Chapter 5661

The old man from Tianmen's voice became low and hoarse, "It was a rainy night when I found an abandoned baby at the sect's gate.

The child looked only a few years old, soaked to the bone and shivering. I felt sorry for him, so I took him back to the sect and accepted him as a disciple."

"I named him Soul Devourer, hoping he could forget the pain of the past and start a new life.

Soul Devourer was exceptionally intelligent and had extremely high cultivation talent, quickly becoming a core disciple of Tianmen. I treated him like my own son, passing on all of Tianmen's secret techniques to him."

When David and Liu Xue heard the name Soul Devourer, they couldn't help but think of the Soul Devourer Venerable.

At this point, a look of deep sorrow flashed in the eyes of the old man from Tianmen: "But I never expected that this child would be a remnant of the Demonic Sect.

His family was wiped out by the righteous path, and he has harbored hatred since childhood. The reason he approached me was to learn the secret techniques of Tianmen and then take revenge."

"After he cultivated to the Celestial Immortal Realm, he finally revealed his true colors. On a full moon night, he suddenly launched an attack on Tianmen.

Using the cultivation techniques I taught him, combined with the evil arts of the Demonic Sect, he slaughtered all the disciples of Tianmen in one night."

The old man of Tianmen's voice choked, tears streaming down his face. "I was in seclusion at the time, and when I emerged, the entire Tianmen was a river of blood, littered with corpses.

My most prized disciple, my most trusted relative, had betrayed me, ruining my life's work."

The old man of Tianmen took a deep breath and continued, "I hid the core area of Tianmen, forming this ruin.

Then I destroyed my physical body, following my disciples, leaving only this wisp of my soul here, waiting for over ten thousand years, hoping to find someone truly qualified to inherit the Tianmen's legacy, so that he could fulfill one of my wishes."

Hearing this, David and Liu Xue finally understood why the previous tests were all about not being a saint.

originally stated that the Heavenly Gate Sect Master's kindness in saving a demon led to the sect's destruction.

Now they understood why the Heavenly Gate had vanished overnight—it had been destroyed by the Soul Devouring Venerable.

"Senior, that Soul Devouring Venerable committed countless atrocities in the Nine Heavens and has been suppressed in the Sixth Heaven for ten thousand years," David said.

"He's been suppressed? It seems he received his due punishment." The Heavenly Gate Elder seemed relieved.

"However, that Soul Devouring Venerable escaped again and has now returned to the Nine Heavens," David said.

The Heavenly Gate Elder was taken aback, then said, "Young man, don't speak so dramatically, okay?"

"Senior, what is your wish?" Liu Xue asked respectfully.

A resolute glint flashed in the eyes of the Heavenly Gate Elder: "My wish is for someone to kill the Soul Devourer for me, avenging the disciples of the Heavenly Gate.

At the same time, I also hope that the Heavenly Gate's legacy can continue, allowing it to once again stand tall in the Nine Heavens."

The Heavenly Gate Elder looked at David and said earnestly, "Young man, I see unwavering will and formidable strength in you.

You have passed all the tests I set, proving that you are not a soft-hearted saint, but a strong individual capable of surviving in a world where the strong prey on the weak."

"I have decided to entrust you with all of the Heavenly Gate's heritage. Within it are the cultivation resources accumulated by generations of the Heavenly Gate, its unique techniques, and its most prized treasures.

I hope you can utilize these resources to quickly enhance your strength, then kill the Soul Devourer and avenge the Heavenly Gate.”

With that, the Heavenly Gate Elder waved his hands, and a golden light shot from them, instantly merging into David’s body.

Chapter 5662

Immediately afterward, the entire Tianmen Mountain began to tremble violently, and countless palaces emitted dazzling light.

“This is the power of Tianmen’s inheritance; it will help you better understand and master Tianmen’s techniques,”

said the Tianmen Elder. “At the same time, I have also given you all of Tianmen’s resources. You can begin cultivating now.”

David and Liu Xue felt the powerful energy surging within them, their hearts filled with awe and gratitude.

“Thank you, senior!”

David said respectfully. “Rest assured, I will definitely kill the Soul Devourer, avenge the disciples of Tianmen, and restore Tianmen’s standing in the Nine Heavens.”

The old man of Tianmen nodded in satisfaction, his body becoming transparent. “Good child, I believe in you. The future of Tianmen is in your hands.”

After speaking, the old man’s figure completely disappeared into the air, leaving only a voice echoing in the void: “Remember, in this world where the strong prey on the weak, kindness will only become a burden. Morality will only bind you. Be a person without kindness or morality; only in this way can you become a powerful being without constraints.” David and Liu

Xue stood quietly in place, their hearts filled with mixed emotions.

They never expected that there was such a sad story behind the disappearance of Tianmen, and they never expected that they would become the inheritors of Tianmen.

“Let’s go in and cultivate,”

David said, then led Liu Xue towards the core area of Tianmen Mountain.

The core area of Tianmen Mountain was a huge palace, with a huge cultivation pool in the center.

The liquid in the cultivation pool was golden yellow, radiating a rich spiritual energy.

“This is Heavenly Spirit Liquid, a precious resource accumulated by the Heavenly Gate over generations. Cultivating in it will make your efforts twice as effective,”

David said, then he and Liu Xue jumped into the cultivation pool. The

moment their bodies touched the Heavenly Spirit Liquid, a powerful surge of spiritual energy rushed into their bodies.

This spiritual energy was pure and gentle, quickly integrating into their meridians.

David and Liu Xue immediately began circulating their cultivation techniques, absorbing the spiritual energy from the Heavenly Spirit Liquid.

They could feel their cultivation level increasing at a visible rate.

Time passed unnoticed, and David and Liu Xue were immersed in the pleasure of cultivation. Their bodies were enveloped in the Heavenly Spirit Liquid, and the surrounding spiritual energy continuously flowed into their bodies, transforming into powerful spiritual energy. After an

unknown

amount of time, David suddenly felt a violent tremor in his dantian.

He knew he was about to break through to the fourth rank of the Human Immortal Realm.

David immediately concentrated his mind and focused all his efforts on breaking through the bottleneck of the fourth rank of the Human Immortal Realm.

He could feel his dantian expanding continuously, and his meridians becoming wider.

“Boom!”

A loud sound rang out within David’s body; he had finally broken through to the fourth rank of the Human Immortal Realm.

However, at this moment, he felt the spiritual energy in the Heavenly Spirit Liquid still continuously flowing into his body, and his cultivation level continued to increase.

“It seems I can continue to break through!”

David was overjoyed and immediately continued to break through the bottleneck of the fifth rank of the Human Immortal Realm.

This breakthrough was even more difficult than the last, but with the help of the Heavenly Spirit Liquid, David successfully broke through to the fifth rank of the Human Immortal Realm.

He could feel that his strength was several times greater than before.

At the same time, Liu Xue also broke through to the peak of the second rank of the Heavenly Immortal Realm with the help of the Heavenly Spirit Liquid. If she encountered that Wu Fawang again, Liu Xue would no longer be afraid.

Her body emitted a faint light, making her look even more beautiful and charming.

“We succeeded!”

Liu Xue said excitedly, her eyes sparkling with excitement.

Chapter 5663

David smiled with satisfaction: “Yes, we succeeded. My strength has now reached the fifth rank of the Human Immortal Realm, and yours has reached the peak of the second rank of the Heavenly Immortal Realm. Even if we encounter the Soul Devouring Venerable, we will have a fighting chance.”

David and Liu Xue walked out of the cultivation pool. They could feel that their bodies had become stronger and their spiritual energy had become purer.

Their eyes were filled with confidence and determination.

“Let’s rest for a bit,” Liu Xue said, and then sat down with David on the palace floor.

After a long period of cultivation, they were both somewhat tired.

But thinking about the huge improvement in their strength, their hearts were filled with excitement and anticipation.

“Alliance Leader Liu, thank you for staying by my side all this time,” David said earnestly, looking at Liu Xue.

Liu Xue smiled slightly and said, "We're partners, aren't we? No matter what difficulties we encounter, we'll face them together."

David and Liu Xue exchanged a glance, both seeing deep affection and determination in each other's eyes.

They knew that in this dog-eat-dog world, only by supporting each other could they go further.

After resting for a while, David and Liu Xue decided to leave the Heavenly Gate Ruins.

They had been here for a long time; it was time to go out and see the outside world.

"Let's go,"

David said, and then he and Liu Xue walked towards the exit of the Heavenly Gate Ruins.

But just as they reached the exit, Liu Xue grabbed David and said, "Young Master Chen, before we leave the ruins, can you let me have one last moment of happiness?"

"I know that after we leave here, our time together will be very precious, and we might never see each other again."

Liu Xue knew that David's ambitions weren't in the Nine Heavens; he would definitely leave for a higher world.

At that time, she feared she would never be able to experience happiness again.

"Okay..." David nodded.

Three days later, Liu Xue experienced both pain and joy.

When they emerged from the Heavenly Gate ruins, they found themselves back in the Ninth Heaven.

Familiar mountains and rivers lay before them, and the familiar sounds of wind and birdsong filled their ears.

"We're finally back!" Liu Xue exclaimed excitedly, her eyes gleaming with excitement.

David also smiled with satisfaction: "Yes, we're finally back. Now our strength has greatly improved, it's time to fulfill Elder Tianmen's wish." David and Liu Xue exchanged a glance, both seeing a determined light in each other's eyes. They knew their strength had greatly increased, and it was time to fulfill Elder Tianmen's wish

.

“

Let's go,” David said, then flew off into the distance with Liu Xue.

David followed Liu Xue directly back to the Earthly Fiend Alliance.

Because the Soul Devourer was recuperating in the Earthly Fiend Alliance, they had to come to the Earthly Fiend Alliance to kill him.

“Alliance Leader...”

Upon seeing Liu Xue, the Grand Elder and the three Vice Alliance Leaders all bowed respectfully.

However, when the Grand Elder saw David and Liu Xue holding hands, a thousand curses ran through his mind.

Judging from the situation, his Alliance Leader had definitely been taken down by David.

And he had injured David.

Wouldn't this mean he'd be targeted and punished?

“Has the Soul Devourer Lord come out?” Liu Xue asked.

“No!” A vice-leader shook his head.

“Good, you all come with me to the forbidden area. Before the Soul Devourer Lord fully recovers, kill him!”

Liu Xue said happily, hearing that the Soul Devourer Lord hadn't finished his recuperation.

The Grand Elder and the three vice-leaders were all stunned.

What was the Soul Devourer Lord's strength?

Wouldn't they be courting death to kill him?

“Leader, please reconsider. That Soul Devourer Lord is...”

“Shut up! I'm the leader, listen to me!” Liu Xue shouted coldly.

Chapter 5664

“Alliance Leader, we formed this alliance solely for mutual benefit. If you insist on killing the Soul Devourer, then let’s part ways,”

said a vice-alliance leader.

was originally an alliance of several small sects, aiming to establish themselves in the Nine Heavens.

Now that Liu Xue wanted to kill the Soul Devourer, they wanted to get involved.

“You...” Liu Xue glared at the vice-alliance leader, unsure what to say.

Although she was the alliance leader, they weren’t exactly in a superior-subordinate relationship.

“Stop arguing, come see me...”

an aged voice rang out.

“Ancestor...” Liu Xue’s face paled instantly.

“Your ancestor?” David asked!

Liu Xue nodded, then vanished instantly with David.

When they reappeared, they were in a mountain cave.

Inside the cave, a person with hair almost reaching their feet stood there.

She looked like a ghost, somewhat frightening.

“Why did you want to kill the Soul Devourer?” the old ancestor opposite asked Liu Xue.

Liu Xue glanced at David and said, “Young Master Chen wanted to kill him, so I had to...”

Liu Xue was very honest, telling the truth.

“You were slept with by him?” The old ancestor knew at a glance that Liu Xue had been slept with by David.

Liu Xue nodded, not hiding anything.

“Why? Why did you give him your body and help him kill the Soul Devourer?”

“Don’t you know how powerful the Soul Devourer is? Ten thousand years ago, the Soul Devourer was a great demon of the Ninth Heaven.”

The old ancestor questioned.

“I know, but Young Master Chen also has a powerful backer, even more powerful than the Soul Devourer!”

Liu Xue said.

“Hmph, he’s only in the Immortal Realm, what powerful backer could he have? Compared to the Soul Devourer, the powerful backer is nothing...”

“He...”

Boom! Before the ancestor

could finish speaking, he suddenly exploded.

He turned into dust, his soul scattered.

Liu Xue was dumbfounded, staring in shock at the scene, not knowing what had happened.

She hadn’t sensed any trace of his presence; how could her ancestor be gone?

“Let’s go...”

David wasn’t surprised and called to Liu Xue to leave.

“Young Master Chen, our ancestor...”

“He shouldn’t have, he shouldn’t have insulted the powerful figure behind me. This is the price he pays.” David shook his head arrogantly, seemingly with a hint of regret.

Liu Xue swallowed hard and grabbed David’s arm.

At this moment, she was even more certain that she would follow David even in death.

Just how powerful was this person, who could, without warning or even showing his face, instantly annihilate a Celestial Realm ancestor?

Liu Xue didn’t even dare to dream of it...

After leaving the cave, David took Liu Xue to the Yama Heavenly Sect. Since the others in the Earthly Fiend Alliance were unwilling to follow Liu Xue, there was no need to force them.

It was good that the Earthly Fiend Alliance had disbanded. Now that Liu Xue had obtained the Heavenly Gate's inheritance, she could carry on the Heavenly Gate and become its leader.

This was far more impressive than being the leader of the Earthly Fiend Alliance.

As for David, he couldn't become a leader, nor could he stay in the Nine Heavens forever. The Nine Heavens was merely a temporary place for him to develop.

However, David and Liu Xue didn't know that while they were meeting the ancestor, someone from the Earthly Fiend Alliance had informed the Soul Devouring Venerable.

Now that the Soul Devouring Venerable had recovered, he was filled with disdain upon learning that David and Liu Xue wanted to kill him.

In his eyes, both David and Liu Xue were like ants.

Now that he had returned to the Nine Heavens, the Soul Devouring Venerable's goal was to rule the entire Nine Heavens.

Inside the Yama Heavenly Sect!

All the experts of the Yama Heavenly Sect gathered in the main hall.

Yan Nantian stood in the middle of the hall, and in his seat sat a middle-aged man.

This man was none other than the Soul Devouring Venerable, who had recovered his physical body.

The Yama Heavenly Sect held a pivotal position in the Nine Heavens, so the Soul Devouring Venerable wanted the Yama Heavenly Sect to set an example and submit to him first.

Chapter 5665

Faced with the Soul Devourer, the Yama Heavenly Sect dared not make any significant moves.

Yan Nantian, along with his disciples, wore solemn expressions.

He hadn't expected the Soul Devourer to target him.

"How have you decided?" the Soul Devourer slowly asked. "Submit, or die?"

Yan Nantian frowned. He knew David was at odds with the Soul Devourer. If he submitted now, wouldn't that be tantamount to opposing David?

He had experienced firsthand the power of the strong figures behind David; a single thought could wipe out his sect.

However, if he refused the Soul Devourer's offer, they too would likely face his slaughter.

Yan Nantian was caught in a dilemma.

"Soul Devourer, could you give us a day to consider? After all, the Yama Heavenly Sect isn't entirely under my control."

"We have several patriarchs in seclusion. If we don't obtain their consent, they'll be furious when they emerge."

Yan Nantian invoked the Yama Heavenly Sect's patriarchs.

In reality, the Yama Heavenly Sect had no patriarchs in seclusion; Yan Nantian was currently the most powerful person in the sect.

He was merely saying this to scare the Soul Devourer and prevent him from attacking the Yama Heavenly Sect.

The Soul Devourer frowned slightly upon hearing Yan Nantian's words, then finally nodded and said, "Alright, I'll give you one day. If you don't decide after one day, the Yama Heavenly Sect will cease to exist in the Nine Heavens."

With that, the Soul Devourer's body vanished instantly.

Seeing the Soul Devourer leave, Yan Nantian finally breathed a long sigh of relief.

Many of the other members of the Yama Heavenly Sect were already trembling with fear.

The Soul Devourer was a great demon who had become famous in the Nine Heavens ten thousand years ago.

The Yama Heavenly Sect had suffered heavy losses

at the hands of the Soul Devourer in the past, but fortunately, both sides were demonic cultivators, and the Soul Devourer hadn't gone for the kill. Just as everyone breathed a sigh of relief, an invisible pressure suddenly enveloped the entire hall, and instantly, everyone knelt on the ground. Yan

Nantian gritted his teeth, barely managing to resist this pressure.

As the sect leader of the Yama Heavenly Sect, if he knelt, it would be troublesome.

This was the Soul Devourer's way of intimidating the Yama Heavenly Sect.

All the disciples of the Yanluo Heavenly Sect were shocked. Yan

Nantian, his face filled with astonishment, gazed out of the main hall and muttered to himself, "Mr. Chen, when are you coming back? Otherwise, we can't hold on any longer..."

Now Yan Nantian could only place all his hopes on David.

Although David was no match for the Soul Devouring Venerable, he had powerful backers. If

a powerful figure intervened behind David, the Soul Devouring Venerable would certainly be no match.

Between David and the Soul Devouring Venerable, Yan Nantian would still choose David.

After all, no matter how powerful the Soul Devouring Venerable was, he was just a small fry in front of the powerful figure behind David

. Yan Nantian would naturally choose the stronger one.

Just then, David arrived at the Yanluo Heavenly Sect with Liu Xue.

Seeing David arrive, Yan Nantian was so excited he almost cried.

"Mr. Chen, you've finally arrived..."

Yan Nantian stepped forward to greet David.

"The Soul Devourer has come?" The moment David landed in the main hall, he felt the lingering power of the Soul Devourer.

"That's right. The Soul Devourer came to demand that our Yama Heavenly Sect submit to him."

Yan Nantian nodded.

“What did you say?” David asked.

“Of course I refused. Our Yama Heavenly Sect is willing to follow Mr. Chen, how could we possibly follow the Soul Devourer?”

“I cursed that Soul Devourer and risked the lives of the entire sect.”

“The Soul Devourer told me to reconsider, and then he left.”

Yan Nantian said.

“Sect Master Yan, you still dare to curse the Soul Devourer?” Liu Xue asked in disbelief.

“Of course, your Earthly Fiend Alliance might not dare, but that doesn’t mean my Yama Heavenly Sect wouldn’t dare. After all, our Yama Heavenly Sect is one of the oldest sects in the Nine Heavens.”

Yan Nantian’s face was tough, completely unlike his previous fearful demeanor.
