Chapter 5666

“Don’t mention the Earthly Fiend Alliance anymore. There won’t be another Earthly Fiend Alliance.” Liu Xue shook her head.

“What happened?” Yan Nantian was taken aback.

“The Earthly Fiend Alliance has disbanded. They were all afraid of that Soul Devourer. From now on, Alliance Leader Liu will no longer be the leader of the Earthly Fiend Alliance, but the leader of the Heavenly Gate.”

David said.

“The leader of the Heavenly Gate?” Yan Nantian was shocked. “You entered the ruins? You obtained the Heavenly Gate’s inheritance?”

David nodded. “That’s right. We met the last leader of the Heavenly Gate. He passed on the inheritance to Miss Liu.”

“The Heavenly Gate disappeared overnight because of that Soul Devourer. This guy was originally a disciple of the Heavenly Gate, but in the end, he destroyed the entire Heavenly Gate...”

David told Yan Nantian everything he knew.

“That beast, so that’s how it is. What do we do next?”

Yan Nantian asked.

“Since that Soul Devourer wants to rule the Nine Heavens, then we have no choice but to fight him,” David said.

“But our strength...”

Yan Nantian frowned slightly, “Even if we combine our strength, I’m afraid we still can’t defeat that Soul Devourer.”

“Sect Master Yan, are you afraid? If you are, then don’t worry about it. I’ll deal with that Soul Devourer. I feel incredibly strong right now!”

David's aura began to rise.

A fifth-grade Human Immortal—too strong!

Yan Nantian looked at David, somewhat speechless...

Although David could fight beyond his level, could a fifth-grade Human Immortal defeat the Soul Devourer?

If the Soul Devourer were so easy to defeat, he couldn't have been a great demon of the Nine Heavens ten thousand years ago.

"Mr. Chen, since I've chosen to stand with you, how could I possibly be afraid?"

Yan Nantian hurriedly shook his head. Given

the strength of the expert behind David, Yan Nantian wasn't afraid; he simply wanted David to summon the expert beforehand.

"Alright, we'll wait here for the Soul Devourer..."

David's fighting spirit reached its peak.

"Mr. Chen, do you need to invite the expert behind you first?" Yan Nantian asked.

"No need, I can kill the mere Soul Devourer myself!" David waved his hand dismissively.

Hearing David's boastful words, Yan Nantian couldn't say anything.

The next day, the Soul Devourer descended upon the Yama Heavenly Sect again. This time, he wasn't alone.

Behind him followed dozens of cold-blooded, variously dressed demonic cultivators—his old subordinates and new slaves whom he had regrouped or forcibly subdued after his escape.

Rolling demonic energy, like dark clouds pressing down, dyed the once clear sky above the Yanluo

Heavenly Sect a deep black. The chilling pressure made it difficult for many low-ranking disciples to breathe, their faces turning deathly pale. He remained seated high on the sect leader's throne that rightfully belonged to Yan Nantian, his fingers lightly tapping the armrest, producing a dull "thump-thump" sound that seemed to strike the hearts of everyone present.

His gaze swept over the Yanluo Heavenly Sect members below, who stood ready for battle, a cruel smile curving his lips.

“Yan Nantian, a day has passed. My patience is finite. Tell me, Yanluo Heavenly Sect, will you choose submission, or... destruction?”

His voice wasn't loud, but it carried a chilling coldness that pierced the soul, echoing in every corner of the hall.

Yan Nantian took a deep breath, enduring the terrifying pressure that almost forced him to kneel, and stepped forward, raising his head to say, “Soul Devourer, my Yama Heavenly Sect has existed for tens of thousands of years, and has its own integrity! How could we bow down to a treacherous demon like you who slaughters his sect? If you want war, then let's fight! Why say more!”

“Good! Very good!”

The Soul Devourer laughed instead of being angry, his laughter filled with mockery and killing intent. “Since you are so stubborn, then don't blame me for being ruthless. Ghost Fiend, go and let Sect Master Yan see what the difference is.”

“Yes, Your Excellency!”

A hoarse and unpleasant reply rang out, and a person flashed out from behind the Soul Devourer.

Chapter 5667

This man was thin and frail, like a dried corpse, his body shrouded in a dark gray aura. His eyes had no pupils, only two flickering green ghost flames.

He was “Ghost Fiend,” one of the “Five Fiends” under the Soul Devourer, specializing in the art of soul-devouring and bone-corroding, and his cultivation had reached the third rank of the Celestial Immortal Realm.

Ghost Fiend’s figure blurred, leaving a trail of afterimages, and he instantly appeared in the center of the hall.

He extended his withered, skeletal finger, pointing at Yan Nantian: “Sect Master Yan, please enlighten me!”

Before his words even finished, his ghostly aura surged, transforming into countless shrill, howling phantoms of vengeful spirits that swept towards Yan Nantian like a tidal wave.

The temperature in the entire hall plummeted, and a bone-chilling cold and a putrid stench filled the air.

The members of the Yama Heavenly Sect all paled. Ghost Fiend’s attack was so vicious; the sight of ten thousand souls devouring the heart was enough to shatter the will of the weak.

However, before Yan Nantian could act, a clear, cold shout rang out:

“You demons and monsters, how dare you be so presumptuous! Let me deal with you!”

Before the words were finished, a dazzling ice-blue sword light, like a cascading silver river, instantly slashed into the countless vengeful spirits.

Where the sword light passed, the vengeful spirits melted like ice and snow meeting the sun, emitting a sizzling sound as they vanished with shrieks.

Liu Xue, wielding a chilling longsword, moved with the grace of a startled swan, already blocking Yan Nantian’s path.

Having received the Heavenly Gate’s inheritance, her cultivation had surged to the peak of the second rank of the Heavenly Immortal Realm. She had also cultivated the Heavenly Gate’s orthodox superior techniques, her spiritual power pure and boundless, possessing an innate restraint against such evil and heretical forces.

“Hmm? Second rank of Celestial Immortal Realm? Girl, you’re interesting.”

Ghost Fiend's ghostly eyes flickered, seemingly surprised. "However, with your cultivation level, you're not enough!"

He formed hand seals, and his ghostly energy condensed again, transforming into a gigantic claw composed of countless skulls. With a piercing shriek that tore through space, it slashed down towards Liu Xue. The claw's

power was astonishing; even before it touched her, the sharp claw wind had already torn the ground beneath Liu Xue's feet.

"Snow Dance, Ice Seal!"

Liu Xue showed no fear, her longsword dancing, her body moving with the sword. In an instant, the entire hall seemed to transform into a world of ice and snow .

Countless ice crystals and snowflakes appeared out of thin air ,

swirling and dancing with her swordplay, forming a massive ice and snow storm that met the enormous ghostly claw.

"Boom—!"

Ice and darkness, good and evil, two powerful forces collided violently,

unleashing a deafening roar. The violent energy shockwave spread outwards, the pillars of the hall hummed, the stone slabs on the ground shattered inch by inch, and some Yama Heavenly Sect disciples who were nearby were even thrown back by the shockwave. The ice and snow

storm and the ghostly claw were locked in a stalemate for a moment, but ultimately, Ghost Fiend's cultivation prevailed.

The ghostly claw clenched suddenly, forcefully shattering the ice and snow storm.

Liu Xue groaned, a trickle of blood spilling from the corner of her mouth, her figure staggering back several steps, the icy blue light on her longsword dimming slightly.

"Sect Master Liu!" Yan Nantian exclaimed, about to step forward.

"I'm alright!"

Liu Xue steadied herself, wiping the blood from the corner of her mouth, her eyes still resolute.

Although she was at a disadvantage, she hadn't lost her fighting ability. The Heavenly Gate's inherited techniques allowed her spiritual energy to recover extremely quickly, and her resilience far surpassed that of ordinary people.

Ghost Fiend, pressing his advantage, let out a strange laugh and pounced again like a ghost, his withered claws aimed straight for Liu Xue's throat and heart, moving so fast that only a blur remained.

"Your opponent is me!"

Just at this critical moment, a roar like thunder exploded.

Yan Nantian had finally made his move!

As the sect master of the Yama Heavenly Sect, his cultivation had already reached the third rank of the Heavenly Immortal Realm. Although

he was not as powerful as the Soul Devouring Venerable at his peak, dealing with Ghost Fiend was still no problem. In a flash, he was already in front of Liu Xue.

Facing Ghost Fiend's cunning and vicious claws, he neither dodged nor evaded, but threw a punch.
