mere brat.

“Third Palace Master, my subordinates are incompetent. We were defeated by that David!”

The Fifth Palace Master’s voice trembled, a hint of tears in his voice as he recounted the details of his battle with David.

The Third Palace Master had originally sat calmly in his ornate chair, but as the Fifth Palace Master spoke, his brows furrowed, a flicker of shock in his eyes.

“I didn’t expect David to be so powerful. Not even you can match him.”

The Third Palace Master slowly stood up, his hands clasped behind his back, and paced the palace, pondering a strategy.

“Third Palace Master, David’s strength is increasing rapidly. If he’s not eliminated soon, he’ll become a serious threat in the future!”

“Furthermore, Fourth Palace Master Lingxi has a close relationship with David. Some time ago, the Fourth Palace Master personally led the Divine Guards to the Sixth Heaven to help David.”

“Once David reaches the Eighth Heaven and aligns with the Fourth Palace Master, I’m afraid there won’t be a place for the Third Palace Master in the entire Divine Temple.”

Seeing the Third Palace Master’s silence, the Fifth Palace Master hurriedly spoke anxiously. The Third

Palace Master paused, a fierce look in his eyes.

“If that’s the case, then we can’t let him reach the Eighth Heaven without any problems,”

the Third Palace Master said, his eyes narrowed.

“How can we stop him?” The Fifth Palace Master was stunned!

The Third Palace Master smiled coldly: “When David comes to the Eighth Heaven, he will definitely tear the void and come out from the void channel. Then I will take action in the void channel and let him fall into the void turbulence and disappear forever in the vast universe!”

The Fifth Palace Master’s body trembled slightly, and said with disbelief on his face: “Third Palace Master, are you going to mobilize the gods...”

“Yes...”

Before the Fifth Palace Master finished speaking, the Third Palace Master nodded!

Chapter 5536

Elsewhere, David and Hu Mazi raced along, relying on previously gathered clues and Hu Mazi’s knowledge of the Evil Dao Hall. They finally located the Evil Dao Hall branch.

It was a gloomy building hidden deep in the mountains, shrouded in an eerie atmosphere, as if countless wronged spirits were watching from the shadows.

The surrounding trees were twisted and deformed, as if eroded by some malevolent force, exuding an indescribable eeriness.

“This is it,” David said coldly, his eyes icy, his Dragon Slaying Sword tightly gripped.

Hu Mazi nodded, his eyes a mixture of anticipation and nervousness. “I hope we can successfully locate our clansmen’s souls this time.”

The two strode towards the Evil Dao Hall branch, but upon reaching the entrance, they were stopped by two guards.

“Stop! Who are you? How dare you trespass into the branch of the Evil Path Temple!”

One of the guards shouted viciously, holding a spear.

David didn’t waste any words and directly activated his spiritual power, and a powerful breath rushed towards him.

The two guards only felt a huge pressure coming, and their bodies involuntarily retreated, with horror on their faces.

“Call Xue Wuying out!” David shouted loudly, his voice as loud as a bell, echoing in the valley.

After a while, the door slowly opened, and Xue Wuying walked out slowly with a group of men.

When he saw David, a hint of surprise flashed in his eyes, and then he sneered.

“Haha, I didn’t expect you to come so soon?” Xue Wuying sneered.

“You knew I was coming to find you?” David was stunned.

“Of course I know, and I also know that you have been tracking the whereabouts of the souls of the Hu family.”

Xue Wuying said with a faint smile.

“As expected of an elder of the Evil Path Hall, you know so much. Since you know everything, then tell me.”

David looked at Xue Wuying coldly: “If you tell me now the whereabouts of the souls of the Hu family members, I might show mercy and spare your life?”

“Hahaha...” Xue Wuying laughed wildly: “Since I dare to wait for you here, do you think I will be afraid of you?”

Hu Mazi's face was full of anger at this moment. He pointed at Xue Wuying and said, "Xue Wuying, you, the Evil Dao Temple, have done many evil things and taken away the souls of my Hu family members. Hand over their souls quickly!"

Xue Wuying looked at Hu Mazi with disdain and said, "Just you? A remnant of the Hu family dares to shout in front of me. I think you are tired of living!"

David's eyes were stern and said, "Xue Wuying, you'd better tell the truth, otherwise, today will be the day of your death!"

Xue Wuying sneered, "Just you? David, do you think you can be arrogant in front of me just because you have some ability?"

Don't think that you can be rampant in front of me just because you killed the Sixth Palace Master of the Temple. The Temple can't compare with our Evil Dao Temple.

Today I will let you know that in the territory of my Evil Dao Temple, you are nothing!"

After that, Xue Wuying quickly made seals with his hands, and rays of blood-red light emanated from him.

His aura grew stronger and stronger, and the air around him seemed to be dyed blood red.

"Bloody Frenzy!"

Xue Wuying shouted, and a huge blood-red wave swept towards David and Hu Mazi.

The blood-red wave exuded an evil aura and carried a powerful force, as if it would devour everything.

David was not afraid. He mobilized the immortal energy in his body and raised the Dragon Slaying Sword high.

"Slash!"

David shouted, and the Dragon Slaying Sword in his hand burst into a dazzling light.

A huge dragon-shaped sword shadow flew out from the Dragon Slaying Sword and rushed towards the blood-red wave.

"Bang!"

With a loud bang, the dragon-shaped sword shadow collided with the blood-red wave.

The two powerful forces offset each other, making a deafening sound. The surrounding ground was cracked by the tremor, and cracks spread like spider webs.

Full Read Online **Chapter 5537** of the novel **A Man Like None Other**

Chapter 5537

Xue Wuying's face changed. He hadn't expected David to be able to withstand his attack so easily.

But he didn't retreat. Instead, he continued to cast spells. Blood-red arrows shot out from his hands and shot towards David.

David, holding the Dragon Slaying Sword, moved freely among the blood-red arrows. His swordsmanship was extremely sharp, and each move contained powerful force, cutting off those blood-red arrows one after another.

"Xue Wuying, your attack is useless to me!"

David said coldly, and then his figure flashed and rushed towards Xue Wuying.

The Dragon Slaying Sword in his hand stabbed out like lightning, aiming straight for Xue Wuying's throat.

Xue Wuying reacted extremely quickly. He dodged to the side and at the same time, his right fist clenched into David's chest.

The fist was enveloped in immortal energy, emanating a powerful force that seemed capable of shattering a mountain.

David quickly retracted his Dragon Slaying Sword and held it horizontally before him to block the blow.

With a dull thud, Xue Wuying's fist slammed into the Dragon Slaying Sword. A tremendous force coursed through the blade, numbing David's arm.

But he didn't flinch. Instead, he used the force to flip backward, creating distance between him and Xue Wuying.

"I didn't expect you to have some skills, but this isn't enough!"

Xue Wuying said coldly. With a swift movement of his hands, blood-colored runes flew from his hands, forming a vast blood-colored formation in the air.

In an instant, the space around David and Hu Mazi vanished, and simultaneously, countless blood-red chains appeared around them.

This sudden change startled both David and Hu Mazi, and David frowned.

“David, I can’t seem to sense the space around me anymore. I can’t even radiate my spiritual awareness,”

Hu Mazi said grimly.

David also kept looking around, his expression solemn, saying, “I feel the same way. We seem to have suddenly fallen into an endless void.”

The space around David and Hu Mazi became increasingly illusory, and they both felt as if they were still alive.

The red chains around them were especially noticeable, like a veil from the Eighteen Levels of Hell.

Hu Mazi, feeling almost breathless from the pressure, waved his hand, and a talisman instantly flew out, then exploded with a bang.

Boom!

For a moment, the surrounding space was trembling.

But after the turbulence, calm returned. Hu Mazi’s talisman was like a stone sinking into the sea, and the surrounding red iron chains remained motionless.

These red iron chains, like a cage, encircled David and Hu Mazi.

“Hahaha, if I didn’t have a way to subdue you, why would I just sit there and wait for you to take the bait?”

Xue Wuying’s voice echoed from all directions.

“David, what should we do?”

Hu Mazi asked in panic.

David said nothing, but frantically observed his surroundings.

He knew this must be a formation, not a way to reach another void. However, formations were easy for David to break, but now David had no clue where to find it, not even the center of the formation.

Just as David was desperately observing, the blood-red chains suddenly began to shuttle back and forth, and huge forces surged towards David and Hu Mazi.

Hu Mazi's face changed drastically, and he quickly hid behind David.

"David, what should we do?"

Hu Mazi was now extremely helpless!

"Don't be afraid..."

David took out the Dragon Slaying Sword and immediately slashed at the red chains.

Boom!

A red chain in front of David was instantly severed. Seeing this, Hu Mazi's face relaxed a little.

But before Hu Mazi could completely relax, the severed red chain unexpectedly reconnected automatically, and the red chain continued to vibrate, causing the entire space to tremble.
