

# A Man Like None Other Novel Chapter 5641

Full Read Online **Chapter 5641** of the novel **A Man Like None Other**

## Chapter 5641

After speaking, Liu Xue's aura suddenly changed. She formed hand seals again, chanting incantations.

A powerful force surged from her body, gathering between her hands.

“Heavenly Fiend Annihilates the World!”

Liu Xue roared, pushing her hands forward, unleashing a black energy wave towards the First and Second Palace Masters.

This energy wave contained terrifying destructive power; everything in its path was reduced to ashes.

The First and Second Palace Masters stared at the black energy wave rushing towards them, their eyes filled with terror.

They tried to dodge, but they were too weak.

The black energy wave instantly engulfed them; their bodies, impacted by the wave, turned into a bloody mist and dissipated into the air.

Death Valley finally returned to calm, with only the mess and billowing dust telling the story of the fierce battle that had just taken place.

David looked at everything before him, his heart filled with mixed emotions.

He knew that although he had been injured in this battle, he had also gained valuable experience and grown stronger.

Liu Xue turned around, looking at David's wounds with heartache in her eyes. “Young Master Chen, you are so badly injured, let's find a place to heal quickly.”

“There's one more!” David's gaze turned to the elder of the Evil Path Hall!

The elder of the Evil Path Hall felt a chill run down his spine when he saw David's eyes, and quickly said, “Misunderstanding, it's all a misunderstanding. I was just passing by and had no intention of interfering in your affairs.”

After saying that, the elder of the Evil Path Hall turned to run away.

“Trying to leave?”

David snorted coldly, his figure flashing as he blocked the elder’s path.

“Boy, don’t go too far.” The elder of the Evil Path Hall’s face darkened. “I am an elder of the Evil Path Hall. If you kill me, the Evil Path Hall will not let you off.” “

What’s

an elder of the Evil Path Hall?” David sneered. “I’ve even killed the Evil

Path Hall’s Prince Wu, the Grand Elder, the Dharma King, and the Heavenly Venerable. Would I be afraid of a mere elder like you?” The elder of the Evil Path Hall was shocked: “Did you kill our Evil Path Hall’s Prince Wu, the Grand Elder, the Dharma King Mu, the Heavenly Venerable, and others?”

“Not bad.” David nodded.

“You’re bragging! You can’t even beat the First and Second Temple Masters of the Divine Temple, what ability do you have to kill our Evil Path Temple’s Dharma King and Heavenly Venerable?” The

Evil Path Temple elder simply didn’t believe it.

Although he knew that something big had happened in the Evil Path Temple recently—the Witch Prince, the Grand Elder, and others had all perished.

Otherwise, this task wouldn’t have fallen to him today.

But he didn’t believe David was the killer, because David didn’t have that kind of strength; he was clearly just bragging.

“I’ll brag your mother! You dare say I’m bragging? So, you must die today too!”

After saying that, David was about to attack.

Although David sometimes liked to brag, he didn’t like being exposed.

“Wait!”

The Evil Path Temple elder quickly said, “I can give you many benefits, as long as you let me go.”

Now David was covered in wounds, and although the Evil Path Temple elder wasn't afraid of him, he was afraid of the menacing Liu Xue.

Even the First and Second Hall Masters had been killed by Liu Xue, so he was no match for her.

"I don't need your favors,"

David said coldly. "Today, you must die."

Just then, a powerful aura came from afar. Several figures flew rapidly towards them, led by a Dharma King from the Evil Path Hall.

"Dharma King Wu, save me!" The elder of the Evil Path Hall cried out in despair.  
Dharma King

Wu of the Evil Path Hall, seeing the scene before him, turned grim.

"Boy, who are you? You dare to try and kill an elder of my Evil Path Hall? You're courting death!" Dharma King Wu said coldly.

Dharma King Wu possessed the strength of a second-grade Celestial Immortal, slightly stronger than Liu Xue.

## **Chapter 5642**

A powerful aura emanated from him, enveloping the entire Valley of Death.

"I am David!" David said coldly.

"David?" Wu Fawang was stunned, then his eyes widened in disbelief: "So it was you who killed our Evil Path Hall's Prince Wu, Grand Elder, Mu Fawang, Heavenly Venerable, and others?"

"Indeed, it seems you know more than this elder." David nodded!

The Evil Path Hall elder was utterly shocked. Although he was an elder, his position within the Evil Path Hall wasn't particularly high, so he was unaware of many things.

Hearing this from Wu Fawang was incredibly astonishing.

“Wu Fawang, could this guy, a mere third-grade Immortal Realm cultivator, really kill Mu Fawang and Heavenly Venerable?” the Evil Path Hall elder asked.

“Killed my foot! It was just the work of someone behind him. Prince Wu, the Grand Elder, and the Heavenly Venerable were all killed by Wan Jianxing, the first Palace Master of the Divine Temple. The Palace Master has investigated.” “

However, the Palace Master still has no clue how King Mu died, but it certainly wasn't this guy who killed him. He doesn't have that ability,”

said King Wu.

“The first Palace Master of the Divine Temple?” The elder of the Evil Path Hall was slightly surprised.

At this moment, the God King, who had been in a daze, trembled slightly upon hearing King Wu's words.

David was surprised that the Evil Path Hall was so well-informed, having already found out this.

Liu Xue glanced at David, wondering if the person behind David was Wan Jianxing, the first Palace Master of the Divine Temple.

“Since you know I have someone behind me, why don't you get lost?” David said.

“Hahaha, that Wan Jianxing escaped the void passage on his own and is now completely destroyed. You still want to use him to scare me?”

King Wu laughed loudly.

David looked somewhat embarrassed. It seemed that using the name of Wan Jianxing wouldn't intimidate the other party.

“What do you want?” David asked, looking at Wu Fawang.

“Of course, I want to kill you!”

Wu Fawang took a step forward, his terrifying pressure forcing David to retreat, almost causing him to fall to the ground. Liu Xue's expression

changed, and she quickly stepped in front of David: “King Wu, I am the leader of the Earthly Fiend Alliance. This is the Ninth Heaven. Please do not act recklessly here.”

“Earthly Fiend Alliance?”

King Wu sneered, "What kind of bullshit Earthly Fiend Alliance? Do you think you can protect this brat? Today, no one can save him."

"Is that so?"

Liu Xue said coldly, "Then let's try."

After speaking, Liu Xue exuded a powerful aura and confronted King Wu.

David looked at the situation before him and felt somewhat moved.

Liu Xue clearly knew that King Wu was stronger than her, but she still stepped forward without hesitation to protect him.

"Leader Liu, thank you,"

David said, "However, this is a grudge between me and the Evil Path Hall, and I must resolve it personally."

"Young Master Chen, but King Wu is very strong, you..." Liu Xue was a little worried.

"Don't worry, I can handle it,"

David said. "You should leave; staying here will only lead to your death."

"Young Master Chen, I'm willing to die with you..." Liu Xue said.

"I know you're gambling on my background, gambling that I have a powerful backer, but I really don't," David said.

"I don't care if you have a powerful backer or not, I'm willing to die for you!"

Liu Xue's eyes were resolute.

David laughed; he hadn't expected his charm to be so great.

"Alright, then let's face this together..." David nodded!

"Alright, then let's face this together!" Liu Xue said firmly.

Hearing Liu Xue's words, a relieved smile appeared on David's face.

## Chapter 5643

Although David was covered in wounds, he still stood tall and straight, wielding the Dragon-Slaying Sword, though his legs trembled slightly.

“Young Master Chen, don’t worry, I’ll protect you,” Liu Xue said, seeing David’s trembling.

“No, we’ll fight side by side,”

David shook his head. “I won’t let you bear all the pressure alone.”

With that, David took a deep breath, forcibly suppressing his injuries, and circulated his internal energy, once again radiating a powerful aura.

Although his strength was inferior to Liu Xue’s, his will was unwavering.

Wu Fawang looked at David and Liu Xue, a hint of disdain flashing in his eyes.

“You two think you can fight me? You’re truly overestimating yourselves!”

“Whether you’re overestimating yourselves or not, we’ll find out after the fight!” Liu Xue said coldly.

Having said that, Liu Xue flashed and instantly appeared in front of Wu Fawang. Her hands quickly formed seals, unleashing a powerful attack of immortal energy towards him.

“Well done!”

Wu Fawang shouted, his hands also forming seals, a golden light shooting from them, colliding with Liu Xue’s attack.

“Boom!”

The two powerful forces collided, creating a deafening roar.

The entire Death Valley trembled, the surrounding rocks shattered, and huge craters appeared in the ground.

Liu Xue was forced back several steps, while Wu Fawang remained unmoved.

Clearly, Wu Fawang was stronger than Liu Xue.

“Alliance Leader Liu, you are no match for me,”

Wu Fawang sneered. "If you know what's good for you, get out of my way, or don't blame me for being impolite."

"If you want to harm Young Master Chen, you'll have to step over my dead body first!" Liu Xue said firmly.

Just then, David moved.

Holding a long sword, he moved like lightning, instantly appearing behind Wu Fawang, thrusting his sword towards Wu Fawang's back.

"Hmph, a mere trick!"

Wu Fawang sneered, slightly shifting his body to the side, easily dodging David's attack. "Boy, your speed is not bad, but it's

nothing compared to mine," Wu Fawang said disdainfully.

With that, Wu Fawang swung his palm towards David.

This palm strike contained immense power; if it hit, David would certainly be seriously injured.

Seeing this, Liu Xue quickly came to his aid. She formed hand seals, and a powerful shield of immortal energy appeared in front of David, blocking Wu Fawang's attack.

"Boom!"

Wu Fawang's attack struck the shield, producing a tremendous roar.

The shield showed slight cracks under Wu Fawang's attack, but ultimately it still withstood the blow.

"Young Master Chen, are you alright?" Liu Xue asked with concern.

"I'm fine," David shook his head. "Alliance Leader Liu, thank you."

"We are comrades-in-arms, no need to be so polite," Liu Xue said.

Wu Fawang looked at David and Liu Xue, a hint of surprise flashing in his eyes.

He hadn't expected Liu Xue to be so powerful, able to withstand his attack.

Moreover, David's cooperation was excellent; although weaker than him, he provided crucial assistance to Liu Xue.

“It seems I need to get serious,” Wu Fawang said.

With that, Wu Fawang’s aura suddenly changed, an even more powerful force surging from his body.

Golden light surrounded him, making him look like a war god.

“Heavenly Punishment Descends!” Wu Fawang roared.

As his words fell, a massive black pillar of light appeared in the sky, directly enveloping Wu Fawang.

Empowered by the pillar of light, Wu Fawang’s strength increased significantly once more.

“Young Master Chen, be careful, Wu Fawang has unleashed his strongest technique,” Liu Xue warned.

“I know,”

David nodded. “Alliance Leader Liu, let’s attack together!”

With that, David, sword in hand, charged towards Wu Fawang once more.

## **Chapter 5644**

This time, he unleashed the sword technique taught by Wan Jianxing, countless sword energies erupting from his body and attacking Wu Fawang.

Liu Xue also attacked simultaneously, her hands forming seals, unleashing powerful attacks of immortal energy towards Wu Fawang.

“Well done!”

Wu Fawang shouted, his hands rapidly forming seals, a massive golden shield appearing before him, blocking David and Liu Xue’s attacks.

“Clang, clang, clang!”

The sword energies and immortal energy attacks struck the shield, producing crisp sounds.

Although David and Liu Xue's attacks were powerful, they were still somewhat insufficient against Wu Fawang's defense.

"Hahaha, with this little strength, you think you can hurt me?" Wu Fawang laughed loudly.

After speaking, Wu Fawang formed hand seals again, and a powerful golden light shot out from his hands, hurtling towards David and Liu Xue.

"Be careful!"

Liu Xue shouted, quickly pulling David to dodge.

Although the two dodged Wu Fawang's attack, the impact struck the ground with a huge roar, leaving a large crater.

"Alliance Leader Liu, this can't go on,"

David said. "Wu Fawang is too strong; we are no match for him."

"I know, but we can't give up,"

Liu Xue said. "We must find a way to defeat him."

Just then, Wu Fawang attacked again. He formed hand seals, and countless golden rays shot out from his hands, raining down on David and Liu Xue.

"Alliance Leader Liu, let's split up!" David said.

Liu Xue nodded, and the two dodged in different directions.

Although they dodged most of the attacks, a few still struck them.

"Pfft!"

David and Liu Xue simultaneously spat out a mouthful of blood, staggering.

"Hahaha, you are no match for me!"

Wu Fawang laughed loudly

, "Now, I'll show you my true strength!"

With that, Wu Fawang rapidly formed hand seals, creating a massive golden energy ball in his hands.

This energy ball contained terrifying power, causing the surrounding air to tremble.

“Fawang Judgment!”

Wu Fawang roared, hurling the energy ball towards David and Liu Xue.

David and Liu Xue’s expressions changed drastically upon seeing this.

They knew the attack was incredibly powerful; if hit, they would be severely injured.

“Alliance Leader Liu, let’s attack together!” David said.

Liu Xue nodded, and the two simultaneously unleashed their strongest techniques.

David’s longsword emitted a dazzling light, countless sword energies erupting from his body.

Liu Xue formed hand seals, unleashing a powerful attack of immortal energy from her hands.

“Boom!”

The three powerful forces collided, creating a deafening roar.

The entire Death Valley trembled, the surrounding rocks shattered, and huge craters appeared in the ground.

David and Liu Xue were jolted back, spitting out blood.

Wu Fawang also retreated a few steps, a look of surprise on his face.

“I didn’t expect that the two of you working together could actually block my attack,”

Wu Fawang said. “However, this is only the beginning.”

With that, Wu Fawang attacked again, his hands forming a seal, countless golden rays shooting from his palms towards David and Liu Xue.

David and Liu Xue hurriedly dodged, but Wu Fawang’s attacks were too dense, and they were still hit several times. Their injuries worsened, their clothes already stained red with blood.

“Alliance Leader Liu, we can’t go on like this,” David said. “We must find a way to fight back.”

“I know, but Wu Fawang’s strength is too great; we can’t find any opening,” Liu Xue said.

Just then, Wu Fawang unleashed his strongest attack once more.

## **Chapter 5645**

A massive black beam of light shot from his hand, hurtling towards David and Liu Xue. Upon seeing this,

David and Liu Xue’s expressions changed drastically.

They knew this attack was incredibly powerful; if hit, they would be severely injured.

“Alliance Leader Liu, we...!” David said.

“I know, let’s attack together...”

Liu Xue nodded.

David glanced at Liu Xue: “Alliance Leader Liu, I’ve noticed we’re becoming more and more in sync. I’m starting to like you.”

“If we survive, I’ll definitely let you experience the joy of being my woman,”

Liu Xue said, rolling her eyes at David.

They were about to die, and he was still putting on this act. First, he took the initiative to suggest dual cultivation, and this guy acted like a saint.

Now that he’s about to die, he wants her to experience the joy of being a woman, and wants to cultivate with her.

“Let’s focus on surviving first. If we die, our souls will be completely scattered, making dual cultivation of the soul impossible.”

With that, the two simultaneously unleashed their strongest techniques.

David’s longsword emitted a dazzling light, countless sword energies erupting from his body. Liu Xue formed hand seals, unleashing a powerful attack of immortal energy.

“Boom!”

The three powerful forces collided, shaking the entire Tianmen Mountain.

This time, David and Liu Xue were sent flying backward, crashing heavily to the ground.

Their injuries worsened, blood gushing from their mouths.

“Hahaha, now you know how powerful I am!”

Wu Fawang laughed loudly, “Now, I’ll make you disappear completely!”

With that, Wu Fawang formed hand seals, preparing to deliver a fatal blow.

Just then, David suddenly stood up.

Although severely injured, his eyes were incredibly resolute.

He knew that if he gave up now, not only would he die, but Liu Xue would also be implicated.

“Alliance Leader Liu, you should leave here first!”

“I’ll hold him off!” David said. “Young Master

Chen, I won’t leave you!” Liu Xue said. “We’ll face this together!”

“Listen to me, you leave first!” David said. “I won’t die, I have someone behind me.”  
David

knew he wouldn’t die. Although Mr. Shi wasn’t there, David believed that Mr. Shi would never watch him be killed.

Liu Xue looked at David’s determined eyes and knew he wasn’t joking.

She hesitated for a moment, then finally nodded.

“Young Master Chen, you must be careful!” Liu Xue said.

After saying that, Liu Xue turned to leave.

“Want to leave? Not so easy!”

Wu Fawang sneered. “Today, both of you will die!”

After saying that, Wu Fawang formed a hand seal, and a powerful golden light shot out from his hands, blasting towards Liu Xue.

Seeing this, David quickly came to her aid. He held a long sword, and a powerful sword aura shot out from his hands, blocking Wu Fawang's attack.

"Boom!"

The two powerful forces collided, creating a deafening roar.

David was jolted back, spitting out blood.

"Young Master Chen!" Liu Xue cried out, wanting to return and help.

"Go!" David shouted, "Don't worry about me!"

Liu Xue looked at David, her eyes filled with reluctance, but she knew he was right. If she stayed, she would only be a burden to him.

"Young Master Chen, I will definitely come back to save you!" Liu Xue said.

After speaking, Liu Xue turned and left Death Valley.

Wu Fawang watched Liu Xue's departing figure but did not chase after her. He knew that David was his primary target.

"Boy, no one can save you now." Wu Fawang sneered, "Today is your death day!"

With that, Wu Fawang formed a hand seal, and a powerful golden light shot out from his hands, hurtling towards David. Upon seeing this,

David's expression changed drastically.
