Chapter 5646

He knew this attack was incredibly powerful; if he were hit, he would be severely injured.

But at this moment, he had no strength left to dodge.

He could only watch helplessly as the golden light hurtled towards him.

Just then, the dragon crystal on David's chest began to flash.

He took a deep breath, concentrated, and the longsword in his hand emitted a dazzling light.

"fu**...you...old mother!" David roared, slashing his longsword at Wu Fawang's attack.

"Boom!"

The two powerful forces collided, creating a deafening roar.

David was thrown backward, crashing heavily to the ground.

His injuries worsened, and blood gushed from his mouth.

Wu Fawang also staggered back a few steps, a look of surprise on his face.

He hadn't expected that David, despite being severely injured, could still withstand his attack.

"Boy, your willpower is impressive,"

said Wu Fawang, "but that's not enough."

With that, Wu Fawang attacked again, his hands forming a seal, countless golden rays shooting from his hands towards David.

David lay on the ground, too weak to dodge. He

could only watch helplessly as the golden rays hurtled towards him. Just then, Liu Xue suddenly returned. Seeing the scene before her, her expression changed drastically.

“Young Master Chen!” Liu Xue cried out, immediately rushing to his aid. Liu Xue formed a seal, a powerful immortal energy shield appearing before David, blocking the attacks. “Boom!” Countless attacks struck the shield, creating a deafening roar. The shield cracked slightly under the attacks, but ultimately withstood the blow. “Alliance Leader Liu, why are you back?” David asked in surprise.

“I can’t leave you alone,”

Liu Xue said. “We have to face this together!”

“But there are too many of them,”

David said. “We’re no match for them.”

“I know, but we can’t give up,” Liu Xue said. “We must find a way to defeat them.”

Wu Fawang looked at Liu Xue, a flash of anger in his eyes.

“Alliance Leader Liu, now that you’re back, don’t blame me for being impolite.”

“Attack together...”

With that, Wu Fawang and the elders of the Evil Path Hall attacked simultaneously, countless attacks hurtling towards David and Liu Xue.

David and Liu Xue dodged hastily, but the enemy’s attacks were too dense, and they were still hit several times.

Their injuries worsened, their clothes stained red with blood.

It seemed David and Liu Xue couldn’t hold on any longer and were about to perish.

Just then, a terrifying aura suddenly swept in.

This aura was incredibly powerful, far stronger than Wu Fawang’s.

Wu Fawang and the elders of the Evil Path Hall sensed this aura, their expressions changing drastically.

They knew this was a powerful being.

“Who is it?” Wu Fawang asked warily.

A figure quickly approached and soon appeared before them.

It was a middle-aged man, dressed in a white robe, appearing to be a scholar, but the aura emanating from him was incredibly powerful.

“Who are you?” Wu Fawang asked, looking at the newcomer.

The middle-aged man ignored Wu Fawang and strode to David.

“Mr. Chen, are you alright?” the middle-aged man asked.

Upon seeing the newcomer, David was overjoyed and exclaimed, “Senior Shen, it’s you!”

The newcomer was none other than Shen Zhiyan, whom David had rescued in the Heavenly Ladder of the Celestial Realm.

If it weren’t for David, Shen Zhiyan would likely have been trapped in the Heavenly Ladder for life, working for that old Golden Immortal.

Shen Zhiyan waved his hand, and a surge of powerful spiritual energy enveloped David and Liu Xue, quickly restoring them significantly.

Chapter 5647

David looked at Shen Zhiyan in front of him, his eyes filled with surprise and gratitude, and he struggled to stand up.

Despite still being weak, Liu Xue tightly grasped Shen Zhiyan’s hand, saying, “Senior Shen, I never expected to meet you here. If it weren’t for your timely appearance, Alliance Leader Liu and I would likely be in grave danger today.”

Liu Xue also forced herself to stand up, bowed slightly, and said softly, “Thank you for saving my life

, Senior.” Shen Zhiyan smiled and waved his hand, saying, “Mr. Chen, you don’t need to be so polite. You have done me a great favor. If it weren’t for you, I would probably still be struggling on that Heavenly Ladder. Now that I see you in trouble, it’s only natural that I lend a hand.”

“Moreover, I promised to follow you for three hundred years. During these three hundred years, I will be your servant...”

“Senior Shen, please don’t say that. I have never considered you a servant,” David waved his hands repeatedly.

It was obvious that Shen Zhiyan’s strength was higher than Wu Fawang’s. In this realm, they might still need Shen Zhiyan’s help, so how could David truly treat him as a servant?

As the two were catching up, Wu Fawang, completely ignored, erupted in fury like a volcano.

As a Fawang of the Evil Path Hall, he was usually high and mighty; when had he ever been so neglected?

“Do you think I don’t exist?”

Wu Fawang roared, his aura suddenly surging, black light flashing wildly, distorting the surrounding air.

Shen Zhiyan then slowly turned around, his gaze calm as he looked at Wu Fawang, as if looking at an insignificant ant: “If you behave yourself, perhaps you can live a little longer.”

Wu Fawang trembled with rage. He rapidly formed hand seals, chanting incantations, and a massive black energy wave swept towards Shen Zhiyan and the other two.

This energy wave contained terrifying power; wherever it passed, the ground cracked, and sand and stones flew everywhere.

Shen Zhiyan remained calm. He gently raised his palm, and a gentle yet powerful spiritual force surged forth, colliding with the black energy wave.

“Boom!”

With

a deafening roar, the golden energy wave dissipated instantly, while Shen Zhiyan’s spiritual power surged forward with unstoppable momentum, directly attacking Wu Fawang.

Wu Fawang’s expression changed drastically. He tried to dodge, but found his body seemingly bound by an invisible force, unable to move at all.

“Bang!”

The spiritual power struck Wu Fawang fiercely, sending him flying backward like a kite with a broken string, crashing heavily to the ground, spitting out a mouthful of blood.

Wu Fawang struggled to his feet, his eyes filled with shock and fear: "You...who exactly are you? How could you possess such power?"

Shen Zhiyan coldly looked at him and said, "I am Mr. Chen's servant. Since you dared to attack Mr. Chen today, don't even think about leaving alive."

Upon hearing this, Wu Fawang was startled and stared intently at Shen Zhiyan: "Could you be the powerful figure behind David?"

Shen Zhiyan shook his head: "I said, I am Mr. Chen's servant. I have no right to be the powerful figure behind Mr. Chen." Shen Zhiyan

knew his own limitations. Back on the Heavenly Ladder, even the old Golden Immortal was so frightened by the powerful figure behind David that he wet his pants, which was why they had gone easy on David.

Clearly, the person behind David was far more powerful than that old Golden Immortal, and Shen Zhiyan had neither the strength nor the qualifications.

Wu Fawang stared at Shen Zhiyan, knowing he was no match for him. If this continued, he would only face death.

Thinking this, he turned and fled, disappearing into the distance in an instant.

Seeing this, the elders of the Evil Path Hall turned pale with fright. They followed closely behind King Wu, trying to escape this terrifying place.

David, seeing this, hurriedly said to Shen Zhiyan, "Senior Shen, we can't let them get away! These people have committed countless evils. If we let them go, they will surely return with a vengeance."

Shen Zhiyan nodded slightly and said, "Don't worry, Mr. Chen, they won't escape."

With that, Shen Zhiyan vanished in a flash.

Chapter 5648

The next moment, he appeared in front of the elders of the Evil Path Hall, blocking their path.

The elders looked at Shen Zhiyan in terror, one of them trembling as he said, "Senior, we...we were just following orders, please spare us!"

Shen Zhiyan's gaze was icy. He said, "When you committed evil, did you ever think of sparing others? Today, you must pay the price for your actions."

As soon as he finished speaking, Shen Zhiyan's hands rapidly formed hand seals, and powerful streams of spiritual energy shot out like arrows towards the elders of the Evil Path Hall.

The elders of the Evil Path Hall all used defensive techniques, attempting to resist the spiritual energy.

However, before Shen Zhiyan's overwhelming power, their defenses were like paper, instantly shattered.

"Ah!"

A series of screams rang out as the elders and others from the Evil Path Hall were struck by spiritual energy, their bodies instantly torn apart, turning into a cloud of blood mist that dissipated into the air.

After dealing with the elders and others from the Evil Path Hall, Shen Zhiyan flashed back to David and Liu Xue's side.

David looked at Shen Zhiyan, his eyes filled with admiration: "Senior Shen, your strength is truly amazing. Thank you so much for eliminating these villains for us."

Shen Zhiyan smiled and said, "Mr. Chen, you're too kind. It was just a small favor. However, that Wu Fawang has escaped, and he might still be a problem in the future."

David smiled faintly and said, "Senior Shen, don't worry. As long as we find the Tianmen Mountain ruins, my strength will greatly increase. Then, even if that Wu Fawang causes trouble again, I can kill him with a single sword strike."

David was confident that once he found the Tianmen Mountain ruins, he wouldn't be afraid of Wu Fawang.

"You're going to the Tianmen Mountain ruins?" Shen Zhiyan asked.

"That's right, we've already found the entrance to the ruins," Liu Xue nodded.

Upon hearing this, Shen Zhiyan frowned slightly, seemingly wanting to say something but remaining silent.

Seeing Shen Zhiyan's hesitant manner, David asked, "Senior Shen, is something the matter?"

“Oh, no!” Shen Zhiyan shook his head, then said, “Mr. Chen, I can’t accompany you to the Tianmen Mountain ruins, but I’ll stay in this area.” With

that, Shen Zhiyan took out a jade pendant from his robes and handed it to David: “This jade pendant was carefully crafted by me, containing a trace of my spiritual power. If you encounter danger, simply crush the pendant, and I will sense it and come to your aid as soon as possible.”

David accepted the pendant, his heart filled with gratitude: “Thank you, Senior Shen. I, David, will forever remember this kindness.”

Liu Xue also said from the side, “We will never forget your great kindness, Senior.”

Shen Zhiyan waved his hand and said, “Mr. Chen, we are destined to meet, there’s no need for such formalities. If you encounter any difficulties in the future, please feel free to come to me.”

Shen Zhiyan was about to leave when David quickly called out to him.

“Senior Shen, could you please help the God King regain his senses?” David pointed to the God King, who was in a daze beside him.

Shen Zhiyan glanced at it, then waved his hand, a flash of clarity crossing the God King’s eyes!

“I’m leaving...” Shen Zhiyan said, his figure vanishing instantly.

After Shen Zhiyan disappeared, the God King warily looked around, then looked at David and Liu Xue with suspicion: “Who are you? Why are you here?”

“I am David,” David said. “I’m here to save you.”

“My name is Liu Xue, leader of the Earthly Fiend Alliance,” Liu Xue said.

“Save me?” The God King was stunned. “When did I need your help?”

“God King, you may not recognize me, but you should recognize this.” David said, taking out a token from his storage bag.

This token was none other than the token of the first God King of the Temple.

Upon seeing this token, the God King’s expression changed drastically: “This... This is the token of the first God King of my Temple? How did you get this?”

Chapter 5649

“You don’t need to know how I obtained this token. All you need to do is acknowledge that the temple is now under my control,”

David said calmly.

Upon hearing this, the God-King frowned slightly, somewhat disbelieving David.

After all, David was only at the third rank of the Human Immortal Realm, weaker than even his Fifth Palace Master, yet he aspired to control the entire temple.

David sensed the God King’s disbelief and said, “Back in the Eighth Heaven, the Third Palace Master, in alliance with the Evil Path Palace, attempted to seize the God King’s Palace. It was Wan Jianxing who intervened, and the Fourth Palace Master, Ling Xi, was also present; she witnessed it firsthand.”

“It was also Ling Xi who found me, saying she couldn’t contact you and asked me to come to the Ninth Heaven to find you. Unexpectedly, you were controlled by the First and Second Palace Masters, who intended to hand you over to the Evil Path Palace.”

“If I hadn’t appeared in time, you would already be a prisoner of the Evil Path Palace.”

Hearing David’s words, especially the mention of Wan Jianxing, the God King knew it was true.

“Where is our ancestor now?” the God King asked.

“He has vanished into nothingness, leaving only a wisp of his soul, trapped in the void passage.” “

For many years, he has been imprisoned there by the God Clan Chief. According to him, he was imprisoned for violating clan rules,”

David said.

The God King sighed and nodded.

Clearly, he knew about this matter; the God Palace must have records of it.

“Since the Ancestor entrusted the token to you, my Divine Palace will certainly follow your lead. Please, Mr. Chen, give me your orders.”

The God King became respectful towards David.

“We are going to the Tianmen Mountain Ruins. Now that you have recovered, return to the Divine King’s Palace immediately. The Divine King’s Palace has suffered heavy losses; only the Fourth Palace Master is holding it together.”

“You need to return to the Eighth Heaven to rebuild the Divine Palace. In the future, observe carefully when selecting people.” “

The First, Second, and Third Palace Masters are all ganging up on you; how dangerous is that!”

David cautioned the God King.

“Mr. Chen is right; I will be careful.” The God King nodded.

Although the Temple wielded considerable power in the Eighth Heaven and was generally untouchable, the collapse of an empire often begins from within.

If it weren’t for the betrayal of the Temple Master and his ilk, the Temple would still be intact.

After thanking David, the God King returned to the God King’s Palace in the Eighth Heaven, while David and Liu Xue went back to their cave to recuperate. Both

were severely injured, and entering the ruins at this time would be disastrous.

Inside the cave, David took out the Demon-Suppressing Tower, set up a magic array, and then led Liu Xue inside.

When Liu Xue heard that the time flow in the Demon-Suppressing Tower was a hundred times faster than outside, she was shocked.

A year outside could be equivalent to a hundred years of cultivation inside the Demon-Suppressing Tower.

She finally understood why David was so powerful.

“Alliance Leader Liu, this Demon-Suppressing Tower is my secret. I won’t bring anyone who isn’t very close into it,”

David said to Liu Xue.

“Young Master Chen, I know...” Liu Xue smiled slightly and began to undress.

This time, David didn’t refuse and pounced on her without hesitation!

Through dual cultivation, their injuries healed quickly.

When they emerged from the Demon Suppression Tower, they were both fully recovered, and David's strength had even improved considerably, soon breaking through to the fourth rank of the Human Immortal Realm.

"Let's go, to the Tianmen Mountain Ruins," David said.

"Okay!" Liu Xue nodded shyly, unconsciously linking her arm with David's.

That's how women are; once the last fortress is breached, they naturally become close to men, especially the first time.

Often, what women find most unforgettable is their first man.

Soon, led by Liu Xue, the two arrived at the mountain peak, but the peak was barren, with nothing there, let alone any entrance to the ruins.

However, before David could speak, Liu Xue waved her hand, and with a ripple and distortion in the void, David found that everything before him had changed.

Chapter 5650

Before them stood bare mountain peaks, dotted with towering stone pillars that reached towards the sky, forming a stone forest.

While the exact number of pillars was unknown, it was certainly tens of thousands.

"Is this the entrance to the Tianmen Mountain ruins?" David asked.

Liu Xue shook her head: "We need to get through this stone forest to the center. I've tried with others, but we simply can't reach the middle."

David released his divine sense, trying to see what the stone forest looked like.

Unfortunately, his divine sense seemed to be blocked, and he couldn't see the entire stone forest.

"It seems this stone forest is a magic formation; we need to break it to get to the center. Let's try."

With that, David led Liu Xue into the stone forest.

David led Liu Xue into the stone forest. The moment they entered, they felt the air thicken, as if an invisible force was quietly surging within.

The stone pillars in the forest were of various shapes, some as thick as giant trees, others as slender as bamboo poles, their surfaces covered with mysterious and ancient runes, radiating a cold, eerie light.

David took a deep breath and began to carefully observe his surroundings, relying on his keen perception of formations. He

quickly discovered that the arrangement of these stone pillars was not random, but followed a specific pattern.

He closed his eyes, and the patterns of the Heavenly Stems and Earthly Branches, and the Eight Trigrams, appeared in his mind, corroborating the layout of the stone forest before him.

“Alliance Leader Liu, this stone forest is indeed a large-scale magic formation, and extremely complex at that, but I am confident I can break it,”

David said confidently, opening his eyes.

A hint of surprise flashed in Liu Xue’s eyes. She followed closely behind David, cautiously observing their surroundings, afraid of accidentally triggering any traps.

As David walked, he silently calculated the directions and changes in the runes in his mind.

He discovered that the runes on the stone pillars subtly changed with each step he took, and these changes were the key to breaking the magic array. “Following the order of the Heavenly Stems and Earthly Branches

, we should first find the stone pillar corresponding to the ‘Jia’ position,”

David said as he searched for his target in the stone forest.

Finally, he stopped in front of a thick stone pillar. The runes on this pillar shimmered with a strange light, faintly resonating with the aura of the “Jia” position.

David reached out and touched the runes on the pillar. Instantly, a powerful force surged into his body, and images flashed through his mind, as if he were having some kind of mysterious communication with this ancient magic array.

After a moment, he opened his eyes, a look of joy on his face.

“Found it! This stone pillar is the starting point for breaking the magic array.”

David said, his hands quickly forming hand seals and chanting incantations.

With his movements, the runes on the pillar began to shimmer even more intensely, beams of light shooting out from the runes, intertwining and forming a huge light curtain.

David, pulling Liu Xue along, stepped into the light curtain without hesitation.

In an instant, they felt a flash of light before their eyes, and the surrounding scenery underwent a dramatic transformation.

The previously intricate stone forest seemed to have been rearranged and recombined by an invisible force, revealing a clear passage before them.

"It seems we're on the right track. Let's continue forward,"

David said, leading Liu Xue along the passage.

Along the way, they encountered many similar stone pillars, each representing a different location and rune variation.

Relying on his profound knowledge of formations, David accurately found the solutions time and time again, successfully passing through numerous trials.

As they ventured deeper, the aura within the stone forest became increasingly mysterious and powerful.

"Young Master Chen, your formations are amazing! I never expected you to be such an all-rounder," Liu Xue said, looking at David with admiration.

"It's nothing!" David smiled.

It's worth noting that he had received personal instruction from the Divine Pattern Ancestor and the Formation Demon.
