Chapter 5581

“Can’t you gather people without a branch hall?”

The First Elder sneered.

Soon, figures appeared from within the circle, all of them demonic cultivators.

The first to appear was a tall man wielding a massive battle axe, surrounded by black mist.

“Isn’t this someone from the Evil Path Hall?” David frowned slightly upon seeing the man.

“This is from the Eighth Heaven, the Giant Demon Sect. This guy is the sect leader; we’ve even dealt with them before,”

Fourth Hall Master Ling Xi explained to David.

“Let’s take advantage of them before they arrive...”

David knew that once their numbers increased, things would become more difficult.

David took the Dragon-Slaying Sword and unleashed a terrifying sword strike. Several cultivators from the Three Halls were instantly beheaded, utterly dead!

“Kill...”

Seeing this, Lingxi immediately led the Divine Guards of the Divine King Palace and charged forward!

A chaotic battle instantly erupted!

After successively slaying several cultivators, David was directly struck by the Grand Elder’s palm, shattering David’s sword light!

“David...”

Lingxi quickly stood beside David!

She knew that David alone was no match for the Grand Elder!

David and Lingxi stood side by side, facing the terrifying aura of the Grand Elder of the Evil Path Hall, their expressions extremely solemn.

The Grand Elder moved swiftly, appearing before them like a ghost, and struck them with a palm strike carrying the force of a tidal wave.

Wherever the palm wind passed, the air was compressed, emitting a sharp whistling sound.

David roared, his Dragon-Slaying Sword blazing brightly, the sword

intent flowing across its blade like tangible flames. He swung the sword with all his might, meeting the Grand Elder's palm head-on.

At the same time, Ling Xi rapidly formed hand seals, streams of spiritual energy flying from her hands to form a transparent shield protecting the two.

"Bang!"

The Dragon-Slaying Sword collided with the Grand Elder's palm, producing a deafening roar.

David felt a tremendous force surge through the sword, numbing his arm and causing cuts to appear on his tiger's mouth, blood gushing out.

The shield, under the impact of the Grand Elder's palm strike, instantly cracked and shattered with a "crack."

The Grand Elder sneered, his figure flashing again, appearing beside David, and unleashing another palm strike.

David couldn't dodge in time and was struck on the shoulder by the palm. He was struck as if by lightning, his body flying backward uncontrollably, spitting out a mouthful of blood.

"David!"

Ling Xi cried out in alarm, rushing over to catch him. Looking at David's pale face and the blood at the corner of his mouth, her eyes were filled with worry and anger.

"I'm fine, be careful of this old man!"

David said through gritted teeth, enduring the excruciating pain in his shoulder as he gripped the Dragon-Slaying Sword tightly once more.

The Grand Elder gave them no chance to breathe. His figure moved like lightning, rapidly weaving around the two, his hands constantly unleashing a barrage of sharp attacks.

David and Ling Xi could only desperately defend themselves, their figures flashing through the void as they engaged in a breathtaking battle with the Grand Elder.

However, as time passed, the number of people from the Divine King Palace dwindled.

The demonic cultivators surged forward like a tidal wave, their attacks fierce and brutal. Although the Divine Guards of the God King's Palace fought valiantly, they were gradually overwhelmed by the sheer number and superior strength of the enemy.

"Ah!"

A Divine Guard was struck by a demonic cultivator's giant axe, letting out a scream as his body was cleaved in two, blood splattering everywhere.

Seeing this, the other Divine Guards were filled with even greater grief and anger. They roared and fought even more desperately, but the casualties continued to mount.

Chapter 5582

David and Ling Xi watched the divine guards fall one after another around them, their hearts filled with helplessness and pain.

They knew that if this continued, the Divine King's Palace would be breached sooner or later.

"We must destroy that circle!"

David said through gritted teeth, his gaze fixed on the circle in the distance from which demonic cultivators were constantly pouring out.

That was the source of the endless stream of demonic cultivators; destroying it would cut off their reinforcements.

"Alright, let's try together!"

Ling Xi nodded, her hands forming hand seals again, streams of spiritual energy surging towards the circle.

David also took a deep breath, pouring all his spiritual energy into the Dragon-Slaying Sword, and then slashed fiercely at the circle.

“Boom!”

The Dragon-Slaying Sword and Ling Xi’s spiritual energy struck the circle simultaneously, producing a loud bang.

However, the circle only trembled slightly; it was not destroyed.

Seeing this, the Grand Elder sneered, “You think you can destroy my teleportation array? You’re delusional!”

With that, the Grand Elder flashed to the front of the circle. He waved his hands, and beams of black light shot out, forming a massive shield that protected the circle.

“Continue the attack!”

David shouted, and he and Ling Xi launched another attack. But no matter how hard they tried, they couldn’t break through the

Grand Elder’s shield.

As time passed, the people of the Divine King Palace were forced into retreat, eventually only able to hold their ground at the palace gates. Leaning against the gates, their eyes were filled with resolute determination and tragic grandeur.

Meanwhile, more and more demonic cultivators were arriving from the circle. Seeing

that the people of the Divine King Palace had been driven to the brink of defeat, they all revealed smug smiles.

One by one, the demonic cultivators began to curry favor with the Evil Path Hall’s Prince Wu and Grand Elder, all wanting to cooperate with the Evil Path Hall and hoping to gain benefits in this battle.

“Prince Wu, from now on, our Giant Demon Sect will follow the Evil Path Hall. We hope you will take good care of us!” The Giant Demon Sect Master said with a fawning face. “

Haha, easy, easy. As long as you perform well, you will be rewarded!” Prince Wu laughed smugly. The

Third Hall Master looked at the tens of thousands of cultivators in front of him, and his heart was filled with smugness.

He stood at the front of the crowd, hands on his hips, and shouted loudly, “Ling Xi, David, it’s not too late for you to surrender now, otherwise, once we break through the Divine King Palace, you will all die without a burial place!”

Ling Xi looked at the Third Hall Master’s arrogant appearance and was filled with anger. She shouted back, “Third Palace Master, you are a member of the Temple, yet you collude with the Evil Path Temple, leading demonic cultivators into the Eighth Heaven. Aren’t you afraid of the Temple’s punishment?”

The Third Palace Master sneered, “The Temple? Can the Temple still control me now? Once we destroy the Divine King Palace and control the Eighth Heaven, what can the Temple do to me?”

David looked at the Third Palace Master’s arrogant appearance and secretly vowed to find a way to turn the situation around.

He carefully observed the surrounding situation and suddenly realized that although the Grand Elder was powerful, his attention was mainly focused on the circle and attacking the two of them, and his defenses in other areas were relatively weak.

“Fourth Palace Master, I’ve thought of a way!”

David whispered to Ling Xi, “I’ll attract the Grand Elder’s attention later. You find an opportunity to disrupt the energy supply of that circle. As long as the energy is cut off, the circle may be destroyed!”

Ling Xi nodded, “Okay, be careful!”

After saying that, David took a deep breath, and with a swift movement, he rushed towards the Grand Elder.

The Dragon-Slaying Sword in his hand gleamed, and sharp sword intents surged towards the Grand Elder.

Seeing this, the Grand Elder sneered, his hands rapidly forming hand seals, and streaks of black light flew from his hands, colliding with David’s sword intent.

Chapter 5583

“With your meager skills, you think you can fight me?” the Grand Elder said disdainfully.

While the Grand Elder was fully focused on dealing with David's attack, Ling Xi seized the opportunity to quietly circle around to the back of the circle.

She carefully observed the surroundings and discovered that the circle's energy supply came from a huge spirit crystal underground.

Ling Xi was overjoyed. She quickly formed hand seals, shooting streams of spiritual energy towards the spirit crystal.

However, just as her spiritual energy was about to hit the crystal, a demonic cultivator suddenly noticed her actions and shouted, "Someone is trying to destroy the teleportation array!"

Hearing the shout, the Grand Elder was startled. He immediately diverted some of his attention to look in Ling Xi's direction. When he saw Ling Xi attempting to destroy the spirit crystal, he was instantly enraged: "You're courting death!"

He flashed forward and charged towards Ling Xi.

Seeing this, David inwardly cried out in alarm. He immediately intensified his attacks, attempting to stop the Grand Elder.

However, the Grand Elder was far too powerful; he easily broke free of David's grasp and continued charging towards Ling Xi.

Ling Xi, seeing the Grand Elder charging towards her, felt a pang of panic, but she gritted her teeth and continued her attacks.

Just as the Grand Elder was about to reach her, David suddenly appeared from the side, his Dragon-Slaying Sword slashing towards the Grand Elder with unstoppable momentum.

The Grand Elder was forced to stop again to deal with David's attack.

Ling Xi seized the opportunity to launch another attack. This time, her spiritual power finally struck the spirit crystal.

The spirit crystal emitted a loud bang and began to tremble violently.

"Oh no! The teleportation array is going to be destroyed!" a demonic cultivator cried out in terror.

Seeing this, the Grand Elder was greatly alarmed. He launched a full-scale attack, trying to quickly eliminate David and Ling Xi.

But David and Ling Xi cooperated effectively, stubbornly resisting.

Just as the spirit crystal was about to shatter, a mysterious force suddenly emanated from afar, stabilizing its energy.

David and Ling Xi's hearts sank; they knew the situation in this battle remained extremely unfavorable for them. At this moment, the Third Palace

Master was eager to launch the final attack. He shouted, "Break through the God King's Palace and kill everyone inside!"

Just as everyone was about to launch the final attack on David and his group, the First Elder waved his hand and said, "Wait..." The

Third Palace Master was stunned and looked at the First Elder, saying, "First Elder, now is the best time to attack the God King's Palace. We can't hesitate!"

"What? Are you telling me what to do?"

The First Elder gave the Third Palace Master a cold look.

The Third Palace Master immediately cowered and hurriedly shook his head, "How dare I tell the First Elder what to do? The First Elder, do as you please."

The Third Palace Master knew that everyone here was gathered by the Evil Path Palace. With his small number of men, if he really clashed with the First Elder, he would be killed in a matter of minutes.

The Grand Elder looked at David, then said with greed in his eyes, "Boy, the sword in your hand is not bad, it should be a good thing. Give me the sword, and I can spare your life and let you leave directly."

Upon hearing this, a barely perceptible glint of coldness flashed in David's eyes. He pretended to hesitate as he tightened his grip on the Dragon-Slaying Sword, his knuckles turning white from the force.

"Grand Elder, you keep your word?" David's voice trembled deliberately.

"Hmph, my word is my bond." The Grand Elder stood with his hands behind his back, his tone arrogant.

Seeing this, Ling Xi said urgently, "David! How can you give in? The Evil Path Hall's word is definitely not reliable!"

Yun Xiu also hurriedly said, "Young Master Chen, you can't believe the Evil Path Hall's words!"

David seemed not to hear the rebukes of the crowd, slowly raising the Dragon-Slaying Sword horizontally, as if to hand it over.

Seeing this, the Grand Elder's greed intensified, and he couldn't help but take a step forward.

In that split second—

“Here you go!”

David roared, and the Dragon Slayer Sword suddenly burst forth with dazzling golden light. The dragon patterns on the sword seemed to come alive, emitting bursts of dragon roars.

Chapter 5584

“Good! A wise man submits to circumstances!” The Grand Elder laughed and reached out to take the sword.

Just as his fingertips were about to touch the hilt, David suddenly flipped his wrist, the sword drawing a strange arc, aiming straight for the Grand Elder's dantian!

The Grand Elder's expression changed drastically, and he hastily gathered demonic energy to block.

But this sword came too fast and too fiercely; the golden sword light pierced through his defense like a venomous snake, aiming straight for his vital point in the dantian!

“You!” The Grand Elder was shocked and furious, and hurriedly retreated, but the sword had already cut a deep wound on his abdomen, exposing bone, and demonic energy leaked out like a burst dam.

“You dare to play me!” The Grand Elder's eyes were bloodshot, and the demonic energy around him fluctuated violently.

Ling Xi and the others were stunned at first, then suddenly realized what was happening, and hope rekindled in their eyes.

David, having landed a successful blow, immediately retreated, sneering, “Old bas***, you dare use the Dragon-Slaying Sword?”

The Grand Elder clutched his wound, blood seeping from between his fingers. He stared intently at David, then suddenly let out a sinister laugh:

“Very good... It’s been a long time since anyone could injure me.” A

more terrifying pressure suddenly erupted from his body, and his wound began to heal at a visible speed!

“Unfortunately, you missed your only chance.” The Grand Elder slowly raised his hand, a ball of jet-black energy condensing in his palm:

“Today, all of you will die here!”

“Grand Elder, this brat is toying with you, why do you have to do it yourself? I’ll kill him for you...”

The Troll Sect Master stepped forward, beginning to fawn over the Grand Elder.

At this moment, whoever pleased the Grand Elder first would get more when it came to dividing the spoils later.

The Grand Elder glanced at the burly Troll Sect Master and nodded.

The Troll Sect Master stepped forward, coldly staring at David: “Boy, you toyed with the Grand Elder, you deserve to be torn to pieces. Now, if you commit suicide, at least you’ll have a whole corpse...”

“You want me to commit suicide? Unless your father can have children,”

David smiled faintly. “Fine, then don’t blame me for

being impolite!” The Troll Sect Master’s eyes narrowed, ready to attack.

Seeing this, Ling Xi and the others prepared to help David. Now they had no choice but to fight to the death, even though they knew the chances were slim, they wouldn’t wait to die.

Just as the Troll Sect Master was about to attack David, a figure suddenly solidified slowly in front of David.

This figure didn’t fly in from elsewhere; it solidified little by little right before everyone’s eyes!

Seeing this, everyone was extremely shocked.

“Mr. Chen, are you alright?”

After the figure solidified, it turned out to be a middle-aged man, who then asked David very politely.

“You... how did you get here?”

David’s eyes were filled with shock.

The person before him was none other than Wan Jianxing, who had been in the void passage.

David had once asked Wan Jianxing why he couldn’t leave that place, so how had he suddenly appeared?

Wan Jianxing simply smiled, not answering David, but looking at him with great satisfaction, he said, “Mr. Chen, after this battle, your sword intent has become even purer!”

David gave a wry smile, “It’s still far from enough; I need to continue to work hard. I’m still being bullied.”

“Leave the rest to me. Anyone who dares to bully Mr. Chen will never be able to rise again.”

After Wan Jianxing finished speaking, he turned his gaze to the Grand Elder and the others.

The Giant Demon Sect Master was initially taken aback when he saw Wan Jianxing suddenly appear, but he didn’t sense any aura or pressure from him, so he shouted, “Who are you? Get lost if you don’t want to die...”

“Are you talking to me?” Wan Jianxing asked unhurriedly.

“Nonsense, of course I’m talking to you! If you don’t want to die, get lost right now, or I’ll let you taste the power of my mountain-splitting axe!”

The Troll Sect Master slammed the axe into the ground, causing the entire earth to shake.

Chapter 5585

“You’re not worthy of my attention. Let your strongest one come out!”

Wan Jianxing sneered.

“What did you say? I think you’re courting death!”

With that, the Giant Demon Sect Master gripped the Heaven-Opening Axe tightly, and a terrifying aura instantly emanated from his body.

Then, as if exploding, black mist solidified around him, forming a suit of armor.

That terrifying aura instantly changed the color of the heavens and earth.

Even Ling Xi and the others, sensing the Giant Demon Sect Master’s terrifying aura, couldn’t help but frown.

“That’s it? Not even as good as a child!”

Even with the Giant Demon Sect Master unleashing his full power, in Wan Jianxing’s eyes, he was less than a child!

Wan Jianxing’s words immediately drew ridicule from the crowd.

The Third Palace Master even laughed until tears streamed down his face.

“Are you blind? The Giant Demon Sect Master’s strength is among the top in the entire Eighth Heaven, and you dare say he’s inferior to a child?”

the Third Palace Master laughed loudly.

Wan Jianxing glanced at the Third Palace Master and said coldly, “Are you from the Temple?”

“That’s right, I am the Third Palace Master of the Temple. Are you scared?” the Third Palace Master asked.

“Sigh, when did the Temple’s strength decline to such a level?”

“Even this kind of trash can be the Third Palace Master. How pathetic, how pathetic...”

Wan Jianxing’s eyes were full of helplessness and disappointment. The

Third Palace Master was stunned, then roared angrily, “Damn it, who exactly are you? How dare you speak to me like that, speak of our Temple?”

“You’ll find out who I am in a moment.”

After Wan Jianxing finished speaking, he looked at the Giant Demon Sect Master and said, "You only have one move left. Perform well."

"What do you mean?" the Giant Demon Sect Master was stunned.

"The literal meaning!" Wan Jianxing said!

David watched Wan Jianxing showing off from behind, his heart filled with envy. He resolved to increase his strength as quickly as possible, for only with greater strength would he have more opportunities to boast. "

Hmph, I'll give you three moves, and let me tell you, you only have three moves,"

the Giant Demon Sect Master sneered, lowering the mountain-splitting axe he had just raised.

"Idiot..." David muttered under his breath.

"Sigh, in that case, you won't even have one move left,"

Wan Jianxing sighed softly, then drew his sword!

*Whoosh!

- No one saw how Wan Jianxing drew his sword, and at that moment, the burly Giant Demon Sect Master's massive body crashed to the ground.

As he fell, his entire body shattered into countless pieces.

It wasn't just one sword strike from Wan Jianxing's casual movement, but countless sword strikes that had directly dismembered the Giant Demon Sect Master.

Everyone stared at the shattered Giant Demon Sect Master, dumbfounded!

The scene fell silent instantly, so quiet you could hear a pin drop!

The Third Palace Master, in particular, was drenched in cold sweat.

Wan Jianxing shook his head slightly, utterly helpless.

He had been given a chance, but the man refused.

The Grand Elder, witnessing the Giant Demon Sect Master's instant death, was also stunned, his expression turning grave.

However, the Grand Elder wasn't afraid, after all, he had the entire Evil Path Palace behind him.

"David, no wonder you dare to oppose our Evil Path Palace with your strength. So you have someone backing you. But do you think just this one person can stand against our entire Evil Path Palace?"

the Grand Elder sneered.

David merely glanced at the Grand Elder, ignoring him. This idiot didn't even know who he was facing.

Wan Jianxing looked at the Grand Elder and smiled faintly, "Evil Path Palace, what a joke..."

Although the current Divine Palace was weaker than the Evil Path Palace, Wan Jianxing was the progenitor of the Divine Palace. Back then, the Divine Palace was incredibly powerful; it was only after so many years of changes that its strength had declined.

The Grand Elder frowned slightly; he hadn't expected the other party to dare to humiliate the Evil Path Hall like this.
